GYM AUDITORIUM PROJECT UPDATE

18TH - 29TH NOV 2024

Exciting progress continues on the gymnasium/auditorium! Next week, concrete pours for footings and foundation beams will begin, and precast panels are set to be landed on December 16. The wailer beam will also be installed to anchor the bank, making for a busy period once students finish on December 10.

Foundation work at the lower level is ongoing, as shown in the attached photos. Leading up to Christmas, the site will be secured for the holiday break.

Thank you for your support, and we wish you a Merry Christmas and Happy New Year!

If you would like to donate, please contact Jorgia Roebuck at jore@fmc.school.nz for more details.
