*A Catholic College in the tradition of the De La Salle Brothers*

## GYM AUDITORIUM PROJECT UPDATE

7TH - 18TH OCTOBER 2024

The new gym and auditorium project at the College is moving ahead smoothly, with the piling stage nearly complete. This marks an exciting milestone as we now prepare for the second phase, which will involve excavation of the bank to create space for the next stage of construction.

Students have adjusted well to the construction area being closed off and are even able to catch a glimpse of the action as the work progresses. It's wonderful to see such interest and curiosity from the school community as this important development takes shape.

Here are some recent photos of the project so far. As always, we want to remind everyone that it's not too late to contribute to this addition to our school. Your support is invaluable. For those interested in making a donation, please don't hesitate to contact Jorgia Roebuck at [jor@fdmc.school.nz](mailto:jor@fdmc.school.nz) for more details.
