BOARD OF GOVERNORS

After the activity of 1986, by comparison, the year 1987 was a relatively quiet one. The Board had to finalise its submissions on the Curriculum Review and also review the use of descriptors used in reporting School Certificate results.

The problem of recruiting teachers, but more especially in the Science and Maths subjects, has developed into a perennial problem and causes many headaches for the Principal. Otherwise, from an organisational view the year was uneventful.

What is eventful is the change that is going on around us which has been likened to being as dramatic as the last Industrial Revolution. It is essential that our schools are capable of adapting to this change and the speed of it, to ensure that our pupils are well equipped to handle it once they move on.

During the year the Board took the opportunity to review the College's position as educators of the young men of the future. In conducting the review the Board looked at several measures by which to gauge how successfully this was being carried out. These included exam results, the spirit in the school, the environment for the pupils and teachers and the product being produced. In addition, because this is a Catholic College, the pupils' attitude to the "Good News." The Board believes that all these measures are important but undue emphasis can be placed on any one particular measure, and if that is the criteria by which success or failure is gauged, then the College could be considered to have failed if one measure in one area did not measure up in one year. The Board does not accept that approach and believes that a far more evenhanded approach is demanded, taking a span of five or more years and taking into account all the measures in arriving at any conclusions. In any school there will be high and low points in any one of the measures mentioned, but to react to any one in isolation could cause distortions not in the best interests of the school community.

The Board thanks the Principal and his staff for the manner in which they undertake the education of the pupils in their charge, and for their co-operation with the Board.

During the year one Board member, Ian McLauchlan, was transferred to Palmerston North on promotion. We congratulate Ian on his promotion, wish him well for the future and thank him for his efforts on behalf of the Board.

For the Board.

PRINCIPAL'S COMMENTS

In our rapidly changing world, it is important that we have some firm foundation on which to build and something against which to judge the worth or otherwise of what is being proposed for this college. We need to ask what this is. There is so much emphasis at present on power being used to dominate others, to control and dictate to them. This power is a dividing power and one which traps and binds people. If we are to stand for anything in this college it should be that we have a power here which is different. The power we have is a power which will bring people together to bless, to enable people to be with each other, to give and foster life, the power of brotherhood and sisterhood, of community.

We are built on the foundation of the apostles with Jesus Christ as our cornerstone. We live in the tradition of the Catholic Church and in a special way in the tradition of John Baptist De La Salle and of Fr Francis Douglas. This is not a distant tradition, a tradition which is lost in history. Rather, we are caught up in passing on a *living* tradition which has the power to unleash a vitality in this world, a world which is so caught up in the morbid task of dying. Our theme this year was to "Choose Life - life in all its fullness" and it is this which we have sought to do during the course of it. This is a counter cultural position and one which challenges us to look carefully at where we find life. John Baptist De La Salle worked with young people over three hundred years ago and he had a living dream to enable people to open their eyes of faith and to see the presence of God in the everyday aspects of life. He wanted people to see that presence, that manifestation as a way in which God was saying she is not absent from this world. Indeed God is the force which is an ever present cohesive force in all that is, a force which drives away all senseless loneliness from our lives.

As we have gone about the events of this past year, we have sought to remember we are in the presence of that God. We have sought to examine what we are doing by asking how well it enables the development of an environment which is an experience of the Good News Jesus brought. We have sought to provide opportunities for young men to grow as people, to gain knowledge and to acquire skills. These are goals which are worth striving for and putting a considerable amount of energy into achieving. The degree to which we achieved these goals varies, but I feel confident that during the course of this year aspects of all those goals were reached. It is important to remember that our confidence rests not on having all the right answers, but on who it is that walks with us. Hence, some of us till the soil, some plant, some water, but it only God who gives the increase. His Spirit alive in the midst of us brings forth the growth.

With confidence in this God we have moved ahead during this year. We have become conscious, however, that there is a constant need to examine the assumptions from which we work and to ensure that we are not taking on board the oppressive aspects of our society. In seeking to make this place an experience of the Good News for those who are here, we need constantly to fight against those things which will prevent this happening. Thus the oppression that comes from racism, from sexism, from prejudice of any form must be opposed. In order to do this we need people in the college who are prepared to confront these issues. In a boys school the danger of sexism being reinforced through comments, jokes and structures is very high and we must be careful to fight against that. In a predominately white, middle class school population the danger of racism and prejudice against those not so well off, is high and we need to help

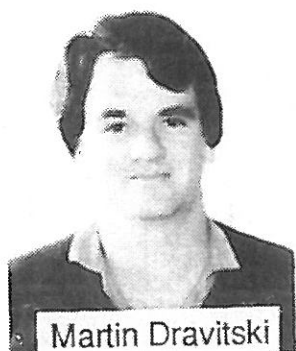

people see the injustice that is so very real in society and provide them with the opportunity to acquire the skills and knowledge to enable them to work for justice and peace.

If we are going to be true to Jesus, then we have to look at what he was on about. His real concern was for those who were oppressed. He took their side and opposed those who were oppressing. We need to play our part in following on in that tradition. John Baptist De La Salle took the side of the oppressed of his time. Fr Francis Douglas lay down his life for the oppressed he worked with in his time. Our challenge is to find an adequate way to live out that Gospel call now in 1987. The choice lies before us and we don't have the option of not choosing because by the very act of pretending to ignore the choice, we are taking the side of the oppressor. In each of our activities as individuals and as a college, we need to ask ourselves the question: "Who benefits from what I am doing?" Is it the rich and powerful or the people whom Jesus called blessed, the people John Baptist De La Salle worked for and the people for whom Fr Douglas gave his life?

We are inevitably faced with choices and choices are based on values which have to be acquired and this involves a long process of growth. This growth can come from overcoming the separation of faith from life. We claim to work from the values of Jesus and maturing as Christians does not mean saying more prayers so much as making more right decisions, decisions based on Gospel values. This maturing is something we all must work towards and particularly those who are coming to teach and administer in Catholic schools. As we come to the end of the year, let us pray that we may mature in this way and that the young people who leave us this year may move out from here and grow in such maturity.

This year we say farewell to two of the Brothers. With Br Michael's departure comes a break with our Australian Brothers. Since 1959, when five Brothers came from Australia to start the college, through until now, there have always been Brothers from Australia on the staff. On behalf of past parents and pupils, I would like to publicly thank those Brothers represented by Br Michael here with us, for the gift of those years of service given to the students in this country and city. The college would not be where it is today without such extraordinary generosity. To Br Michael I extend a special word of thanks for his five years with us, a hope that the return to his home country will be a joyful experience and a wish that he takes with him enriching memories of his time here. Br Stephen also leaves us to take up a position at De La Salle College in Auckland. As an old boy and past School Captain, Br Stephen was welcomed back to the college as a teacher with considerable enthusiasm three years ago. In his time with us he has established himself as a greatly gifted person who has used those gifts for the benefit of people here with great generosity. We will miss him, but wish him well as he broadens his experience and enriches the life of De La Salle College.

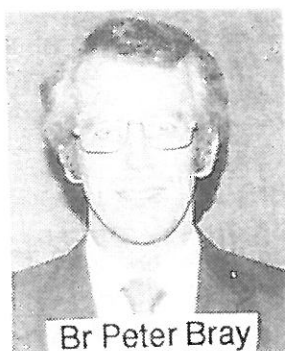

As we come to the end of the year, I extend sincere thanks to all those who have worked on behalf of the college. A special thanks to the staff who have sought to work with the boys to make this a good place to be. I think we are fortunate to have the quality of staff employed here. To the Board and P.T.A. I extend the thanks of the staff and boys for their work on behalf of the college and finally to the boys for the fine qualities that have been displayed and the many occasions when they have responded so well and made me feel so proud to be part of this place. I pray that you may all experience God's peace and joy this Christmas.

When I look outside
Out to the town
Up go the umbrellas
And the rain comes down

Down came cats
Down came dogs
On came gumboots
In mud like hoggs

My back yards a river
I'll play with my boat
But wait a sec
I'd better get my coat

But over the hill
Flies the storm
Away goes my coat
For its nice and warm

TEACHER HELD OVER DEATH

A Japanese headmaster was arrested today on charges of beating to death a 15-year-old student with a metal baseball bat. Rinzo Kagawa (41) who ran a school in Chichibu, north of Tokyo, was charged with killing Mikinori Tsuchida. Police said they believed some of Tsuchida's fellow students had taken part in the beating.

Benildus Three had a very successful year in the Vertical Form competitions. We came runners-up in the soccer, losing only in a penalty shoot out in the grand final. We also came a creditable eighth in the cross country Vertical Form competition, out of the 20 Vertical Forms.

Bro. Michael has led the form well into battle and no doubt his cheering on the side lines encourage the boys to perform well. There have been many individual successes in the class but they cannot compete with the whole forms willingness and effort in all of the competitions of 1987.

A PLACE TO GO TO BE ALONE,
TO THINK THINGS OVER BEFORE TO LONG,
THE SUN SLOWLY SETTING IN THE SKY,
AND HERE I AM ASKING WHY.
A VOICE IS CALLING FROM FAR AWAY,
TO SHELTER MY THOUGHTS, WHAT A SHAME!
HURRIED TALKING PASSING BY,
IT DOESN'T MATTER HOW AND WHY.
ALL ALONE AGAIN ONCE MORE
WAITING TO HEAR THAT KNOCK ON THE DOOR.
WILL IT COME - FOR VERY LONG?
TO GO AWAY AND BE ALONE.

Its Monday, here we go again.
Have a take before its time to go.
The clock strikes nine and Leo begins to whine.
The boys line the seats.
Teaching the boys in empty seats.
The pin drops.
The minds orbiting back from nowhere.
Bells are ringing.
The rooms are empty, they are!
In the yard the brains are floating lifeless.
The facts curling away.
Once again the hums we hear.
Class is lifeless.
Except for pens.
The day is done.
With luck tomorrow will be the same.

SWIMMING CHAMPIONSHIP!!!

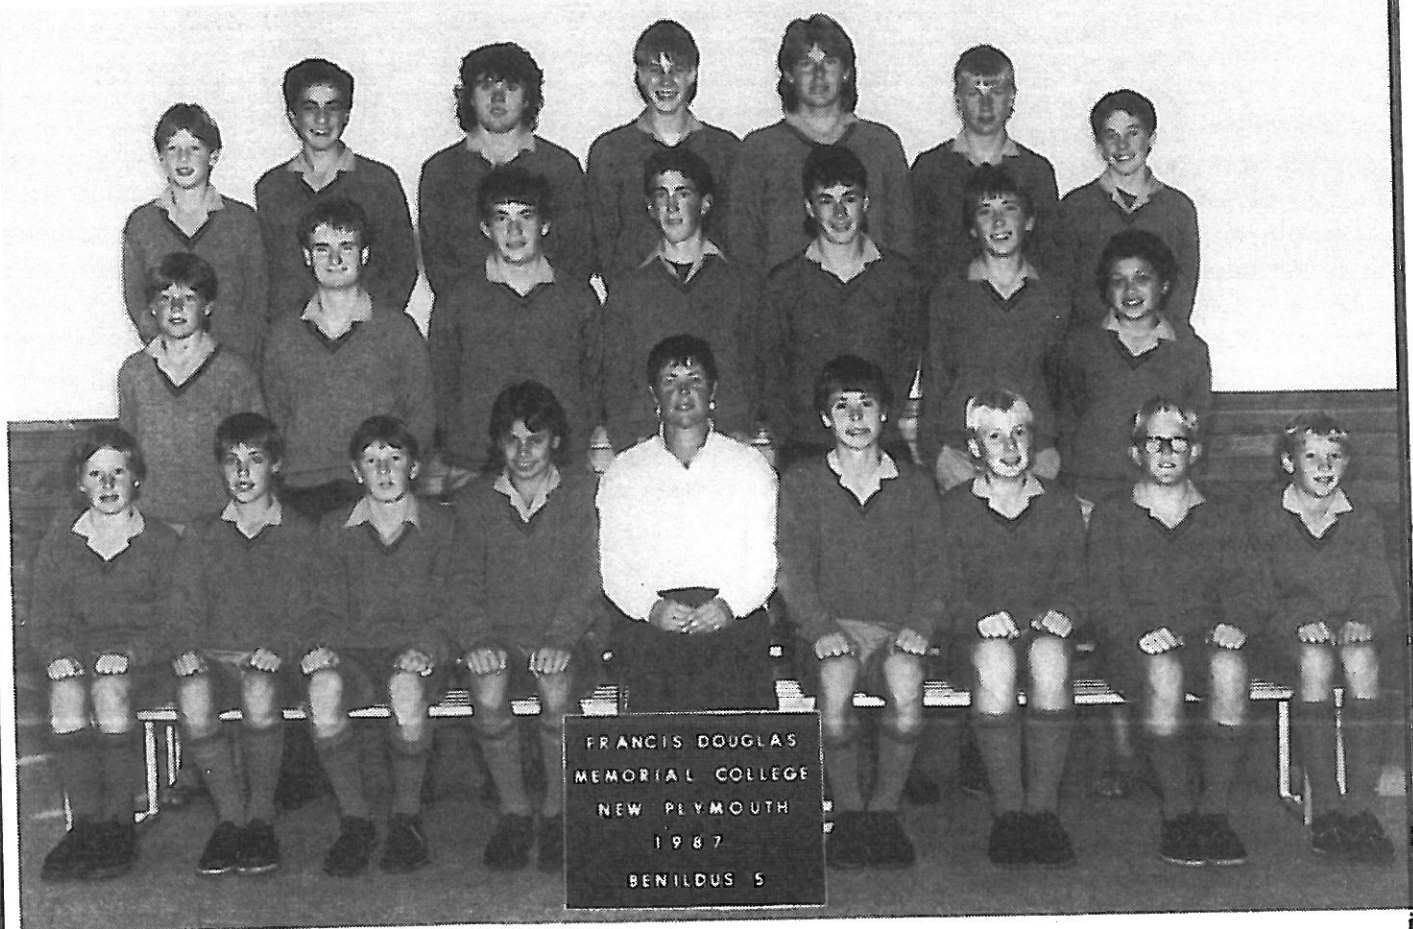

Our vertical fom B4 is a fairly lively one. The bell rings at the end of break and everybody files in and sits down with their friends and begin to talk. After a while Br. Steve (fruits, fruity, fruit cake) comes in and a rumour goes around the classroom on todays shirt and sock colour combination. Steve tells us to stop talking and someone volounteers to read the notices. Mr Walsh usually has a few to add over the intercom which was fixed at the start of the year by Steve's needling. After this and some story telling, jokes or whats on "teacher" Greg Thomas bars the door until the room is tidy and in some sort of order. Then everybody goes and room 10 returns to just an ordinary classroom again.

WELL DONE BRENDON!

In the third week of the August holidays, I went to the N.Z. Badminton Championships. I entered in the boys singles, doubles, and mixed doubles. My best events were mixed doubles and the doubles. In the mixed, I made it to the quarter finals which makes me in the top 8 in New Zealand.

FIJI IN THE SUN

In the 3rd week of the August holidays, our family went to Fiji. The first day we stayed there it was 31 degrees Celcius. We went on to an Island for nine days. It was called Castaway Island. It is much hotter on the small islands than on the main land. There were heaps of activities to do on the island. All the Fijians were very friendly and helpful if you wanted to go anywhere. You can go to different islands for free and there were heaps of Australians there. The main temperature was 34 degrees Celcius. After the nine days we went back to Nandi and went shopping and visiting for three days. Everything in Fiji is cheap.

Our family enjoyed the holiday and we would recommend it to anyone.

THE SOCCER FINAL

After winning our way to the final LS2 met Benildus. Unlike previous games Benildus scored first. This suprised us but only made us more determined. It was only at the end of the first half when Kent Mori struck the ball accross the goal mouth where Finn Johnson superbly headed the ball in . 1 all.

The second half had many near misses for both teams but neither could put the ball in the net. When the final whistle went we all knew it was going to be a penalty shoot out.

Kent took the first penalty and put it in easily. Then he went into goal but could not save the Benildus shot. Robert Bolton had the next shot which he put over the cross bar giving Benildus a winning chance. They missed. Finn Johnson stepped cooley to the ball and slotted it past the keeper putting us 2-1 ahead. Robert Beet for Benildus was next. His shot was struck well and looked to be in BUT a good dive from keeper Mori tipped the ball over the cross bar giving La Salle 2 the win !!

Star players of the tournament were; Bryce Manu, John Coulthard ,Simon Winstanley, and Robert Bolton.

I HAD A BRAIN

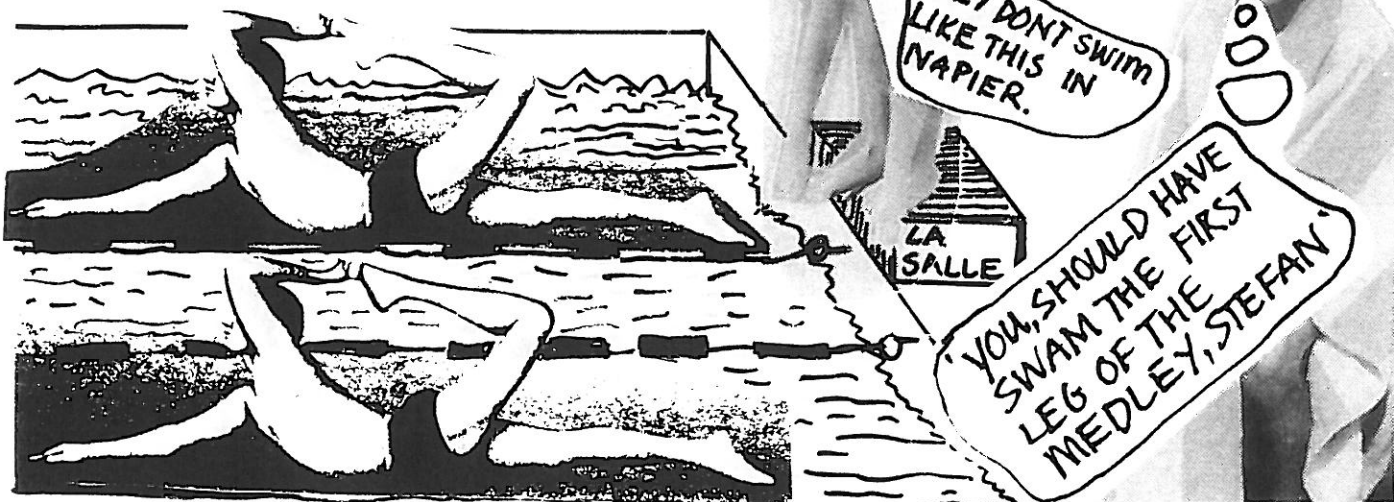

I had a brain I kept him in my head.
I fed him upon muesli bars and many types of bread
I made him my companion of my cherry strolls
But he had a bad habit of leaping down holes.

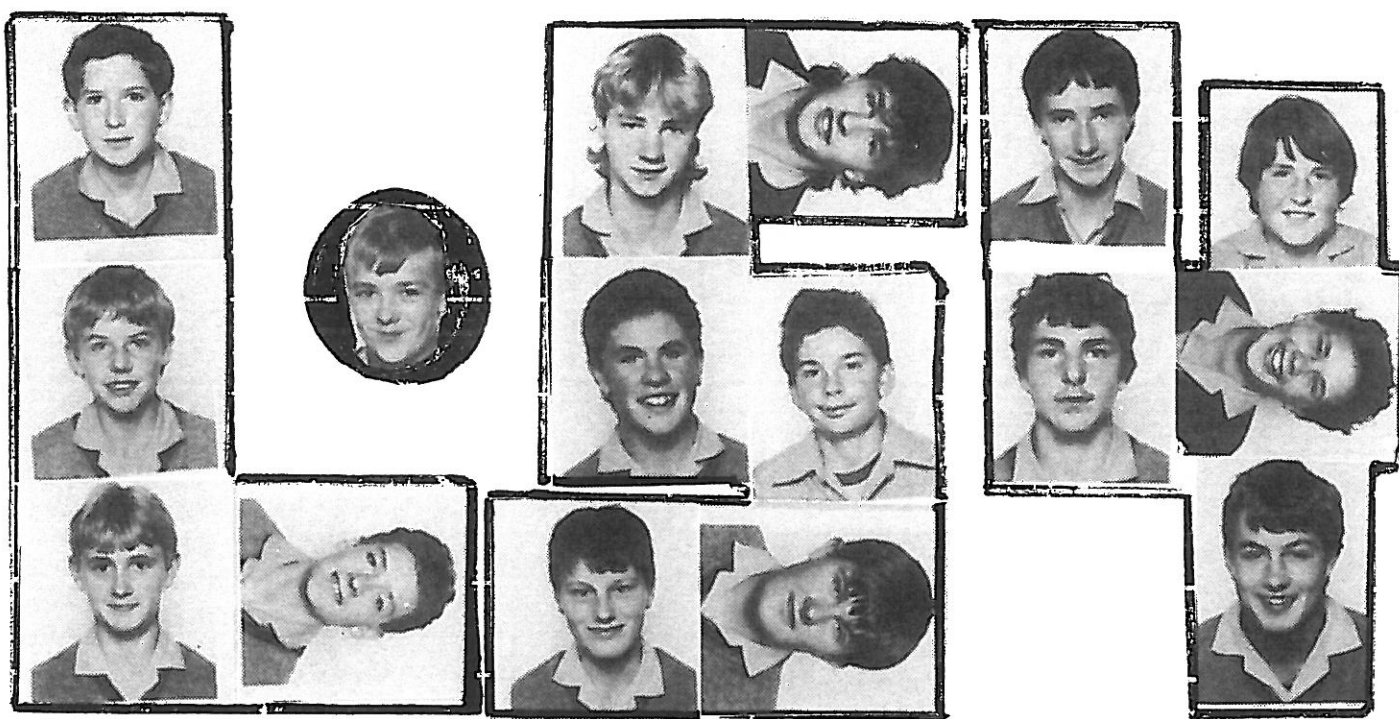

His booming burps were wonderfully loud
and on many occasions drove away the crowd
So at midnight I attacked him with a saw
But he charged me, and acted like a boar

If he was down or affected by the mumps
I would cover him with soil in multi coloured lumps
Unfortunately I covered him with 10 feet of soil
And my head swelled up with a multi coloured boil.

Hiroshima Day

It was a fine day in the horrible year
When the sound of sirens I came to hear,
Then in a flash, flame shot through the air,
And Hiroshima was no longer there.

MOTHER NATURE

Mother nature's wonderful,
 She's really rather neat.
 She makes the native forests,
 And the flowers that smell so sweet,
 Her work is really clever
 Animals, Earth and Trees
 The little honey suckle
 And the honey sucking bees.
 But sometimes she doesn't do too well
 Her work, it goes off course,
 How can she explain nasty things like
 Thistles, weeds and gourse
 But on the whole, she does quite well,
 I suppose we can't somplain,
 Because it wasn't her who invented things
 Like smog, cars and trains
 If it wasn't for Mother Nature
 And the beauty she's always giving.
 Life in this Mechanical World,
 Would not be worth Living!

VERTICAL FORM TIME

Everyone sits outside the woodwork room waiting for Mr O'Neill to arrive from his seemingly long coffee break. He finally arrives to unlock the door. Everyone enters the room. Sometimes Mr O'Neill gives someone the notices to read - WOW what a privilege, otherwise he or John our class leader are stuck with the job. After the notices have been read and then half of them reread as no one was listening the first time. After the notices everyone tries to find something to do for the remaining 5 long minutes. The 1st and 2nd formers walk around looking for someone to cover in saw dust. Others look at their watches to see how much longer before they can finally get out of the room. Eventually Mr O'Neill lets us out, to our great relief.

Too true but you forgot to mention the ever present comedians seeing who could tell the worst joke. Paul Harrison was a clear winner but Hamish and Clark were close.

Although we did well as a class on the sporting scene having rugby, basketball, soccer, judo, running, swimming and athletic representatives, we were excellent fundraisers raising

First Day

I feel kind of wierd!
There's no one I know!
I don't know the teachers.
Where do I go for lessons?
What are the lessons?
Where's the library?
Is there any thing to do at lunch?
Thank God I'm home!

SEA SONG

Canoe, paddle, wetsuit, water,
Out to sea with the Captain's daughter.
Paddling along sing a song.
When a wave came up
And the daughter was gone.

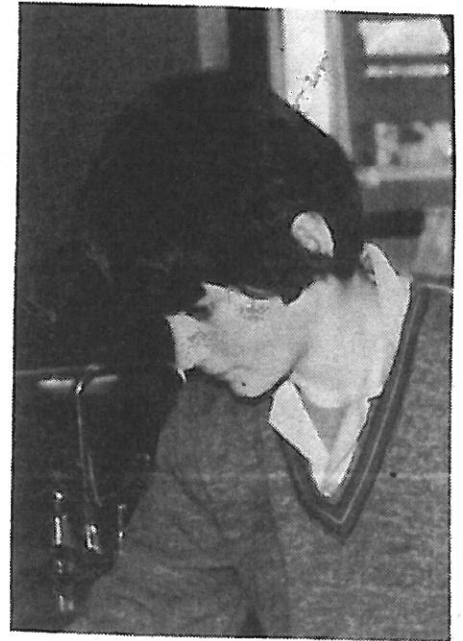

I was really very sad,
Although she often made me mad.
Then my heart was filled with glee
As I saw her head pop out of the sea.

S.3 is an amazing class really. They have amongst their personal the ultimate winger, the tallest teacher, the heaviest reader, the race tripper turned goal kicker, an old testament master, the best artist, a soccer star, an orchestral top sportsman, a basketball captain, a Stratford running star, a computerised surfer, three sprint champions, a soccer captain, who saw the Pope. A cyclist with hood-out lenses, an asterix fan, two sport Goodins, an 'all rounder' Longman, a stud athlete, Hotshot Glennon, Rhys loves Harleys, Aaron the basketball star, Rae's hard to top at anything.

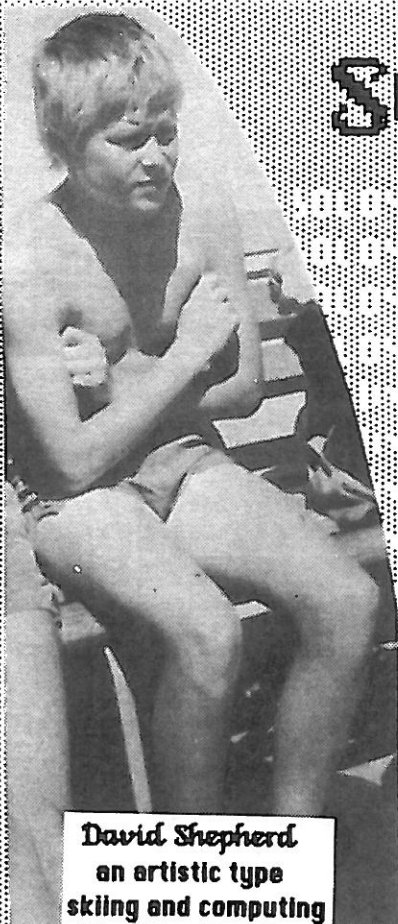

I will remember;
Sally I is tops across the board.
All around the school.
They seem to hit the winning chord.
And always keep their cool.

FATE
Birds fluttering around
Making a sound like a wave crashing
a never ending sound
Sheep, cows and goats all calling their young
The sky oh so blue
The beauty of the grass and flowers all brightly coloured
Remind me of a long time ago
As if time is waiting for me to return but I can't.
And when I return, the animals turn their heads
like it doesn't matter
And that is what I call eternity.
But then the skies turn black
And then come the guns, tanks and men,
Skyscrapers, smog and people all crowd in.
And that is what they call eternity,

BALLAD OF FORLORN STUDENTS.

How are we expected to live and survive,
When our education goes for a dive?
A substitute teacher,
A God crazed preacher,
How are we expected to survive.

For wet weather lunch, he keeps us inside,
Does he know of the sunlight that we are denied?
The school system's hopeless, the system's not right,
Who'll be the one to start off the fight?
The fight for our proper education right.

I'm telling you now, it's just not damn fair,
Why are we taught about who, what, and where?
When all of our learning should be of the world,
But instead we are sent here, and books we are hurled.

I wish they would teach us just one thing of use,
Something of alcohol and drug abuse.
Something that'll teach us, out there to survive,
Out in that world where we're soon to arrive.

I long for the day when the system improves,
When the kids of the day are taught not just to move,
Some 'x' and 'y²', and to themselves proved,
That life isn't numbers, life isn't subdued.

SWIMMING

Loreto loses points title

A seven-year hold by Loreto House on the Francis Douglas College swimming sports house points was ended last week.

At the school's annual swimming sports this year, Loreto lost the battle for points to Benildus.

Three records were broken: N. Buyck lowered the 50m butterfly by 0.49s, E. O'Reilly beat his brother Kelly's record in the senior 50m butterfly by 1.07s, and in the senior 4 x 50 medley relay, Loreto House broke the 1978 record set by Solomon by 12.77s.

BASKETBALL

1987 was again a very successful year for Francis Douglas College basketball teams. Fifteen teams were entered in competitions which stretched some of the human and physical resources available. Highlights of the year were the successes of the College's premier teams, the Senior A and Under 16, which are recorded in later sections. The College gained five outdoor basketball goals on the tennis courts, which was the major project undertaken for 1987.

Thank You!

Our sincere thanks are extended to those who helped make basketball work and grow at the College. First, to the **players** themselves, who by their dedication and attitude gained a reputation for themselves and their teams of being both competitive and true sportsmen. Secondly to the **coaches and managers** for your time and effort in preparing and supervising teams. In this regard, Mr. D.Toon who coached Senior A deserves special mention for the many hours spent coaching and practicing and his commitment to excellence. Thirdly, the **referees**, both adults and students, who made themselves available for the sometimes thankless task of ensuring fairness and sportsmanship. Neil Kaiser and Nick Kusalic were two students who unselfishly made themselves available on many occasions.

Fourthly, to the boys who did **scorebench** duty, your assistance and competence were much appreciated. Fifthly, to Queen St.Yamaha, T.S.B. and parents who made financial contributions for coaching and facilities, a very real thank you.

TROPHIES:

Best player:	Kent Mori
Most Improved Senior A:	Simon Mori
Most Improved Senior B:	Richard Ford
Most Improved Under 16:	Sean Rice
Most Improved Under 14:	Michael Cull
Most Improved Form 1 & 2:	Jason Glennon

Back Row: Bro Adrian (Manager), Todd Davidson, Matthew Hopkins, Glenn Corric, Simon Mori
Front Row: Kent Mori, Michael Fleming, Grant Kennard
Absent: Mr D. Toon (Coach), Kerry Wills, John Wickham

SENIOR A

The College Senior A team had a very successful season overall. For the first time it played in the New Plymouth Men's A Grade competition, winning 11 out of the 18 games played and finishing a very creditable third equal. For the second time in a row, the team won the Taranaki Intersecondary Schools Competition, remaining undefeated throughout the season. The team was runner-up in the Men's B grade section of the New Plymouth Queen's Birthday Tournament.

In the regional secondary schoolboy's tournament, the team came third after a very close crossover game against NPBHS, and ironically beat them twice in subsequent games. The strength of basketball in this region is shown by the two qualifying teams coming second and fifth in the national tournament. The team did very well in intersecondary games, beating Wanganui Boys' College and St. John's (Hastings) and losing to St. John's (Hamilton).

Simon Mori was a good team captain pushing himself and the team to high levels of achievement. John Wickham showed strength and skills on the boards and in setting up plays. Grant Kennard was always there with his 3-pointers, often enabling the team to get back into contention. Michael Fleming showed skill, aggressiveness and determination which always left its mark on the game. Glen Corric showed improved skills in rebounding, and Kent Mori was excellent as a ball carrier, shooter and defensive player. Matthew Hopkins and Todd Davidson both increased their confidence and skills as the season progressed and Kerry Wills showed remarkable skills and energy on defense and outside shooting. The team overall was one of the best the College has had, for the players were keen to improve and work together, and each brought a number of skills and strengths to make everything work. Special thanks to Denis Toon for the many hours of coaching put into the team.

JOHN WICKHAM

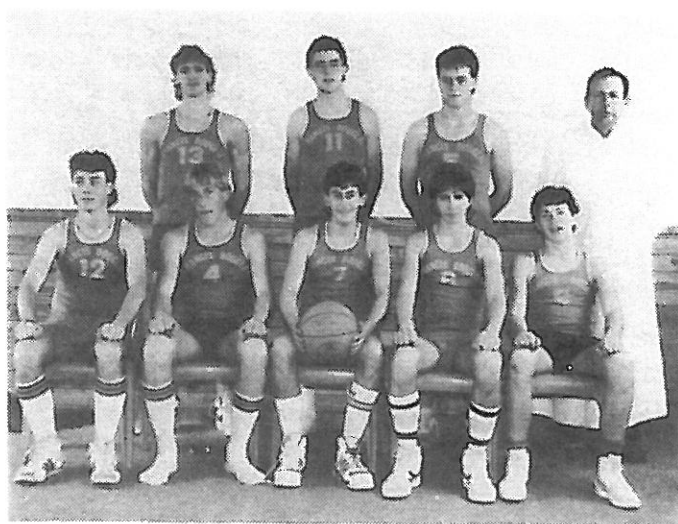

John Wickham, a student at the College from 1983 to June 1987, has achieved national recognition as a basketballer with his selection to the I.W.D. New Plymouth Team in the Countrywide Basketball League, and also to the New Zealand Junior Men's Basketball Team which played in an internal tour and participated in the Oceania Olympic qualifying tournament.

John was a boarder from Te Kuiti, and showed early promise as a basketballer when he first came into third form. His skills, practice and dedication saw him represent the College in Under 16 and Senior A from 1984, as well as representing New Plymouth in various age-group tournaments. His parents have been very loyal supporters of both the College basketball programme and John personally. To John we extend our congratulations and best wishes for his basketballing future.

SENIOR "B"

This team was originally entered in the Men's B grade competition, but was promoted to A reserve grade. It struggled at this level, and achieved only one win, but also had many close games. The team, however, grew in confidence as the season progressed and gained the respect of their opponents. Richard Ford improved tremendously, while Paul Roberts was a valuable addition to the team.

SENIOR "C"

Coached by Brother Steve, the Senior C approached their games enthusiastically and won about one third of them. Numerous goals were scored from unorthodox plays, and their offense had the opposition (and sometimes themselves!) baffled. Pat Paiti was the best player and Damian Adamski showed much improvement.

UNDER 16 INTERSECONDARY TEAM:

The best Under-16 players at the College played together in a team which was very successful. The membership of the team varied slightly depending on the competition. The team's major achievement was winning the Central New Zealand Under 16 Tournament at Wanganui in the May Holidays, with the assistance of Darrin Bride from NPBHS. It also won the Waitara Invitation Tournament, and was runner up in the Wanganui pre-season tournament and the Wanganui Boys' College Tournament. The biggest disappointment was when the team lost to NPBHS in the final of the Taranaki Secondary Schools Under-16 Competition after being undefeated in all other games. Kent Mori and Kerry Wills were dominant players in the team, but were ably assisted by Greg Phelan, Daniel Giuffrida, Dominic Forde and Michael McNeice. Two third formers, Chris Gordon and David Clarke, grew in confidence and skill as the season progressed.

UNDER 16 GRADE:

A College team, F.D.C.Bullets, won this grade, and F.D.C.Kings came 4th, F.D.C.Saints 7th and F.D.C.Rebels 9th in the competition which had ten teams. Many of the games won by Bullets and Kings were by large margins, but games between them were close and tense. Our thanks go to the coaches, (Mr. Giuffrida, Mr. Elvy, Mrs Goldsworthy, Kent Mori, Mr Novak, Grant Kennard, and Glen Corric) for their time, and also to Steve Campbell and Matt McLean.

UNDER 14 GRADE:

A large number of players at third form level tried out for the three teams in the Under 14 grade. Overall the results of the teams were disappointing, with F.D.C. Rams coming 4th, F.D.C. 76ers 6th and F.D.C. Colts 7th out of the eight teams. The players did not have the same commitment to fitness and improving their skills to the same extent that has been evident in past years, and this is an aspect which will need to be remedied before the next season begins. It was promising, however, to see some individuals such as Michael Cull, Brendan Heal, Terence Joyce and Darren Potroz show a marked improvement during the course of the season. Special thanks to the coaches (Mr. Rilkoff, Mrs Potroz, Shane Pascoe and Simon Mori) for their time and effort.

Ten spirited lads once had a dream
To try and form a basketball team
But only five could play at a time
Whilst the others sat on the sideline.

Our team was named F.D.Colts
And Mr "H" would correct our faults.
We looked to him for inspiration
And ended up with perspiration.

Our record shows we gave our all
And some played best without the ball.
We'd move like a butterfly and sting like a bee
Although we averaged only five foot three.

We've reached dizzy heights -
I don't know how
Cos' now we're playing Ivon Watkins Dow.

FORM 1:

F.D.C.Foxes, coached by Mrs. Forsyth, came third in the Form 1 competition and improved greatly throughout the season. Their dedication, co-operation, and enthusiasm, were an example for many of the older teams. Daniel Kukec shows promise as an inside player.

F.D.C. Kiwis and F.D.C. Warriors came second and third respectively in this grade out of seven teams, a very commendable result. The Form 2 players also combined to win the New Plymouth Form 2 Tournament over a strong Highlands team. Blair Brookes, Brett Bezzant, and Dwayne Mason were valuable players, while Jason Glennon showed much improvement. The two coaches, Mrs Bezzant and Mrs Kiss, were instrumental in helping both teams reach a high standard of play.

THE FUTURE?

1988 is already emerging as a very challenging and promising year. The huge interest in basketball in the College will mean some restrictions on numbers in most grades as regretfully we do not have the coaches, referees or facilities to cope. All going well, the Senior A team will be touring the U.S.A. in December next year. As for physical facilities, a further two outdoor goals and a 30 second clock are high on the list of priorities.

A mixed season with 'highs' and 'lows.'

Lack of fitness early in the season hindered progress and a heavy loss to St. Augustine's set us back further. It showed the character of the team that we defeated the big three of Taranaki Secondary Schools - Stratford, Hawera and Opunake - and holding the Challenge Shield (Top Dog) at the end of the season. Other highlights were our win over Frawley College, Brisbane and a plucky performance against De La Salle, Mangere. Thanks to parents and friends for their support on and off the field.

Players : Captain Craig Butler led by example; Paul Roberts missed in the early part of the season; Top Scorer, Tom Reeves most improved back; Graeme Toon leading try scorer; Phil Price and Jerome O'Sullivan showed their skills. Paul Clark and Michael Fleming tackled hard in midfield developed as attacking players. Paul McNicholas versatile, played in every backline position. Greg Reed, dependable; Murray Wilde grew in confidence. Eugene O'Reilly, competitive; John Landrigan, David Zimmerman tigerish; Phil Calder, tackler supreme, most promising. Locks, Pat Frame, Shaun Back and Liam O'Sullivan, battled hard, improved as they became fitter. Shane Green, Fidel Hardegger and David Ford, strong front row. Finn Johnsen worked hard to improve while we were pleased Craig Sowman was on our side - uncompromising.

Thanks to Mr Dravitzki, Manager, for his efforts and encouragement, Br Kevin, bus driver and supporter, and Mr George for his efforts as coach to seek excellence.

SOCCER

1st XI SOCCER

Back: Brent Wilson, Mark Chong, Jonathan Perera, Kramer Murrow, Antony McLauchlan, Alister Leask, Michael Prestney, Chris Guthrey, Andrew Murray, Mr W. Kibby, Mr J. Hawthorn

Front: Gregory Raine, Kimberlee Vollmer, Neil Kaiser, Nico Buyck, Michael Hawthorn, Chris Healy

The senior soccer side at Francis Douglas College in 1987 was for the first time recognised as a "first eleven". This team was a most spirited one and what it lacked in skill it made up for in total dedication and sheer guts. Captained by Alister Leask who led by example, we competed in the Youth grade competition which was very strong.

We played four College games against Frawley College, the Queensland champions, St Johns in Hamilton, Viard College, a notable Wellington soccer school, and De La Salle College Mangere who were the runners up in the New Zealand Secondary schools competition. In each of these games the lads did themselves proud. The spectator support for Francis Douglas in the Frawley match was very vocal, encouraging and much appreciated.

Coached by the boisterous Mr Wayne Kibby, the training sessions on Tuesdays and Thursdays were long and hard. Neil Kaiser performed well in goal, and at times was even brilliant. At the back Mike Prestney, Kramer Murrow, Kim Vollmer and Andrew Murray worked well as a team. The other of the backs Chris Guthrey, was one of the most improved players of the season, continually frustrating the opposition. Mark Chong and Brent Wilson were dependable in the middle but both were injured towards the end of the season and were missed. Chris Healy, our social man, filled in creditably. Mike Hawthorn, Tony McLauchlan, Ali Leask and Nico Buyck also did themselves proud up front with Greg Raine filling in for Nico Buyck who was absent with the Rep team from time to time.

Thanks again to Mr Kibby and Mr Hawthorn who organised our trips well. Thanks also to all our faithful supporters, the Leasks, McLauchlans, Murrows, Murrays and Raines.

A comment from the Captain

During the first ten games of our season we won only one game, the first. This is a reflection on the strength of some of the opposing teams we played as well as some bad luck.

The second half of the season proceeded on more of a winning note in four of the first five games. This was due to a swapping of players in the team. Andrew moved to sweeper and I to centre forward. But we still had our defeats - Ouch !!!

I must also comment on the team spirit. It is most definitely the strongest of any team I have played in, and it never wavered and is a tribute to all the players.

Neil and I will be leaving school at the end of this year and wish the team the best of luck for the next season and in finding a new keeper. We would have been lost without him and sometimes did. Yes - there is a message in there.

16th GRADE

Thanks to Mr J. Ross our Coach and to Mrs Whitmore who did a lot of the organising. Thanks also to the many parents who supported us and provided transport especially the Chyleks, Manins, Davisons and Smales. The team this year was captained by Rodney Whitmore. Our main goal scorers were Stephen Davison, Adrian Burn, Martin Defelice and Rodney Whitmore. Some of our players who showed improvement during the season were Danny Walsh, Adrian Burn and John Harrison. Overall it was a good season - we lost only two games and our team spirit was high.

15th GRADE

Thanks to our Coach Mr Marinovich who was helped with a lot of the organisation by Mr Zietljes. Thanks also to the many parents who supported us and came along to our games especially Mr Van Beers, Mr Keighley and Mr Backhouse. Our main goal scorers during the season were Glen Phelan and Gavin Loader. Our most improved players were Simon Kukac and Damon Bailey. Niki Marinovich worked hard all season and was very consistent. Our Captain was James Backhouse. Although we had a slow start to the season we improved during the year and finished up third in the competition.

14th GRADE

Thanks to our Coach Mr B. Pinder and to our Manager Mr J. Wills. Thanks to all the parents who came and supported us especially Mr P. Keighley who often refereed. We didn't really have a Captain but we all took turns at it. Some of our good players during the season were: Michael Wills, our goalie, who got plenty of practice; Glenn Kalin, Andrew Norton and Sean Kelly. Our most improved player was Simon Myers. Most of our goal scoring was done by Damian Pinder, Sean Kelly and Glenn Kalin. We didn't win a lot of games during the season but we did enjoy ourselves. We won the Referees' Cup for the most sporting Junior Team.

13th GRADE BROWN

Thanks to our Coach Mr C. Haunton and our Managers Mr and Mrs Manton. Our Captain for the season was Andre Manton. It is difficult to select outstanding players because we all played well and developed into a good team during the season. Players selected for the Taranaki Reps were: Shaun Van Beers, Trent Manton and Daniel Cowley. Our most improved player was Adrienne Rongonui. Our main goal scorers were Trent Manton and Justin Marinovich. We would especially like to thank all the parents who supported us during the season. I think the reason we improved so much was because of their interest and support. We ended up winning our Competition.

13th GRADE GOLD

Thanks to Mr Potroz who took over coaching us part of the way during the season. Thanks also to Mr Hunter and Mr Potts who came to all our games and provided transport and support. Our Captain was Mark Hunter. Our best players during the season were Mark Hunter, Michael Potroz, Desmond Murray, Kirk Kawana. Our players who improved most during the season were Nathan West and Alain Potts. Congratulations to Shane West who did a magnificent job in goal during the season. As the season progressed we gradually got better and special thanks for this goes to our coach Mr Potroz.

12th GRADE

Thanks to our Coach this year Mr Murcott and also to our Manager Mr Mann. Thanks also to all the parents who supported us and provided transport when we needed it especially Mr Frew, Mr Finnigan and Mr Malin. We started off the season a bit unsure of ourselves because we were trying to build a team of new players. As the season progressed we improved a lot. Those who scored most of our goals were Toby Mann, Chris Cull and Robert Frew. Individual players who improved were Jason Bartlett and Richard Hopkins. Our most consistent players were Antony O'Byrne and Simon Finnigan. We didn't have one person as our Captain but we took it in turns.

CRICKET

1st XI

What a season! Last year's Second Grade Champions. F.D.M.C. were promoted to the new Second Grade, (a grade higher) to play against all men's teams, some in fact the top team of their large clubs. The lads were not expected to cope but they did. They finished 'mid table' and were unbeaten after Xmas. They were involved in many pulsating finishes, several matches being decided in the last moments of the two day encounters, including a 'tied' match!

Simon Mori had a marvellous season with the bat scoring 700 odd runs. He was well supported by Craig Chong, Craig Butler, Kent Mori and Mr Edwards. Everyone played a vital innings including Jerome O'Sullivan, Paul McNicholas, Glen Perera and Mr Dravitski. Mr Edwards took 30 wickets while Tom Reeves, Tony McLaughlan, Jerome O'Sullivan, a promising Paul Manuel, Jonathan Perera, Simon and Kent Mori, Mathew Gilmour and Mr Dravitski gave quality support.

The games were made by the terrific team approach and the fact that the boys had great faith in themselves and their team-mates. There were too many exciting moments to mention, but the last overs against Old Boys (Crotty's last stand), Mangorei, Vogeltown and Spotswood Old Boys were exciting enough to be televised.

This team held together in the absence of Mr. Crow and Mark Ebert. This year others will be missing. It is hoped whatever the results, they always play with the same spirit of generosity and courage as they all showed last season. It's up to the young "up and comers". Good luck to you and good cricketing.

Mr L. Edwards.

2nd XI

The commencement of the 1986-1987 season saw the introduction of the College 2nd XI into the third Grade Competition. Under the guidance of Roger Mori and Ian McLaughlan the boys went from strength to strength. In the early games heavy reliance was placed upon the adults in the team while at the end of the season the boys were consistently providing the match winning performances.

Halfway through the season Paul McNicholas and Tony McLaughlan were promoted to the first XI. Players to show promise with the bat were Mark Chong, Shane Bennett and Brendan Rae. Paul Manuel and Geoff McLaughlan performed creditably with a wicketkeeper batsman. Fine fielding efforts were turned in by Brent Wislon, Paul Manuel and Greg Phelan. The most improved player in the team was Andrew Murray who through dedication, improved his batting and fielding. Probably the most satisfying aspect of the season was the fighting qualities displayed by all the boys - with no effort being greater than

the match saving performance of Paul Clarkson and Neil Kaiser in the final match of the season. With the keenness and enthusiasm displayed by the players of the 2nd XI the future success of cricket at the College is assured.

The school and staff thank Mr McLaughlan and Mr Mori for their 'quality' coaching and playing. Also Mr Southey for his cheerful batting services.

Form 1

A quite good season - more wins than losses, winning the half season competition. Best batter Trent Manton, and best bowler was the whole team. Trent Manton also cracking 4 for 8, Tony Mann also dubbing in a good performance. All of the team gave good effort. Congratulations to Trent Manton, Patrick Goodin and Tony Williams who all made the North Taranaki Cricket team. Thank you to Alan and Shona Manton who put their time into coaching the Form 1 team.

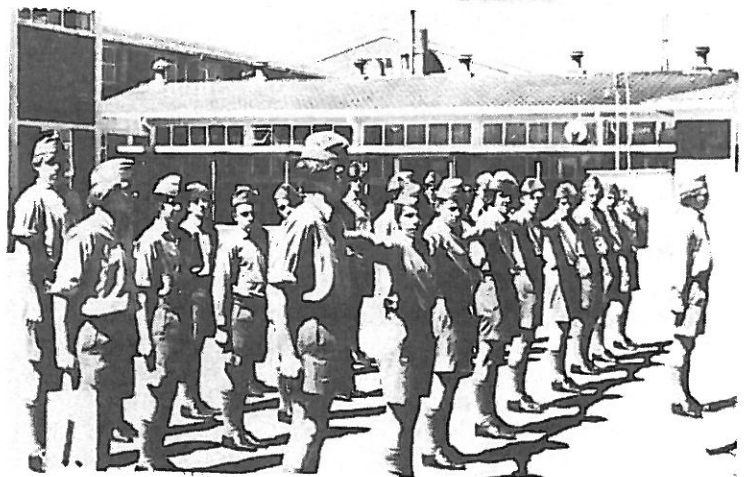

CADETS

1987 saw the end of an era with the College Cadet Unit disbanding. The Unit had begun in 1960, and developed over the years under the leadership of Brother Francis, Brother Conrad, Mr Leo Walsh and Brother Adrian. When the Unit first began, Cadet Units were present in most high schools and involved boys from Form 3 to Form 7. Barracks weeks were held, especially at the start of the school year, with much emphasis on drill and military activities.

The most recent changes which brought about the withdrawal of the College Cadet Unit has been the development of small, community-based units. These have been developed along the lines of the Air Training Corps and have a stronger military emphasis. There was considerable pressure on the unit to move to a weekly two-hour training session which just was not possible in the college timetable. This had consequences when our students attended N.C.O. camps and were disadvantaged by the standards expected.

In 1971, a change in government policy saw the College Unit being one of about thirty which opted to continue, with more emphasis on outdoor education and less assistance from the army. This fitted in well with the philosophy of the college and the Unit won the Riddiford Cup for best cadet unit in the Central Region on a number of occasions. The William Friar Medal given for the best under officer was won by college cadets on 18 occasions out of 27 years - an outstanding record by any standards. Matthew Crow won the medal for 1986.

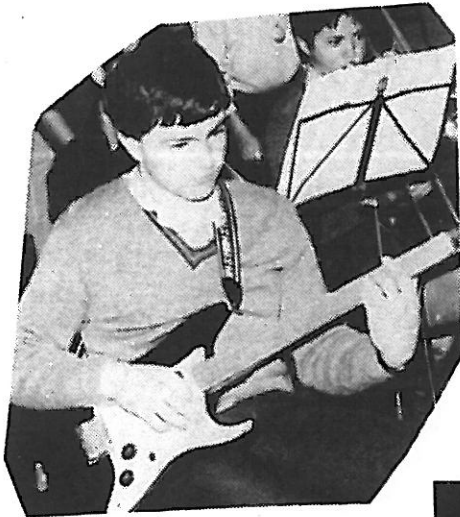

The Cadet Unit has been a very valuable part of the College programme, and its presence will be missed. Thanks are expressed to all concerned with the units over the years, especially the Officers, Under-officers and N.C.O.'s, Regular Force Instructors and Area Training officers.

O'Shea Shield

The O'Shea Shield Competition was held this year on the 4th/5th April at Sacred Heart College Lower Hutt, to whom we offer our thanks for their hospitality, and congratulations on a very well run festival.

This year, except in debating, a new system of marks was introduced to make sure that all schools received recognition of their efforts. Winners were given 5 points, and others 4, 3, 2, 1, according to the merit of their performance.

Our debaters, affirming the topic 'That youth is wasted on the young' went down fighting to an experienced St.Pats Silverstream team.

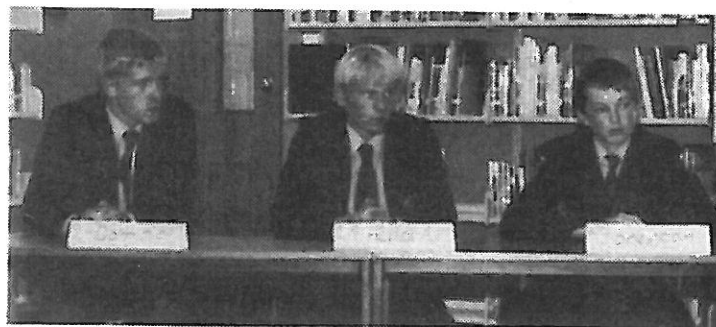

All boys are to be congratulated on their efforts and on being a credit to the school both in and out of competition.

We were awarded 4's in Religious Drama, Religious Questions, Impromptu Speech, 3's in Oratory and Scripture Reading, and a 2 in Junior Speech.

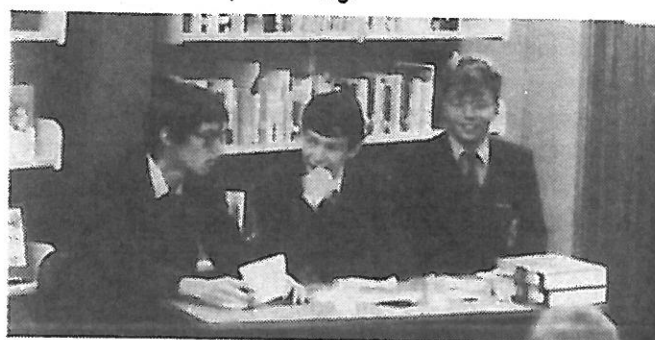

The representatives were:

Nicholas Kusalic	Leader Debating
Richard Ford	Debating
Tim Fitzgibbon	Debating and Impromptu Speech
Dominic Hollewand	Religious Questions
Brendon Ræ	" "
Huib Buyck	" "
Carl Freiman	Religious Drama
Pat Paiti	" "

Danny Grace	Stage Manager
Hamish Tennant	Scripture Reading
Clinton Sullivan	Junior Speech

DEBATING

Members of the group extend their thanks to all who assisted the team with coaching, transport and general encouragement. Mrs Gaffney, Mrs Coulthard, Mrs Edwards, Mrs Smale, Mr McMorran, Mrs Morrison – and special thanks to Mr & Mrs Kusalic who provided a festive meal for all on Sunday evening.

Inter-House Debates

Inter-House debates this year were run during the half hour assembly time on two successive Thursdays, with eight debates in progress at one time, two at each level of third forms, fourth forms, fifth forms, sixth and seventh forms.

Thanks go to the teachers who acted as adjudicators, to the boys who acted as chairmen and timekeepers, and to those who made a real team effort of it.

Benildus emerged as the winners, followed by Solomon, Loreto and La Salle.

P. T. A. REPORT

Committee:

Lynn Leask -President, Glenice Lile -Secretary, Peter Brown -Treasurer, Claire Reeve, Glenys Goodman, Leigh George, Joan Brookes, Sandra Johnston, Bev Raine, Kaddy Smale, Don Blume, Bernie Sullivan, Tony Waghorn, Ian Cull, Brian Phelan, Brian Harrison, Graham Christie

Your Committee has once again completed a successful and busy year, and this year started with a social function to farewell retiring Committee members and welcome new members. Other evenings were organised, one for parents to discuss curriculum changes, and one on child abuse. A questionnaire was received, discussed and returned on Religious Education in Catholic Schools. It was decided to join the Taranaki Federation of Home and School Committees, with Brian Harrison consenting to be our representative on this body.

As in previous years, our main fundraising event was the Gala. This year we decided on a slight change of format, and to this end it was entitled "Binder Twine Festival". My sincere thanks to Sandra Johnston, who once again coordinated this event, to Rosalie Goldsworthy who was our Staff liaison person, to stall convenors and helpers, and to all other people who worked so hard to make this a successful occasion. It is extremely gratifying to have the wholehearted support of the Brothers, teachers and boys for this event, and these are all to be commended for the valuable contribution they made. The support of the local business community was also much appreciated.

A new venture this year was a stall at the annual Treasure Cave and, despite a poor response from parents to provide cakes for sale, a successful day was held. Special thanks must go to Claire Reeves for her hard work in stocking the stall and organising the day. The annual used clothes sale was held in conjunction with Sacred Heart College, and besides being a fundraising event, provides a valuable service to parents.

Again Housie provided a very important part of our income, and I would like to thank all parents who helped on Monday evenings. Without your help our income from this source would be considerably diminished. It must be stressed that we rely very heavily on our parent support for this venture and I would ask you when you are approached to give time to this you respond positively. The income from this source is extremely valuable, and would be difficult to replace by alternative methods. I would also like to thank Mike O'Reilly who has worked hard both at recruiting helpers and on Monday evenings, and Meridee Keig and Jo Butler for their continued support. Thanks to Kaddy Smale for taking over the organisation of helpers.

In November last year a farewell dinner for Brother Declan was organised and a very happy evening ensued. Once again the support of the College staff was appreciated, especially that given by Mrs Gaffney in providing an interesting display of photos.

We were pleased to be able to give the College a sum of \$12,000 which was spent on computers. This has helped result in the setting up of a computer room enabling the pupils to have the advantage of working with these modern pieces of equipment.

The Mini-putt Golf course has been booked for October as a further fund-raising event, and plans are well under way for a monster Christmas Hamper raffle to be run in October/November, in an effort to boost P.T.A. funds.

In conclusion I would like to thank Adrienne O'Sullivan and Bev Raine for their work as Secretary, Don Blume for his very valuable work as Treasurer, to Brothers Peter, Robert and Kevin as staff representatives on the P.T.A. and to all Committee members, especially those of long standing who are now retiring, for their continued support and hard work.
