### FEET FIRST

Our first step in a journey is made by our feet, they need protection to survive; when they are not able to make the journey we stop and rest them - heal them. God gave us feet to walk this earth, they 'lead' us to good places and not so good places. They are the first to touch the ground to get us started in the morning. Footwear is a garment that protects us, and for fashion, at considerable cost - reflecting their importance. My feet have travelled many thousands of miles - both covered and uncovered (amazing huh!) They have seen all sorts of sights, terrain; experienced through me, many feelings. Please God may they have many more thousands of miles left in them yet - I want to go where my feet will take me. Sometimes the journey, the terrain is rough. My feet are having a type of rest while I'm ill, but they, like me, are busting for action again - to wear those mizuno boots, to snuggle into my shoes that lead to the bush, to 'have it easy' in my best shoes for travel overseas, to hack around in my slippers, to feel the cool summer feeling - grass, water, sand; my feet want to feel it all. The long days in gumboots have gone temporarily. I pray. You became hot and uncomfortable in my gumboots, but you suffered that I might make some savings, so I could use you somewhere else; but I shall want to return to my gumboot days, and hope and pray you continue to serve me as well as you have so far. I can see God in my feet, in the way they serve me; are always so faithful; are amazing, are a vital part of our bodies. Like every single body part, we need it all, God doesn't make stuff we don't need. Here I have been reflecting on a piece of my body - by life also, a part of an important whole body, a part easily taken for granted, a part I've got and need.

## PRINCIPAL'S COMMENTS

**Brother Timothy Peter  
Principal**

Adults and young people alike live in an era when the pace and pressures of everyday life are demanding. These pressures present us with challenges which affect how we live our daily lives. Sometimes these pressures can weigh especially heavily upon young people.

However, I believe young people have the power within them, to meet the challenges life offers, whether it is feeling disconnected from their families, schools, or other structures in society which cannot meet their expectations or friends.

To be young is to be vulnerable, to be sometimes confused and confusing. To be young is also to be faithful, to have an acute sense of duty, of truthfulness, of sincerity, of loyalty and fairness. Sometimes the perspective of all these five virtues can be skewed but the virtues are real.

A positive way to address challenges in life comes from striving to live in accordance with strong values. They are our map, our direction in life. Values such as love, compassion, tolerance, peace and faith, are presented to us throughout the story of Jesus in the Gospels and continually give us our bearings for our own life story too. Our faith in discovering the presence of God in ourselves demonstrates that we are not alone. If you have not experienced God's presence as part of your life as yet, be assured that love, compassion, tolerance and peace are still important values to live by. God values each of us individually. Even if we have done wrong, God offers us forgiveness.

For young people, their idealism, energy and enthusiasm set a shining example to adult people of the inner resources that can be drawn upon to deal with many of life's challenges.

**BR. TIM**

# COLLEGE CALENDAR 1994

## TERM 1

27	January	College year begins - Staff/Seniors
7	February	Form 7 Orientation
10	February	Gillette Cup v Opuake

## BOARD OF TRUSTEES

REPORT TO THE COMMUNITY OF FRANCIS DOUGLAS MEMORIAL COLLEGE  
BY THE BOARD OF TRUSTEES' CHAIRMAN MR MICHAEL FINNIGAN  
AT THE ANNUAL GENERAL MEETING 14 JUNE 1994

### BOARD OF TRUSTEES

Mr Michael Finnigan - Chairman

Brother Timothy Peter - Principal/Secretary

Mesdames Margaret Sullivan, Liz O'Sullivan

Father Tom Lawn/Father David Bell

Brothers Pat Lynch, David Hawke

Messrs Colin Comber, Ron Malin, Paul Fitzgibbons, Kevin Murphy (Staff Representative), Malcolm Keegan (Student Representative), Karen Maclean (Minute Secretary)

### COMMITTEES

Finance & Property: Michael Finnigan, Paul Fitzgibbons, Colin Comber, Ron Malin, Brother Timothy Peter, Keith Hatcher (ex officio) (part year)

Professional: Martin Dravitzki (by appointment), Brother Timothy Peter, Liz O'Sullivan, Kevin Murphy, Des McMahon (by appointment), Margaret Sullivan, Paul Fitzgibbons

Appointments: Paul Fitzgibbons, Colin Comber, Father Tom Lawn/Father David Bell, Margaret Sullivan, Liz O'Sullivan, Brother David Hawke

Discipline: Margaret Sullivan, Kevin Murphy, Paul Fitzgibbons

Recent publicity of a report prepared by the Post Primary Teachers Association suggests there is widespread disaffection with "Tomorrows Schools". I must confess to being puzzled by this claim, as from my own personal experience it seems that schools can be more responsive to the community's needs, and that the school community can actually help shape the school's direction. This was certainly not possible under the Education Board system, and I wonder if a comparison had been made of the old system with the new, what the outcome of the survey might have been. It is certainly true that the school's performance is subject to more scrutiny, and if this creates unease it is no less than the scrutiny being applied to all other sectors of the community, and schools cannot expect to be exempt from such scrutiny. Indeed, if the school is performing well it should welcome the opportunity to have that fact acknowledged, but if not, then it should not be able to hide behind the anonymity of a closed education system. Nobody claims "Tomorrows Schools" is perfect but it has certainly made schools more accountable and more responsive.

The challenge facing all schools as the competition for pupils "hots up" is to be a good provider of quality education, with the ability to change and be involved in innovative, creative ideas, which will provide the students with a sound springboard for their future.

Francis Douglas has taken up this challenge, and this year saw the completion of the new technology block funded by the school community. Computers across the curriculum is another thrust the school has accepted and progressed.

Brother Pat Lynch, in his new role as Executive Director of Catholic Education, has certainly challenged us to be schools of excellence, but at the same time not losing our essence as schools of "Special Character". We ignore that challenge at our peril, as more opportunities for alternative providers of education open up, and therefore it is essential that a sense of partnership exists between the Board,

teachers and parents, to ensure that the education offered is perceived to be excellent, and that Francis Douglas offers an environment to the student that permits the maximum development, both academically and personally. There is a crying need in our world for ethics, and in this regard this School should have a competitive edge, given its tradition and aspiration to the Good News of Jesus Christ.

The financial accounts disclose a deficit of \$13,848 after depreciation of \$62,022, compared with a surplus of \$1,398 after depreciation of \$39,287 in 1992. This result indicates the need for increased funding if schools are to meet the challenges leading to the millennium. The requirement for equipment replacement is highlighted by the depreciation provision, and recognises the short life of computers, both in real terms and from obsolescence. This result does not reflect the true deficit, and I must acknowledge the physical contribution of the Brothers Community in carrying out duties which would normally have to be funded from Government monies. This has enabled the school environment to be enhanced (eg carpeting of class rooms) because of their efforts, and is worthy of acknowledgment.

The Board is appreciative of the efforts of the Principal and his staff in providing an excellent standard of education to the pupils at the College. The work again produced results which should provide a sense of achievement to the teaching staff. Parents equally should feel pleased with the general standard being achieved.

I would like to thank Board Members for their support and enthusiasm in administering the School, and to thank the Bursar, office staff and ground and related staff to ensure the efficient operation of the College.

Special thanks to Father Tom Lawn for his valued input to Board meetings, and a warm welcome to Father David Bell as his replacement.

M.C. FINNIGAN  
14 June 1994

## PRINCIPAL'S REPORT 1993/94

The Catholic environment at Francis Douglas Memorial College where staff, students and parents co-operate and share the Good News and where our aim is to educate students for life is moving and growing positively among our College community. The challenges of new syllabuses (and drafts) posed to teachers and Heads of Departments is being met with enthusiasm and energy. Likewise the New Zealand Qualifications Authority Framework has increased awareness and challenge to staff, Board of Trustees and parents.

Quality Management systems and accountability to our community has given Heads of Departments and staff a renewed vigour to see what we are doing well and in what areas we can improve. Documentation of our Management System is under way. The College staff is in the process of writing Task Descriptions (Job Descriptions). The subject teacher and vertical form teacher task descriptions have been finalised. Class subjects, specialist subjects and extra curricular task descriptions are being worked on by individuals and groups concerned.

### Curriculum:

Mr Richard Doherty, Dean Forms 1/2, is responsible for curriculum and management; in effect he is also Head of Department of this area. Work programmes in English, Maths, Social Studies and Science have been written so that definite content areas and skills are part of the curriculum. Extension work is available for those with ability. Our exchange with Sacred Heart College for cooking/sewing and woodwork is still very much part of the curriculum. Mr Doherty has made contact with local Intermediate Schools to share ideas and participate in cultural and sporting events. Introduction of languages in Forms 1 and 2 is being investigated.

Students in Form 3 attempt a wide range of subjects over their year. The core subjects, English, Maths, Science, Religious Education, Physical Education, Social Studies are taught for the whole year - and Workwork, Graphics, Agriculture, Horticulture, Art, Music, Business Skills, Keyboard Skills for half a year each. Languages (French/Maori) are options.

Form 4 students have the choice of two out of six options for their studies. Again core subjects are compulsory. Some students change about Easter if their original option choices have not worked out. About two-thirds of the Form 4 group attended Topec Outdoor Education courses. Forms 3 and 4 English classes are broad banded - a type of streaming. There is a top English class and a smaller one for those students who need extra attention. The other two classes are of similar ability levels. A reading programme exists in Forms 1 to 4 with the concentration being in Form 3 and 4. Mrs Margaret Milne is in charge of the reading tutor programme. Mrs Milne organises about 60 individual programmes for students on a weekly basis. Support for the programme comes from parent volunteers, staff and Form 7 students who volunteer to be Reading Tutors. This programme is highly successful. Increased self-esteem and reading ability of students is very noticeable - a positive influence in the College.

Our Form 5 students are asked to do six subjects - most students are able to cope with this. Maori has been re-introduced this year and with a new teacher is proving to be a success. The fully internally assessed subjects, English, Mathematics and Science have shown that for Francis Douglas Memorial College it has been a good move. Overall the students are working more consistently and the School Certificate results (and averages compared with the state average) have improved. Link and Polytechnic Courses are still part of the Form 5 programme.

Form 6 Certificate students have good options to choose from. However Polytech courses and other alternative training programmes are providing challenges for teachers, Heads of Departments and Administration. We have to be seen to be competitive with our course options in the future.

This year in Form 7 we added two new subjects - Classical Studies and Health and P.E. Studies. Also added was an extra Chemistry class. These additions created a little pressure on staff allocation, however it enabled students to have more options at the Form 7 level.

### Correspondence Courses:

This year we have 14 students following these courses -

Form 7	Maori	(1)
Form 7	Accounting	(3)
Form 5	Music	(4)
Form 7	German	(1)
Form 6	German	(1)
Form 7	Life Skills	(1)
Form 7	Music	(1)
Form 6	Life Skills	(1)
Form 6	French	(1)

Three Form 7 students are completing short courses with the Open Polytech in Wellington.

### Technology Suite:

The construction of a new Graphics classroom and the renovation of the Woodwork area has improved our Technology facilities. The Graphics area is now computerised. The Woodwork machinery is now enclosed and a dust extracting system has been installed and this has provided a much needed resource. The new ceiling has reduced the noise problem. Thanks to the Board of Trustees for the support with this venture.

### Class Sizes

The size of most classes in the College ranges from 25 - 30. This is proving to be an acceptable number. Some practical classes are big in number and ways to improve this situation are being discussed. Our Form 1 and 2 classes are in the low 20's.

### Staffing:

At present the College has 26 full time teachers and 9 part-time teachers on staff. There are 10 ancillary staff, office, teacher aides, library, caretaker and handyman. There are four new staff members this year, including a former College Captain in his first year of teaching, Mr Andrew Murray.

### Boarding Hostel:

The Hostel is a vital part of the College Community and has the respect of both the parents and the boys. The facilities are first class and are warm and homely. Brother Anthony Hawkins, the Boarding Master, and Mrs Margaret Fleming the Matron, have the confidence and support of the students there. Brothers, lay staff and outside supervisors are involved in the Hostel. A supportive domestic staff, the positive attitude of the students and the guidance and work of the supervisors makes the Hostel a vibrant and enjoyable place. Regular meetings are held with parents on the Hostel Management Board and with parents of boarders in areas from which boarding students come to the College. The present number of boarders is 95.

Brother Oliver's and Brother Gregory's contribution to the College is excellent - the beautification of the College is a result of much hard work.

#### Work Experience:

This year to date 100 plus students have had at least one day or more work experience around Taranaki and some beyond! Mrs Vonda Montgomery is organising this experience for Forms 5, 6 and 7 students - the experience and reports from employers is extremely positive.

#### Cultural Involvement

Our annual college speech contest was held in the first term and the standard was high. The College was represented in the O'Shea Speech and Drama Competition in Wellington as well. Students are preparing for the Taranaki Speech & Drama Festival as well as participating in the recent Shakespearian Festival. October 1993 saw two evenings when the talent of the College was "on show" - individual items, groups, music, song, drama and dance - this was well supported by College parents and friends. This year it is hoped to move to a more 'up market' venue.

#### Music

Ms Yvonne Van Lent is encouraging boys in both choir and instrumental work. Seventy students, mostly seniors, were involved in the Taranaki Secondary Schools Music Festival. In the past 12 months Jazz, Country and Western and Pop groups have performed. The college concert band is practising regularly.

#### Staff

Staff are becoming more familiar with the College reporting system on the computer - confidence is growing. All staff now are doing their reports on the computer - some are now preparing lessons as well as storing information for teaching purposes

#### Staff Inservice

(i) All staff have the opportunity and are encouraged to attend Professional Development courses in their subject teaching areas.

(ii) At the beginning of the school year (1994) the staff attended a second session on philosophy and teaching styles of St John De La Salle as part of the Catholic character of the college - Brother Owen Mason was the facilitator.

(iii) At the beginning of the second term 1994 all the staff attended a seminar on Creative Learning Styles - looking at their own personal learning styles and that of students they teach.

(iv) Twelve staff members have been involved in school/business links - these staff have worked for a day or more in a business to see how school and business may be able to help and learn from each other.

(v) A number of staff members are completing courses extramurally.

#### Results

The 1993 School Certificate results were very pleasing with 67 percent of all individual subjects sat receiving a mark of more than 50 percent. Most impressive was the fact that the means for Science and Mathematics exceeded 60 percent, more than 7 percentage points above the national mean. The 1993 Bursary candidates produced 7 'A' and 10 'B' bursary passes which meant 60 percent of candidates gained bursary passes. Eighty-four percent of the bursary candidates gained University Entrance Qualification. Students of the College have always acquitted themselves well in tertiary study and this trend has continued with Massey University reporting 83 percent pass rate in subjects sat in 1993 for our past students.

#### Promotion of Hostel and College:

In 1994 the College has held an Open Day for present and prospective parents - two more afternoons are being planned for new students as well. The College and Administration personnel are open for visits from parents at any time - there is no particular enrolment month or date. Local media items promote the good things which are happening within the College.

Hostel - Again this year visits to local Taranaki Parishes and schools are being organised by Mrs Liz O'Sullivan. Parents and the Principal speak at Masses and meet with interested parents after Mass. Parent involvement in promotion has had a tremendous effect and has been very positive.

Roll: The College roll at present is 480. Staff are involved in visiting feeder schools and are becoming more aware of the importance of maintaining and improving standards.

De La Salle Brothers: The community of Brothers numbers six at present. Brother Anthony Hawkins joined the staff as Boarding Master and part-time teacher. Brother Anthony has made an impact on the students and staff in a very positive way. Brother Geoffrey, as Director of the Community is to be thanked for his strong support, witness and encouragement. So too Brother William whose management of the farm is an asset to the College.

#### Sports Activities

Eighty percent of College students play in some sports team - a result of positive encouragement from staff and having competent teachers and parents involved - thanks to all staff and parents involved especially Mr John George (Sportsmaster), Mrs Elyne Plumb (Basketball) and Mr Graeme Mustchin (Soccer). Many individual and team performances have been highlighted in newsletters and the college magazine.

#### Strategic Plan

The Board of Trustees are looking at developing a Strategic Plan for the College. This is now in process with an initial organisation meeting called by Mr Colin Comber from the Board of Trustees. Two members from the Board of Trustees, Staff, P.T.A. and students have been asked to be part of the group which looks at developing a Strategic Plan.

#### Parent/Teacher Association

Thanks to the association for the continued support, loyalty and encouragement. Margaret Bowling, Janis Little and Jill Watson and the executive are to be congratulated for the time and energy and enthusiasm of the P.T.A. The Gala Day was a great success for the new group. The financial support the P.T.A. gives the College is much appreciated and adds good facilities to the College - improvements to the gym is the next on the agenda.

#### Acknowledgements

Thanks to the staff for their contribution to Francis Douglas Memorial College. The professionalism, sensitivity and extras that is evident makes the College a very good place to be part of. The students respond positively and participate and contribute when invited and this is good news.

Parental support is there when needed and the College is seen to be fulfilling our community's needs. Many thanks for the support and loyalty of our boarding hostel parents.

A special thanks to the Board of Trustees for their support and encouragement of me personally. The College is growing and improving in a positive way. I believe we are very much living out our Mission Statement. The challenges that face us in the next twelve months with Management Systems, Strategic Planning and the Qualifications Framework will be faced with confidence, professionalism and energy.

Brother Tim Peter

Principal

14 June 1994

# ACADEMIC ACHIEVEMENTS

## FIRST IN SUBJECT AWARDS

### FORM FIVE

Ben Ewing	Accounting
Regan Kendrick	Art
Patrick Kowalewski	Workshop Technology
Jason Larmer	Graphics & Design
Hayden Morrese	NZ Mathematics
Clem Mustchin	Geography, French, Mathematics
Richard Smiley	Science
Daniel Woodd	Economics, History, English, Agriculture

### FORM SIX

Duayne Cloke	PE Studies
William Eagar	Maths with Applications
Karl Gilmour	Physics, Chemistry
Daniel Hancock	Computing
Josef Kaiser	Graphics & Design
Michael Normanton	English, Chemistry
Stephen Prestney	Accounting, Economics, English
Kelly Ryan	Biology
Justin Salter	Maths with Applications
Heath Smith	History, English
Timothy Stuck	Geography
Andrew Secker	Mathematics
Daryl Simonson	Art
Paul Topless	Agriculture

### FORM SEVEN

Brendan Clegg	Economics, History
Ben gilmour	PE Studies
Malcolm Keegan	Photography, Practical Art
Damian Leuthard	English
Cyril Schafer	Biology, Classical Studies
Tim Sullivan	Chemistry, Physics, Geography, Calculus, Statistics
Dion Tihema	Computing

**New Appointment for  
Brother Geoffrey Kennewell**

Brother Geoffrey Kennewell returns to Melbourne in 1995 to take up an appointment at De La Salle College Malvern, a school with approximately 1000 students.

Br Geoff has spent six years at Francis Douglas Memorial College, and in that time has taught from Form 3 to Form 7. From 1992-94, he was Director of Religious Studies and Dean of Form 7 from 1990-94.

Our thanks go to Br Geoff for his interest, care and concern for the youth of Taranaki. He was a thorough professional in all that he did, and was respected by both staff and students. In the difficult role of Form 7 Dean, Br Geoff was sensitive but at the same time demanding, and was able to handle all situations in a positive style. Br Geoff's ability to challenge students to achieve their potential, was a hall mark of his approach as a teacher and leader.

Br Geoff was extremely resourceful in all aspects of college life - teaching, Dean, Social Organiser, Director of Religious Studies, Assembly prayers and Mass organiser, Sporting Manager, Hostel Supervisor and Director of the Brothers' Community.

We wish Br Geoff fond farewell from Francis Douglas Memorial College, thanking him for his presence among us and hope that back home in Australia, he will think of his time here in Taranaki, as one of growth and fond memories.

**Study Leave for Peter Hill**

Peter Hill has been awarded a years study leave to complete a Diploma in Fine Arts at the Taranaki Polytechnic. This award is administered by the New Zealand School Trustees Association and the Post Primary Teachers Association and is one of 55 offered nationwide. He is looking forward to a welcome break from teaching and the chance to pursue his interest in making art works.

**Anne McSweeney to leave teaching**

Anne McSweeney is to leave her position as teacher of languages and Classical Studies at Francis Douglas Memorial College. Anne has worked hard to establish these courses and many of her students will miss her, especially the associated trips to restaurants offering international cuisine. The O'Shea Shield, drama and debating teams will also miss her. Anne is also active in PPTA being the regional treasurer for a number of years.

**Mr. Joseph Dowd to resign**

This College community records the resignation of Mr Joseph Dowd after six years of loyal service. Mr Dowd has taught mainly at intermediate level but has been very involved with various other College activities all of which have benefitted from his vast knowledge and experience. He has always been prepared to share his teaching skills and qualities with members of staff.

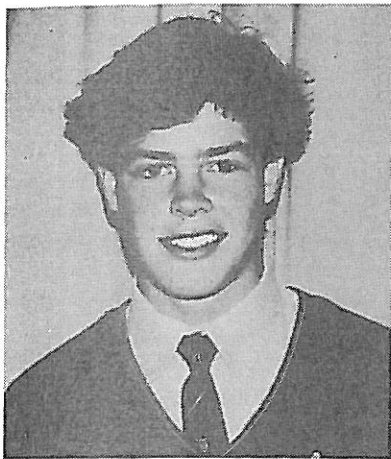

Mr Dowd has developed a clear understanding of the special character requirements. He is a man of deep faith and conviction, is completely involved himself and encourages students to fully participate in the growth and expansion of Catholicity within the community.

Next year Mr Dowd is to undertake research and will then formally record the history of this community. We applaud him for this initiative in offering to prepare this vital historic record. Thank you Mr Joe Dowd for your past contribution to the College.

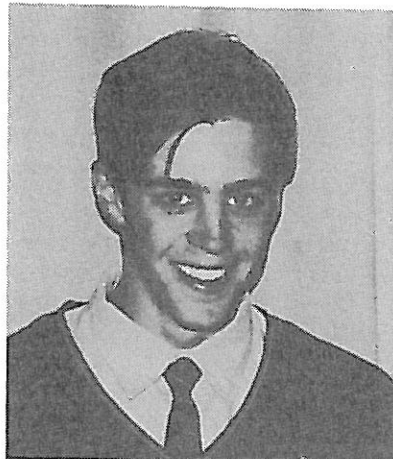

**Tom Galia returns to the United States of  
America**

Mr Tom Galia came to Francis Douglas Memorial College for 1994 from an inner city school in one of the United States largest cities, Philadelphia. He found rural Taranaki an interesting contrast. We would like to thank Tom for the wide ranging participation that he took in school life. The early mornings (at 7.00 am) were given to coaching two basketball teams; the days were busy relief teaching almost every subject in the curriculum; the hours after school were involved in assisting in rugby coaching; and the evenings were spent in hostel supervision. Tom has enjoyed his time in Taranaki and will cherish the memory of standing beside Mr John Whyte on a wet Saturday morning supporting the 3rd XV. We wish Tom all the best and a safe journey home.

### COLLEGE CAPTAIN REPORT

Another school year draws to a close and with that our reign over the college will soon be history. But for us an unforgettable history.

Jono and I started our school year a week before the rest at a De La Salle Leadership Seminar in Narooma, NSW. During the week we spent there all aspects of leadership were covered, which proved to be invaluable for us throughout the year. I will always cherish the memories of the time I spent in Narooma. 1994 has been quite a year for Francis Douglas sport and like many previous years each college representative side was well stocked with the wisdom and experience of seventh formers. The first XV and the first XI cricket sides both finished second in their respective competitions and pulled off some big college game wins throughout their seasons. The senior A basketball side continued to put our school on the map, gaining a place in the national tournament at Wanganui by making the final of the Regional competition. Lets not forget the ski team or hockey side which competed with real spirit.

This year Francis Douglas was host to the national first division soccer tournament during the August holidays. This event was especially well organised and thanks must go to Mr Mustchin for his tremendous contribution to it all.

Throughout the year we have held the swimming, athletic and cross country competitions, as well as the house rugby and tug-of-war. Yet again thanks must go to Mr George for his organisation and overall control of these contests. Acknowledgment must also be given to the four House Captains: Melios, Daniel, Patrick and Simon and also their deputies: Anton, Malcolm, Matthew and Dion respectively, for their dedication, leadership and humour which was seen throughout the year.

As for the cultural events the future of Francis Douglas in O'Shea Shield, Music, Debating and the Variety Show Performances will continue to be a strength while in the hands of people like Mrs Van Lent, Ms McSweeney, Mrs Gaffney and Mr Mustchin. These four as well as all the others that I have failed to mention must be thanked not only by myself but by the rest of the school for your efforts.

Socially the year has gone very well with a ball that as good, if not better than last years one. The social committee put a lot of time into all social events especially Sacred Heart whose artistic talents and organisational skills must be admired. Thanks must also go to Brother Geoff whose experience guided us many times down a realistic if not sensible path.

I would like to thank Br Tim for all he has done for the college and I can only see a bright future while the college remains in his hands. Thank you Br Tim for all you have done involving the seventh form and being their whenever needed.

My final point must be another thank you and this time to Br Geoff. His easy going humour and wisdom was a great help to the seventh form and especially to Jono and myself. He really made our job a lot, lot easier.

And so this report comes to a close and I remember all the times spent with the same group of guys throughout the years. Only this year have we been so close.

The memories that five and two third years of schooling have given me I will hold forever and I thank you all; students, teachers and friends. I wish everyone the best of luck and especially those of you who now like me will leave Francis Douglas Memorial College for the last time.

NATHAN SMITH

### HEAD BOARDER'S REPORT

1994 marked the beginning of a new era in the boarding Hostel. Brother Lawrence left us for Australia and an unknown quantity, Brother Anthony Hawkins took over the reigns. Coming from Boystown in Australia I had many preconceived notions that strict discipline would be a hallmark of the year.

However I was pleasantly surprised when introduced at the beginning of the year. Brother Anthony's approachable, easy going manner has added a new dimension to the hostel, one that has made our living environment more pleasurable to be in. Special thanks must go to him for his work throughout the year and for his policy of increasing our social interaction. The added excursions with both Sacred Heart and Saint Mary's were certainly enjoyed and appreciated by all.

For us in the Seventh Form 1994 marked our final year. We arrived as a large group of apprehensive third formers in 1990 and end as a close knit group of ten, ready to embark upon the world and made better from our experiences in the hostel. Over the years many life -long friendships have been made and I think it is this quality that especially characterises the hostel. We have had our fair share of problems but the good times far outweigh the bad.

The hostel is traditionally the heart of the college, and making up just over 1/5 of the college roll this year was no exception. We had a host of sporting and cultural ambassadors with the head boy, La Salle house captain, Youth Council representative and Senior A basketball captain within our ranks. Special mention must also be made of Wayne Johnson, the 'Sport Billy' of the hostel, throughout the year. He has showed he is gifted in a variety of sports and has a big future.

Finally thanks must be made to all the brothers who do so much around the place. Without them there would be many difficulties and the hostel would not be the place it is. Also to Mrs Fleming, our Mum away from home. Through your dedicated work you have made the hostel a better place and I'm sure all the guys are grateful.

1994 for me ends five unforgettable years of my life. We as boarders are unique in that this is not only our school but also our home and I for one have a great affinity to the place. I leave Francis Douglas with only good things to say and thank all that I have been involved with in the hostel for our time together.

BRENDAN CLEGG

### **BENILDUS HOUSE REPORT**

The year 1994 was a fairly successful one for Benildus House, in which all members participated with pride in the various interhouse events.

Despite the "good money" being on Benildus to dip out in the swimming sports, house spirit came through on the day and superior participation allowed us to dispose of the other stronger houses and win for the fifth consecutive year. Congratulations must go to Haedon Smith our only swimming champion who took out the intermediate B section.

Athletics has never been Benildus' strong point and this year was no different. Despite commendable performances by the likes of James Matuku, Jarrod and Marcus Smith, we came a disappointing yet close run third. Despite poor participation in the cross country some outstanding individual performances led to some consolation with our gaining a second place. Conrad Smith and Ben Gillum were their age-group champions while Mark Drought and Tim Sullivan performed admirably in their respective age groups.

The house rugby tournament brought much excitement to the house and this was backed up by a thrilling 10-5 victory over Loreto in extra time. However, we never quite continued this form and lost our remaining two games despite all team members having a lot of fun. Simon Drought, Karl Carey and Aaron and Kieran O'Neill showed there is much promise there for future years.

Benildus was also involved in the Save the Children Fund collection and the good turnout meant for a successful collection. Due to much hard work by Tim Sullivan and Mr Dravitzki their vertical form Benildus Three became the jewel in the Benildus crown, coming second in the vertical form championship by only a couple of points. Better luck next year!

The other vertical form teachers and leaders must be congratulated for their help throughout the year, especially fellow seventh formers like Nathan Smith and Grant Fleming who were always willing to help with house activities. The Benildus vice captain, Matt Armstrong, proved to be a fine leader and was diligent in his approach to organising our campaigns.

Many thanks must go to Mr George who worked very hard to organise the inter-house events which made my job and that of the other house leaders much easier. Thanks must also go to Malcolm, Simon and Melios who helped establish a competitive atmosphere at all times even if they didn't have the same success we did!

Finally, the "old master" Mr Blanks as house convenor, was instrumental in our success, especially in swimming sports, with his experience, guidance, friendship and will to win, essential to me as leader and also in continual swimming sports success. Overall, Benildus had a successful year, winning a major competition and not coming last in any of the others. Several top sportsmen come to the fore meaning a bright future for the "GREEN MACHINE". Matthew and I were very honoured to lead the house with the task of captaining Benildus, one I will look back on fondly. I wish Benildus the best of luck in the future.

PATRICK GOWER

### **LORETO HOUSE REPORT**

1994 for Loreto was somewhat of a disappointing year but the comradeship between the pupils and teachers was one of a big family.

With the house captains Simon & Dion the year looked to be a great one for Loreto. We started to plan for the swimming sports and with the two snappers from Stratford, Simon and Luke McDonald, we thought that we had it won. Even though they won their age groups, we could only manage a second. One plan down the drain and another one was starting to brew in my head. It was time for the athletics and we were full of confidence especially with 100m specialist Ian Utiger, but to our disappointment he could only manage a second and we could only take away fourth place, but I give a lot of credit to all our boys who took part.

So to the third and final term. House rugby was on the cards and in our sight was victory. A strong forward pack with a weak backline, could this team take the title, yes! NO!!

The first game was against Benildus and unfortunately we lost in overtime. Then we went in cocky against an under-rated La Salle team and came out with bumps and bruises with a scoreline in their favour.

That was the end of our school year and to Simon and I it was a year that turned out to be a failure, but the boys in the house will always hold their heads up and be proud to be a member of the mighty Loreto house.

Thanks heaps to all the teachers that helped us out.

DION TIHEMA & SIMON BALL

### **LA SALLE HOUSE REPORT**

1994 - the year of the family! And this epitomises the spirit that existed in the family of La Salle. The heads of this family are a group of seasoned campaigners who have grown up with the La Sallian spirit. This year the La Salle motto changed from, "Win everything at any cost or you're out of the team", to, "Play hard, but play fair- but don't get ugly!" We hope that other houses adopt these mottos for future years.

We saw participation as the key to success but as so often happens the key did not fit the lack of victory. Although victory eluded La Salle, no one let themselves become disheartened and the family unity and whole-hearted commitment to the prosperity and well being of the house was strong right to the very end of the year.

Vertical form was the basis for the family unit we lovingly call La Salle and special thanks must be given to the vertical form teachers and leaders. This was a most valuable time where younger students could revel in the experience and maturity of the seniors.

I would like to especially thank Mr D'Ath for his smooth guidance during the year as house (family) convenor. From all those leaving in 1994 we wish the La Sallian Whanau of '95 the best of "skill".

ANTON WINSTANLEY

### **SOLOMON HOUSE REPORT**

1994 has been another very successful year for Solomon house. Again as in many other years of Solomon history, excellence was shown at its best on the sports field, academically and in cultural aspects of college life.

The year and the house competitions started off with the swimming sports, which at the time seemed like it would be another repeat of the last two years with Solomon coming second to Benildus. But this was not to be; Solomon ending up third. This did not hinder 'the reds' spirit who knew only too well that they would have a better chance of success with the athletic sports.

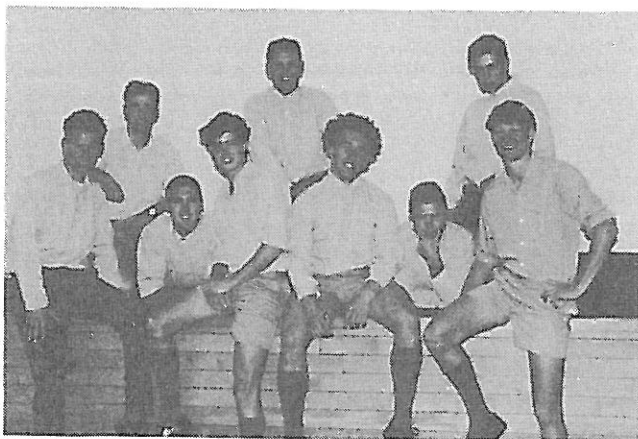

The athletic sports came and went with Solomon winning in fine form, continuing a proud tradition of fielding a strong team in this area. The next event on the sporting calendar was the cross country sports. Past experience has proven that participation is the key to success in this field of house sport.

On the day of the cross country, red participants were well out in force which ultimately lead to victory over all. With this win, the house cup was set for Solomon hands. Solomon was also able to produce a strong rugby team this year, and making up for a disappointing loss in the final last year came through with a great victory.

Indeed it has been a great year for the almighty 'reds,' but this success can't be all put down to natural ability. It is the participation that wins in the end, and because the excellent organisation from the vertical form teachers and fellow senior students, Solomon came through with impressive results. To Mr McMorran the house convenor, and to Br Geoff, Mr Wells, Mr. Murphy and Mrs Ryan, thanks for all the support.

Finally I would like to thank all in Solomon House for giving me such a great year to remember as your house captain. I think that the house will continue to do well with up and coming sports stars like the Hart brothers, Brendon and Simon, Scott Ireland, Gareth Farmer and Harley Butler. Although it is good to recognise these people, I think it is more appropriate to mention that everyone this year in Solomon house are stars. It was the team effort that won us the glory. Good luck to Solomon house next year.

MALCOLM KEEGAN

*College Leaders*

### **BOARD REPRESENTATIVE REPORT**

Being the Student Representative to the Board of Trustees this year has been an exciting and new challenge which has given me the opportunity to experience issues and matters at an adult level. I thank the students for selecting me as their representative and giving me this chance.

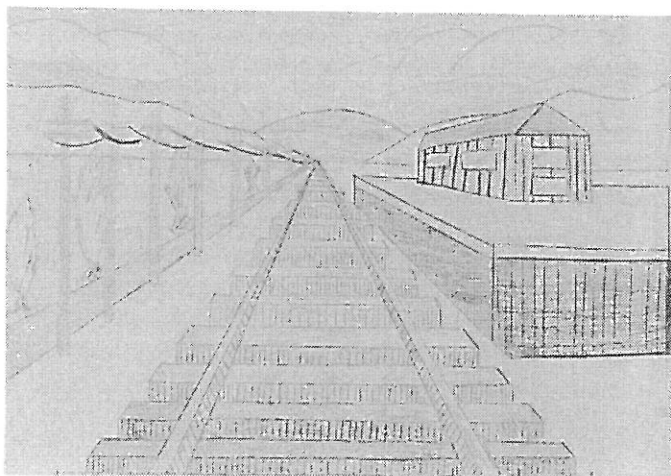

I have had no previous experience with what the Board does, and when the first meeting came around, I felt a little intimidated by the rest of the Board members who ran the meeting in a formal and smooth manner. At the same time, I was rather blown away with meeting procedure, technical jargon and the massive amount of material that I had to read before each meeting. But as each meeting came and went, this once nervous 7th form student felt more at ease as I adjusted to the new situation.

My job has been quite easy, with very few complaints coming from the students. This can only suggest that the school is functioning well. A highlight for the students this year was the completion of the new technology suite which has proven to be a huge success. The development of the woodwork room and the added graphics and design room has really proved beneficial for woodwork and design students.

I would like to thank the rest of the board members especially Brother Tim for making me feel welcome, and also thank them on behalf of the students for all the work they do for the school. Their work usually goes unnoticed in the school community, but the technology suite is evidence of the commitment they have towards the well being of Francis Douglas College.

My experience on the board has given me an in-depth look at committee work which one day I'm sure will be of great use to me. Again I thank the boys for the privilege they have given to me and wish them all well for the future. To next year's representative, I wish you the best of luck too, and hope that you get as much out of your experience as I have.

MALCOLM KEEGAN

*Artwork by Brendan Clarke*

## PRESIDENTS REPORT

I have much pleasure in presenting the report of the Francis Douglas Memorial College Parent Teachers Association for the year ended 31st May 1994.

Throughout the year the P.T.A. has been involved in various fundraising activities. The profit made from the sales of pies and pizzas was \$1000, Used Uniforms \$200, Tuckshop for Touch Rugby \$375 and from the Autumn Gala Festival, our major fundraiser for the year, \$11,000.

We had a wonderful response to our requests for donations for the Gala and I would like to thank everyone for their marvellous generosity.

Leen Bolyn was our convenor for the Gala. He put a tremendous amount of time and work into this event and I would like to thank him very much for his fine efforts. I would also like to thank Peter Hill, the entire committee of the P.T.A. together with the College staff and all the volunteers who assisted on the day and the many parents/staff/students who gave either of their time or by way of donation to make this a very successful and enjoyable day. The \$11,000 profit will be going to the school towards upgrading needed in the gymnasium.

I would like to thank Janis Little for all her hard work as Secretary and for organizing the Used Uniform sales. Thanks to Claire Smiley who is now the co-ordinator for used uniforms. Thanks very much to Jill Watson doing a wonderful job as treasurer.

My personal thanks to Brother Tim for his time and patience, understanding and support. He has always been keen to assist whenever needed and has kept the P.T.A. informed of school activities. I thank him for making my job a lot easier.

Thanks also to John Whyte for his help and support throughout the year.

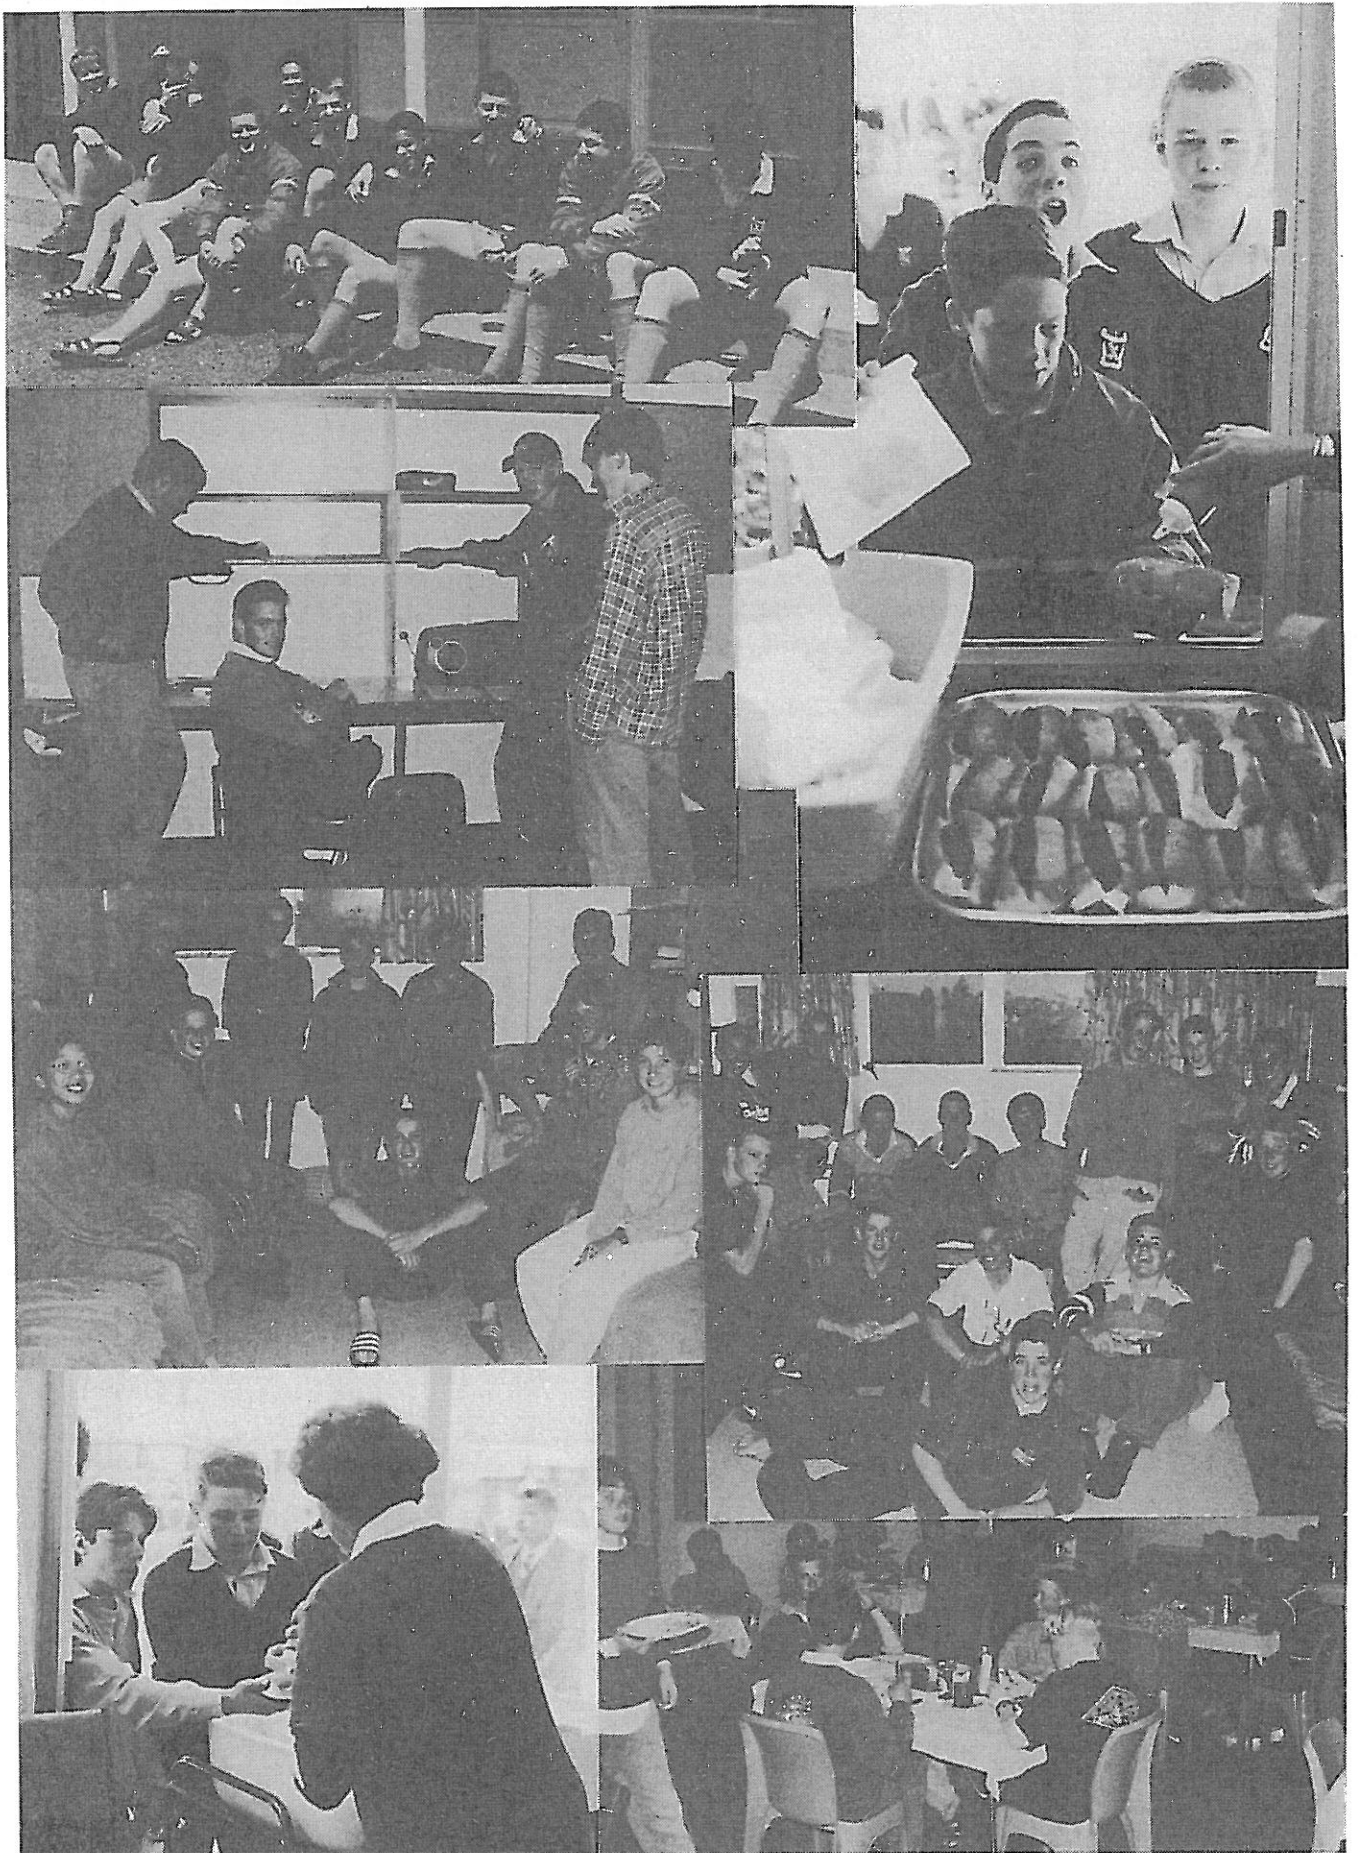

We are very fortunate to have on the committee Liz O'Sullivan and Margaret Sullivan from the Board of Trustees. They help us maintain a valuable link between the Board and the P.T.A. I thank them very much for their ideas, encouragement and for all of their help over the last year.

In conclusion I would like to thank the parents for their constant generosity, the entire College staff for all their help during the year and to the P.T.A. Committee for all their enthusiasm, hard work and support throughout the year. I'm proud to have been part of it and I hope all of you will be available to serve another year.

**MARGARET BOWLING**  
PRESIDENT

## BOARDING 1994

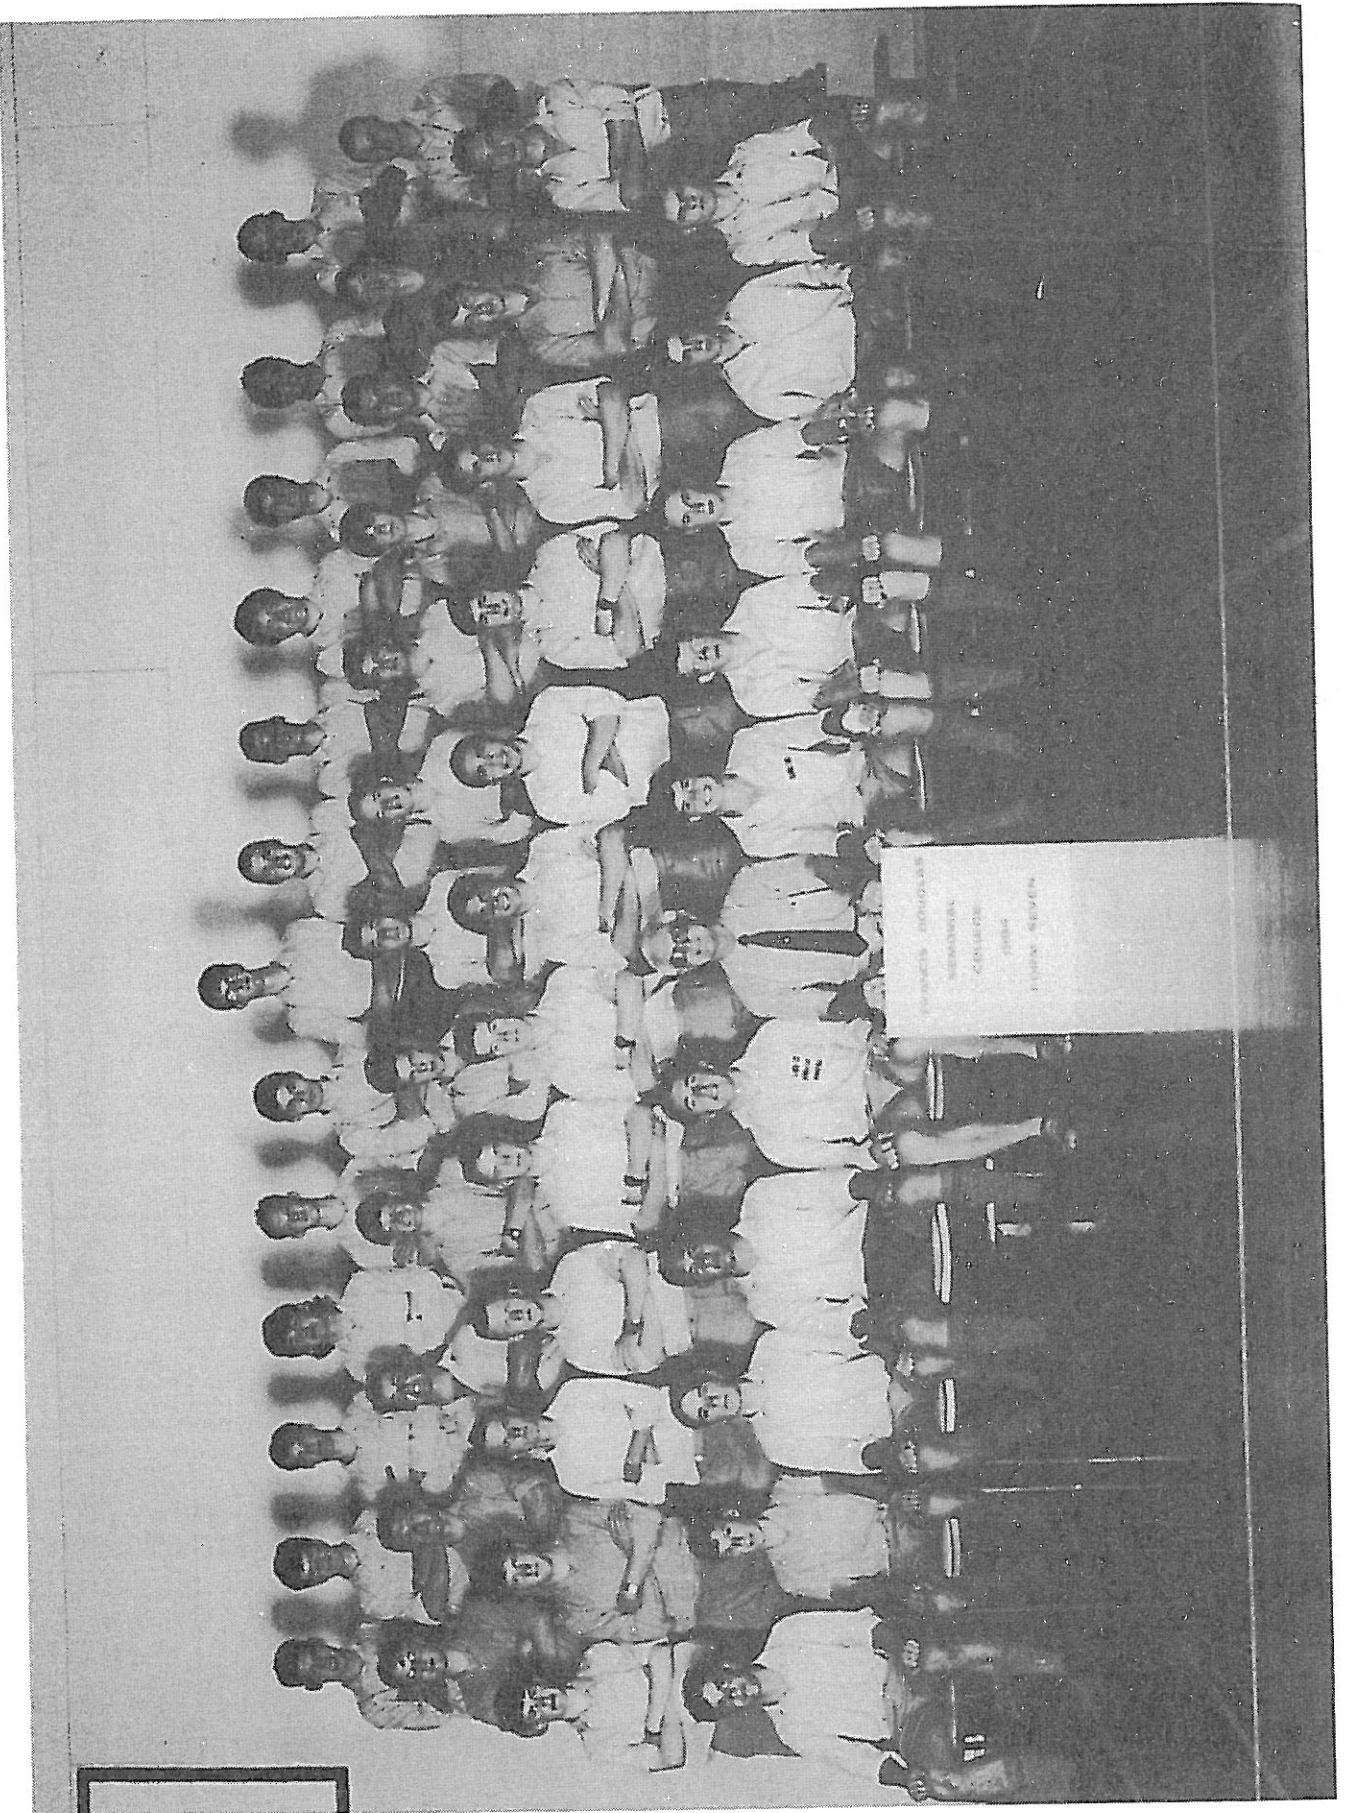

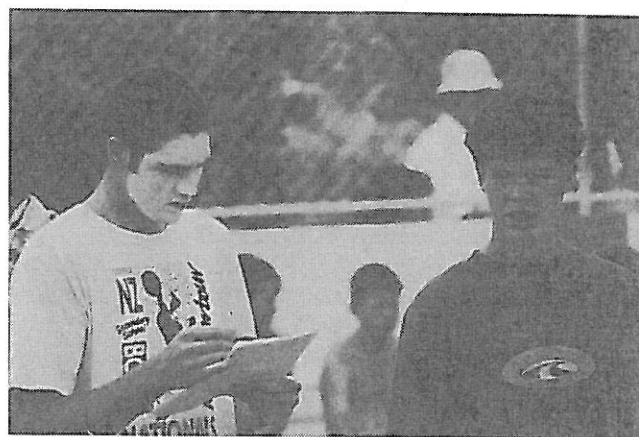

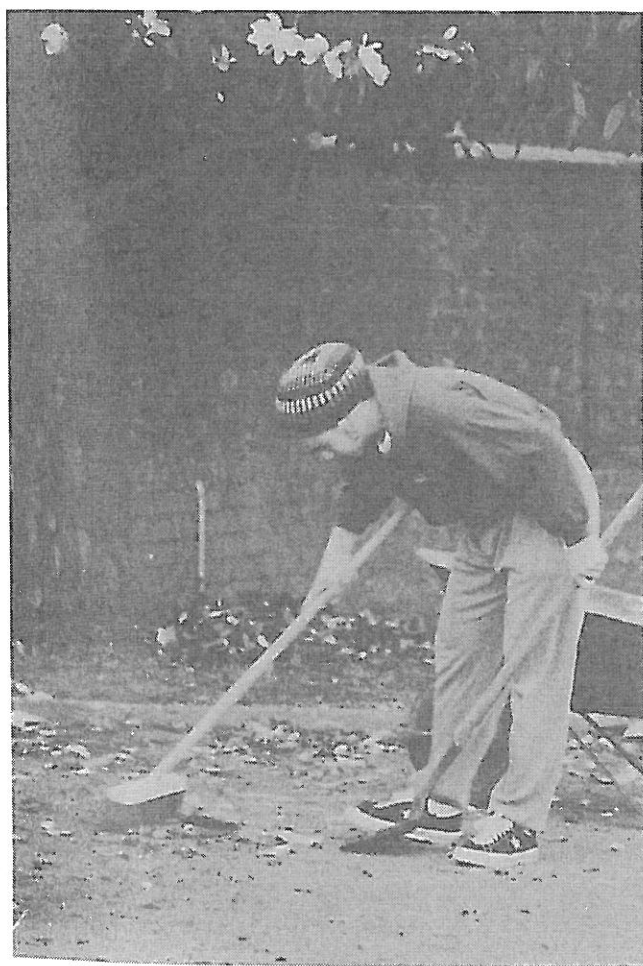

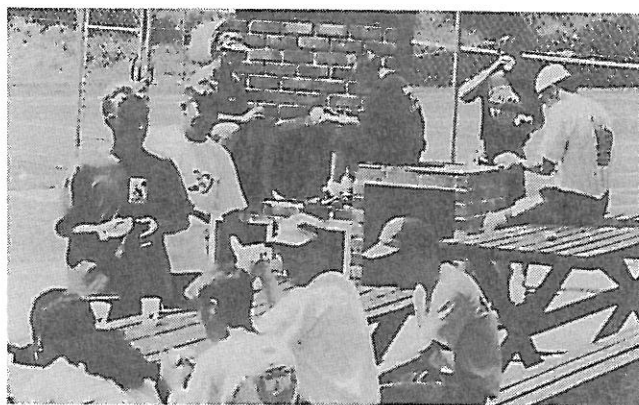

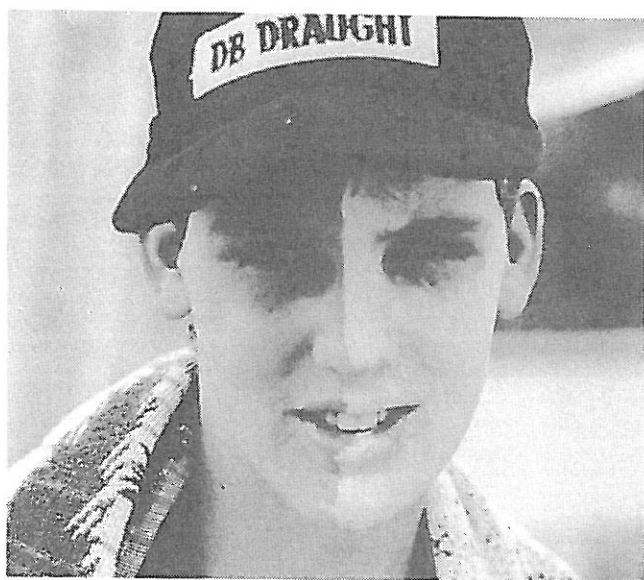

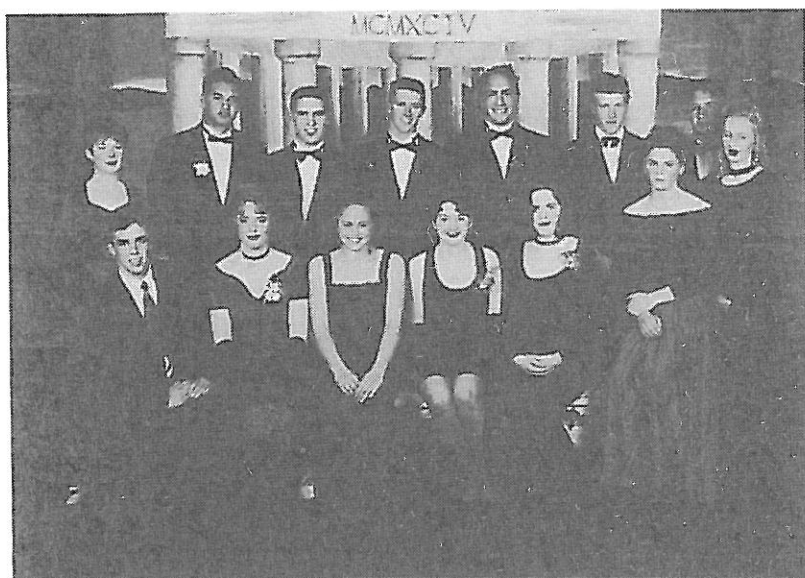

# FORM SEVEN

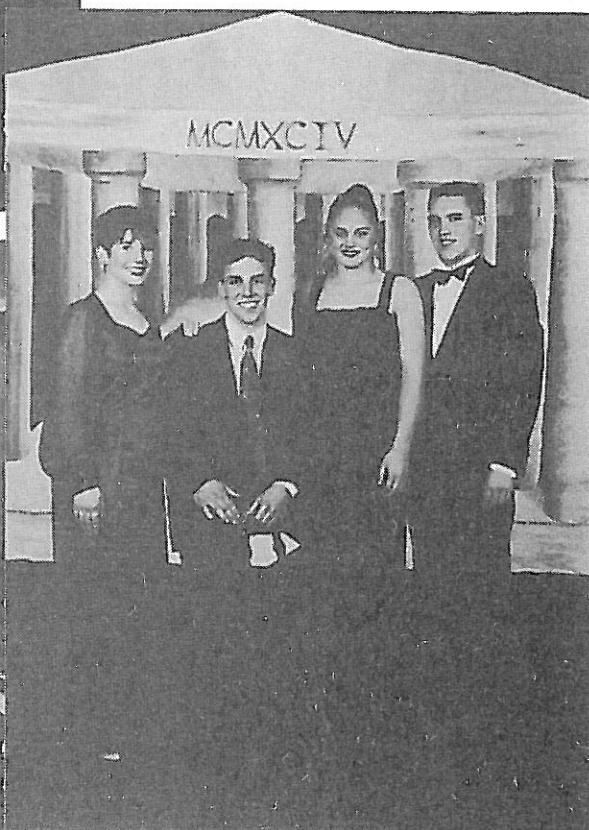

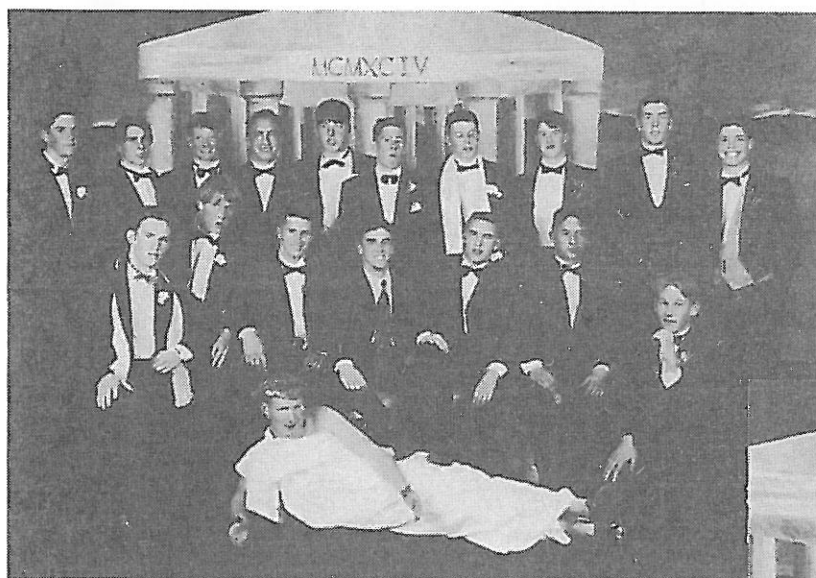

## Combined Colleges Ball

Once again the social committee with members from Sacred Heart College and FDMC, worked hard to ensure the annual Ball would be a success. The theme for the Ball was a classical Greek one, including a large hanging of a Greek temple and sixth form students suitably dressed in togas, who acted as hosts. A great atmosphere had been created for this formal night of fun and dancing

# SWIMMING

SWIMMING TEAM

**Back Row:**

Brad Thomson, William Eagar, Gareth Collins, Br Geoffrey Kennewell, Richard Uhlenberg, Haydin Morresey, James Faull

**Front Row:**

Luke McDonald, Haedon Smith, Marcus Smith, Simon McDonald, Ben Gilmour, Jamie Caley, Jarrod Smith

## CHAMPIONSHIP

### Senior

1	S. McDonald	(L)	{ 50 pts }
2	B. Gilmour	(S)	{ 26 pts }
3	M. Smith	(B)	{ 22 pts }
4	S. Ball	(L)	{ 13 pts }

### Intermediate A

1	J. Faull	(LS)	{ 27 pts }
2	H. Morresey	(S)	{ 26 pts }
3	M. Watkins	(L)	{ 13 pts }
	W. Eagar	(B)	{ 13 pts }

### Intermediate B

1	H. Smith	(B)	{ 30 pts }
2	J. Gollan	(L)	{ 16 pts }
3	A. O'Neill	(B)	{ 12 pts }
4	N. Death	(L)	{ 11 pts }

### Junior

1	L. MacDonald	(L)	{ 43 pts }
2	J. Smith	(B)	{ 28 pts }
3	G. Collins	(LS)	{ 16 pts }
4	B. Thompson	(LS)	{ 7 pts }

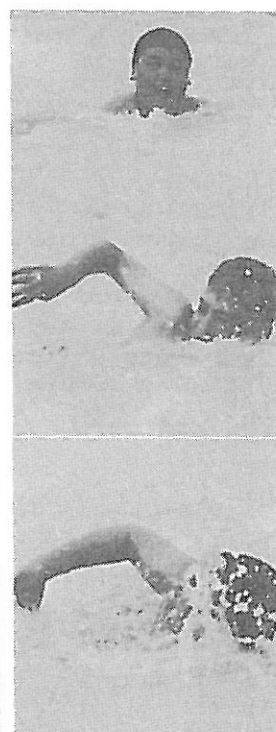

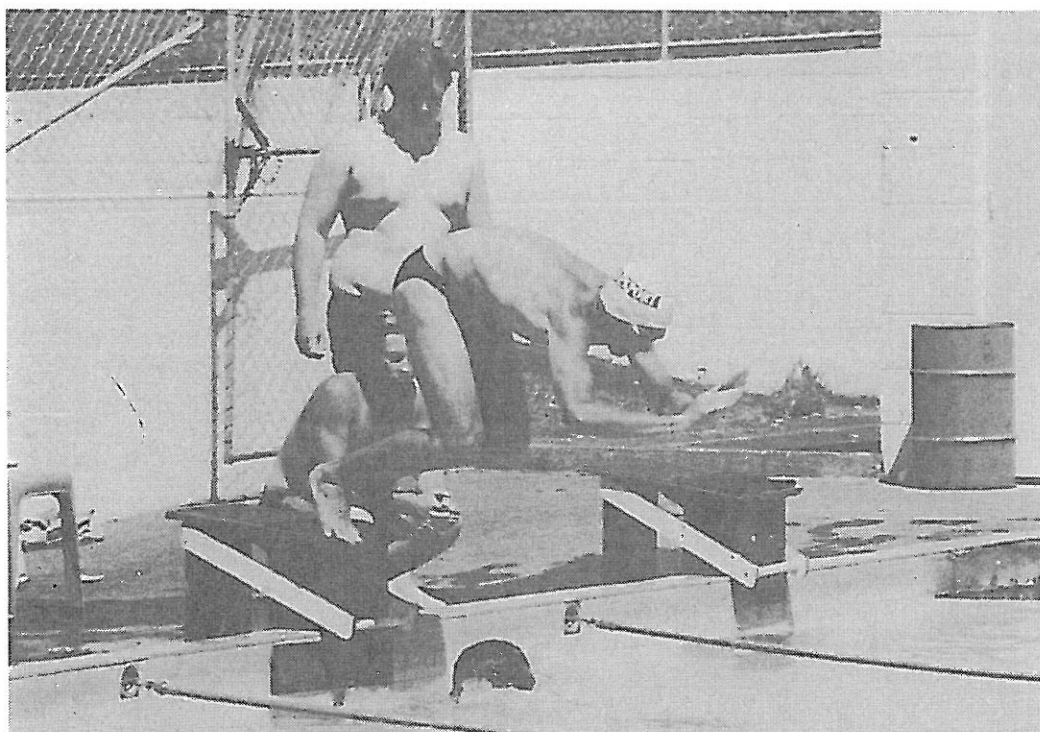

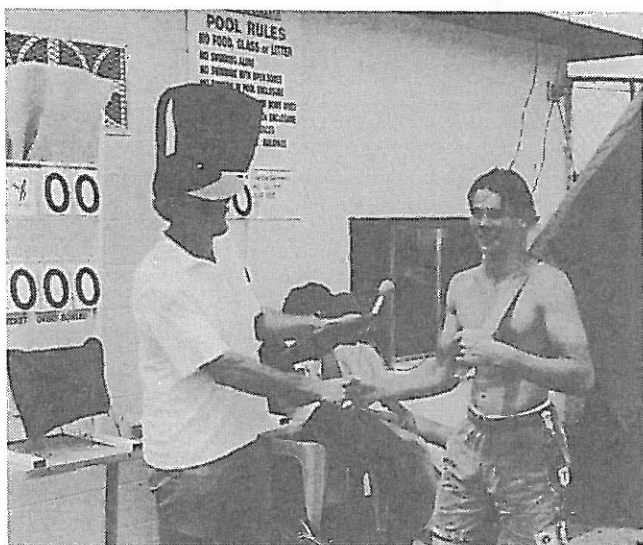

### Form 2

1	G. Gadsby	(LS)	{ 26 pts }
2	H. Bartlett	(LS)	{ 16 pts }
3	C. Smith	(B)	{ 11 pts }
4	C. Ludlow	(B)	{ 9 pts }

### Form 1

1	K. Fraser	(S)	{ 26 pts }
2	J. Matuku	(B)	{ 22 pts }
3	B. Hart	(S)	{ 10 pts }
4	M. Melody	(L)	{ 7 pts }

## CREATIVE WORK

### NATURE

The early morning mist settles on the trees,  
The song of a bellbird is heard far away.  
Dewdrops glisten like sparkling jewels,  
And the rushing of water sounds joyous and gay.

In the veil-like branches of a rimu,  
A fantail weaves its dance on gossamer wings.  
Slowly the songbirds awaken.  
And a lone tui perches on a kowhai and sings.

The fronds of a ponga fern move slowly,  
Responding gently to nature's call.  
Gracefully they sway back and forth,  
And a picturesque kauri stands proud, strong and tall.

The quiet bubbling of a mineral fountain,  
Is lost in the echo of the nearby falls.  
A trout is seen darting aimlessly,  
And in a puriri, a large wood pigeon calls.

With the mists slowly rising,  
Dusk hurriedly descends.  
The distinct call of a kiwi is heard,  
Amongst those of the weka, or swamp hens.

The bush slowly licks its paws,  
And settles down to rest.  
The untold beauty goes to sleep,  
But will be seen in the morn at it's best.  
KELLY RYAN F6

### KIWI

Sixty acres of steel, concrete and pipe  
Whareroa monolith what an awesome site  
Blue and white the colours where the kiwi stands supreme  
Churning out the product from the protein and the cream

A billion litres more or less the total annual flow  
Fifty tankers day and night hauling too and fro  
Five minutes is their turn around, a record to behold  
The milk then held in gleaming tanks so huge and quite untold

Then technology and expertise transform this great white tide  
Within the gleaming stainless steel to different product lines  
It's bagged and boxed and wrapped and sealed, to cool store it is raced  
From there the trucks and rail freight move it to the market place.

The farmers and the province claim with passion and with pride  
That competence and excellence will see our futures ride.  
Upon cows and milk and farming our livelihood will earn  
The pay out from their prosperity will share our net return  
MARK BUTTERWORTH F6

### "OUR PROTECTOR"

Since time beyond time, the giant has stood,  
A guardian to watch over the earth.  
Despite the unphazing presence of this being,  
The land about has changed.

Battered and drowned by the merciless rain,  
Warped and carved by the unforgiving wind.  
Scorched by the sun and smashed by the elements, the  
Land has been shaped anew.

Rivers have altered their original course,  
Searching for different paths to the ocean.  
Rocks have eroded as the sea pounds the shore, and  
Threatens to overrun.

Humans have come to plough the fertile soil,  
To build their structures of timber and stone.  
They have come and gone as swiftly as, the breeze  
On the guardians back

Animals arrive to find food, then flee,  
Inconstant as the waves on the ocean.  
Whole forests have perished to the coming of man,  
Others grow to replace.

Under all, the giant remains watchful,  
Silent as changes occur around it.  
First to come and last to leave, it will always be  
Known as "our mountain".  
HEATH SMITH F6

### THE CENOTAPH

A stone shape rises from the brick and earth,  
The rubble at its feet says nothing of its worth.

Green ivy clings to the crumbling masonry,  
Obscuring the letters of names locked in memory.

The names of people who were martyred in battle,  
Who died for their belief at the rapid rattle.

These people carved into the rough hewn stone,  
Now illegible down to the letters alone.

This headstone of a hundred souls,  
Reminder of a war that took its toll.

The peak of its shape stretches to the sky,  
Seeking domination amongst the buildings high.

Cars fly by and pedestrians take no notice  
Of the unwashed, unglorified, lonesome obelisk.

A small bronze plaque lies hidden at the bottom,  
Its words: "Their names shall not be forgotten."  
HEATH SMITH F6

### ASSASSIN

Silent  
Death's agent  
Cloaked in darkness  
Lone wolf, without honour  
Devoid of guilt, hooded hunter  
Trial, sentence, execution, all into one  
The law twisted to his own means  
A self-proclaimed prophet, controlling life and death  
Unforgiving, uncompassionate, relentless, void-like soul  
Cowed in darkness, strikes like lightning  
Takes a life without warning  
Leaving before he's been  
Panic left behind  
Bloodied weapon  
Assassin  
JOSEF KAISER F6

### LIVIN' IN THE JUNGLE

It's a jungle out there, with no trees,  
Just beat up cars and graffitied streets.

Ruled by boys, pretending to be men  
Always in the know of where and when  
A hit must occur, must take place  
With glass and knives tearing at face,  
Cutting, slicing, down to the bone  
In the name of brotherhood, but really all alone.

No law roams there, none ever will  
These lost souls of the street, live to kill  
And rage at that which is not theirs,  
And hide their sorrows, have no cares  
Blindly giving up their life  
To end the hardship, end the strife.

It's a jungle out there, with no trees,  
Just beat up cars and graffitied streets.

### MAYBE NEXT TIME

I was as mentally prepared that Saturday, as any other. The biggest game of the season against Hawera, had the potential to be explosive. With the Taranaki Secondary Schools Rugby Championship at stake, I was as desperate as any to perform. To do my job, and to do it well, and not let the team down.

Morale was high in those dark, grubby changing rooms. The positiveness, within the team, of victory, was no more evident than in the blank, determined eyes of our captain. I, myself, was silent, ready to do battle against an old foe. Ready to taste the sweetness of victory. Thoughts of games won and lost entered my mind. Their various bits and pieces creating a collage of thought, as if trying to send me a message. A message perhaps saying this was it. There would be no second chance. All my instincts, all my thoughts, were focused. I was ready to play for eighty minutes, ready to put my body on the line, to do anything to win.

As I ran onto the muddy ground, I felt the pressure Bear down on me. Boring a hole right through me, sapping away all my energy. The whistle from the referee, saved me, I'm sure. The beginning of the game, focused by mind. All my fears and trepidation, revealed by the pressure of the moment, quickly faded away.

Intense is the only way to describe it. One moment on attack, the next on defence. A see-sawing battle for control, interrupted at half-time, neither team taking charge, yet with an 11-0 score line favouring us.

I thought, and almost felt, that the victory was there for our taking.

But it was not to be. Ten minutes was all it took. A lapse in our concentration, and our will to win, and it was all over. I tried, we all tried, desperately, to turn the 12-11 score line around.

Everything was thrown, everything was repelled.

With time all but up, I received the ball and raced towards the corner, only to be bundled into touch. The referee's whistle sounded. It was all over. Nothing more could be done.

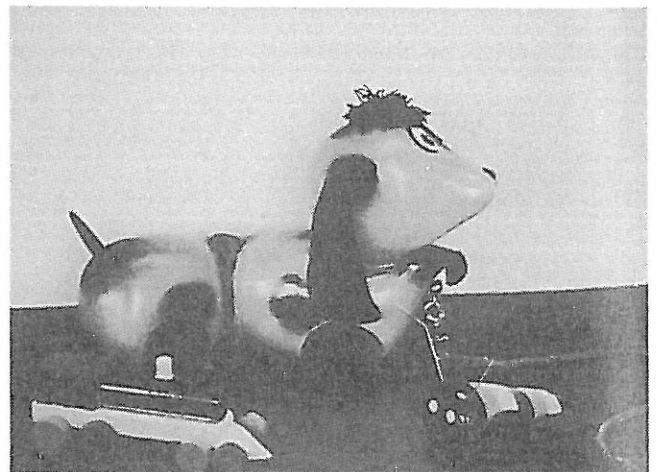

I questioned myself, after the game. Questioned my ability and desire.

But I knew I had given one hundred percent, knew I had done all I could. Although we had lost, I didn't feel like a loser, nor a quitter. Instead an unrelenting belief that next time would be different, swept through me. That next time would be different.

STEPHEN PRESTNEY F6

### WHEN YOU ARE YOUNG

When you are young,  
most would agree,  
there are many opportunities  
for people like me.  
We have on our side  
all that natural zest,  
uninhibited feelings  
that bring out the best.  
There are definite advantages  
in the ploys we can use,  
to get round our parents  
and do as we choose.  
And while we're still young  
we are free of the strife,  
that comes all too soon  
in our long adult life.  
MICHAEL NORMANTON F6

## LITTLE SISTERS

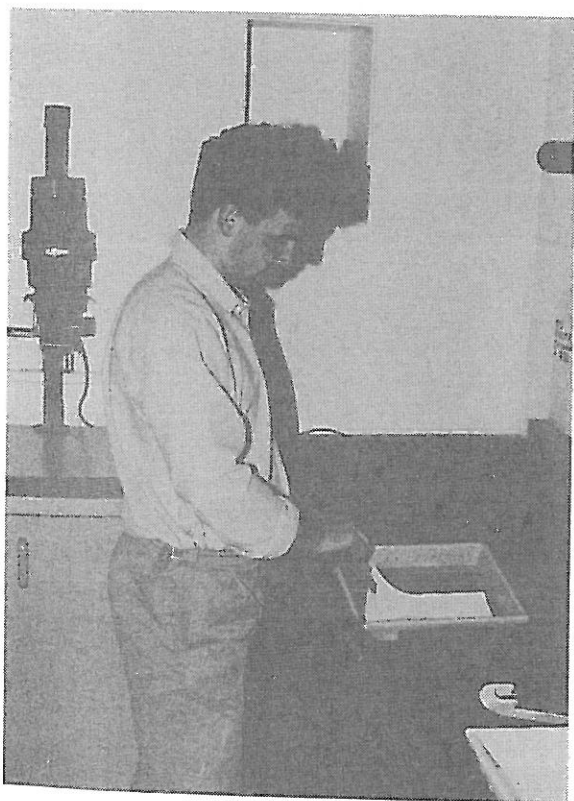

When I sit down and think, I wonder why the good lord, in all his wisdom, created little sisters. What good are they? All my sisters seem to do, is gang up on their beloved brother, always endeavouring to get me in the worst of trouble. If they are not engaging themselves, in this, what seems to be their full time occupation, they are winding my parents tightly around their fat little fingers. Well this type of treatment to brothers has gone too far. It is time for the brothers of the nation, young and old, to fight back and defend our rights. I find having little sisters is definitely an experience, a rather unpleasant one at that. They watch my every move, waiting for their brother to slip up, then they pounce into action. When dobbing to mother they have the habit of continuously blowing things out of all proportion, giving Mum an image twenty times worse than it is in reality. Take the day I ate one of their precious Easter Eggs. Anyone would think that I had burnt the house down. The screams could be likened to those of fire engines anyway! It was then straight upstairs, to file a report with the Gestapo. Little did I know, that soon I would be confronted by a huge, fire breathing dragon, that some might simply call mum. Hiding, one behind each leg, were two little angels, haloes and all, smiling and giggling as I had strips torn off me. Whilst being told, rather ordered, to buy them a new packet of eggs immediately, all I could think of was those glowing haloes being pulled tightly around the necks of my bratty sisters.

After many sleepless nights, I formulated a cunning and devious plan to avenge the brats. When home alone one day, I planted my best ink pen in one of their pencil cases, and my good eraser in the other. When the family arrived home, I felt the sudden urge to draw a picture. "Where is my rubber and black pen?" I screamed. Now on my table, I made the biggest song and dance possibly imaginable. One would never guess where these were found, yes, in the pencil cases of the fiend little sisters. Mother, promptly went to her job of reprimanding them. One all. Revenge is so sweet.

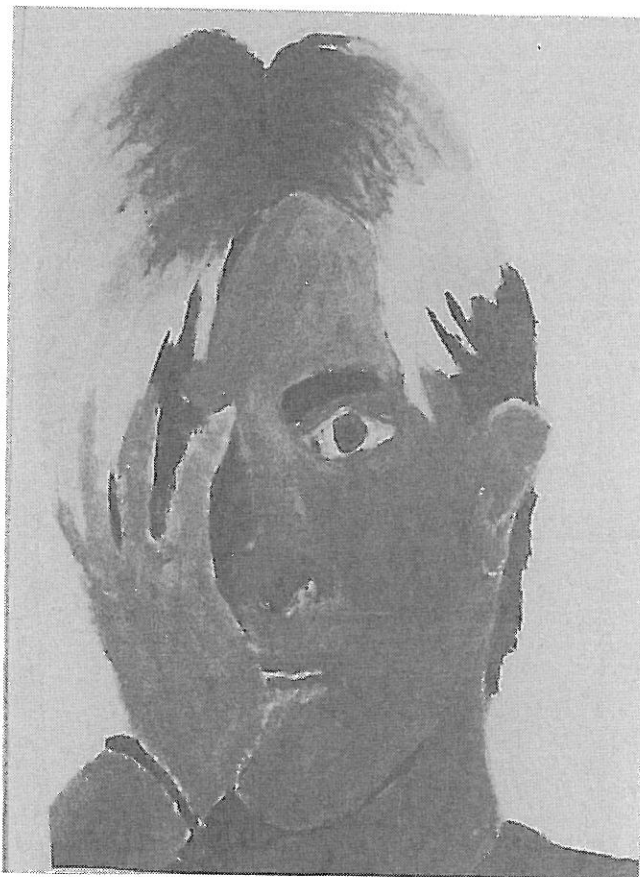

There is one object in our house, an object that has priority over everything else, especially at 7pm weeknights. If you control it, you hold power over the entire household. My sisters will kneel before me if I possess the magic wand at 7pm. Yes, that is right, 7pm weeknights is Shortland Street time. Sisters will sacrifice all to hear those famous words, "You are not in Guatemala now Doctor Ropata." After 500 or so episodes, I have collected quite a horde of chocolates, along with assorted gold and silver coins. Some nights, I get the irresistible urge to wreak some havoc. 7pm arrives, my sisters pile into the lounge expecting to see their favourite actors, but hold on, there just happens to be a totally enthralling documentary, about smelly feet, that I just happen to be watching. Because this is educational, I am granted permission to continue watching it, from the Fuhrer. On no, the little dears miss out on seeing Marge, and the crew. 2 - 1. Once again I emerge the victor. To make sure that they continue to think of you as the boss, every time you walk past, give them a shove, or a good hard pinch. This is sure to get them screaming. If not, place a foot inside the perimeter of their bedrooms. Ah, instant success. A scream is produced, much louder, and higher pitched, than that of Dame Kiri Te Kanawa herself.

These are some of the most tried and true strategies available to brothers. Whether our sisters be 10 years older than us, or 10 years younger, we have to show them who has supremacy in the house. With fellow brothers taking the same hard line as I, we will be avenged. Sisters run and hide!

## MUSIC

Musicians have been kept busy throughout 1994 with a full diary of college and community events.

The year began with the College Gala where students and invited guests entertained the masses with a variety of acts.

Preparations for the Taranaki Secondary Schools Music Festival began in early March with a large group of students participating this year. Many lunch hours were dedicated to the stretching of vocal chords and the resulting performance held for the first time at the T.S.B. Stadium, was well received by an appreciative audience. Students represented the college in the Junior and Senior Bands, the Orchestra, the Massed Choir and the Boy's Choir, who loosened everybody up with their 'Unchained Melody' and "You've Lost That Loving Feeling".

A first in the history of this now bi-annual festival was the inclusion of a composition by a student. 'No More Than History' was sung by the massed choir in three parts and accompanied by the composer, our very own Leon Gray. A proud moment! Having won a nationwide competition with this composition in 1992 Leon had adapted this especially for the choir and later in the year it was again sung in public by New Plymouth's Ars Nova Choir.

Hot on the trail of the above festival was the Taranaki Primary Schools Music Festival with students from each of the New Plymouth Primary and Intermediate schools also performing for the first time in the T.S.B. Stadium. The Junior Choir of F.D.C. sang an enthusiastic 'Piano Man' with the superb accompaniment of Leon on piano. The atmosphere of this festival was once again enriched with the live backing of our college rock band.

Form 1 and 2 were at it again soon after with the musical comedy, Giant John. After months of rehearsals the main characters demonstrated fine acting talent along with a great supporting cast.

Several visits were made to Sacred Heart College during the year upon invitation for students to perform at their Gala, Cultural week and combined Fashion Extravaganza.

An amazing amount of talent continues to exist within the college. Special mention must be made to Leon Gray who will be studying music next year at Auckland University. Leon has been a tremendous asset to the music life at the college, giving of his time and extraordinary talents tirelessly. He indeed has a very promising career ahead of him. We extend our thanks and wish him all the very best for the future.

*Leon Gray*

### FORM ONE

Brendan Hart; Brendan Clark; Daniel Hall; Hamish Murray; Michael Melody; Dylan Hall; Gareth Long; James Brown; Mark White-Robinson; Luke Mustchin; Louis Fernando; Christian Holswich; Rawiri Johnston; Nicholas Shepherd; Daniel McDowell; Haydyn Frew; Scott Anderson; Kent Fraser; Anthony Sherwood; Nicholas Rush.

### FORM TWO

## ACHIEVEMENTS

**Brother Peter Bray**

Br Peter Bray was a first day pupil at the College and then taught here for five years in the early 1970's. He returned as principal in 1979 and remained in that position until the end of 1990. After a year in Australia in 1991 he was accepted into the doctoral program at the University of San Diego in California in January 1992. During 1992 and 1993 he followed fourteen different courses. All of these related to leadership in an attempt to gain a better understanding of what things influenced people doing leadership. After completing comprehensive exams in August 1993, Br Peter devoted his attention full time to writing his dissertation. He had begun working on it earlier when he started doing research in a school in northern California. The title of his dissertation was Leadership in a Quality School in which he examined the leadership processes that occurred in a school as it underwent significant changes. He completed his dissertation early in March and publicly defended it on 25 March 1994. As a result of his work in the courses he followed and the quality of his dissertation, Br Peter received the outstanding student award from the University.

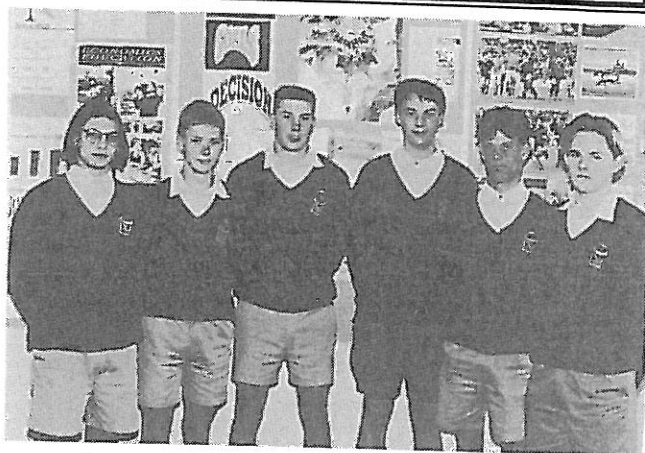

### WHAT ARE THE COMPUTER TECHNIC AWARDS?

The computer technic awards are a competition that allows students to "Show Off" their computer skills in the form of a project. This isn't a first, second, third competition but one where a percentage of all the entries get an excellence award and a big amount of book tokens.

### WHAT HAPPENED THIS YEAR!

This year Paul Secker, Christopher and Michael Wheatley entered the awards and got an excellence award with Paul getting \$80 and the team of Michael and Christopher Wheatley sharing the prize of \$80.

Every school that had excellence awards went in a draw for a computer, every school there also went in a draw for another computer and all the secondary schools went in a draw for a software package. This year two primary schools won the computers and Francis Douglas Memorial College won the software package valued at \$500 - A test marking and setting database.

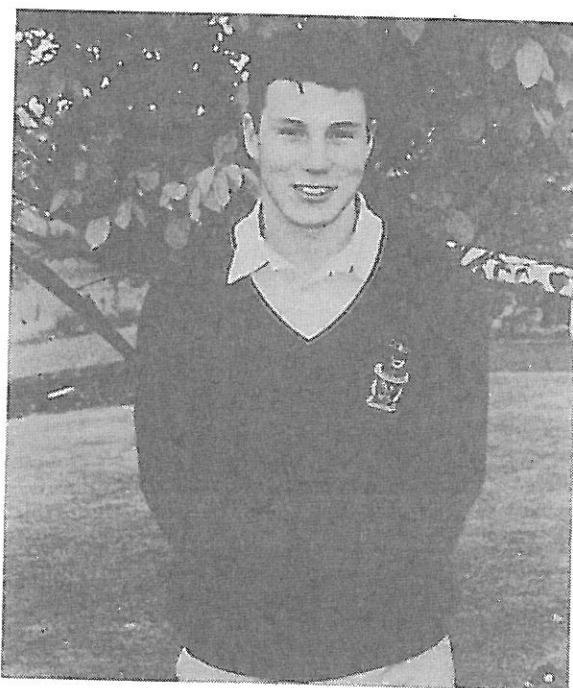

### **SIDS YOUNG ENTERPRISE COMPANY**

SIDS YOUNG ENTERPRISE COMPANY was established at the beginning of 1994, under the Fletcher Challenge sponsored Young Enterprise Scheme.

As managing director, I found the year very rewarding. All members of SIDS, both directors and supporters here learnt a great deal, and their knowledge of important business concepts, I am sure, has grown immensely.

Thanks must go out to Mr Maistry, our teacher and supporter, SIDS mentor Mr Keith Plimmer and Mr Wells for the use of the computers. Also, I would like to thank the office ladies for their invaluable help, and last but certainly not least, Brother Tim, for the time he took personally signing all the cards. Without their help, SIDS, would not have achieved the great success it has. At the end of year presentation, organised by the New Plymouth Chamber of Commerce, SIDS received an award for the best annual report of the company

**STEPHEN PRESTNEY**

*Stephen Prestney scored 81% in the 1993 School Certificate Economics Examination.*

*Clem Mustchin and Tim Sullivan*

Tim Sullivan and Clem Mustchin are two outstanding young mathematicians who have enjoyed wonderful success in Competitions in past years. Their achievements this year are particularly noteworthy.

Tim Sullivan is in Form Seven and this year has been ranked in the top one hundred in New Zealand for his performance in the B.N.Z. Senior Mathematics Competition, a written test which is traditionally very challenging.

Tim is the Dux of the College in 1994 and hopes to study Engineering or Architecture at University.

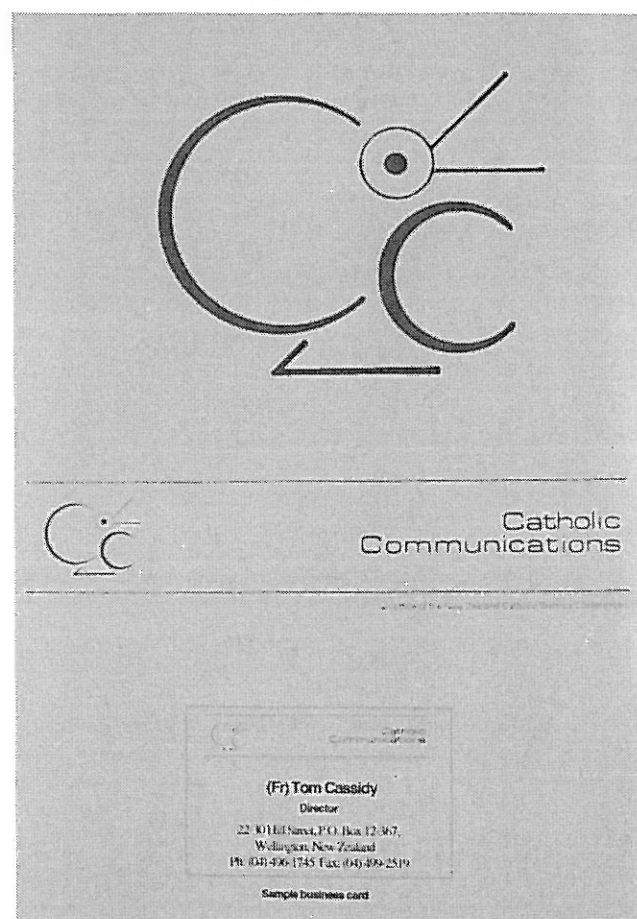

Clem Mustchin is now at the end of his School Certificate year. He has consistently performed at the highest levels in all Mathematics Competitions and this year was awarded a Prize for his performance in the Australian Mathematics Competition; a performance which placed him in the top 10 to 15 Form 5 students in New Zealand. He has been invited by the N.Z. Mathematics Olympiad Committee to undertake assignments with a view to being considered for a National Training Camp from which N.Z. Olympiad teams are annually chosen to compete internationally.

#### **Graeme Mustchin**

Earlier this year Graeme Mustchin was awarded his Graduate Diploma in Religious Studies from the Catholic University of Australia. For two years he studied extramurally and attended intensive schools twice yearly in Palmerston North. In the Diploma Course Graeme passed eight papers in the fields of Scripture, Theology, Church History, Ecclesiology and the Theory and Practise of Religious Education.

## CRICKET

**Back Row** *Simon Hart, Jonathon Kale, Jamie Hinz,*  
**Middle Row** *Mr. Andrew Murray, Matthew McDowall, Jarrod Ngatuere, Wayne Johnson,*  
*Leighton Hart, Steven Crowe.*  
**Front Row** *Keiren O'Neill Nathan Smith Neil Drinkwater, Kieran Lee.*

### 1ST XI

This season has been the most successful in many years for the First XI. The loss of six players from the year before did not hinder the teams performance. After coming 2nd to last in the 92/93 season, we finished runners up in the senior 3rd Division, this year, losing just 4 games out of 20. This was due to some fine all round batting, especially Stephen Crowe, Wayne Johnson, Peri Manu, T. Kale and Anthony O'Byrne who made a very impressive century against Bell Block.

Our bowling, well drilled fielding and fitness won us many a game and was probably the teams strength. Jamie Hinz, Peri Manu and Nathan Smith bowled consistently well throughout the season, especially Neil Drinkwater whose sheer brilliance was too much for the best of batsmen in the competition. This included two five wicket bags under 10 runs. W. Johnson (who got 10 wickets in two games), J. Kale and S. Crowe also bowled well at times and also our import J. Ngatuere at the end of the season. L. Hart was very tidy behind the stumps. An asset for the team both with the gloves and the bat.

For the first time we had more than one college game. The first against the Australian side John Paul College which we narrowly lost to by 2 wickets in the 3rd to last over. The other was against St Bernards, Wellington who we lost to at home on Pukekura Park. This was a great game and one I hope will become annual.

The success of the team was really summed up in the ability of our side to make the 3rd round of the Gillette Cup (just two wins from the national quarter finals). This included thrashings of Opunake, in which W. Johnson made 156\*, and Pio Pio College, S. Crowe making 118\*. We were knocked out by a much stronger NPBHS 1ST XI.

The highlight of the season must have been the schools first victory over old time rivals St. Peters Palmerston North. For the first time the game was a one dayer and a complete performance by the team won us the game. A fine effort by Jarrod Ngatuere who got six wickets!

The teams performance and achievement must be attributed to Mr Murray. His organisation, handling of practice and presence, improved the team 450%. From the whole team he has our thanks.

Thanks also must go to Mr Kale who encouraged, coached and believed in the team throughout the whole season. 93/94 was enjoyed by all and 94/95 in 2nd grade is eagerly anticipated.

## 2ND XI CRICKET REPORT

The second eleven started the season as a group of promising players but never fulfilled that potential until late in the season. Playing against strong opposition the team struggled, but it is a tribute to the teams moral that they stuck together and the results leave the college in good stead for years to come.

The teams real strength was with the ball, with bowling and fielding of a high standard. Chris Bolton, Heath Smith, Tim Stuck and Jarrod Ngatuere produced some fine spells of bowling.

The batting showed a lot of potential, but rarely did 3 or 4 players produce substantial efforts. Grant Fleming, Kieran Lee and Kieran O'Neil were the most consistent performers.

Top efforts were also produced by Daryl Simonson, Patrick Gower, Simon Mulligan and Michael Wiig. John Bennett and Andrew Murray excelled in the field with some superb catching and fielding.  
GRANT FLEMING

## FOURTH GRADE CHAPPLES

The Chapples had a steady year with some very exciting wins and some narrow losses. Every member in the side put in 100% on the field and off and acted like true sportsmen. A special thanks to Jock Bright our Coach and Mr Beckett our fill in Coach and Mr Hill the Convenor who organised everything perfectly. There are some great players in the side and we had a powerful bowling attack with opening bowlers Simon Brown and Steven Taylor bowling with extreme pace and swing and the line and length bowling of Nathan Mouat, Shay O'Neill, Mark Drinkwater and Nathan Frew set up a lot of our wins. With the bat Steven Heal, Matthew Gray and Matthew McDowell set up some big totals.

Stand out performances: Mouat 4-18, T. Coster 3-11, M. Drinkwater 3-20, S. Heal 37 no and 42, M. Gray 62, M. McDowell 45 and 42, S. Brown 38, Won 4 Lost 3. But somehow we won the competition.

## FOURTH GRADE BRADMANS

The Bradmans were coached by Mr. Phil Clarke and had some good successes throughout the season. Captain Daniel Clarke was a most consistent player with the bat and in the field. Shane Miles ably supported the batsmen with his accurate bowling particularly his 3 wickets for no runs against BHS Kents. Shaun Kalin featured as a good all rounder and his best score was a 54 against BHS Essex. Leonard Clifford played well in the field and contributed his share of wickets with his spells of bowling.

## FOURTH GRADE BENAUD

We played seven games, won 5, lost 1 and drew 1. There were a few good innings throughout the season with Michael Sullivan scoring two half centuries. Aaron O'Neill kept well all season and scored a half century. Brent Taylor was the best of the bowlers getting 4 wickets for six runs, 3 wickets for 12 runs and 2 wickets for 4 runs and was able to get at least 2 wickets in the other games. Tim Rush and Michael Sullivan were consistent opening bowlers. For some of the players it was there first season of cricket and they learned a lot.

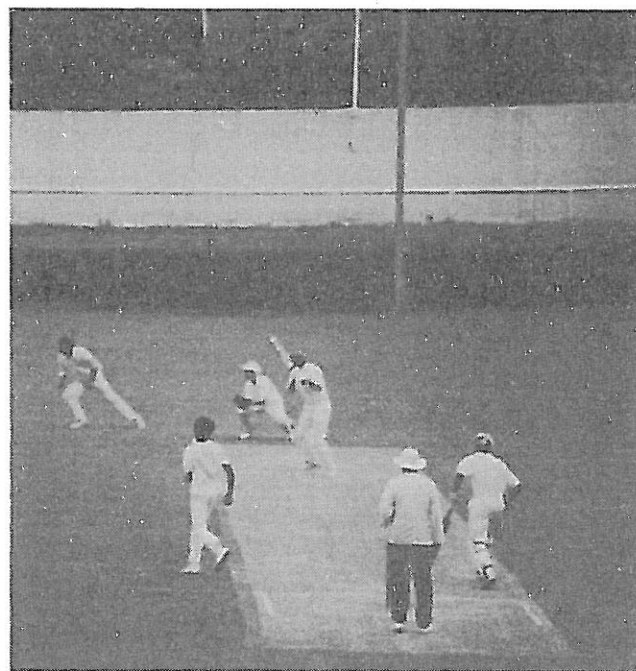

## FIFTH GRADE IMRANS

The season started well with a win against a Boys High School team called the Notts. We won the game comfortably with wickets in hand. Our Coach Mr Collier was at most games and gave up time to coach us. At practices we would always teach new things to the team. He always helped out with umpiring. Our Manager Mr McMorran turned up to every game and always helped with transport. Out of the seven games in the season we won four. Three of the wins were Boys High teams and one was Avis Old Boys. Michael Beckett was our best bowler consistently picking up wickets. Karl Kalders, myself and Michael Stuck also took a lot of wickets. Our batsmen were Karl Kalders with consistent scores over twenty runs and myself who picked up a half century against BHS. Overall it was a pretty good half season.

DARRYL TAYLOR

## FIFTH GRADE BORDERS

Michael Mathews was the standout player for the Borders team and was able to score with the bat each week. The team tried hard all summer to improve their game and were rewarded with an outstanding piece of play by Phillip Smiley when he scored a hatrick against BHS.

The 1993-94 season FDMC entered 10 teams in competitions from Senior Primary Division 3 to the 3rd Grade afternoon competition.

All teams have performed well. The standard of dress has improved and so has the attitude to the game with many players performing above their personal best and always within the fair play code of conduct.

I would like to acknowledge the efforts put in by the coaches:

Mr Alex Kirk & Mr Richard Crowe	LARWOODS
Mr Kevin Murphy	LILLEES
Mr Alec Mulraney	TURNERS
Mr Chris Collier	IMRANS
Mr Lindsay McMorran	IMRANS
Mr Alan Keane	BORDERS
Mr Jock Bright & Mr Beckett	CHAPPELLS
Mr Phil Clarke	BRADMANS

To all those who contributed to the Benauds.

Mr Steve Kale and Mr Andrew Murray 1ST & 2ND X1

The following awards are made based on the reports of matches which I received on a Monday morning:

1ST XI Captain	Nathan Smith
Most Consistent	Neil Drinkwater
Most Improved	Wayne Johnson

2ND XI Captain	Grant Fleming
Most Consistent	Heath Smith
Most Improved	Daryl Simonson

4TH Grade Div I Chappells	
Most Consistent	Steven Taylor
Most Improved	Mark Drinkwater

4TH Grade Div II Bradmans	
Most Consistent	Daniel Clarke
Most Improved	Shaun Kalin

4TH Grade Div II Benauds	
Most Consistent	Brent Taylor
Most Improved	Michael Sullivan

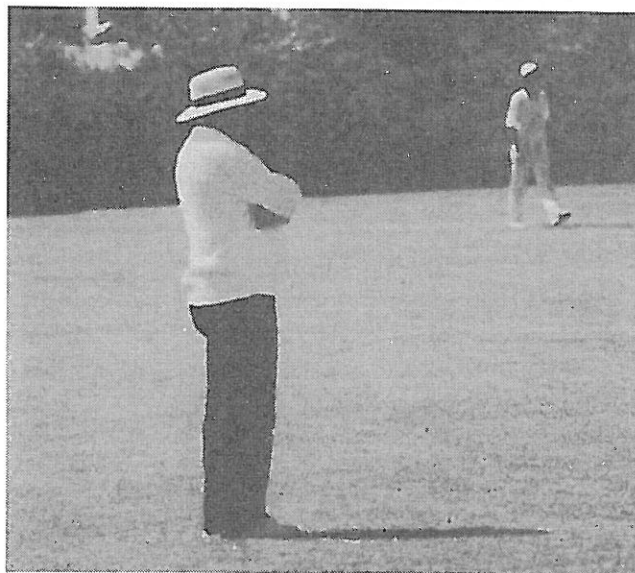

5TH Grade Div I Imrans	
Most Consistent	Daryl Taylor
Most Improved	Karl Kalders

5TH Grade Div I Borders	
Most Consistent	Michael Mathews
Most Improved	Phillip Smiley

Senior Primary Div 1 Larwoods	
Most Consistent	Richard Crowe
Most Improved	Conrad Smith

Senior Primary Div II Lillees	
Most Consistent	Brendan Clarke
Most Improved	Brendon Hart

Senior Primnary Div III Turners	
Most Consistent	Nick Shepherd
Most Improved	James Matuku

*Bro. Lawrence King umpiring the John Paul College match*

During the season there were many individual outstanding performances. However, there are 3 outstanding individual performances which we would like to honour:

Steve Crowe	100 in Gillette Cup vs Pio Pio
Phillip Smiley	5th Grade vs NPBHS Hattrick
Wayne Johnson	100 + 5 wicket bag Gillette Cup vs Opunake

3 team performances:

1ST X1 who performed meritoriously in the 3RD Grade competition and Gillette Cup

North Taranaki 4th Grade Division I Shield presented to Captain Simon Brown

Form 1/2 Lillees who won their final by beating Oakura 172-173 with the last ball of the match.

Good luck to all the teams and may you do as well in the 1994 / 95 season.

PETER HILL CRICKET CONVENOR.

# SCIENCE

## AUSTRALIAN SCIENCE COMPETITION

The College entered 70 of its best Science students in the Australian Schools Science Competition in May of this year. A record total of 382,000 students entered the Competition.

Awards were made in the following categories:

High Distinction	-	Top 1 % of the country
Distinction	-	Next 10 % of the country
Credit	-	Next 20 % of the country
Achievement	-	Top 20 % of school but no country award

Our students performed very pleasingly, gaining 5 distinction certificates, 17 credit certificates and 1 achievement certificate.

The award winners were:

### DISTINCTION CERTIFICATE

Form 1-	Mark White-Robinson
Form 5-	Benjamin Ewing, Clement Mustchin, Ryan O'Byrne
Form 7-	Christopher Bolton

### CREDIT CERTIFICATE

Form 1-	Luke Mustchin
Form 2-	Richard Crowe
Form 3-	Luke Simpson, Jason Stevenson
Form 4-	Paul Secker, John Sinclair
Form 5-	Hamish Forsyth, Richard Smiley
Form 6-	Karl Gilmour, Josef Kaiser, Danny Robinson, Andrew Secker, Antoni Sherman, Tim Stuck
Form 7-	Brent Dravitzki, Nathan Smith, Timothy Sullivan

### ACHIEVEMENT CERTIFICATE

Form 2-	Grant Wackrow
---------	---------------

Congratulations to all participants and to the award winners.

## 7TH FORM READING TUTOR PROGRAMME

Another successful year for this programme. There were 28 boys involved and the peer support they give is often as valuable as the tutoring. It is often surprising the students who are the best tutors - it takes patience and understanding. I feel that the 7th form get as much from the experience as do the younger students receiving the tutoring.

The tutors use one of their study periods to take their student. All the work is planned by me so that it is appropriate to the level of the individual student.

I would like to thank all those 7th formers who have made the programme work this year.  
M.C. MILNE

## VISITING THE FARM AT F.D.M.C.

We walked to Francis Douglas. We met the boys when we walked up there. I liked the lambs. They were cute. They were oily. I picked up a piece of grass. I put a piece of grass near the lamb's mouth and it ate the grass. The cattle were with the bulls. I liked the cattle and the bulls. They were nice. Then we looked at all of the other animals. The calves sucked our fingers. It felt rough but it was O.K. They were cute. Then we went to look at the piglets. Brother William took us to the pen. The piglets were cute too. I liked them. Then we went to see the horses. We had a ride on the horses. Then we walked back to school. When we got back to school it was home time.

MARFELL PRIMARY SCHOOL

## SOCCER

**Back Row** Mark Luethard, Shane Bowling, Carl Van Lent  
**Middle Row** Damian Orchard, Josef Kaiser, Mr. Graeme Mustchin, Phillip Smiley, Kelby Smith  
**Front Row** Clem Mustchin, Jamie Hinz, Simon Hart, Jeffrey Lock, Heath Smith

The number of students who play soccer for the College fluctuates from year to year and there are many reasons for this but no matter how many play it is time to say that those who do represent the College do so with a great deal of pride and are well known for their standard of fair play and general sportsmanship. 1994 has been no exception.

We had three teams at the College but the year has been notable for some very encouraging developments.

1. Our relationship with St Josephs primary school continues to be very strong. We helped to organise six teams from our sister school and it is pleasing to note that some students from the College gave of their free time to assist. St. Josephs were responsible for running two major tournaments during the season and senior players from the College helped to officiate. It was great to see them putting something back into the game.

2. A partnership is currently being developed with New Plymouth City Sports Clubs in order to enable the players to receive some very good coaching and to have some association with a Soccer Club. We feel that this has benefits for a Club as well who see themselves associated with particular Schools and Colleges.

3. Money was spent on supplying the First XI with track suits.

4. The college hosted the First Elevens from 17 other Colleges from throughout the North Island during the August school holidays. It was a fantastic success and brought together the hostel; P.T.A; College Administration and support people from all the College operations. It turned out to be a most important occasion which showed the special character of FDC in action.

Here are some extracts from correspondence that we received:-

*"One of the most friendly tournaments I have attended"* (Wanganui Collegiate)

*"We were delighted with the quality of the organisation and the friendly, courteous treatment we received from everyone at the school."* (St Kentigern College)

*"You have a wonderful Campus and everybody went out of their way to make us welcome and comfortable".* (N. Toy, Headmaster)

*"Congratulations,.....the (organising) team have done your school, soccer and Taranaki proud."*  
 (Morris West, Taranaki Soccer Referee's Association)

*"The tournament was a huge success."*

(Rob Boston, Secretary NZ Secondary Schools Football Association)

*The First College Eleven were fine ambassadors.*

## FOR THE RECORD

### FIRST COLLEGE ELEVEN

Played in the Senior First Division Club Competition. It was a very young team that found the going quite a challenge. During the second half of the season the competition was split up into Division 1A and 1B and the teams were good enough to take out the 1B Competition. As hosts of the NZ Secondary Schools Division One Competition they were mighty and were willing to spend many hours both before and after the tournament helping to prepare as well as to tidy up.

During that week they played six matches and gave one or two much more experienced Colleges the hurry up. A personal highlight occurred at the end with a very convincing 3-0 win over Napier Boys High School.

Captain:	Josef Kaiser
Player of the Year	Chris D'Ath
Most Improved Player	Simon Hart
Best Team Spirit	Kelby Smith
Winners of Senior Division One B	Runners Up in Fair Play Competition at Tournament
Named in Tournament Team:	Josef Kaiser : Matthew Jordan
Coach:	Mr Julius Beck
Managers:	Mr Robin Hart/Mr Ross Bowling - 1994 New Plymouth City Managers of the Year

Played 23 matches. Won 10 Drew 2

### U13 REPORT

The under 13 Soccer Team had a good season with many high scoring wins. Mid season saw a couple of games where the ball didn't run for us, but there was never more than one goal in it. The Team Captain was Tom Mace and the whole team was a pleasure to coach. They were a credit to their parents, their school and to themselves. To pick individuals out is to me a bit of a lottery. However, some players come to mind:

The Most Improved Player: Grant Wackrow

The Most Valuable: Richard Crowe

For Fair Play: Heydon Bartlett; Paul Bushell;

Tom Mace

Thanks for making my job so easy and a pleasure.

Alex Mulraney

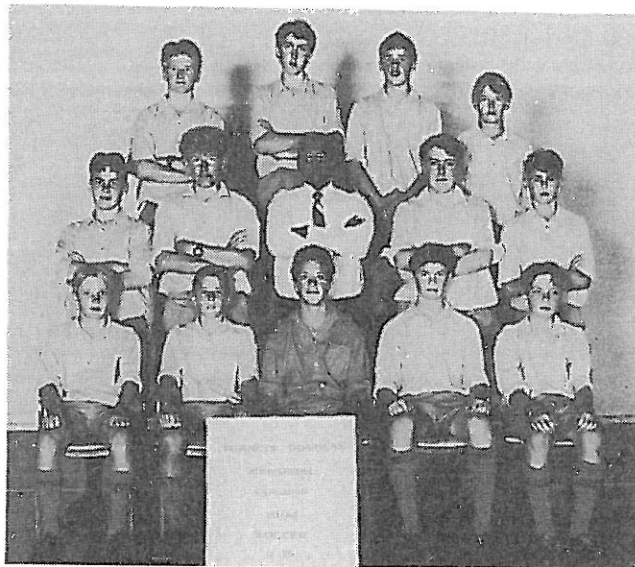

### U15 REPORT

Captain:	Jason Beckett
Most Valuable Player:	Paul Cracroft-Wilson
Most Improved Player:	Nathan Frew
Fair Players:	Chris Hullah; Rohan Hancock;
	Tristan Barraclough

## RUGBY

### FDMC 1ST XV 1994

Runners up Taranaki Secondary Schools A Grade Championship

Played 22, Won 18, Lost 4, Points For 850, Points Against 197

*Back Row: Nigel Keegan, Marcus Smith, Tim Fleming, Sean Spurdle, Daniel Kurth, Richard Uhlenberg, Ben Gilmour*

*Middle Row: Mr J. George (Coach), Simon Kurth, Stephen Prestney, Grant Bishop, Leighton Hart, Simon McDonald, Mr A. Sorensen (Manager)*

*Front Row: Mark Butterworth, Malcolm Keegan, Dion Tihema, Anton Winstanley (Captain), Nathan Smith, Jarrod Ngatuere, Tim Stuck*

### 1ST XV RUGBY

1994 was an extremely successful season for the 1st XV. With an excellent record in the college games and the exceptionally close loss to Hawera in the Taranaki Championship final the 1994 1st XV can be proud of their achievements. It was a well balanced team with real spirit and willingness to train well and play competitively.

The forward pack, although lacking in height competed effectively. The front row of Richard Uhlenberg, Simon Kurth, Mark Butterworth and Ben Gilmour were able to exert real pressure on the opposition and became a dependable ball winning unit. At lock Sean Spurdle, Leighton Hart and Daniel Kurth managed to secure vital, lineout ball and were real contributors to the game around the field. The loose forwards of Anton Winstanley, Simon MacDonald, Tim Fleming and Grant Bishop marauded and harried opposition backs skilfully and on numerous occasions defended with courage. Anton, as captain, led at all times, by example and is to be congratulated for his positive leadership.

After a somewhat shaky start the backline gelled into a decisive attacking force. Tim Stuck at half back was outstanding. Jared Ngatuere at first five was the backliner general and with his tremendous punt was a major attacking force. Malcolm Keegan impressed at midfield and Marcus Smith went from strength to strength at centre. The wingers Stephen Prestney and Dion Tihema completed outstanding seasons with Stephen scoring over twenty five tries.

At full back was Nathan Smith faultless on defence and an important contributor to backline attack. Taranaki Under 16 Rep Nigel Keegan was a versatile inside back cover.

Overall, an enjoyable and successful season. The best Taranaki Championship game for the season would have been the comprehensive defeat of Spotswood College in the second round. The best traditional college game display would have been the St Augustine game where an all-round performance saw FDMC emerge thirty point victors.

Special thanks to Mr George for his care, skilful coaching and long hours of dedication. Also congratulations to Tim Stuck, Richard Uhlenberg and Simon Kurth who were selected for the Taranaki Secondary Schools team.

Best wishes to the 1995 team.

## 2ND XV

### Back Row:

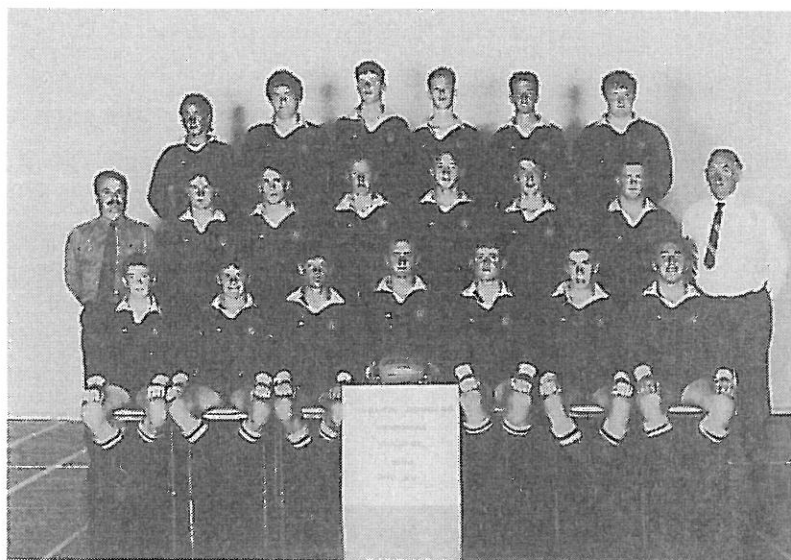

Andrew McNeill, Darron  
Keinzley, Simon Foley, Blair  
Doherty, Wayne Johnson,  
Graeme Keinzley

### Middle Row:

Mr M. Dravitzki (Coach),  
Michael Lawn, Grant  
Fleming, Tony Penn, Jonathan  
Kale, Kelly Ryan, Simon  
Drought, Joe Dowd (Manager)

### Front Row:

Dwayne Keegan, Peter  
Richardson, Kieren O'Neill,  
Joseph Crawford (Captain),  
Simon Mulligan, Jason Kalin,  
Jonathan O'Sullivan

## 2ND XV

Coach: Mr M. Dravitzki  
Manager: Mr J. Dowd  
Most Improved: Simon Foley  
Best Team Player: Craig Dockar  
Most Valuable: Kieran O'Neill  
Best Tackler: Michael Lawn  
Fair Play: Tony Penn

1994 proved a very good year for the 2nd's. Our first game was a pre-season match with NPBHS 3rd XV who we beat for the first time ever. Unfortunately we were not able to repeat the win in the normal competition, but it came down to the final game of the year before the competition was decided. Second place was the best the 2nd XV has ever done in the B1 division. The team was a talented one with strengths in all areas, from a large front row, some height at lock, aggressive flankers and back line that was prepared and able to move the ball wide. The biggest plus for the team was their ability to get on well both on and off the field and this made for enjoyable rugby. Our season results were: played 16, won 13, lost 3 with 370 points for and 178 against - the team scored 58 tries. Special thanks must go to Mr Dowd, who has been a great supporter of the 2nd's, and all those parents who contributed during the year.

## TEAM:

### COACH:

### MOST IMPROVED:

### BEST TEAM PLAYER:

## 3RD XV

Mr J. Whyte / Mr T. Galia  
Stephen Crowe  
Mark Uhlenberg  
Antoni Sherman  
Rodney Probyn  
Ajarn Patten  
Michael O'Sullivan  
Gerard Uhlenberg, Neil Hocken,  
Brendon Iremonger,  
Nigel Muller

With an unbeaten second round the 3rd XV could not be denied their TSS Championship and on the strength of their final winning match against Spotswood College 2nd's are now also the holders of the 'Top Dog' Shield.

This final proved to be a cliffhanger and probably the best match of the season. All the ingredients of close score, crowd support, and a winning try in the final moments were present. All players are to be congratulated for their perseverance, excellent attitude and sportsmanship throughout the season. To single any one player out would be most unfair as it was a complete and total team effort and all contributed mightily to the cause.

### RESULTS:

v NPBHS Black	26-0	20-0
v Opunake 2 XV	30-10	30-0
v FDMC 4 XV	10-10	44-14
v Hawera 3 XV	10-14	66-5
v NPBHS Gold	20-0	37-0
v Spotswood 2 XV	10-14	15-10

Played 12; Won 9; Lost 2; Drew 1

TEAM:	4TH XV
COACH:	Mr G. Blanks
MANAGER:	P. Gower
MOST IMPROVED:	Ross Thacker
BEST TEAM PLAYER:	Justin Salter
MOST VALUABLE:	Tim Sullivan
BEST TACKLER:	Neil Scott
FAIR PLAY:	D. Gibson, Dion Hall

The team enjoyed its Saturday morning rugby, and managed a reasonable ratio of wins and losses. Unfortunately they were reluctant to turn up to practice and this had a disastrous effect on their performance in the second term. Several players were promoted to the 3rd XV during the season. The high points of the season were a draw with the 3rd XV and victories over BHS and Hawera.

TEAM:	C1
COACH:	Mr R. Doherty
MANAGER:	Mr B. O'Neill
MOST IMPROVED:	Reagan Kendrick
BEST TEAM PLAYER:	B. Anderson
MOST VALUABLE:	C. Morresey
BEST TACKLER:	Aaron O'Neill
FAIR PLAY:	A. Roberts, D. Whittle, P. Topless
CAPTAIN:	Paul Topless

We had a slow start to the season, winning games but not really living up to our full potential. A few minor changes to our approach, was all that was needed for the team, as a whole, to realise that they were a part of a championship winning side.

The highlight for me was playing Hawera in diabolical conditions but still managing to play a fantastic level of rugby. Both the referee and the Hawera Coach commented on the high skill level and total commitment evident that day. The result marked the start of our march towards a very satisfying championship victory.

Many thanks to Paul for his captaincy skills and to all members of the team for being both flexible and totally committed to playing entertainment rugby.

R. DOHERTY

The 'D ones' completed the season with a dramatic win over New Plymouth Boys to take both the Championship and the Top Dog Shield for 1994. The team was a well balanced unit and was capably led by Jared Mason at mid field and deserved the success that came their way.

The forward pack competed in all phases of the game. Vaughan Maclean was tireless at hooker. Michael Reid and Jared Glasgow dominated up front with Donald Francis and Shamus Crawford always contributing in the tight. Glenn Ryan was outstanding at No 8 with talented help from Nick Kowalewski, Leonard Clifford and Jason Stevenson.

At half back Tristan Hancock showed considerable maturity as did the constantly improving Steven Heal at 1st five. Jared Mason and Haedon Smith provided class on attack and solidity on defence. The team was blessed with first class wingers; Harley Butler scoring over 20 tries and the third formers Jared Smith and Simon O'Sullivan displayed exciting potential. At full back Michael Wigg was a match winner.

Overall, an outstanding season from an excellent all round team.

#### D2 BLUE

Manager:	Mr K. Murphy
Most Improved:	Chris Wheatley
Best Team Player:	Joseph Hurley
Most Valuable:	Landon Elder
Best Tackler:	Jamie Caley
Fair Play:	Simon Costello

A team that tried hard all season. Unfortunately the lack of a permanent coach affected performances but the win against NP Boys High was the highlight of the season.

Thanks to Br Anthony for the coaching help on Wednesdays and Mr Murphy for looking after the team on Saturdays.

C2

Captain: Jim Gollan  
Coach: Peter Costello  
Manager: Mark Biddick  
Most Improved: Luke Hendrickson  
Best Team Player: Michael Wheatley  
Most Valuable: Simon Brown  
Best Tackler: Karl Osborne

This was a confidence team. When their confidence was high they played beautiful, controlled rugby, as shown in their defeat of the competition winners. The very next Saturday they lost to the competition wooden spooners whom they had comprehensively beaten earlier in the season. This lack of consistency, based on their levels of confidence, was their weakness. The team had many players of real talent and some of the tries showed this talent to good effect, with the ball being controlled through many hands, backs and forwards before some of the tries were scored.

Overall, it was a team that sometimes showed its true abilities and too often let its standards slip.

**Rugby presentations  
by Kevin ( Smiley ) Barrett**

 MOST IMPROVED: Aaron Dudley  
 BEST TEAM PLAYER: Darryl Taylor  
 MOST VALUABLE: Paul O'Byrne  
 BEST TACKLER: Karl Johnson  
 FAIR PLAY: Ryan McDonald, Brad Thomson  
 CAPTAIN: Paul O'Byrne

A very successful season in terms of development of skills and a tremendous team spirit. The boys worked hard during the season and deserved the E Grade Championship. Highlights were the last three games, a win at Hawera, a win against the Boys' High team which had destroyed us earlier in the season and Leon Maxwell's three tries against Stratford. Well done!

TEAM: 9TH  
 COACH: K. Southee, K. Blundell,  
 T. Smith  
 MANAGER: Mr McDowell  
 MOST IMPROVED: Hemi Tamati  
 BEST TEAM PLAYER: J. Blundell  
 MOST VALUABLE: G. Gadsby  
 BEST TACKLER: Scott Ireland  
 FAIR PLAY: J. McDowell

Began with a staggered start but with some stirring coaching from Trev (The Knife Smith), the team began to put their skills into action. They ran the ball on most occasions. The forwards developed into a solid core with Jason McD., Jason Ch., Hemi T., Manu and Lincoln providing a good platform. Lance leapt high in lineouts. Glen was a tear-away loosie who had Jarod, Iain, Craig and Nick breathing down his neck. Patrick was an efficient half who enjoyed his excursions into the rucks. Shaun and Ollie at inside halves directed play well. Conrad always showed attacking flair and showed some Bunce like crunching defence. The flying wingers Simon, Aaron and Jamie all had a crack and made good use of the ball they received. At fullback Scott was a tower of strength. He showed rock like defence. Kev (Maroon) Blundell was the motivator from whom many could learn a trick or two. Mac the Wood Dowel was a manager who enjoyed running with the team water bucket. Special thankyou to all the parent supporters who always gave positive encouragement to the team.

TEAM: 10TH  
 COACH: Br William  
 MANAGER: Br William  
 MOST IMPROVED: Gareth Farmer  
 BEST TEAM PLAYER: Andrew Cronin  
 MOST VALUABLE: Brendan Hart  
 BEST TACKLER: Kent Fraser  
 FAIR PLAY: Hamish Murray

REPORT:  
 Scott Andersen Liked to pick up the ball and run.  
 Jeremy Butler A lock of the Ian Jones mould  
 Andrew Cronin A clever tactical half back  
 Gareth Farmer A centre with the legs to beat a man  
 Kent Fraser Inherited many skills from his father  
 Ross  
 Brendon Hart Captain and try scoring machine  
 Daniel Hall A lively and aggressive winger  
 Rawiri Johnston A hardrunning forward. Tough in mauls  
 Matthew King Liked to run in the open spaces  
 Gareth Long A straight running second five  
 Daniel McDowall Packed well in the scrum  
 Michael Melong Did best with the ball in hand  
 Samuel Mullin Front row in the style of Bull Allen  
 Hamish Murray A play maker - another Kieran Crowley  
 Daniel Parr Excelled in gathering the loose ball  
 Br William Won more games on the sideline than  
 the team did on the field

## RUGBY 1994

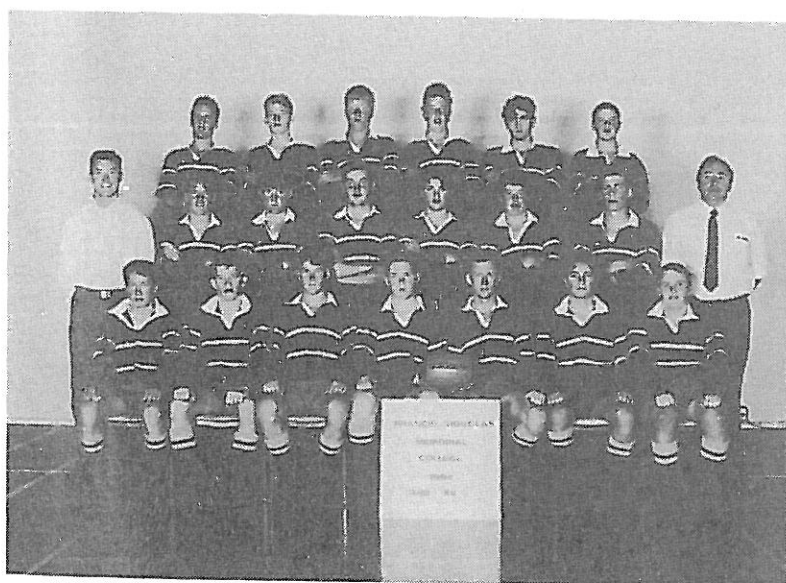

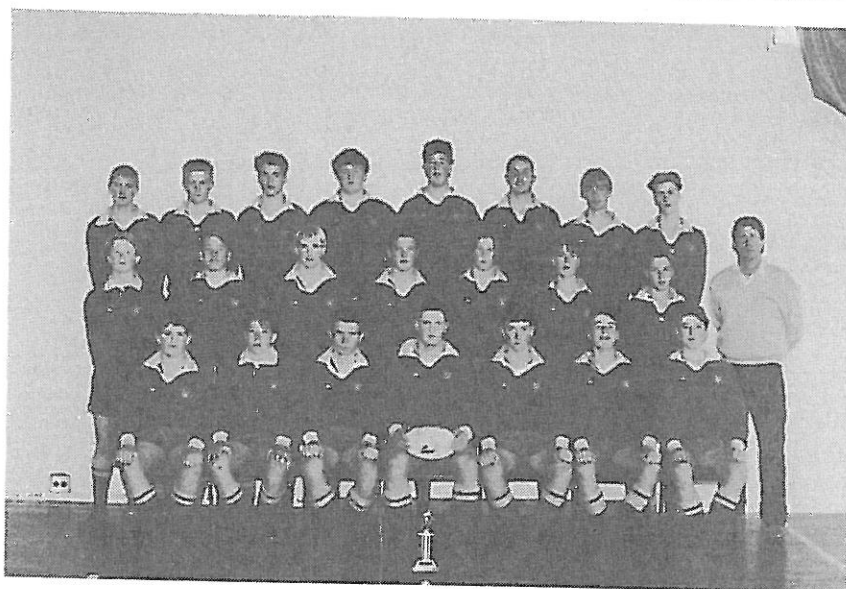

A very successful season with eleven teams representing the college. Outstanding results with the 3rd XV, C1, D and E Grade Teams winning their grades and the 1st XV, 2nd XV and C2 runners up in the Taranaki Secondary Schools Competition. Thanks to all the college teachers (14) who helped coach and manage ten of the teams and to Kevin Southee, Kevin Blundell and Trevor Smith for their efforts with the 9th Grade team. A special thanks to the parents and friends of the college who helped transport and supported our teams throughout the season.

Winners of the top two 1st XV awards are;  
 Kane Paltridge Memorial Trophy for the  
 Outstanding Player: Anton Winstanley.  
 Michael Milham Memorial Trophy for  
 Sportsmanship: Malcolm Keegan.

## PUBLIC SPEAKING

### TARANAKI SECONDARY SCHOOLS SPEECH & DRAMA FESTIVAL

Thursday August 4th, a team of 10 enthusiastic FDMC students arrived at NP Girls High to compete against other secondary schools in the annual Taranaki Secondary Schools Speech & Drama Festival. The students lined up to try their hand at events ranging from Junior Debates to Senior Impromptu Speeches. The FDC boys fought gallantly to gain a good placing in the result tables. The mornings entertainment started off with the Junior Debate. The team of Sam Kirk, Mark Drinkwater and Haedon Smith successfully managed to debate that

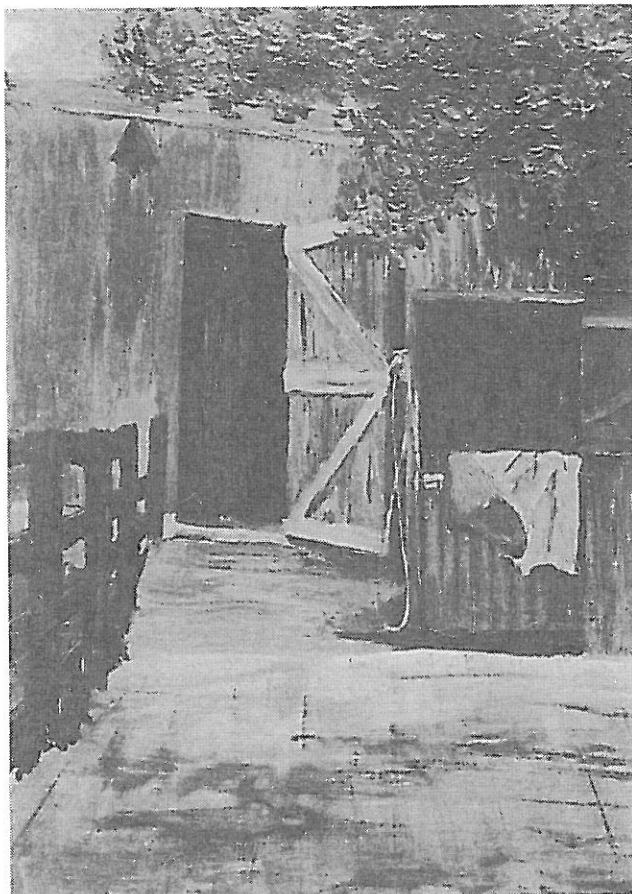

Drinkwater and Haedon Smith successfully managed to debate that "Television is the best invention of this century."

From here the Senior boys took over, arguing over the statement that "Men are more romantic than women." Our team consisting of Stephen Prestney, Jim Gollan and Brent Dravitzki went down narrowly to Spotswood College, however, Brent did manage to pick up the award for Best Speaker. The day continued with Reece Williams presenting his Junior prepared speech and in the Senior section Michael Normanton spoke on the advantages of being young.

Philip Smiley gave a good Junior Impromptu Speech while Jono O'Sullivan created a few laughs in the senior section.

Overall it was a fairly successful day even though we didn't come away with too many awards. Thanks must go to Mr Marris, Mrs Gaffney and other teachers who helped with the preparation of the students.

MICHAEL NORMANTON F6

### SPEECH FINALS 1994

That dreaded time of the year, the event that every student would rather pass up. Speeches!!!

As in other years, each student at the college was assigned with the task of preparing and presenting a speech in their respective classes, as part of the English curriculum. In today From each class came a few chosen students who were selected to compete in the semi-finals which were held in the Drama Room. These students must be commended for the quality of their speeches, but unfortunately only a few could move on to the finals.

Finals night, May 4th, was soon upon us. The atmosphere in the Drama Room was tense, as parents and supporters watched the finalists stand up and present their speeches. For most it was the third time.

Mrs Sandra Johnston and Mr Kyle Gilmore our adjudicators were then presented with the immense task of choosing a winner for each of the three categories. In the end these people emerged as the winners:

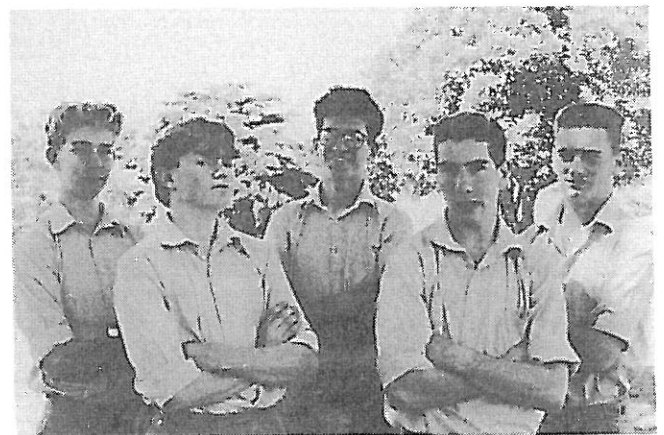

Form 1 & 2 section	Scott Ireland
Junior section	Ryan McDonald
Senior section	M i c h a e l

Normanton

Finals night was the pinnacle of entertainment and truly a memorable experience. I would like to take this opportunity to thank Mr Richard Marris and all the English teachers at the school, who encouraged students in their speech making. Also the parents who had the monotonous task of listening to their sons practice their speeches over and over again.

Lastly well done to all those students who took part in this worthwhile exercise. Keep up the good work, it will stand you in good stead for the future.

MICHAEL NORMANTON F6

Jason Kalin, and Joe Crawford

## FORM 1 & 2 DEBATING TEAM

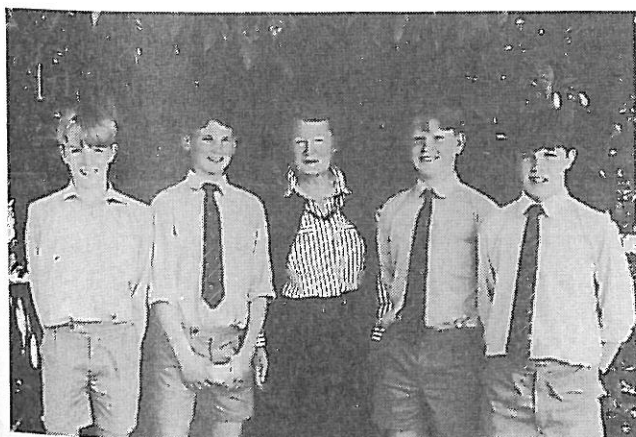

Form 1 & 2 went to Hawera to debate. The Form 1's went first and lost due to inexperience with interjections. Our Form 2 team learnt from the Form 1's mistakes to win convincingly. We went forward in the knockout completion to be against Oakura and again won with ease. The semi-final was against Okato and we were wary of the good standard of debating Okato had set in previous years, but we managed to scrape home with the final still to come against Stratford - we hope for the best! Richard has set a good standard with the thank you speeches. Our thanks to Form 3 for giving us a practice debate before each competition.

Ollie is the leader  
Smith is third  
Scottie is second  
and Crowe is reserve

Ollie, Scottie,  
Smith and Crowe  
Together they put  
on one heck of a show

Crowe is good  
Ollie does great  
While Smith and Scottie  
Put the icing on the cake

Ryan and Gaffney  
Gave us their knowledge  
And so we became  
The Debating College

*The Debating Team*

## O'SHEA SHIELD - WELLINGTON 1994

One Friday morning in April this year, a group of eager and willing Francis Douglas Memorial College students started the long trek south to Wellington, to take part in the 1994 O'Shea Shield - an event very important in the school calendar.

Accompanying this band of fine students, were Mr McMorran, Mrs Ryan, Mrs Gaffney and Ms McSweeney. This group of dedicated teachers and support staff had kindly volunteered their services for the weekend. It was going to be a weekend of drama, oratory, speech and debating. It was going to be a weekend of culture!

After various comfort stops along the way, we all arrived in Wellington and settled into our residence for the next two nights - Rowena's Inner City Lodge. It was an interesting place, and we met many interesting people that night!

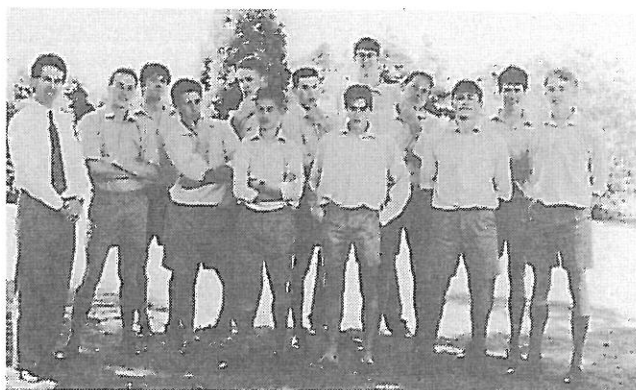

Early next morning we arrived at St. Pat's Silverstream - the hallowed turf of all that is culture. After a lengthy welcome, it was straight into the action. First up was Cyril "Big Man" Schafer, who after an outstanding display of understanding, had the Scripture reading bible robbed from him by a student from our most dreaded opposition; Sacred Heart College, New Plymouth. Our religious questions team struggled, and if Mark "Butters" Butterworth had not made a slight mistake at the end of a memorable oratory, the pressure would have gone off the drama team. The drama was the last event of the day, and I personally thought ours was one of the best, if not the best - unfortunately the judges did not see it the same way.

We headed home that night disappointed, but with the consolation that the night was not over! Wellington's night life was interesting to say the least, but Sean "Spud" Spurdle may not think so!

The next day was a new one, filled with new hope. But luck was not with us. The debating team was narrowly beaten by St. Pat's, and Jono "J" O'Sullivan was marked harshly on what was a very entertaining impromptu speech. The highlight of the day was Leonard's Junior Speech. After a shared lunch we made the long trip back to New Plymouth.

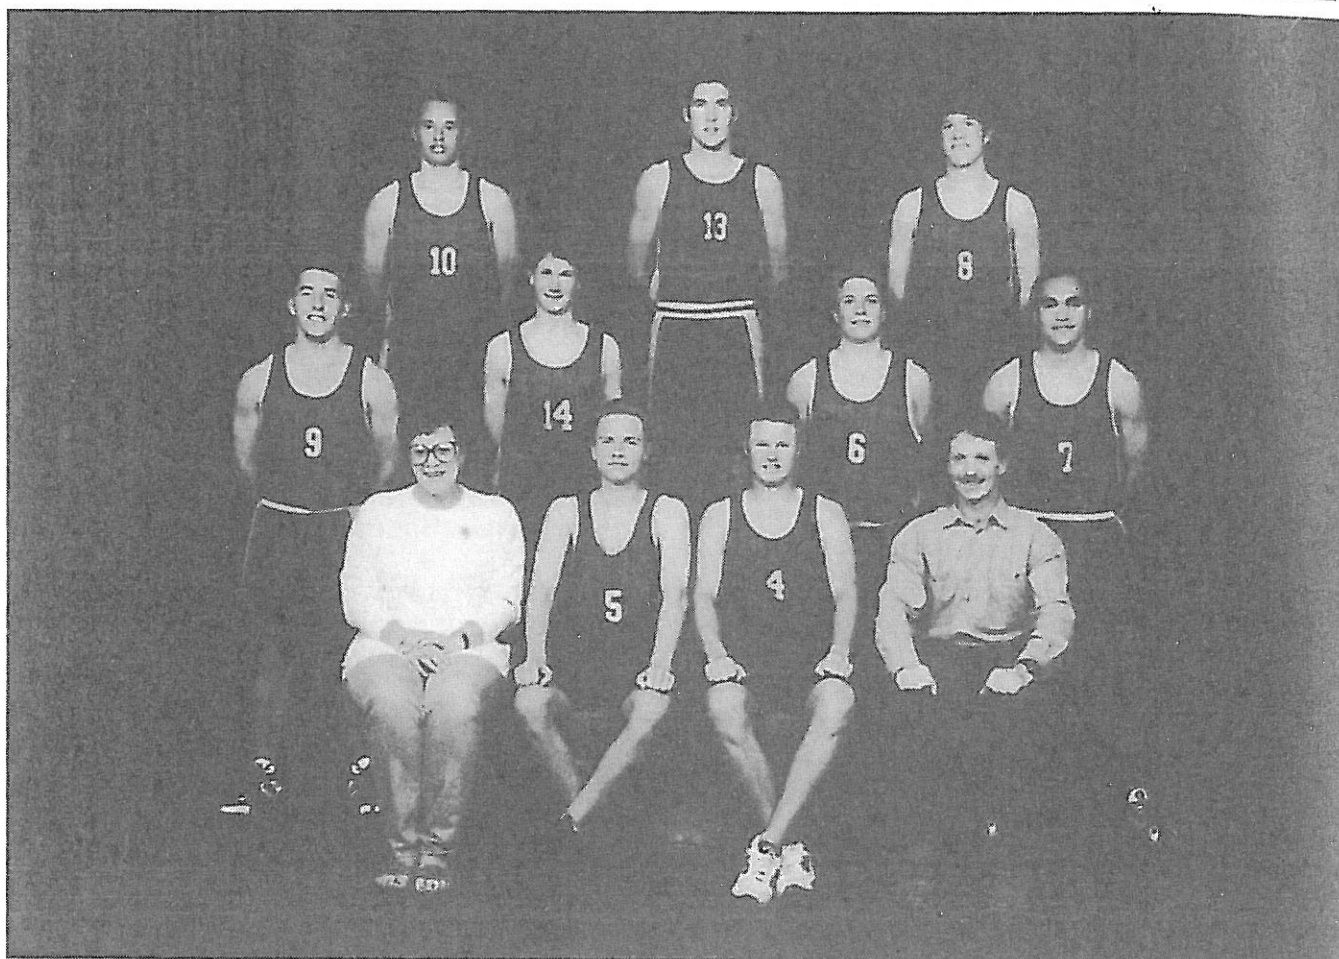

It was quite a memorable trip; one I'll never forget. Special thanks must go to Mr McMorran, Ms McSweeney, Mrs Gaffney and Mrs Ryan and all those teachers who had some input into the trip. Without you all it would not have been the success it was!

DAMIAN LEUTHARD

### FORM ONE AND TWO BASKETBALL

For the first time in Junior Basketball all Form One and Two boys and girls teams played their basketball on the same night at the TSB Stadium. The venue and the combination of all the boys and girls teams in these grades was a great success. FDMC entered two Form One and three Form Two teams into the competition. This involved considerable parent participation, and I thank most sincerely all people who helped in any way. In particular, special mention must go to Mrs Anne Fraser, Mrs Sherwood, John Leslie, Ton Deken, Kerry Ludlow, and Alistair Kirk for their constant coaching and support.

All teams played with tremendous enthusiasm and showed considerable improvement over the season. FDMC Raiders was competitively the most successful team, being runner-up in both the Form Two League Competition and the Form Two Grand Final. Congratulations to those boys.

### UNDER 14 GRADE BASKETBALL

FDMC entered three teams into this competition held in the NPBHS Gymnasium.

This was the first year of competitive playing for most boys, and their progress and constant enthusiasm was a pleasure to watch. The Classics Team was competitively the most successful being placed third in the competition.

Special thanks to Mr Tom Galia, Mr Cracroft - Wilson, Mr Gavin Zimmerman and Mr Daryl Gardiner for their consistent coaching and organisational skills.

Landon Elder and Jason McGrory had individual success being part of the New Plymouth Representative Team

### UNDER 16 GRADE BASKETBALL

Four teams were entered into this competition held in the FDMC Gymnasium. Many thanks to coaches and managers for their support in this area, especially Mr Tom Galia who coached and motivated the Under 16 Boarders Team into quite a formidable opposition, and Jon Kale who worked hard with the Jazz Team. Mr Andrew Cowie coached the DDs to their first place status in the Under 16 League and Runner-up in the Final. These boys, under the capable leadership of Daniel Hancock, made up an extremely motivated team who practised very hard and long to achieve the goals they set.

The Phoenix Team won the Second Division of the Under 16 Competition. These young players showed tremendous potential.

Special mention also must be made of Andrew Cowie's input into the entire U 16 grade. His coaching clinics were long and hard, but always stimulating and enjoyable.

New Plymouth Representative players were Aaron Ratahi, Daniel Hancock, and Scott Wheeler. Congratulations to these boys on their individual achievement.

### UNDER 18 GRADE BASKETBALL

FDMC entered three teams into this very social grade that was split between NPBHS and Spotswood College Gymnasiums. It gave all players the opportunity to play the game without too much pressure, a factor enjoyed by all the boys.

All teams did well, especially the DWs, who won all their games in the competition taking out the League Title and the Grand Finals. Special mention here to Dwayne Reese who organised this team.

New Plymouth Representative Players were Matthew Armstrong, Melios Newman, Simon Ball, Jonothan O'Sullivan, Dwayne Reese, and Che Yandle.

### SENIOR B

Simon Ball and Tom Galia together ran our most successful Senior B team ever. This team won the qualifying round in their grade of the NP Senior Basketball League Competition and then progressed to winning the Division C Competition. All players showed tremendous improvement in their skills and enthusiasm under Simon's coaching programme. Well done.

### FRANCIS DOUGLAS MEMORIAL COLLEGE SENIOR A

The school Senior A Basketball Team, under the guidance of Mr. Andrew Cowie, affectionately known as "Coach Cowie", once again showed what pure determination, constant practising, and great team spirit can do by achieving all the goals set at the beginning of the year.

The team maintained its proud history of qualifying through the Taranaki Secondary Schools Tournament to the NZ Central Region Tournament in Palmerston North, and, from there, and after a momentous win over the more fancied arch rival NPBHS team, joined the ranks of the top echelon of NZ Secondary School teams by qualifying for the New Zealand National Secondary Schools Basketball Tournament. Three players, Matthew Armstrong, Melios Newman, and Jonothan O'Sullivan were named in the Central Region Tournament Team after determined and gutsy individual efforts, but all boys were very focused and played particularly well.

The National Tournament, held in Wanganui, was a tremendous experience for all the players and personnel involved. Despite our lack of height and our inexperience, all players showed great team spirit, and strived hard with the team eventually being placed a creditable ninth out of the sixteen teams present. A major highlight was the inclusion of Aaron Ratahi to the NZ Emerging Players Squad - a fully deserved accolade.

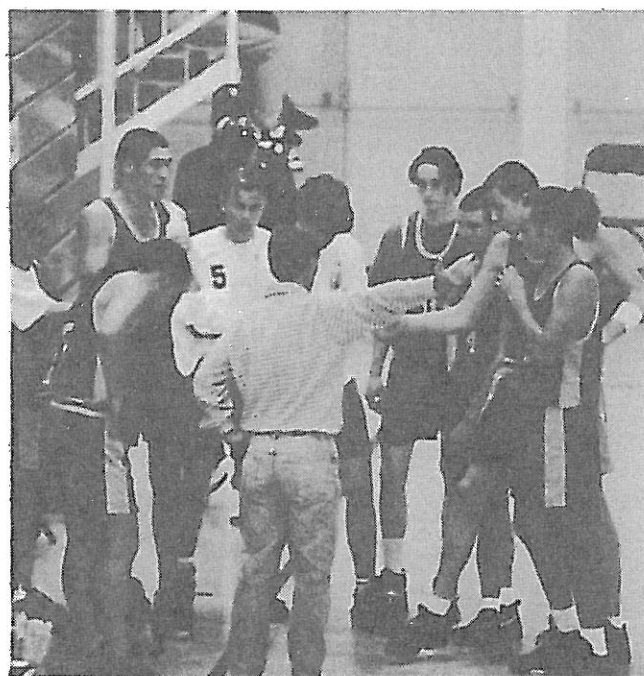

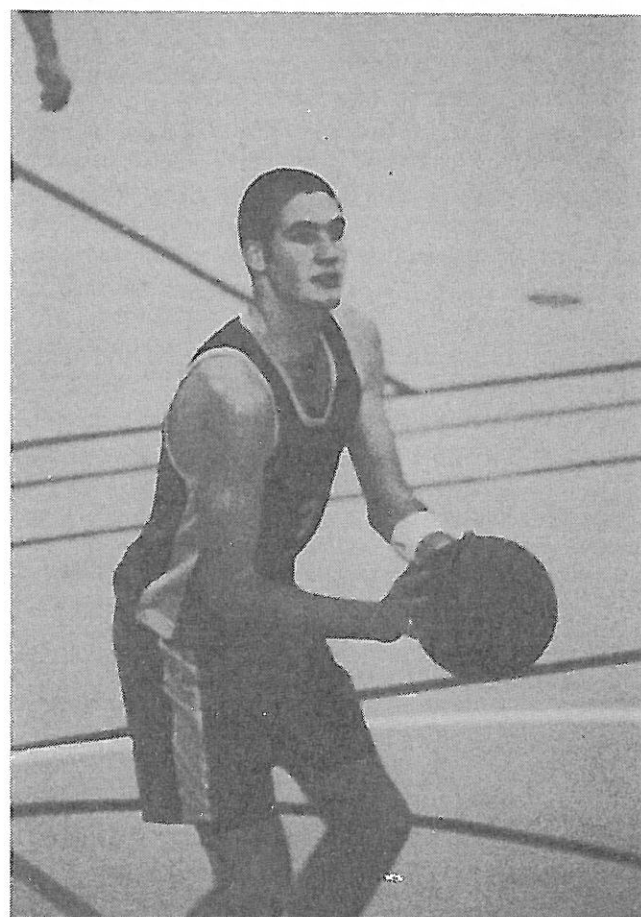

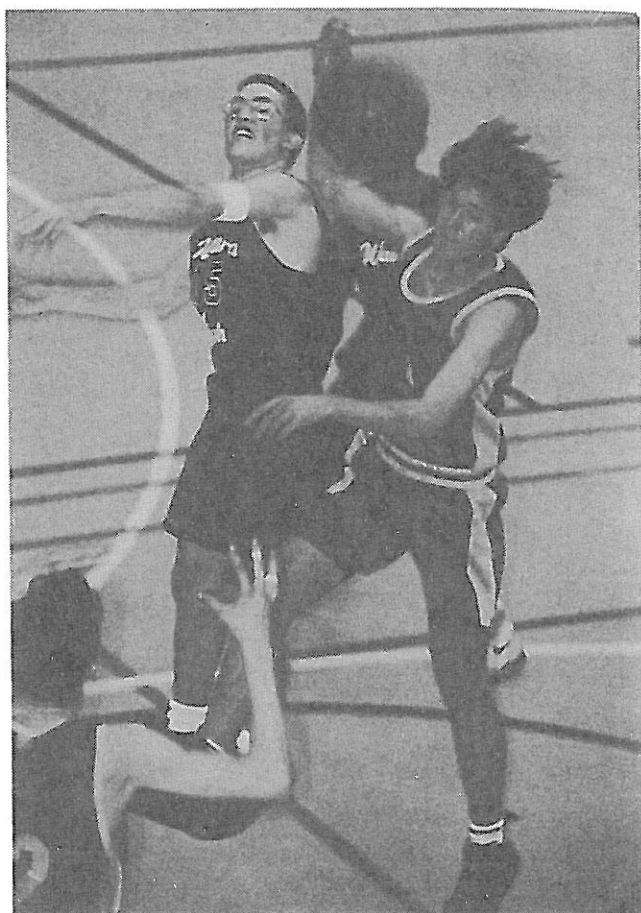

The day after our return from the Nationals both the Senior A and an Under 16 Team left for "THE TOUR of AUSTRALIA." A week in Sydney, courtesy of Brother Adrian Watson, a week of "Rest and Relaxation" in Surfers Paradise, and a few days in Brisbane as guests of John Paul College. It was a great trip both on court and off for all the boys. Many places were visited, including a complete tour of Canberra, all the funfairs and playgrounds, and almost every shop in Australia.

One will never forget sights such as Jono, Aaron and Melios cruising down the streets of Surfers at all hours - on their roller blades - carrying their groceries, and Matt, Che and Simon contemplating the "Life of the Rich and Famous" by tripping in the Stretch Limousine. Everyone talked about feasts of "Koala Pie" and "Wallaby Soup" and "Kangaroo Stew." Actually, food was a major part of the whole trip - next to buying clothes! Fred Flintstone and Barney were legends.

The tour was a Grand Finale to a perfect season of basketball. I thank all the boys and their parents for their help and support. In particular, a huge thank you to Coach Cowie. He never accepted any thing less than the best from any player. The time and effort he put into the players to help them develop confidence and pride in their own ability, and in aiding them to believe that goals are achievable through practice and hard work, was invaluable to all.

To all the boys leaving school, I wish you well. To those returning, I believe Coach has similar punishing schedules ready for you in your Pursuit of Basketball Excellence - good luck!

**Elyne Plumb**  
Basketball Convenor.

## SKIING

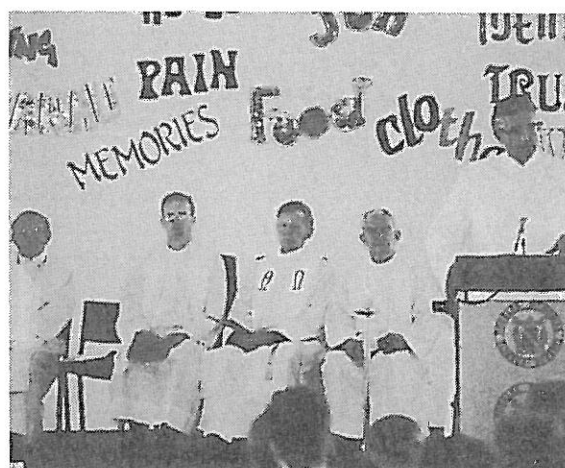

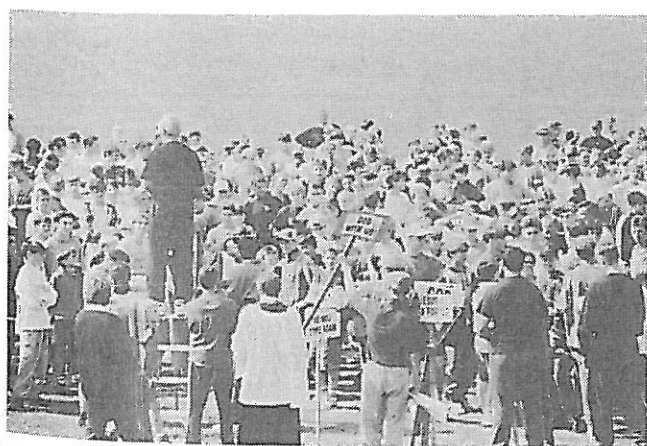

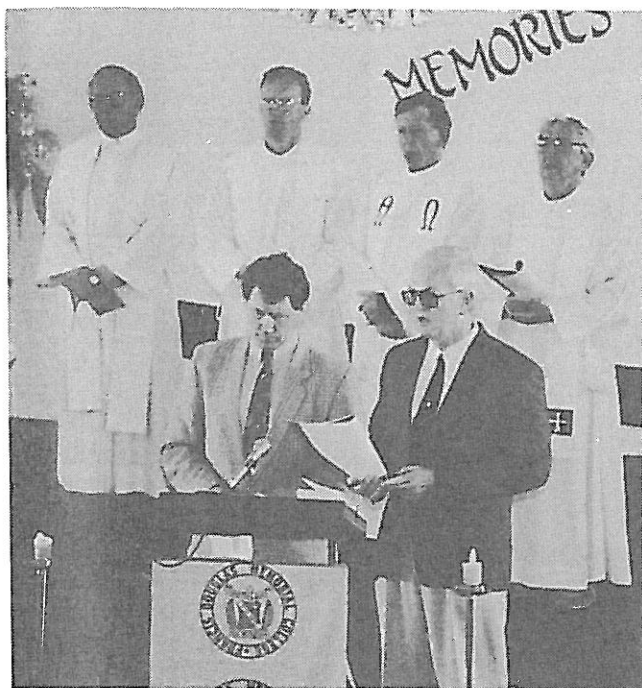

*Ski team 1994: Mr Peter Hill, Tim Sullivan, Mathew Phillips, Simon O'Sullivan, Anton Winstanley, Michael Sullivan, Simon Lynskey, Jeremy Burn, and Mr George Lynskey.*

### SKI TEAM REPORT

After a 5.30am start and a safe speedy trip over to Ohakune the legendary 1994 Francis Douglas ski squad hit the slopes of Turoa on a glorious morning aiming to psych out the opposition before the next days competition. It was good spring skiing on a day where the clouds kept well at bay below us and at the end of it, some of us were already starting to shine - Jeremy's face a brilliant red. We were set to take on the other 127 secondary schools from around the country and come out on top. Monday was a good day and we were all in the van heading up towards Whakapapa by 8 o'clock. Closely following a highly structured and what was considered at the time a clever plan, we set ourselves a base for the next day with every racer in our team managing ten out of a possible twenty points. Our three senior racers, Anton, Jeremy and Matthew went well and knew they were going to win their match off races the following day. Our junior racers Michael Sullivan and Simon Lynskey also set themselves with promising performances eager to wreak havoc the following day. That Monday night though the annual and well remembered "Hot Lava" disco saw many of the ski teams raging to a variety of songs from hard rock to snazzy pop - we were locked in and a bouncer stood on the inside of the door. It wasn't a bad night in the end though, due to the now well known talents of Jeremy Burn and Matthew Phillips who claimed themselves fifty dollars by destroying the acts of the other contestants in a talent quest where erotic dancing to the song "Tequila" sparked the crowd into unmatched levels of chaotic screaming. The next day (the Tuesday on which we were to make a name for ourselves in skiing circles and secure a few places in the NZ ski team), was tragically called off due to bad weather. The seven team members (in order of increasing ability, grace, courage, style and age) were Simon O'Sullivan, Simon Lynskey, Michael Sullivan, Matthew Phillips, Jeremy Burn, Anton Winstanley and myself. We were fortunate enough to be accompanied by Mr Hill and the honourable "St George the Dragon Slayer" - otherwise known as Mr George Lynskey. Mr Lynskey entertained us with many stories going into brilliant detail about the thrill seekers of his time and his trips overseas skiing with the great Graham Mourie and others (later confirmed with photos). He will certainly be welcomed by the team in future trips as well. Mr Hill was his usual self but he did go through a depressed period when mulling over the fact that he wouldn't be at school next year to take the ski team away again, and that his annual Bledisloe Cup trip to Wellington had changed venue. From him, me and Anton we wish next years ski team the best of luck. Everyone seemed to enjoy the trip and we were definitely the loudest and most talented Francis Douglas Ski Team that has ever came ninety eighth equal.

TIM SULLIVAN

## CELEBRATION

## WRESTLING

**Francis Douglas College Wrestling Team 1994**  
 which competed at the Secondary Schools Championship at Auckland  
 Kellan Bartlett, Che Taiaroa, Mr W. Kibby, Josh Cursons, Jason Mahony, Matthew Healey,  
 Ricky McNeil (Captain), Shaun Dettling Absent: Neil Scott  
 Medal winners at the NZ Secondary Schools championship at Auckland were:  
 Silver Medal - Jason Mahony Bronze Medals - Matthew, Ricky, Shaun & Neil

### NATIONAL WRESTLING CHAMPS

During the May school holidays the Francis Douglas Wrestling Team travelled to Papakura in Auckland to participate in a national secondary schools wrestling tournament. The team was: Ricky McNeil (Captain), Kellan Bartlett, Neil Scott, Shaun Dettling, Che Taiaroa, Jason Mahoney, Kehoe Healey, Josh Cursons. The Friday night we arrived we had to weigh in at the wrestling venue because the tournament was to be staged the very next day, so time was important.

Saturday we all arrived at the venue to get our grades sorted out early in the morning. Looking around we could all see what we were in for and it looked far from any push over competition. Being the oldest and heaviest of the team meant I had some pretty hellish scrapping to do especially since I was the smallest of my grade. My first bout I won easily beating a much heavier guy though I had an advantage of superior knowledge compared to him. Progressing through my grade I finally made it to the Semi's where I was forced to fight a big "muscle house" or what resembled a huge Ape. This guy played rugby for some NZ development squad as prop!.. It was about 7 or 8 minutes of hell and I was thrown all over the mat in painful ways. He beat me on points though I think I did very well not to be pinned by this guy.

Special mention must go to Jason Mahoney who won silver and was far more superior to most of his opponents thus coming second in his grade. Well done! Neil Scott, Kehoe Healey, Shaun Dettling and myself all picked up Bronze medals in our respective divisions. Newcomer to the squad was Che Taiaroa who adapted fast and learned a lot of technique under the coaching and guidance of Mr Kibby. Che did well being placed within the top ten in his division along with Kellan Bartlett who was also placed in the top ten of his grade. Since most of our team gained 2nd or 3rd we could now be in contention for a place in the NZ squad to tour the United States next year. Thanks must go to Mr Kibby who's coaching enabled us to achieve the ultimate goal. Well done guys!!

RICKY McNEIL  
 TEAM CAPTAIN 1994

## A SEVENTH FORM WRESTLER LOOKS BACK

Wrestling at Francis Douglas College has proven to be a very challenging and rewarding sport for me over my time here. Since the introduction of wrestling in the college at the start of my first year, I willingly gave the sport a go and found it to be most enjoyable. It wasn't, I discovered, just any old alternative sport but a very ancient sport requiring considerable knowledge with several hundred different holds and moves. It was the major sport in the very first Olympic Games.

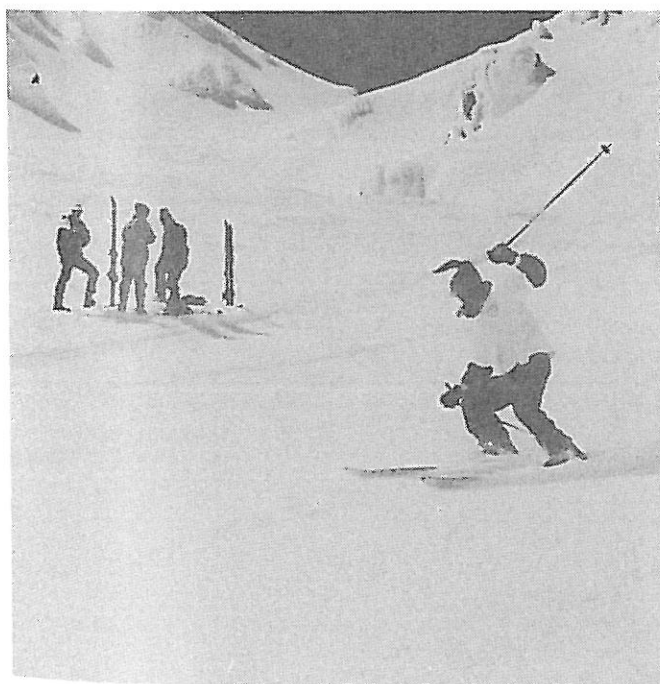

Mr Kibby, the wrestling coach, launched wrestling here in 1990 and has managed to keep the sport very much alive by interesting an increasing number of students in this ancient sport.

When wrestling first started here it was held in the rather cramped storeroom under the stage in the gym. We were given a brief introduction to the sport with the basic moves and techniques demonstrated and then very quickly, we found ourselves in the exhilarating world of wrestling.

During my five years of wrestling I have met many interesting people from both here and from other schools. Those who stay with the sport tap into a mind-set which fosters rugged determination in the face of overwhelming odds. This would have to be of considerable benefit to us all in our lives ahead - especially if we go into business.

Wrestling at F.D.M.C. provides students with opportunities to represent the college at various wrestling tournaments. In the past these have proven to be of great benefit and enjoyment to the boys involved.

**RICKY McNEIL**

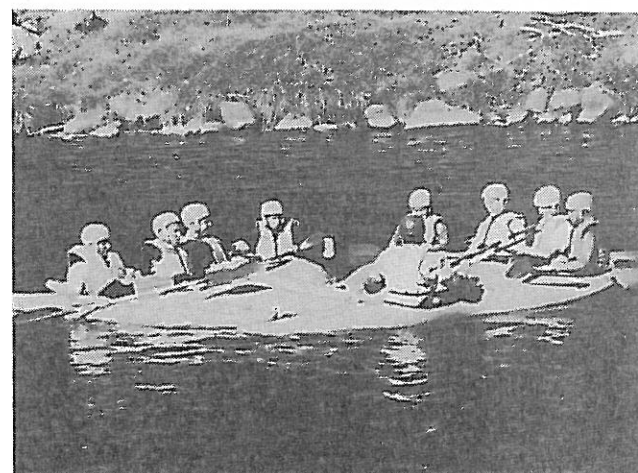

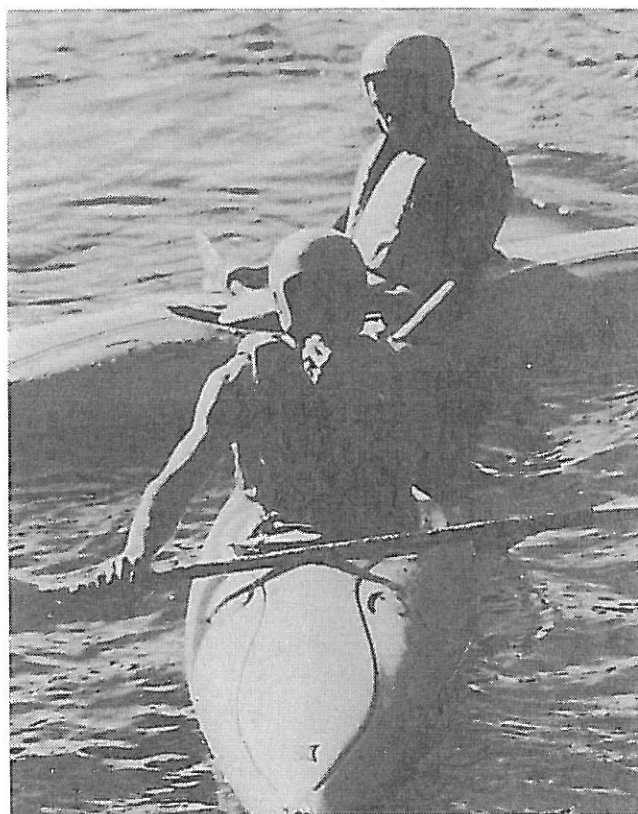

**Jeremy Burn**

## FDMC HOCKEY Winners Of Their Competition

This team competed in the Taranaki Secondary Schools Competition in 1994. A gallant team of 12 players represented the college during the season. There were 3 competitions during the season and FDMC was first in one and 2nd in the other two - a mighty effort overall for the season - the Francis Douglas team was the winner of the competition - a mighty effort.

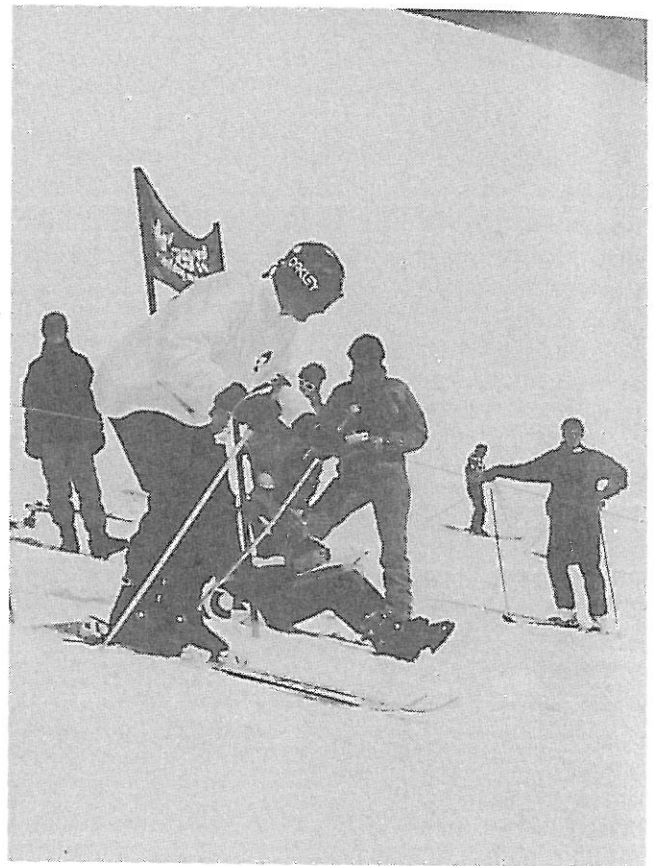

Thanks to team members Daniel Murcott, Robin Poletti, Daniel Jane, Patrick O'Donnell, Scott Little, Jun Kendrick, Matthew McCalman, Chito Kendrick, Andrew Gibson, Scott Gillum, Marc Gander and Kelvin Hong. Our appreciation extends to our drivers, assistants, managers and supporters.

## artwork

*Artwork by Jarrod Smith*

*Artwork by Dean Stroud*

In May 1994 I entered the New Plymouth Invitational Tournament where I fought and won. After the tournament I was selected for the New Zealand Tae Kwon Do Team to compete in Australia and New Caledonia. Before competing in Australia I entered the New Zealand Nationals for a build-up for international competition. I won gold at the Nationals and from there I competed in Australia at an International Tournament and won gold. After Australia I went to Wellington for another Invitational Tournament - this was also a build up for the big one I had been training for all year - the South Pacific Champs in New Caledonia. I won gold at the South Pacific Champs with only one injury - a broken nose!

*Leon Jones In action*

## IN MEMORIAM

### Stephen Anderson

#### A POWERFUL TESTIMONY OF FAITH IN BATTLE AGAINST CANCER

In April this year a young man was buried in the small Bay of Plenty town of Waihi. He lives on in the memories of many people, and also in the powerful testimony of faith that he wrote during his eight month battle with cancer.

"My feet have travelled many thousands of miles already," wrote 21-year-old Stephen Anderson, thinking of his years working on the land, and his love for tramping in the bush. "Please God, may they have many more thousands of miles left in them yet." Stephen wrote these words earlier this year while confined to bed in Waikato Hospital, stricken with an acute and deadly form of hormonal cancer. Stephen was indeed to travel far, though not on foot, before his death in April: around the world on a pilgrimage to Lourdes, and deep into his own spirit on a journey towards God, who for Stephen was "No. 1".

When Stephen set out on his own for Lourdes, his illness was already diagnosed as terminal, chemotherapy and a bone marrow transplant having failed to halt the rapid advance of the cancer. Of course he hoped for the miracle that didn't happen, but more than that, he wanted to place his complete trust in God, accepting that "God will have the last say".

Perhaps the most extraordinary thing about Stephen was his ordinariness. He grew up in Waihi, the eldest child of a large, very close and loving family, whom he was to appreciate more and more as his illness advanced. Other loves included the land, his rugby and his mates. He was a talented artist, and expressed through his drawings some of the experiences of serious illness that had suddenly turned his life upside down. He also discovered a gift for writing, and left a remarkable record of his faith, hope and love written in hospital, lying on his side, often too weak to hold the pen steady.

His wide grin, and love of people young and old won him many friends and some exciting experiences, such as the time when, at the instigation of Matthew Cooper, the Ranfurly Shield-winning Waikato team took "the log" up to Ward 26 and left it in Stephen's care for a day while he was undergoing treatment. Members of the Waikato team, including several All Blacks, travelled to Waihi to support one of the many benefit events organised by the community to help cover the costs incurred by Stephen's illness, a sign of gratitude for the many hours he had spent on youth work and coaching junior rugby.

Stephen's writings reveal a courageous young man coming to terms with the meaning of life and death. "Fighting cancer has made me wonder what to do with my life; I'd like to get a good job farming, have a family, travel, help people, play sport." He considered the possibility of becoming a priest.

While outwardly he faced the consequences of his illness with humour and courage, in his writing his anguish found expression: "My life has a lot to offer this world yet, please God. I am young, and there's a whole world out there I'd like to - want to - see, discover and help."

Even as Stephen longed for life, his confidence that God had a plan for him enabled him to accept the possibility of dying. Over and over again he wrote of God's love for him, and of the gifts God gave him. The cancer, he said, was a way for him to know and love God more deeply. He realised that suffering, and there was plenty, could be a form of "training", so that he could fulfil the special purpose for which God had given him life. "God has committed some work to me which he has not committed to another." Used to the discipline of sporting codes, he wrote: "I need to keep checking myself in various situations. I say to God: 'Am I doing OK?'"

The inner journey of Stephen Anderson was every bit as difficult as the outer struggle against the ravages of cancer. "Having faith is hard at times. You don't get a reply as such. My illness seems to rule my life at present; it can make me a bit selfish and lazy, and I have to fight to remain positive."

A significant memory for Stephen was a visit to Samoa with a group of young Catholics in 1993 to help with the building of a school. Deeply impressed with the simplicity and faith of the people there, he wrote: "There are lights flickering everywhere." On his return to New Zealand he found "lights are harder to light here". He was saddened that in his beloved homeland he might be laughed at if he openly proclaimed his Christian faith.

For a young man who loved nothing better than to wander off into the bush, often with other family members, the days in hospital were hard to bear. He found the environment alienating, and was distressed when inevitably his hair fell out following chemotherapy. But even then he could say: "When I look out, I see people with far more difficult crosses to bear, but we have to bear the cross positively, even happily." The heavier the load, said Stephen, the more we can call on God's help. And always there was the note of gratitude for God's help. And always there was the note of gratitude for God's goodness, rather than anger at what had happened to him. "So much good is happening around me. This cancer is make me open my eyes to see how fortunate I am."

Rugby was never far from Stephen's mind, as much a part of his faith as of his life. Sport, he said, is a great way to practise Christian values. "A win at all costs is a sad and negative aspect of competitive sport. I try to play fairly as if God was our coach."

By March this year Stephen knew there was not much more time, but he was determined to live every last moment to the full. On 2 April he set off alone across the world to Lourdes, visiting his sisters Michelle and Fiona in Australia on the way, and meeting up with his sister Cushla in London. He hoped to be away for three months. In fact he barely made it to Lourdes, where his illness suddenly took a turn for the worse. He and Cushla returned to London, where he died in hospital several days later. His mother Irene had just time to fly from New Zealand to spend the last hours with him. He was able to say goodbye to his father John and other members of his family by telephone.

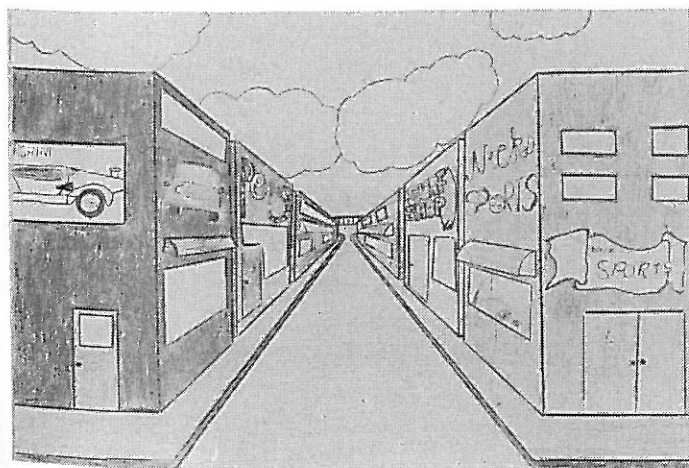

Stephen wasn't cured, but his hundreds of relatives, friends and acquaintances testify that he left many, many lights, and an extraordinary legacy of courage and faith.
