GYM AUDITORIUM PROJECT UPDATE

1ST - 31ST JAN 2025

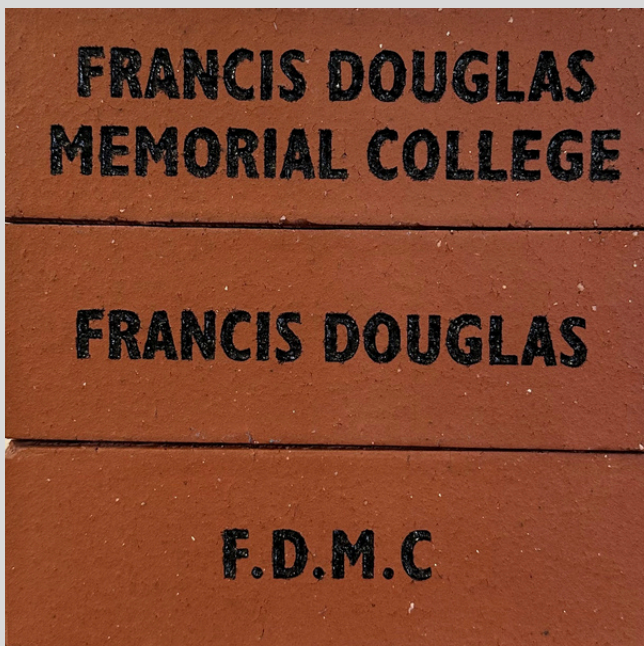

Progress on the gym/auditorium project has resumed, with all trades back on site following the Christmas and New Year break. The bulk excavation of the bank is ongoing, with the steel waler beam secured, ensuring the bank remains stable.

Concrete precast panels have been installed, with further panels set to arrive from 10th February onwards. Additionally, the top section of the build has been prepped and is ready for the next phase of the build.

Thank you for your continued support and patience as we work towards completing this exciting project for our community! Remember, you can still purchase a brick.....it's not too late!!

If you would like to donate, please contact Jorgia Roebuck at jore@fmc.school.nz for more details.
