## PRINCIPAL'S COMMENTS

As we move ahead into the second twenty five years of our existence as a Catholic college, we need to be mindful that it will be a very different period. In looking back over what has happened in schools in the past twenty five years, there is much that was stable. In looking ahead into the next twenty five, the same thing cannot be said. While there have been slight modifications in the past, these are nothing compared to the changes which will be evident in schools in the future as they seek to come to grips with the needs of the young people.

The present ministerial review will lead to some changes which, hopefully, will be able to meet the needs of young people in a more realistic way. We need to look at what is being done in the schools and ask some rather searching questions about the wisdom of continuing to carry on with activities which no longer have any bearing on the lives of the young people. What is needed is a continual openness to the future and what it might hold, a continual sensitivity to what is happening to young people, a continual willingness to grapple with the problems of shaping that future and not just passively accepting it. We need courage to do that. We need wisdom to do that. We need faith to do that.

It is a problem too big for us to tackle alone, too involved to make sense of alone, but together with faith in the presence of the risen Lord with us, then we will cope.

If we have faith in the risen Lord, then we can stand back and reflect on what we are doing here. We can never afford to be satisfied. We can never afford to think we have it made. There are just too many factors we haven't taken into account.

We must continually come back and ask whether we have in fact made this college an experience of the Good News for those who are here. We need to ask whether being here enables a person to be more fully human, whether God's desire for the whole-

ness of humanity is being furthered here. God's desire for this wholeness was such that Jesus became one of us to show what it was to be human. The challenge for each one of us, is to become as fully human as he was and this college needs to be an institution which helps people become that, together.

This Good News is about the love God has for each of us. The Church should be a centre of that love, a source of hope and inspiration. The quality of your people's experience in the Church will determine whether they choose to be part of it.

Young people today, have an intense desire to live life to the full, to experience the wonder of creation and to be related. If they fear the institutional Church will deprive human beings of the fullness of their human richness and integrity, then they will reject it, as they are doing.

It is a strange paradox that the Church which arose out of the expression of God's love, a God whose incarnate Son is the embodiment of all that is fully human, has come to be identified as the source of deprivation. Perhaps it is because of the emphasis that has been placed on the Fall, human weakness and sin. There is a need to focus on the original glory of creation and to show that it can move to fulfilment through and despite the limitations and restrictions, reaching its ultimate possibilities in Jesus. By doing this, it is possible to see love, perfection, order and goodness as God's gifts to be gradually realised in this world and fully in the next. It emphasises the possibilities of love rather than the limitations of sin.

As a Catholic college, I believe one of the central aspects of our faith which should show, must be the belief that all people are created in the image

and likeness of God and, therefore, they have dignity simply because they exist. I believe also that people will be judged, not essentially on how "successful" they have been in job, sport, study, etc., but rather on the quality of their relationships. We stand to be judged on how well we have related with others, how well we have cherished the dignity of individuals who have come into our lives, how much they have been enriched through contact with us.

If I believe this, then it must influence the way I live and if that is a stand the college takes then it should influence the way this college operates. In taking this position, I believe there is no place in my life for violence, whether in deed or in word. I believe there is no place for prejudice in approach or attitude. I believe in everything that I do I must be working against injustice and whatever closes people off from becoming who they are capable of being. As a Catholic, I don't see another way that I can live the Good News. As a principal of a Catholic college, I would see myself striving to help build an environment without violence, without prejudice and without injustice. I would ask you all, whether pupil, parent, staff member or friend of the college, to commit yourselves to work to establish such an environment in this college, in your homes and in your relationships with others. If we can work together to enhance the dignity of the individual from the womb to the tomb, then, I believe, we are well on the way to building an environment which will be an experience of the Good News which Jesus brought.

As I look back over the seven years I have been here, there is much I thank God for in the way things have developed in that time. There are many people who have worked tirelessly to bring about the change that has occurred. I thank staff members, parents and students for the commitment that has been there. I would ask you all, however, to join together to support one

another as we step out on the water to make the future. There will be changes which some people will not like, there will be difficult decisions that have to be made, and there will be a need for a clear vision. I would ask you to pray that creative answers will be found, that courageous decisions will be made and that the Lord's wisdom will be with us here as we seek to face the real needs of young people and find ways to meet them.

With the approach of the Christmas season, I pray that the peace of Christ may characterise each of our lives and that this celebration of Christmas may be a joyous one for us all.

# FORM

JONATHAN BRADY

Started as a boarder in Form 3, now a day-boy in Form 7. House Captain, has represented the college in basketball, athletics, volleyball and soccer. Has also represented N.Z. at soccer. Intends going to Palmerston North Teachers' College and becoming a P.E. teacher. Has become renowned for his great excuses to get out of school, e.g. "I'm goin' home to bake a cake." Odds on being at school for more than two days at a time are about 3000 to 1 - give or take a few decimal places.

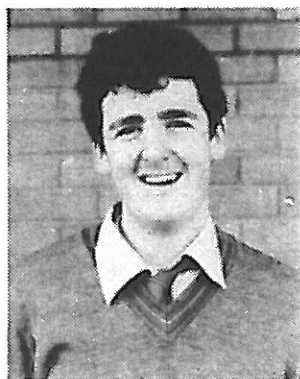

ANDY BROWN

I only started this year but figured out how not to work quite easily. I represented the school in rugby and basketball and I enjoyed it here so much that I'm planning to come back and haunt it. Next year I am planning on finding a well paying job to finance a very extravagant lifestyle, but anything's possible.

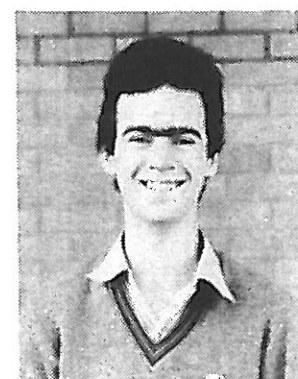

ALAN BROUGH

I have been at school five painfully long years. During this time I have done many things, the least of these being school work. I've represented the college at basketball, falling down cliffs, hang-gliding and teacher baiting. When I leave school I plan to live in the Clutha area and indulge in under-water farming.

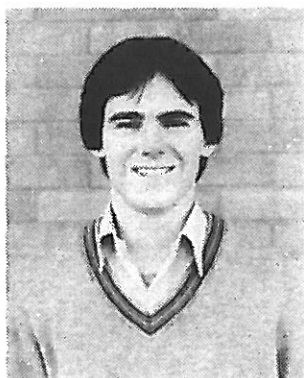

DAVID CLARKE

Started beginning of Seventh Form year. Interested in music, electronics and motor-sport. Plan to go to Canterbury to study engineering in 1986.

MICHAEL DAVISON

Started in Form 3 as a day-boy from New Plymouth. Interested in karate, rifle-shooting. Under-officer in Cadets. Planning to go to Massey next year to study Forestry Science.

# SEVEN

## SEAN FORD

Started in Form 3 as a boarder from Stratford. In this my final year, I have been appointed School Captain and Head Boarder. Over the last five years I have represented the school rugby, being a member of the First XV for the last 3 1983-85. This year I was vice-captain of the Firsts. Next year I hope to go to Victoria to do a B.A. studying Education, Political Science, English and Sociology. Interests include decent music, reading and having fun.

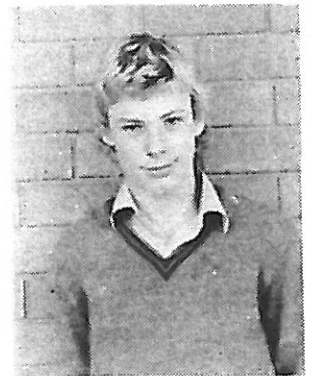

## PAUL KEY

Started in form one and during the last seven years have represented the school at cricket, rugby and the O'Shea Shield. Intend to study Law next year and continue my research on the effects of gamma rays on subatomic particles travelling at near the speed of light. Interest include music and most sports.

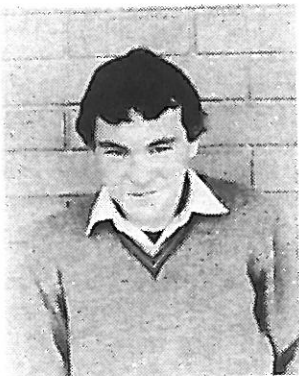

## JEREMY LANDSHEER

- \* Started in Form One.
- \* Played Soccer.
- \* Intends to do Bachelor of Vet. Science next year at Massey.
- \* Apart from that, one of the most boring people you could hope never to meet in seventh form - "WOW" like I mean bored city Arizona.

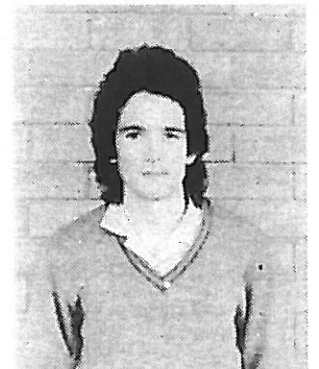

## BRENDAN McLEAN

Started in Form 3. Played First XV rugby and First XI cricket. First XI captain and Cadet Under-officer. Intends studying Commerce at University.

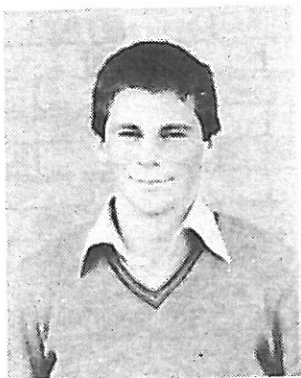

## DAMIAN McMAHON

Started in Form 1. Represented the school in basketball and cricket. Interested in photography and music. A good all-round sportsman and a good friend of the seventh form class.

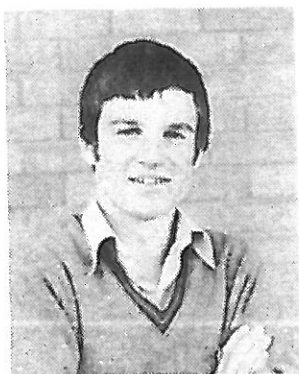

#### SEAN RAPLEY

I started Francis Douglas way back in form one. During my stay I represented the college in rugby and athletics and was Solomon House Captain and a Cadet Under-officer. Interests include modern music, occasional apathy and Chiuaiua punting. Next year will see the beginning of a Bachelor of Business Studies at Massey.

#### DERRIN RICHARDS

Started in form one, played rugby for the school to 2nd XV level. An avid party-goer who has lost all tolerance for homework. Job-hunting. Hopes to save some money and eventually pursue a career in music.

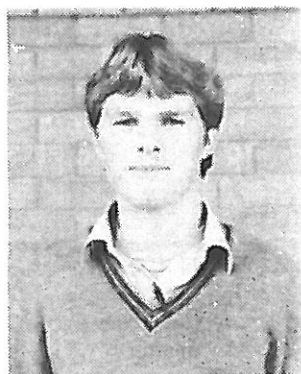

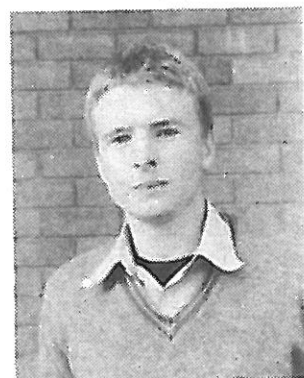

#### PHILIP SECKER

Has attended school since form three as a day-boy from Stratford. Loreto House-captain and 2nd XV captain. Interests include rugby, computers, weight-training and driving. Plans to become an Electrical Engineer at Auckland University.

#### GERARD SCHUMACHER

Started school in Form Two and is a boarder this year. Is a House Captain and captain of the First XV, and represented the school in tennis, cricket, rugby and at O'Shea Shield. Is an Under-officer. Intends to be undecided on what to do next year. Interests include "good music" and beer.

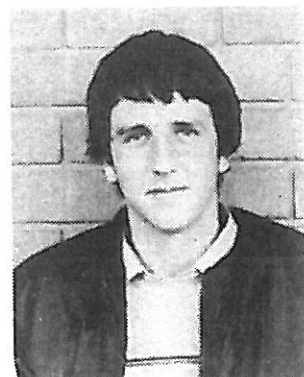

#### MICHAEL TOON

Started at this school in form one. A member of the 1st XV rugby squad for two years. Also represented the school in cricket, volleyball and athletics. Have enjoyed my seven years at Francis Douglas.

#### ANDREW ZIMMERMAN

Started school in Form 3 as a day-boy from Stratford. Made an unspectacular rise to the seventh form. Interests include rally-driving and socialising. Intends studying medicine at Otago next year.

Alan (wanting ride to Westown) :

"I'm not going to give in to fascist blackmail, Michael."

Mike : "I guess you'll be walking then."

Derrin - "I've run out of room in my brain."

(As Brendan races out of class right on the bell :

"Don't mind us Brendan, you just shoot through."

Sean R (to Brough) :

"Arrogant huh - he's not bright enough to be arrogant."

Paul -

"-Is that a letter I or a bone?"

Toon : "It's a bumble bee."

Derrin : "Thank you David Bellamy."

Brady -

"I'm just going home to bake a cake."  
- (In Applied Maths)

"I'm just going home to ice my cake."  
- (In R.E.)

Damian :

"I know all about procrastination. I was going to do an essay on it but I never got around to it."

Phil : (During a test)

"What the hell is mutual inductance anyway?"  
(After studying it for the past four weeks.)

Brady : (about cross-country)

"I can't do this, I'm in training."

Paul : "I'm his trainer, we've got a big meet coming up."

Mr Dravitzki -

"Don't be stupid Michael."

" - Why not? That's what he's good at."

Mrs Goldsworthy : "There's no multi-choice in Bursary Maths."

Brendan : "Oh no. My hopes are dashed."

Damian :

"I can't think straight let alone laterally"

NEW PLYMOUTH

Dear Andrew

On behalf of the People of New Plymouth I extend sincere congratulations and best wishes on your outstanding success in winning the 1985 New Zealand Junior Team Time Trial Championship at Nelson last weekend.

That achievement is a just reward for your personal skill, dedication and effort in your chosen sport. The real icing on the cake was the announcement of your selection in the New Zealand Cycling Team for the Oceania Games in January 1986. You can be really proud of your efforts and success and you should know that we think it is great too. In addition your achievement has done much to enhance the reputation of the City of New Plymouth.

Both Janet and I extend our personal congratulations and best wishes. We will follow your progress with great interest. Good luck for your next big challenge.

Yours sincerely

## RADIATION BABY

Who's a pretty boy then?  
Not I said he, with poison of the day.  
Where did you get that from?  
The fall-out decided to fall my way.  
  
The blind eyes in a bald head  
A new babe is born, the end of time.  
The pale helpless form  
Already past his prime.  
  
The chaos, misery, disability,  
My eyes, my mouth and whole  
body is ill.  
Malnutrition, debilitating.  
Like the baby, strength near nil.  
The wartime politics take my health away  
Madness and futility, horror, death, dismay.  
This fall-out and the bomb makes me  
A Radiation Baby.

#### MY ROOM

My room is messy  
I don't care  
You want it tidy -  
The broom is over there.

Here comes Mum,  
But I don't care.  
Her voice so loud  
Can't help but hear.

Mum is gone  
To go get Dad,  
And as I thought,  
Dad gets mad.

His mouth wide open  
hands in the air.  
So much pain,  
too much to bear.

I need no further  
encouragement.  
My room is clean,  
Thank God for that!

John Battersby

#### STAGNANT TIME

Down the mudded and shingled road,  
Carrying a heavy cattle load,  
Pass through lonely moss plagued places,  
With smoking chimneys above old fireplaces.  
Old cartwheels and implements  
rusting on the lawn,  
Waiting for a caring generation to be born.  
Through steep rock and tussock hills,  
Hearing the echoes of many goat shrills.  
A flock of sheep instantly appear,  
And roam leisurely as if no-one were there.  
The ragged shepherd comes from the rear,  
His whistling and bellowing  
tingle in the ear.  
Through the winding gorge homeward bound.  
The rough metal turns to tar-seal ground.  
These harsh outbacks are left behind to rot,  
But surely never to be forgot.

Craig Chong

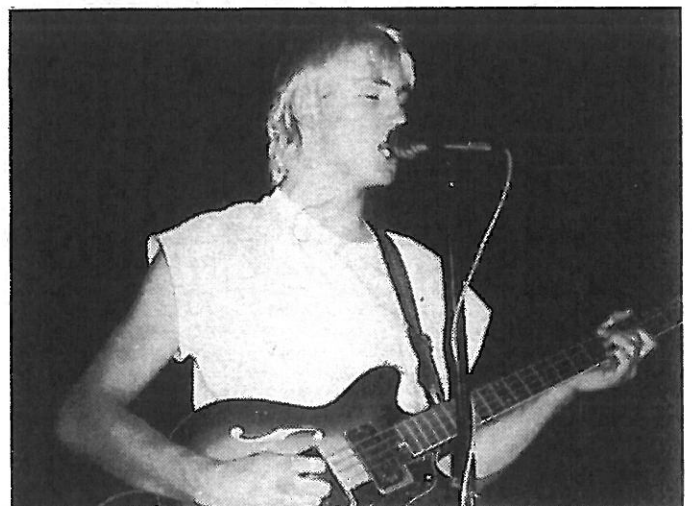

#### POHUTUKAWA

I dominate my suburban surroundings,  
With my trunk and arms out wide.  
And numbers inhabiting nearby buildings  
Cannot equal those who within me hide.

As my leaves appease the wil  
Sounding like breakers upon the shore,  
My motion is that of the storm-stirred  
seas  
Is the motion that I abhor.

My outstretched leaves will offer shade,  
And comfort those below.  
And those traps from which my food is made,  
Will die so that I may grow.

## FRIENDS

Friends,  
They come and go.  
Like pages, only for a time they show,  
Before they turn over and gone.  
And a new takes frame,  
A new sun just shone.  
But soon the sun sets, its light shines  
no longer,  
It's night again until morning,  
One must wonder.  
Until again, the ice lay broken  
by another beaming ray of light.  
For another friend in a life  
has merged upon our lonely sight.  
But this one too, for the same applies,  
Must move away, awayed by cries.  
Another friend whose loving light once  
shone  
Another friend who's come and gone.

John Battersby

## BREEZE

The gentle breeze runs past me  
Whistling in my ears,  
Making my eyes water,  
Bringing out the tears.  
  
One day the breeze is cold and sharp,  
The next it's gentle and soft  
It trickles past the side of my face,  
And makes me feel fresh and alive.  
  
I quite like having a gentle breeze,  
Brushing against my face  
Many a time it cools me down,  
while I'm running a race.

## THE WHALE

Whale, Whale,  
In the ocean deep,  
To submerge to the  
secret of the sea,  
Diving and attacking  
so powerful.  
And using a sonar to speak.  
Whale, Whale  
in the ocean deep.

Whale, Whale,  
grey and blue.  
What would happen  
to you.

Kind and free  
That's the way  
You should be.  
Whale, Whale,  
grey and blue.

Whale, Whale,  
You are strong  
But not strong  
enough  
to fight the harpoon  
you splash and dived  
but could not fight  
the powerful ship.  
Whale, Whale.

Whale, Whale,  
dead so dead.  
Beside the ship  
with the harpoon  
in the blubber  
and extinction  
the grey whale  
looked so sleepy  
but dead.

The Wanganui/New Plymouth Catholic Colleges' cultural exchange weekend was held at St. Augustine's Wanganui on 27/28 July.

Those representing the College were:-

Scott Mitchell	)	
Paul Clarkson	)	Third Form debate
Simon Sampson	)	
Tim Fitzgibbon	-	Impromptu
Domic Hollewand	-	Scripture
Richard Ford	)	Fourth Form Debate
Thomas Reeves	)	
Huib Buyck	)	Fifth Form Debate
Nicholas Kusalic	)	

Results were - The third form team was narrowly defeated by SHW, but Simon Sampson was named best speaker. The fourth and fifth form teams both won against SHW with Tim Fitzgibbon and Nicholas Kusalic best speakers. Tim was also placed first in the impromptu speech, and Dominic third in the scripture reading.

Thanks to all those who contributed to the success of the occasion - Mr and Mrs McMorran and Mrs Gaffney who accompanied the team and Mrs Morrison who supervised the groundwork.

## MONDAY AGAIN

It's Monday again, Here we go again.  
He'll be heading for the railway line  
To catch the 8 a.m. train -  
It's usually right on time.

The 8 o'clock rush hour at full go  
The dirty dish routine starts again  
We're just part of the production line.

Arrive at the office spot on time,  
The clock on the wall just about to strike 9  
Take a seat, take the weight off your feet,  
Ready to go.

But what point has it all?  
We come out of it naturally the worst  
Work, work, work, till life just fades away.

Brainwash youth forced, march away  
their downfalls so close.  
Their main thoughts glory,  
honour and their countries.  
Reefs of flowers bright,  
held against their proud chests.  
Just as in a funeral;  
for they will all lose something.

Never mourning or thinking of the casualties  
With hearts of stone they perceive nothing.  
Nothing except themselves and their kind  
When will they see the light?

Gerard Kennedy

#### DENVER COLORADO JUNE 5TH 1983

The rain was constant,  
The scene was set,  
A vast crowd in oilskins and anticipation.  
The flags were flying -  
The people's pride  
Was not at all weakened by the wet barrage.  
Bob Dillon had it.  
They called it hard rain  
That's what they had then and they went down  
in history.  
The moment was near  
The tension high  
As a local promoter took the stage.  
The time had come - yet not too soon,  
As four men from Dublin took the stage.  
A memorable night was June the 5th 1983.

#### THE SUPPER PLATE

The supper-plate lay there,  
Idle upon its ledge.  
Old and timid and bare.  
Like the old man that had  
Once been its sad owner.  
He had been classed as "mad."  
Society had made  
Him an outcast reject..  
He wasn't of their grade.  
He lived a sad life and  
When he died, there was no  
one to see his last stand -  
Except the supper plate.

### THE WIND

This time I walked into the sun and I could notice the breeze even more.  
It softly ran through my hair and face.  
This wind was a peaceful wind.  
I could hear it lulling in my ear as if it were whispering to me.  
But I just couldn't hear what it was trying to say.

Dominic Forde 3W

### MUD

Mud, cold and squeezy between my toes.  
Stony at the bottom, hard and a bit sharp.  
The water is brown and cold.  
Sticky brown mud oozes between my toes.  
Nearly at the end of the mud -  
Out of the mud -  
Hard to get off my feet.

Mario Martelletti 3W

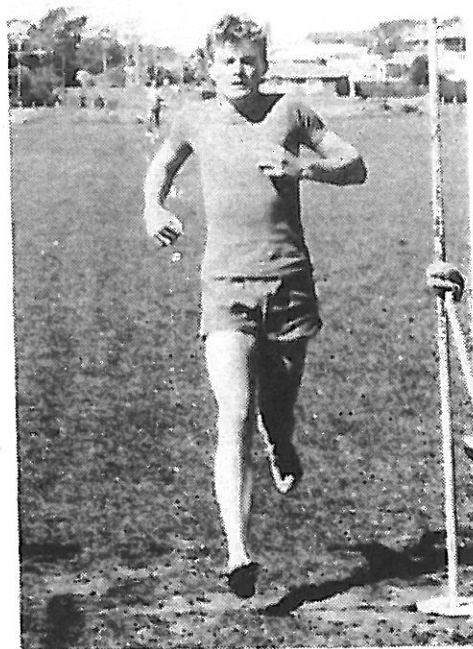

### KALAWATI

This year the third formers decided to continue the sponsorship of Kalawati, an eight-year old Indian girl who lives at Raphael, the Ryder-Cheshire home for children of lepers near Delhi.

Kalawati's father has died of the disease and her mother lives in the near-by quarry-leper colony. Because of our sponsorship, which was started in 1984 by that year's 3G, Group Captain Cheshire and his wife came to visit us and talk of their work for under-privileged people in the world.

Lady Ryder, who was a Resistance Leader in Europe, especially Warsaw, during World War II, had just returned from a tour of drought stricken Ethiopia and also India. She told us the children at "the Little White House" of Raphael, are totally dependent on money arriving from sponsors, to keep them. She described "our little girl" who is lively and fond of dancing, and who told her she had many brothers in New Zealand.

We were delighted to hear that our money really does go to keep a child alive and cared for. It buys her food and clothes and school books, and sometimes Kalawati is given the money to buy an icecream when she goes to the bazaar, as a special present from her New Zealand family at Francis Douglas.

## CHANGE

I was death's employee under the immediate charge of the most almighty and Godforsaken creation conceived by a loving and compassionate God. Those who consumed evil were in turn consumed by me. The evil doers, the devil's own.

My story begins in the fiery pits of hell, the tormented screams of a captive audience, truly captive. Called before the unholy one I was given the shell - the body of a mortal. My task - to enshroud the vile holy commune of Demarcus with my evil and inhuman ways. I came to this place as an outcast called Carmon. I came begging for food and in return I gave them eternal hell - but still they cared and loved. How could I, the evil outcast, understand that disagreeable emotion? Care and love were holy - I was not. Or was I? For one small instance I felt compassion. A sin in my father's eyes. For days I drifted in this demented state, evil then righteous.

It happened one night. It wasn't unexpected. Somehow I knew he was going to call. He came in the form of a small feeble child with a mellow voice. It was then that I realised that I was not the devil's advocate but really a sheep in wolves' clothing. I was humbled in the presence of the true one. A small delicate hand was laid upon my shoulder.

I was now truly His.

## SUNSET

The sunset is in its beauty rare,  
The sun rises for its canvas, the air.  
Paint is supplied by its many-hued light  
To create a masterpiece  
The harbinger of night

The tint of the rainbow seems very dull,  
And works of men are void and null  
Nothing on earth can yet compare,  
when the heavens show that night is there.

The sun melts to meet the sky  
And I seem to feel God close by.  
No need to fear ahead the night  
when the sunset comes,  
The Jewel of light.

Jonathan Brough

## REVOLVER

He was but a lad from Penny Lane,  
Who by a bullet, he was slain.  
Yet through a music we have gained  
Peace. "Give Peace a Chance."

In life he gave better than any could give,  
So that through his music he could live.  
Live in "Strawberry Fields Forever."

Of peace and love, he lived and sang,  
Throughout the world his music rang  
Millions came to hear his immortal band.  
Love. "Love is all you need."

If only the clock could be turned  
Back, as many millions have yearned.  
It would be "Just like Starting Over."

The boarding side of the college has been once again, a very important aspect of the college life. The participation of boarders in many areas - rugby, basketball, soccer, drama and debating, and a host of others - has been very good and all have contributed much to the college as a whole.

The willingness of all to help in various jobs around our "home" has done much to give the boarding community a deeper feeling of family which creates real friendship among the guys. This respect and attachment to one another flows over into other areas of college life such as sport cultural activities, or whatever. Our participation in these areas helps every team to be successful as a team, no matter whether they 'win' or 'lose'.

THE SEA

Sparkling

Dark,

Crashing,

Deadly,

Cold,

Splashing on the

Rocky Shore,

Crushing,

Freezing,

Deep

Menacing.

Hayden Walsh 4G

Some people stand talking to each other,

A large tape deck lies on the ground.

They stand in a huddle,

smoking, laughing, and generally looking tough.

They pace up and down the streets,

Glaring at everyone they pass who glances at them.

But under all the make-up and clothes,

They are just lonely kids.

Dominic Forde 3W

The man silently sitting,

Patient in his old age.

Not another person anywhere;

He is alone, but not lonely.

He is content,

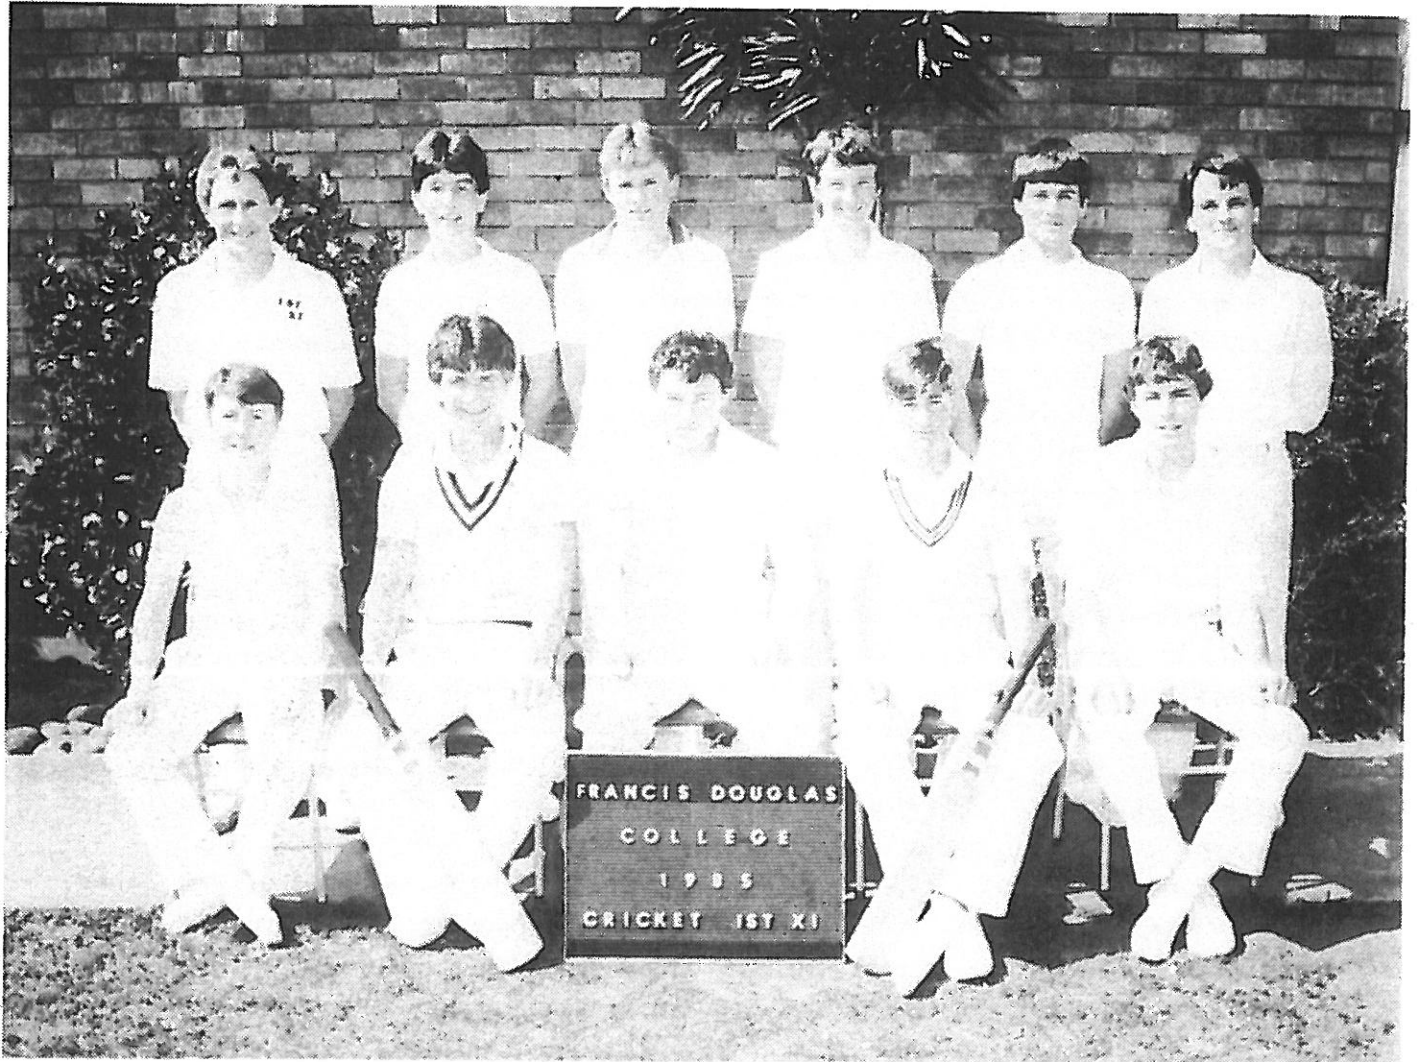

Staring at the green-blue of the sea,  
quietly waiting for a bite.

Once again this year, the school has had a very full cricketing programme with some outstanding performances by both teams and individuals. Cricket continues to attract large numbers of players which has placed some pressure on our sporting resources, but at the same time, brought a large number of new 'stars' to the fore. We have had a large number of our players selected for representative honours from

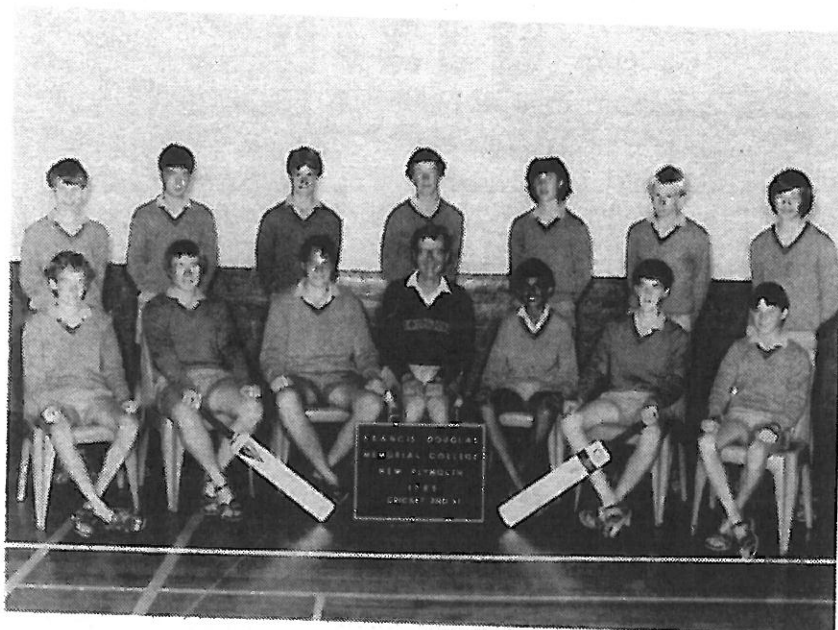

all the grades we participate in. This together with the large number of enthusiastic social players bodes well for the future of the game at the college.

A very big thank you must go to all the teachers and parents who have been involved with the teams. Without their support we would be unable to offer the opportunity to play the "great summer game" at the college.

The team to represent the College for the O'Shea Shield at Viard College, Porirua this year was:-

Oratory:	Stephen Joll
Junior Speech:	Michael Smale
Scripture Reading:	Paul Healy
Impromptu:	Tim Fitzgibbon
Drama:	Brendon Rae
	Shane Pascoe
	Eugene O'Sullivan
	Jarred Coogan
	Paul Clarkson
Religious Questions:	Jonathon Brough
	Gerard Schumacher
Debating:	Paul Key
	Robin Fabish
	John Battersby

The third-formers who comprised the drama team gave a great account of themselves and, although not in the placings, they were certainly appreciated by the audience.

The competitors in Religious Questions showed excellent teamwork and Impromptu and Scripture candidates were equally impressive. The fact that all these were unplaced is evidence of the very high standard of Shield competition.

Our turn came with the Junior Speech where Michael Smale with an entertaining speech on Manners was placed third in his section. Next, Stephen Joll in his first attempt at oratory gave promise of things to come in being placed third in his section.

The debating team, with the difficult task of affirming that nuclear ships should be allowed into N.Z. parts, succeeded in defeating St. Bernards handsomely. John Battersby earned special praise from the adjudicator in being named best speaker. The team also won its section of the debate, only the second time the school has done so.

The team again stayed at the P.O. Hostel at Heretaunga and on Saturday evening enjoyed hospitality at the home of Mr and Mrs Fabish at Johnsonville.

Our thanks are extended to them, and to all those who provided training, support and transport - Mrs Gaffney, Mrs Healy, Mrs Smale, Brother Michael, Mr McMorran and Mrs Morrison.

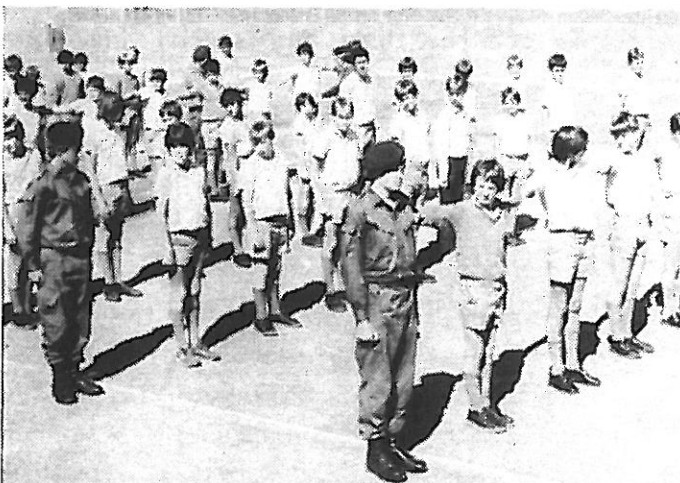

# CADETS

1985 was another successful year for cadets. From the arrival of new uniforms, to the annual camps, the cadet unit has been fully involved in the N.Z. School Cadet system. In April, the fourth form had their first day of cadet training in which they participated well and all are looking forward to the end-of-year camp. In May, the annual Corporals' Course was run by our own Major Walsh and was very successful as ten passed. The August course was for Under-Officers where Craig Butler,

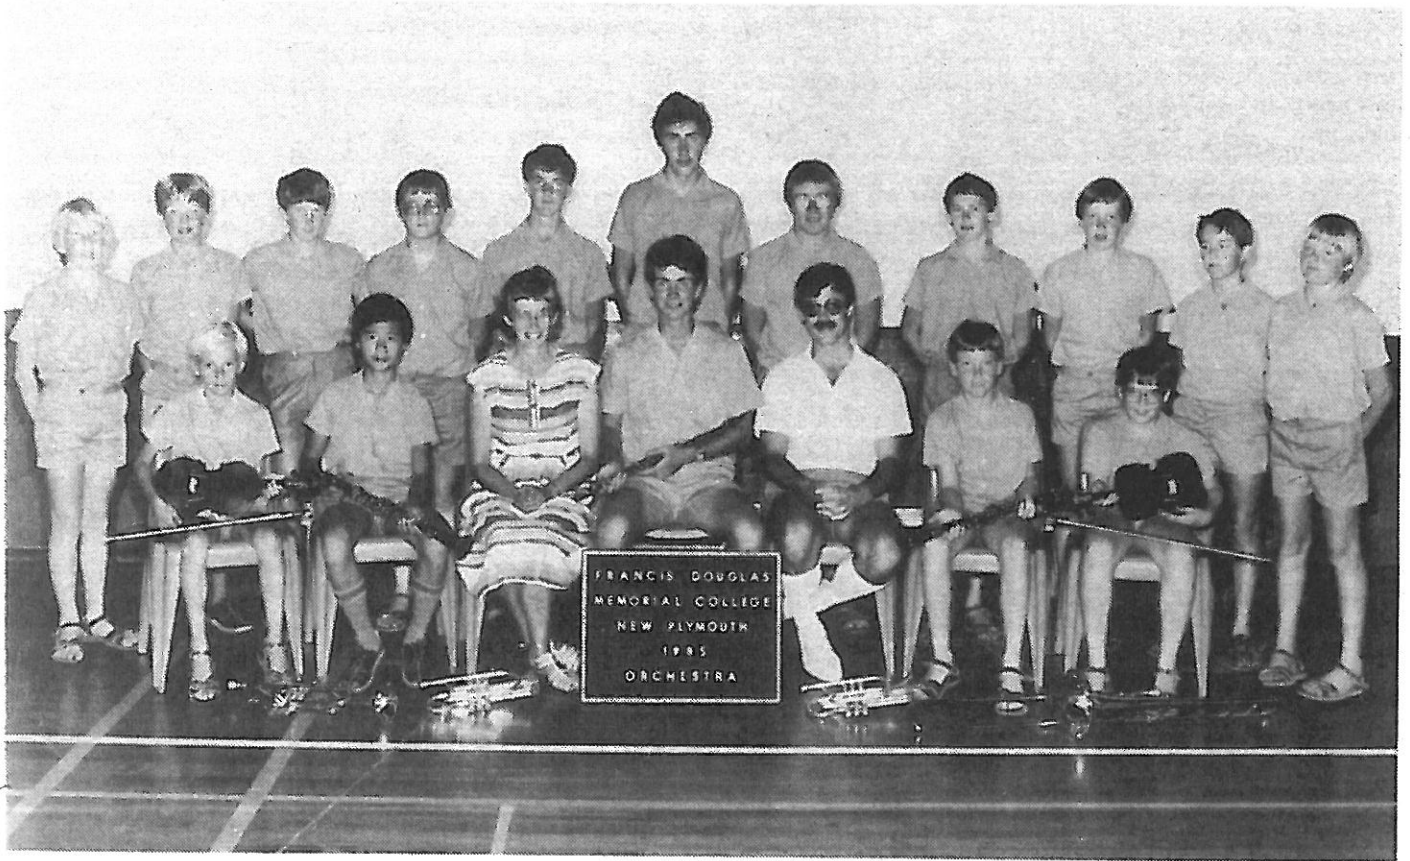

John Wickham, Blair Hurley and Simon Mori participated with distinction. The Unit was given due recognition as Sean Rapley received the top U/O Award the Robert Friar Memorial Trophy. This year Gerard Schumacher has also been nominated for the Trophy. Everyone from the Cadet Unit wishes Sean Rapley the best in the future as he has gained acceptance as an Officer Cadet in the N.Z. Army.

The fourth formers return to Rahoitu for a week's experience in Mid-November.

This year the orchestra consisted of a central core of young players who have practised each Wednesday morning before school and performed at school functions during the year.

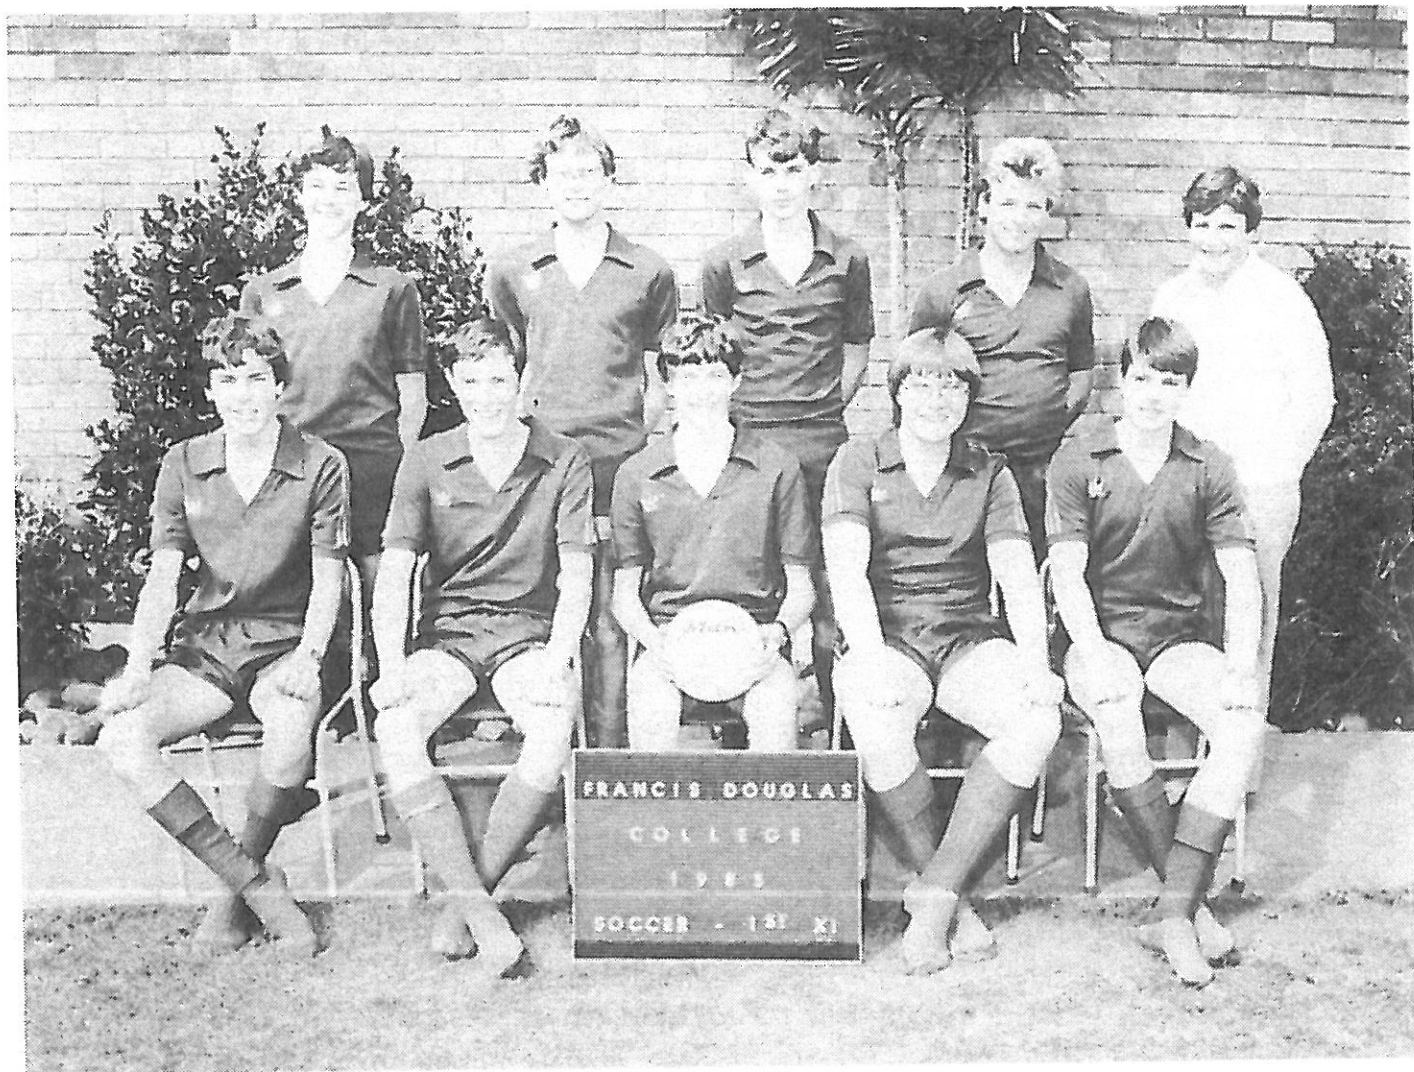

Thanks are due to Mrs Ryan, our conductor, and to all those music teachers of orchestra members, for support and encouragement.

The financial support of the P.T.A. was most appreciated, and the pool of instruments has an interesting variety to entice new members in 1986.

Hope to see you all there.

This year our unofficially recognised First XI team participated in a newly formed Youth Grade competition. Although several incidents hampered the team, such as the absence of our goal-keeper during much of the season, third place was gained in the competition. Good form was displayed by Anthony Adamski, Paul Cotter and Derek Spurdle, but consistent play was evident from all the team. Support from our coach, Mrs Third, our manager Mr Whitmore, and Mrs Cotter was much appreciated.

The best game performance was difficult to work out, but the victory against top-placed Old Boys was a great achievement by the team.

The 1985 Francis Douglas 16th Grade was not a team with major successes, but a team with extraordinary spirit. Right from the beginning, the team reflected the spirit of the college, and this was seen by the way we turned out on Saturdays - polished boots, clean shirts and optimistic - even if defeated.

Through the entire season, Mr Hawthorn's consistent organisation, and Mr Murrow's faith in our ability, helped keep the team fighting. Alister Leask's constant encouragement and advice as the Captain ensured that the defence did not collapse. Richard Hall, with Andrew Murray occasionally filling in, did a superb job of

defending the goal. The opposition's defence was hard pushed to stop attackers like Michael Morresey, Tony McLauchlan and Neil Kaiser, whose tackles though not always orthodox, were effective.

To conclude the season, a pot-luck dinner was held at Alister Leask's place where the team enjoyed a good meal and a great evening. This season has meant a great deal to every team member.

15th Grade Brown had another very successful year in 1985, winning the league with out dropping a point, and playing very good football all year. Many thanks must go to Mrs Mori for her astute management and to the parents, for supporting us and providing transport to away games. I extend thanks also, to the boys for working well all season, both in training and in games.

Thanks guys, for a great couple of years and I wish you all the best for next year. Remember what can be achieved with a bit of hard work and determination.

Although success eluded the 1985 15th Grade Gold Soccer Team, we played with the team spirit that the public have come to expect from F.D.C. players. The team set a perfect example in sportsmanship and effort which was recognised and rewarded with the Referee's Association Cup.

The team's coach, Mr Jock Ross, willingly gave up his time and expertise, and his enthusiasm saw the team constantly improving throughout the season. This was noticed by dedicated supporters as well as the fortunates he took under his wing. The team effort made the season fun and most satisfying.

Our coach was Mr Van Beers and our Manager was Mr Zieltjes. Mr Backhouse supplied help at practices and supported us at games. Glen Phelan was the top goal scorer closely followed by John Clarke. James Backhouse and John Clarke made the Reps. Our captain Brendan Keighley, really spurred us on. He had an uncanny knack of winning the toss. We came third in our Division. In the seven-a-side, we came second, losing the final match in a high-tension shoot out. Timothy Russell won the Backhouse Trophy for the most improved player of the year. All in all, the season was thoroughly enjoyed by every member of the team.

Mr Marinovich was our coach and Mr Raine was our Manager and was at every game we played. Our best game was our 3-2 win against Highlands, when we scored the goal in the final three minutes. Our goalies changed through the year, but near the end we found a permanent. Our main scorer was Niki Marinovich with Jason Fleming close behind. We had a good mid-field and our backs defended well. Our biggest win was against Sacred Heart with a 19-nil score. The only game we lost was against Woodleigh Rovers with a 2-nil loss. Although we won this league, we lost both games

at Viard College in Wellington. Three people from 13th Grade Brown played for us, giving a new goalie, Nicholas Zieltjes and a new midfield. We had lots of support from parents at every game. Mr Raine always supplied us with oranges at half-time. Mrs Marinovich cheered us on and was right behind us at every game. All our team played really well and we earned our place at the top and worked hard for it. It was quite a change as last year we came at the bottom of the division.

Overall, it was a really good season.

### THE SEA

A giant clawing sandy beaches,  
With long protruding nails,  
From a distance the sea is so calm,  
But yonder, out there, it hails.  
Over the horizon the sea rules the world,  
A fierce, unforgiving giant.  
But at the ebb the gentle sea  
Breaks upon the sand so quiet.

A fine season was had by the 12th Grade Division One Soccer team. After a first game loss, they went on to play their games in fine form, only losing their last game to Welbourn, to place them runners-up in the competition.

Christopher Gordon, the team's fullback, made the 12th Grade Rep. team and after this season's performance, there are now several more boys eligible for Reps. next season.

Many thanks must go to the team's Manager, Robert Gordon, who had the unenviable task of organising the boys to their venues and refereeing "gumboots and all" on Saturdays.

Certainly each boy played to his utmost and showed fine sportsmanship in all games.

1985 was a good year for basketball. However, this was not surprising, considering the support and participation that the sport received from many people. This support came from within the school and from outside it. Special thanks must go to Mrs Plumb who organised every facet of the basketball competition this year, putting in hours and hours of work to keep everything flowing smoothly (which was much more difficult than you might imagine.) Mrs Plumb also managed to coach the Senior A Basketball (with help from Pat Ryan). The Senior team was placed third in the N.P. A Reserve competition, and are favourites to take the competition next year. Thank you to everybody in the Senior Team for their great commitment. Also thanks to everybody who participated and helped to make basketball in 1985 a very successful affair.

## BASKETBALL

Basketball at Francis Douglas College has had a most successful 1985 season with at least 160 boys involved in competitive basketball from Form One level to Form Seven.

The school fielded 15 teams this year, thanks to the support of teachers, parents and willing senior players, coaching and/or supervising.

Bro Steve, kGlenn Corric and Paul Roberts spent long hours coaching three Form One teams and assisting with Form One Junior League played each Friday afternoon. The No. 1 team "Fraggles" won the N.P.B.A. Competition. Congratulations to Dion Ratahi, John Clark, David Clarke, Brendan Heal, Chris Gordon, Michael Wills, Greg Larkin and Campbell Norgate on their excellent achievement. F.D.C. teams all did well in the N.P.B.A. Junior League held every Friday afternoon and evening in N.P.B.H.S., Spotswood College and F.D.C. gymnasiums.

Our school had two teams in the U.13 years Grade. These were controlled by J. Wickham and G. Kennedy. F.D.C. Keas came 4th out of 8 teams. Well done.

The U.14 years Grade saw out two F.D.C. teams, Atoms and Flyers come 2nd and 3rd respectively. Great coaching jobs done by M. Whitehead and J. Wickham. Dominic Forde, Kent Mori and Michael McNeice featured strongly in all their games.

The U.16 Grade was very competitive. F.D.C. had four teams - Bullets, Rebels, Colts and Saints. F.D.C. Saints were eventually clearcut leaders winning all 13 games they played. Congratulations to Michael Fleming (Capt.) Nicky Eliadis Glenn Corric, Paul Roberts, Greg Thomas, Kevin Ragonese (Our "American"), Danny Grace and Luke Kennedy. They practised long and diligently under the guidance of J. Wickham, M. Fleming and myself and decidedly deserved their success. Michael Fleming was also the recipient of the D.V. Sutherland Award for the most out-

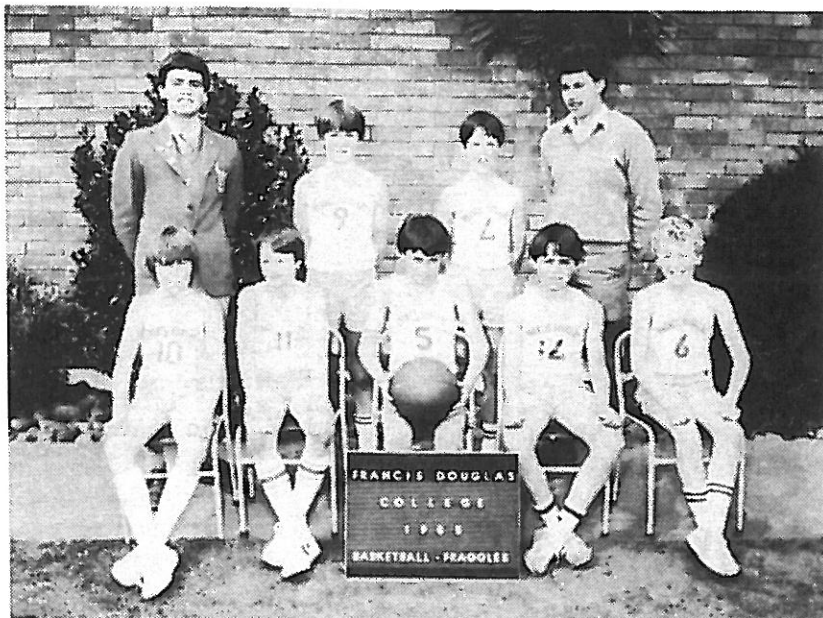

standing player in the Taranaki Shoe Salon U.16 Grade.

Bus boys made up two teams who played in the Stratford Competition. They thoroughly enjoyed themselves and were quite successful as well. David and Brendan Reed, Blair Judd, Jason Perrett and Paul Slattery were prominent in all games.

Our School B. Team was entered in the N.P.B.A.'s C. Grade competition and, at times, displayed some quite amazing skill and grace. Damian McMahon, Blair Fitzsimons, and their "American" Mitch McFerran were always in the 'thick of it.' Our Representatives were also very successful. The 14 years and under team of Paul Roberts (Capt.), Nicky Eliadis, Glenn Corric, Brendan Symes, Dominic Forde, Kent Mori, Greg Phelan and Glen Tait won the Central Region competition at Napier. The 3rd and 4th form team came 2nd in the Taranaki Inter-school competition and also won decisively against Wanganui Boys' High School.

The Seniors - The Senior team consisted of Alan Brough (Capt.), John Wickham, Jonathan Brady, Michael Whitehead, Daniel O'Connor, Paul Healy, Grant Kennard, Paul Symes, with assistance from Luke Kennedy and Michael Fleming. This year's team was very young and inexperienced, but under the expert guidance of top professional(s?) Pat Ryan and Elyne Plumb, they rapidly gained in ability and stature. The team eventually ended up with a very creditable 3rd placing in the N.P.B.A. Senior Reserve Competition.

Back Row : J. Wickham, C. Gordon

Front Row: G. Larkin, D. Clarke,

#### Highlights of the year -

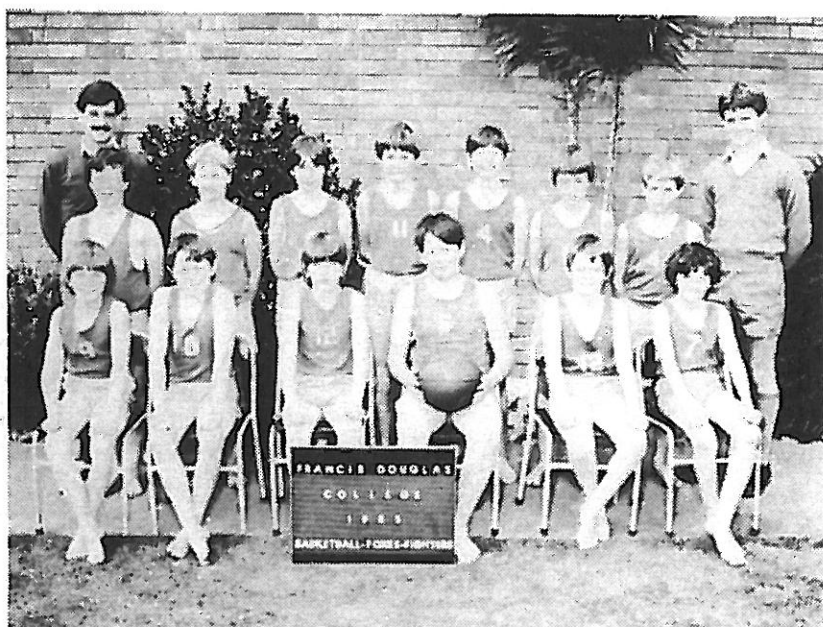

1. Being coached by such an exciting player as Pat Ryan.
2. The Secondary Schools' Regional Competition in Wanganui - trip - lodging playing - every aspect highly enjoyable.
3. Winning the Hawera B.A. end-of-season tournament.
4. THE HIGHLIGHT - Winning 3 out of 3 games against a tough and determined N.P.B.H.S. team.

This year the team was really outstanding with its tremendous team support. Michael Fleming and John Wickham made the N.P.

U-16 Representative team. John Wickham, Alan Brough, Michael Whitehead, Daniel O'Connor were N.P. U-20 Representatives, with Alan and John given further incentives by being invited to participate in local curtain-raisers to the Country-wide Kennedy Equipment team. Well done to you all.

In conclusion, I would like to thank most sincerely all staff and boys who assisted in any way with basketball this year. I'm sure we have such a great season because of your support and commitment to the game and of one another, and especially to me.

## IMPRESSIONS OF FIRST XV RUGBY 1985

A fine team spirit built largely on the attitude of our five seventh formers, Gerard Schumacher, Sean Ford, Sean Rapley, Mike Toon and Brendan McLean.

A team that rose to the occasion in big games, namely St. Pat's and De La Salle, featuring top players in Kelvin Judd, Shawn Matthews, Lane Cookson and Alan Curry.

Emerging players who had some outstanding games: Tim Flynn, Peter Heine, Allan Hughes Warwick Hunger.

Exciting backs who made up some brilliant

tries: Blair Fitzsimons, Gerard Kennedy, Heath Taylor, Paul Slattery.

Ever reliable and versatile players in Robin Fabish, Claude Wuest and Gavin Vanner. Dedicated management in Br William, John George, Br Kevin and Peter Blackwell. An enthusiastic support from parents at our matches, at our dinners and in financial assistance.

Tremendous competition from our Taranaki Schools and our six Catholic Colleges from other provinces.

A record of 11 wins, 2 draws, 5 losses from 18 games.

The past year saw the college celebrate its 25th Jubilee and in achieving this milestone your P.T.A. was particularly active. The following were functions organised by the Committee:

Jubilee Dinner - held at the Racecourse Complex for past P.T.A. Committee Members. This highly successful function was honoured with the presence of Mr and Mrs Ray Douglas, Mr Douglas being the brother of Rev. Father Douglas.

P.T.A. Jubilee Mass and Pot Luck Dinner held at the College. This function was notable for the absence of day boys' parents. The evening was saved by a great turn out of boarders' parents who travelled considerable distances to attend. Please note the function was well publicised!

Farewell Functions for Brothers Tim and Adrian, Bavarian Evening and Citrus Fruit Sales.

Gala Day - Again a highly successful venture. My sincere thanks to all helpers and especially those who attended and supported this important day in the College's calendar. At this point I would like to make special mention of the Raffle run by Br. Kevin, ably assisted by Mrs Goldsworthy and Mrs Plumb together with the wholehearted effort of the 4th formers. Sincere thanks to you all for making this fund raising event the success it was.

Most of our revenue is raised from the school raffle, Gala Day and Housie evenings. Of course, the \$64000 question

is "Where does it all go?" Your P.T.A. has channeled these funds into the following ventures:

Agriculture Centre - Jubilee Project in conjunction with Old Boys' Association. Concrete path from Quad to sportsground.

P.E. Department - Purchase of equipment and storage building.

Video Equipment for 4th & 5th Form levels. Musical instruments for Humanities Dept. Weight-lifting equipment.

R.E. Department - purchase of set of bibles.

Remedial Reading - purchase of books

Science Department - purchase of equipment

Social Studies - purchase of projectors, curtains and boards.

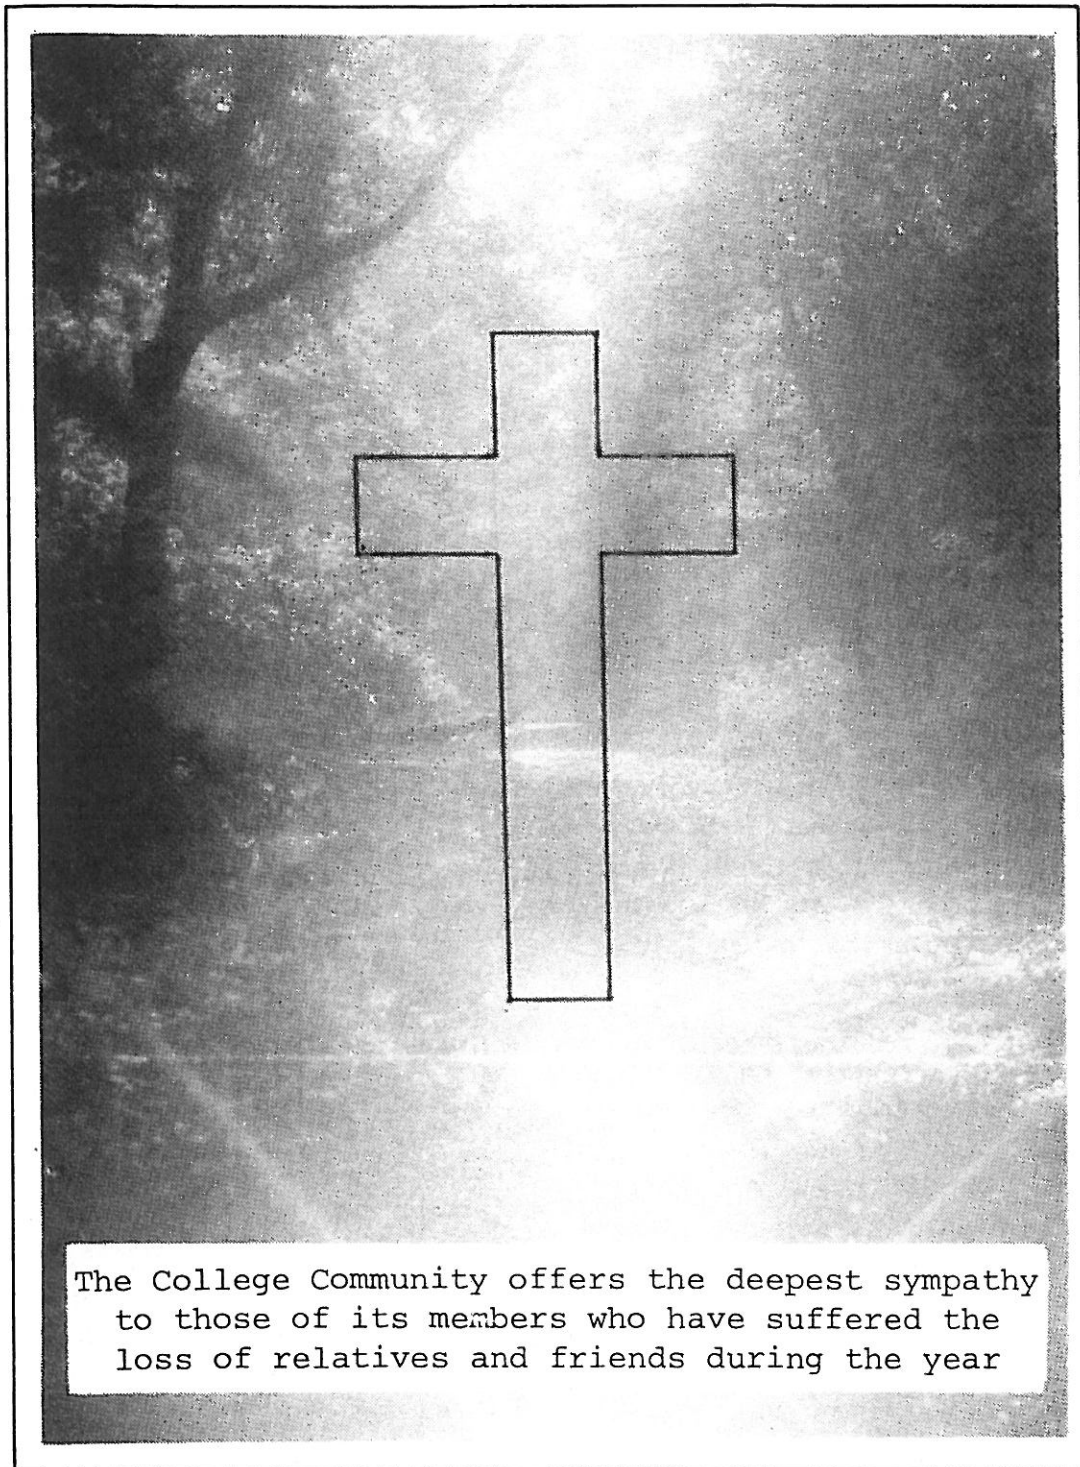

From the foregoing, you will see that your P.T.A has your son's welfare very much at heart.

For your P.T.A. to be successful, your support is needed. There are several ways of doing this, i.e. making yourself available to serve on the P.T.A., attending functions arranged by your P.T.A. for your benefit, etc. The latter are not tediously drawn out as many might think. They are a way to meet other parents and a way of finding out how the college operates.

Finally I would like to thank my Committee for the effort and support given me, to thank the Brother and the Teaching Staff and all those parents who have given valuable time and effort to the P.T.A. and the College.

R. J. Crow

President.
