- 21 TSS Softball F3/4
- 30 F1/2 Orientation

December

- 10 "The Last Day"

ADMINISTRATION

PRINCIPAL'S COMMENTS FOR 1990

This year of 1990 has been the beginning of a new decade and also a new era for education in this country through the advent of "Tomorrow's Schools". While it is possible to gain some idea of what these arrangements are by reading the material available, the true impact of the changes will not really be known for quite some time. There are real dangers associated with the devolution of responsibility to the local areas, with the risk of mistakes being made which could have serious consequences for the students and the future of the college. The other side of that coin, however, is that there are also possibilities which have not yet been really explored and which have enormous potential for this college to continue to grow to become a place which is truly an experience of the Good News, a place where individuals are cared for and where their needs are addressed and met.

The challenge which lies ahead is for the possibilities inherent in the arrangements which now exist, being made into a reality. This will not happen simply because some people wish it to happen. It will only happen if there are enough people who are committed to the idea and are prepared to work to make the dream into a reality. To continue to work to make this a truly Catholic school is something which everyone involved in the college needs to face. In looking back over more than thirty years of the college's existence, it is possible to see many people who have worked very hard to make this a college which reflects the value of Jesus Christ. It is on the shoulders of those people we now stand and it is our responsibility to continue to build that spirit which enables those values to be obvious.

In the spirit of Fr Francis Douglas, after whom the college is named, and of John Baptist De La Salle, the founder of the brothers, people have worked to put in place a programme and a way of operating which is life-giving to both those who run the college and those who attend. Sometimes things have worked together so that students, parents and staff have been really blessed by being involved here. At other times, this has not been the case. The challenge is to make the first situation more frequent! Everything going on in the college needs to be examined and the question needs to be asked "Is there a better way?" Nothing should be excluded from that examination. There is a need to ask that question about what and how things are taught, how things are organised, how people are treated, the way people are kept informed and so on. It also needs to be asked about and by each individual and their involvement in the place. Each of us make decisions which are either life-giving or the opposite. We need to weigh up those decisions so that we are aware of the responsibility we have for the welfare of the other people involved in the college and the college itself. The college is different because of our presence here. The question is, it is better?

Br Peter Principal

Against this background, the future of the college needs to be seen. People will make decisions which will either enhance the character of the college, or diminish it. The advent of "Tomorrow's Schools" has made it possible for the influence of local people to determine to a much greater extent what will happen in their schools. With such a positive tradition of involvement behind us in this college, I would challenge each of you to work to make this a college which can justly call itself Catholic and one where efforts are made to support one another to spread the Good News which Jesus brought. We each have our part to play and we each must take responsibility for doing or not doing our part to make this a college worthy of the name Catholic.

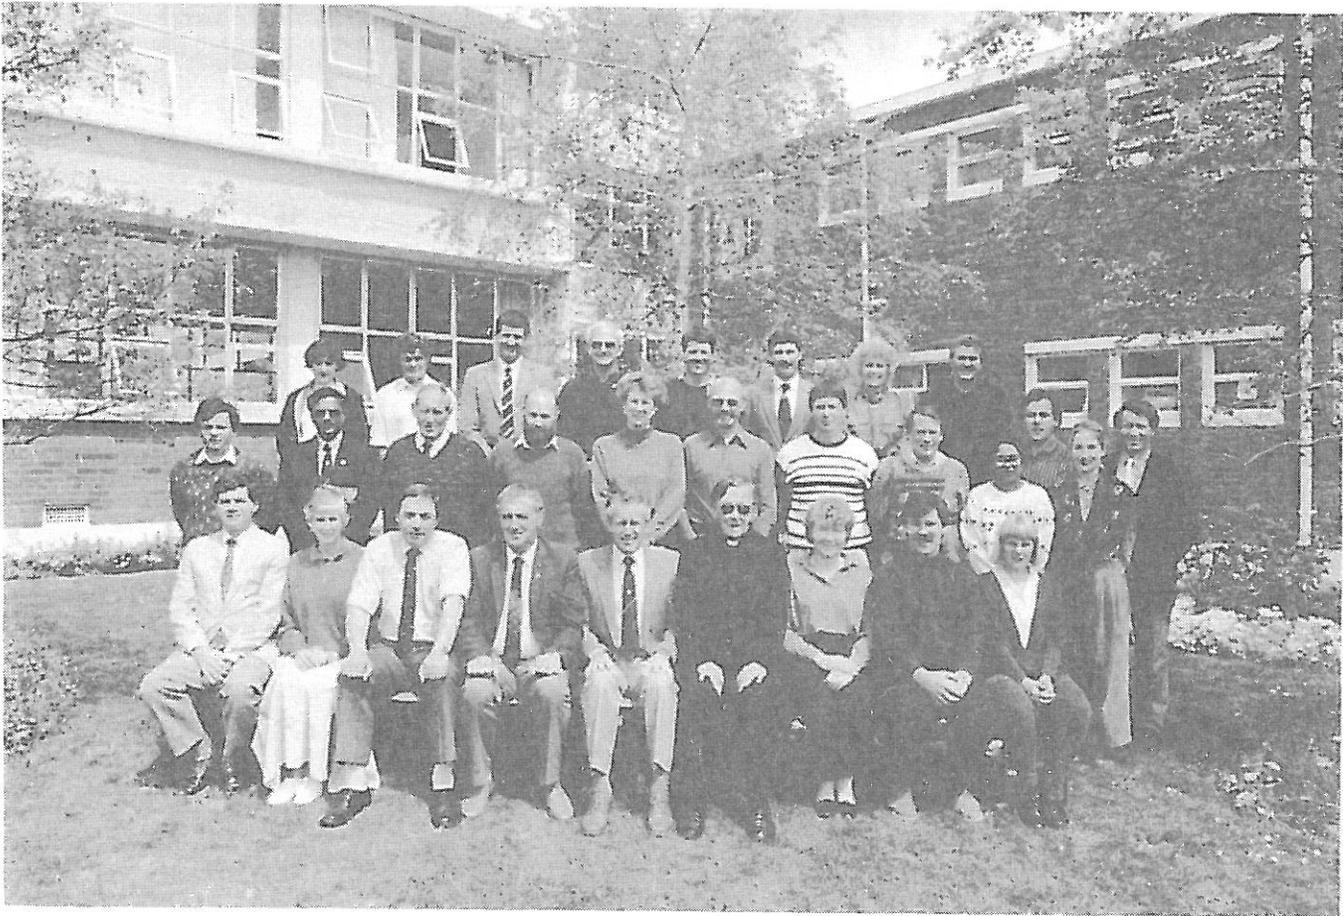

The work of the Board of Trustees over what has been a very difficult year for them, has been magnificent and I believe the college is very fortunate to have a Board of the quality of the present one. Alongside this group, the P.T.A. has been a source of practical support for the staff and students in the college, not only in the fundraising they have done, but in the involvement they have had in the development of a number of aspects of the charter and other school activities. The Hostel Board of Management has taken an active role in the organisation of the hostel and the promotion of this part of the college and has proved to be a very valuable source of support and encouragement, not only to the staff, but to parents who have had access to them.

It is in conjunction with all these that the staff of the college works. The college has a dedicated and caring staff with whom I have found it a pleasure to work and I express my gratitude to them for their dedication, support and understanding. I have been greatly enriched by working alongside such people. As well, I say a sincere thank you to all the other people who have worked to make this a college which seeks to live the values of Jesus. In speaking to some other principals, I am very conscious of how fortunate I have been to have had the support of so many good, dedicated people in all

those groups associated with the college. I leave the college with sadness, but with a deep sense of gratitude for the blessings I have received from having been involved with so many wonderful people who have gifted me so generously with themselves. I know the future of the college is in good hands and I wish you all well as the college moves further into the 1990s and towards the end of this century. May the Lord continue to guide you all and give you the spirit of wisdom and understanding so that you may have the insights and courage to continue to work to build up a college here which is an experience of the Good News for all those involved.

STAFF CHANGES

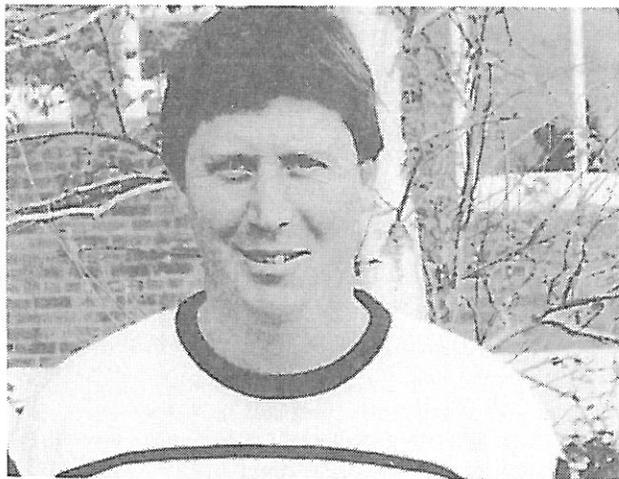

BR OLIVER O'LEARY

"Man did not weave the web of life; he is merely a strand in it. Whatever he does to the web he does to himself.

If there is one thing that Brother does for that part of the web which is our College, it is to make it a thing of beauty. Throughout the year we are treated to an ever changing environment that brings much pleasure to the school community. In the simple beauty of flowers we are reminded of God's gifts to his people. We thank Brother for his untiring efforts in this regard.

He is currently spending three months in Australia with men who he has previously lived with. We hope that it will be for him a time of peace, a time for reliving cherished memories with those he has journeyed with. "Whatever he does to the web he does to himself." Thank you Brother for who you are.

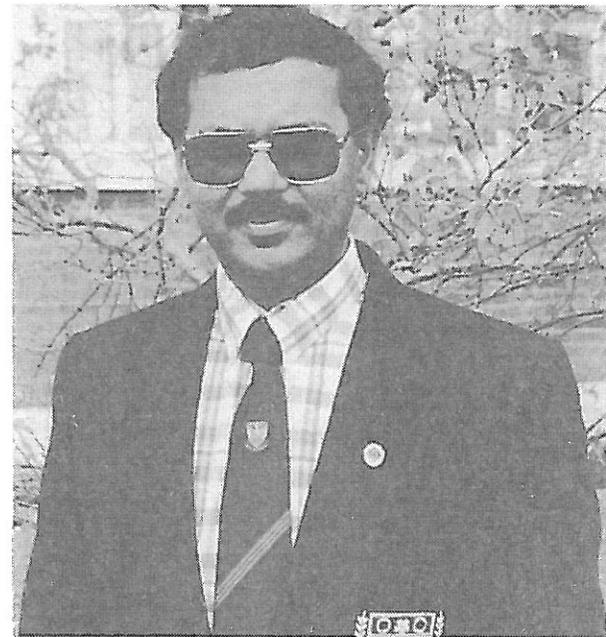

RICHARD DOHERTY

Born and grew up in Levin. Later I attended Palmerston North Teacher's College and then completed a Bachelor of Education degree at Massey University. I have travelled to many parts of the world and one of my greatest disappointments was when I realised I would never be an All Black.

MARY-JANE ANDERSON

Mary-Jane Anderson brings her artistic talents to benefit the students who take French, Music and English. She willingly gives of her time to assist with the choir, combining her school commitments with those of bringing up three young children.

POOBALAN MAISTRY

Our newly appointed Economics teacher has come from South Africa to make a new life in New Zealand. He will be joined in the New Year by his wife and children.

ANNE MCSWEENEY

Currently combining teaching with work on her thesis for her Masterate in French, Anne McSweeney is teaching Maths and English. She came to us from Upper Hutt College and many students have already benefitted from her encouragement.

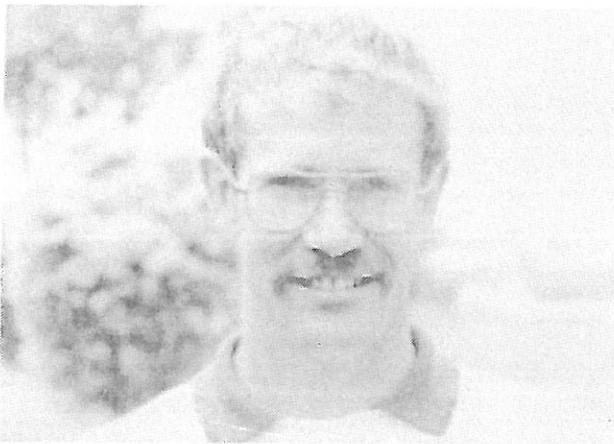

MARGARET MILNE

Margaret Milne came to us this term to help with our English achievement programme. Well qualified in her field she is teaching in a similar capacity at Spotswood College. We are fortunate to be able to take advantage of the expertise she has in this area.

MARY CUBIE

Having previously lived in N.P. for 10 years - 11 years ago, this has been like a homecoming in many ways. I've had a long interest in helping people overcome literacy problems so my experience in Work Exploration has provided a change. I have enjoyed working with the students and have been enriched by my time with you.

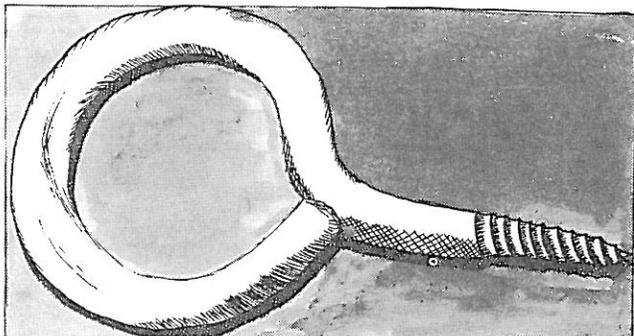

ALAN COLDICOTT

At the end of April Alan Coldicott moved back to his wife's home town of Dunedin. As well as enthusing the students who took Economics he once again made F.D.M.C. athletes and runners a force to be reckoned with.

INGRID FRENGLEY

I came to FDMC at the beginning of this year as a full-time relieving teacher after two and a half years as a part-time teacher at N.P.B.H.S. Next year I have been appointed to a full-time permanent position at N.P.G.H.S. teaching English. Teaching girls after all those boys will be quite a change. I've enjoyed FDMC and have made some good friends amongst both staff and students. Thank you all.

BOARD OF TRUSTEES

REPORT FROM CHAIRMAN BOARD OF TRUSTEES

This year, 1990, was the year that "Tomorrow's Schools" became "Today's Schools" and Boards of Trustees across the country took up the challenge of handling the majority of schools' expenditures.

The Francis Douglas College Board has taken up this challenge and despite the insufficiency of funding, has handled the task with skill and dedication.

This year saw another significant change for the school with the resignation of Brother Peter after twelve years as Principal. This was the first time the Board has handled a major appointment under "Today's Schools" and because of the importance of their decision, the Board was deliberate in setting its criteria for the person it wished to appoint.

The Board is delighted to have gained the services of Brother Timothy Peter as the new Principal and, although we have to wait a year, we believe the wait was worthwhile to gain a Principal of Brother Tim's calibre and experience.

It would be inappropriate if we did not, in the context of this report, acknowledge the contribution Brother Peter has made to this school, firstly as a teacher and then as Principal for twelve years. During his period at the College, there have been many changes such as the new Hostel block, the new woodwork, art and music block, the new Chapel, the revamped old chapel and the revamped old dormitories. He has also coped with integration, the Form 1-7 issue, "Tomorrow's Schools" Today's Schools". He also found the time to be Chairman of the Integrated Schools, Principals' Association, and was the driving force behind the push for training for teachers to preserve the 'Catholic Character' of our schools.

During this same period, society has changed significantly with the demand for different forms of discipline, leading recently to the forbidding of corporal punishment at schools. Brother Peter has been a leading exponent of pupils being responsible for their actions, a concept which has not won universal acceptance, but when one hears reports of F.D.C. boys performing with distinction at tertiary institutions because they are better equipped to handle the options open to them because of this insistence of their being responsible for their actions, then one must regard the concept as successful.

This innovation is at the leading edge of change and at times, can be a lonely experience, especially if perceptions in the wider community do not appreciate what is trying to be achieved. It will be interesting to see how other schools will grapple with the abolition of corporal punishment, and in this regard, Francis Douglas College is well placed, having been using an alternative system for some five years.

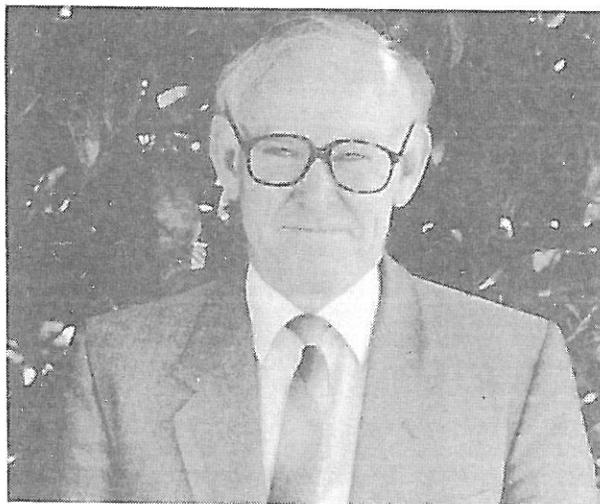

The fiercest critics are usually fellow professionals and when recently, this Board received a letter from a former Principal of a Taranaki Secondary School, in which he said, amongst other things "That N.Z. was losing an outstanding educator", then that is praise indeed.

Brother Peter, we salute your contribution to Education, to Catholic Education and, more importantly, to Francis Douglas College. May you find great satisfaction in your new direction and, be assured, Francis Douglas will always hold you in great affection.

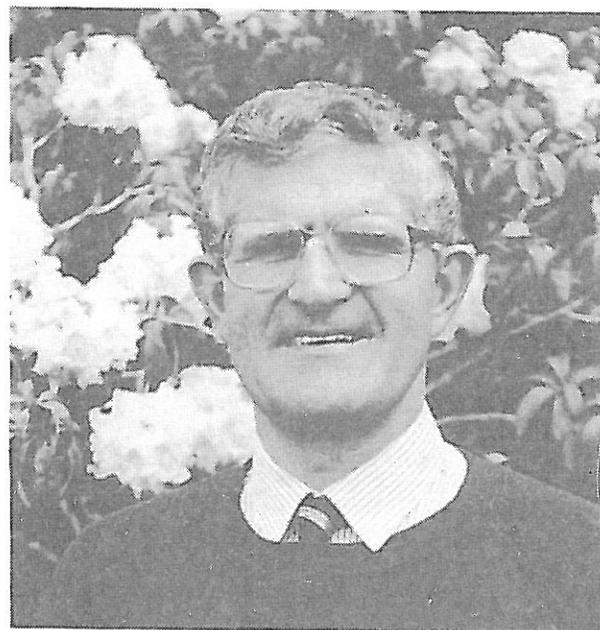

For the Board,

M.C. Finnigan

Chairman

*Mr Michael Finnigan
Chairman Board of Trustees*

*Br Timothy Peter
Newly Appointed Principal*

BOARD OF TRUSTEES

Firstly I would like to thank the board for their commitment and dedication. Their work is evident in and around the school, though they deserve a lot more support and interest from the school community.

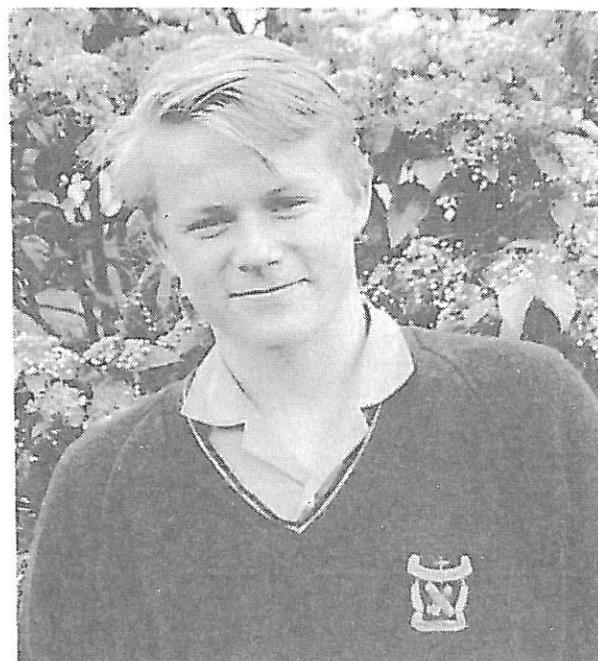

As Student Representative on the board, I've had the opportunity to learn many procedures about how a organisation is run and I have come to understand more about people's ideas and attitudes. The amount of reading to just get the background material done is mammoth. At my first board meeting I felt very intimidated by these well spoken and informed adults, but I soon felt more at home as they are a very hospitable group.

I haven't made great changes in the school as a board member but I have tried to give the students' point of view which has, I hope, benefitted the students. My main push was to investigate the issue of seventh form mufti. A sub committee was then set up to review the whole school uniform with a particular emphasis on the seventh form issue. This committee was made up of teachers, parents and students. We ascertained the general feelings on the mufti issue through a survey which raised many interesting points of view. Through the co-operation among the representatives we finally came to a decision which has become Board policy.

My experience with appointment of a new principal was very informative and interesting. I found out how much responsibility a principal carries and the qualities applicants must have. We were out to get the perfect principal. After the first lot of interviews it was clear that these people did not match this "perfect" being we had set ourselves to try and find. After the second round of interviews I was sure that Br Timothy was the person we were looking for.

To any person looking in future years to be a representative on the board, you need to be a confident and listening person who can think of the final outcome to every decision. You will learn a lot about people and about the systems we have created for ourselves. I have really enjoyed having the privilege to represent the students on the board, and I wish the Board every success in the decisions they will have to make in the future.

David Shepherd

David Shepherd

TREATY OF WAITANGI

The Treaty of Waitangi means more to me this year than the signing between the Maoris and Pakehas as it is the 150th Anniversary. It also means that the people of New Zealand, the land that we call home, get a holiday. It means that all the people of Aotearoa have an equal say in everything, no matter Maori or Pakeha. A jubilee year 1990 gives us an opportunity to recognise past and present injustices and to work to resolve them together towards reconciliation and racial harmony. This is what the Treaty means to me.

OUR GROUNDS

Have you ever taken a real hard look at our school? What goes into keeping it tidy and in good order? I'm not talking about the teachers, librarian or office staff, but the people who make sure the doors open and shut, the windows stay in or get replaced after being broken, and the field and gardens are kept tidy. Yes I'm talking about the Groundsmen.

Firstly, we have Mr Fred Fenwick who takes care of the Hostel maintenance, making sure anything which gets broken accidentally by the boarders is replaced or fixed, and is kept in good order.

Secondly, we have Mr Irwin Belcher, who takes care of the school maintenance and the sports equipment, including the pool.

Mr David Bailles looks after our grounds, which includes mowing the lawns and field once or twice a fortnight. He also picks up the rubbish left behind by students.

Another person who is responsible for making our school as tidy looking as it is, is Brother Oliver who has decorated the grounds with the rose gardens, flowers and shrubs we see every day on entering the school premises.

Trent Keegan

HOSTEL STAFF

The hostel staff come under the able guidance of Matron **Margaret Fleming**. They provide care and wholesome meals for the 88 boarders and do not always receive the acknowledgement and thanks that they deserve.

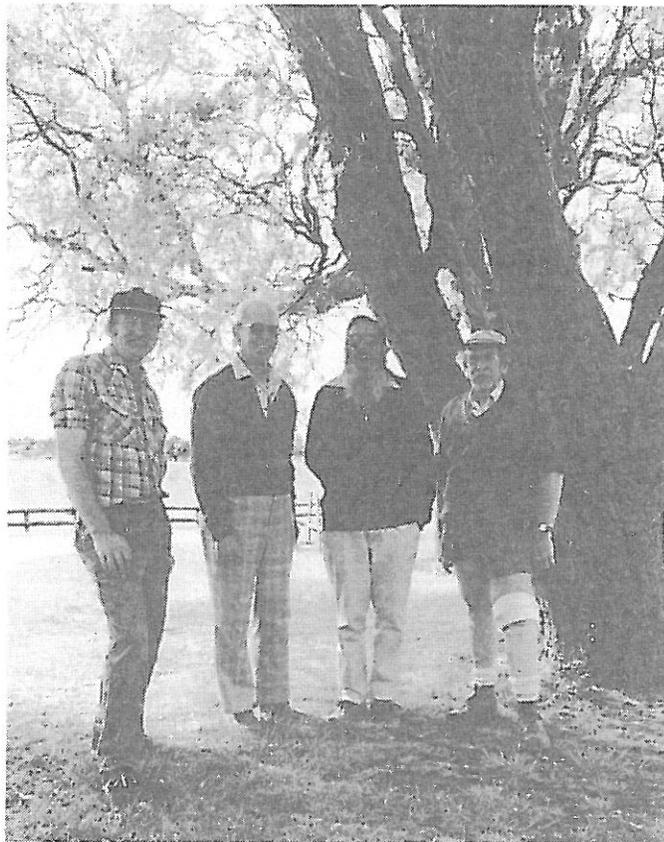

OFFICE and ANCILLARY STAFF

These ladies work continuously to ensure the administration of the school runs smoothly. Mrs **Shirley Sceats** the College Bursar handles the finances ably assisted by Secretaries **Jean Keegan** and **Lyn McCormack**.

Jackie Whibley our science technician ensures that all lab equipment is in working order and that supplies needed for experiments are in stock.

Ketha Haase is our invaluable teacher assistant who pounds away at the typewriter or computer, providing staff with work sheets, lesson notes and student reports.

Librarian **Tess Gaffney** is always on hand to assist students with projects, recommend books and mount displays, the students welfare always uppermost in her mind. She is an enthusiastic supporter and helper of college speech and debating teams, having assisted students to gain many awards over the years.

GROUNDSTAFF

Irwin Belcher, Keith Hatcher, Fred Fenwick, Dave Bailles.

HOSTEL STAFF

Tangi Thacker, Jean Shaw, Pat Thorn, Lesley Loveridge, Joyce Johns, Margaret Fleming, Myrle Campkin, Marie Larsen.

P.T.A. PRESIDENT'S REPORT 1990

I have much pleasure again in presenting the annual report of the Francis Douglas Memorial College Parent Teacher Association for the year ended 31 May 1990.

The year has been a very fulfilling one for the Committee not only from the point of view of fundraising activities successfully held but also from the Committee's involvement in some of the aspects of Tomorrow's Schools. There is no doubt in my mind that a school committee that is able to cut its teeth on some of the administrative functions is one which has a greater feeling of selfworth than a committee put together purely and simply as a fundraising vehicle. We have in this financial year attempted both avenues and as a result of this your Committee has worked as a team extremely well and related to each other in a very positive manner. All this of course can only be of benefit to the College.

As was explained last year the disappearance of Housie as a fundraising activity was going to mean that the amount of funds available for donation to the College would be reduced significantly. As a result of this your Committee came up with the idea of tax deductible donations which has been successful in other schools as a relatively painless extraction of funds and yet at the same time providing tax deductibility which is more and more becoming a creature of the past. As a result of the Committee's drive in this direction \$4,674 was donated to the College and this has gone some considerable way to alleviate the loss of Housie. Your Committee was very cognisant of the fact that too much of a demand on parent requests could be disruptive as far as the Gala was concerned however as is stated later, this thankfully was not to be.

The involvement of the PTA in Tomorrow's Schools was evidenced early in the year with the Charter formation and we were pleased to be able to assist in this direction and in the refinement of goal settings by way of a telephone questionnaire. This method of extracting opinions continues to be of great benefit to the College and something in which the PTA is only too pleased to be able to assist. Also two of our Committee - Shona Manton and Bernie Sullivan were appointed to a committee to resolve a policy on recommendations of a code for school uniforms and my thanks to them for their participation in this direction.

Throughout the year apart from the tax deductible donations other fundraising activities were held which included a quiz evening which John Glass our Secretary ran most competently producing an excellent profit and a very enjoyable evening. It is planned to have another of such quiz evenings this year. Secondhand uniforms saw a change in the venue from Sacred Heart College back to Francis Douglas College and this proved successful. Under the guidance of Joan Brookes, Sue Walton and Sandra Kiss the secondhand uniform area has been very competently handled and streamlined to a point where everybody now knows exactly what is happening.

My personal thanks must go to Sandra Johnston who again convened the sub-committee to run the Gala in April of this year, she being ably assisted from the College by Peter Hill. Without their capabilities the Gala would certainly not have been the success that it was. This is evidenced by virtue of the profit (approximately \$8,300) which is a record profit for at least the last five years. The success of this event reflects the work done by the entire Committee of the PTA together with College staff and all the volunteers who assisted on the day and the many parents who gave either of their time or by way of donations to make this what many believe to be the best Gala the College has run.

As a result of all fundraising activities throughout the year the PTA has been able to donate to the College the sum of \$12,700 which represents an increase of \$5,700 on the previous year. Funds raised this year represent an increase of approximately \$1,700 on the previous year's fundraising and this without the benefit of House. Further donations are to be made to the College during the coming year and it is always encouraging to the PTA to know that the funds that are raised through their labours and those of parents are put to such good use by the College administration.

In conclusion I would like to thank my secretary John Glass who again has proved to be a very able and efficient Secretary and to my Treasurer Peter Brown whose efforts save us all a tremendous amount of time and concern. To the Committee at large congratulations on an excellent year and I trust that most if not all of you will be back to serve a further term.

It is with deep regret that we learned recently of Brother Peter's resignation as Principal of the College. The PTA recognises his substantial contribution to the College and to the PTA. He has always been ready to attend meetings, provide full reports and applaud the work done by the Committee. We wish him well in his future chosen path.

HEAD BOY REPORT

The year 1990 has been interesting to say the least. It has had its ups and downs - much like an earthquake, but thankfully the good memories from this year and past years far outweigh the bad. 1990 also signals the ending of an era, with Brother Peter's departure who has been a part of the school for so long.

This year's 7th Form was again very large compared to those of a few years back and because of its size they had a high profile in the schools life. The 1st XV was well stocked with 7th formers, 2 of whom, Jake and Shane were selected for the Taranaki team that towed Australia. Dom was the Senior 'A's 'tall timber' while David and myself were the stalwarts of the ski team. There were a number of guys who played soccer for JV United and congratulations go to Sean who was selected for the Taranaki Soccer team. Mention must also go to those who again competed at O'Shea Shield and represented the College at the Speech and Drama Festival so ably. Congratulations to all those people who competed with a real sporting spirit.

Throughout the year we have held the swimming, athletics and cross country competitions. Each of these was run smoothly and efficiently. More thanks must go to Mr George for his organisation of these events. The four House Captains: Gavin, Mike, Robert and Steve should be acknowledged for their dedicated leadership which could be seen continually throughout the year. Well some of the time anyway!

Socially the year has gone well, not always smoothly but we always managed to get there. A number of dances have been organised by FDC and SHC social committees. The highlights of the year being the Ball and Dinner Dance. From the way I saw it credit should go to Bridget O'Connor for the amount of work she put into the events.

As said earlier, Brother Peter has decided that it is time for a change of scene. I and the school community owe Brother Peter a lot considering the time, commitment and devotion that he has given the school. I wish him the very best for the future and thank him on behalf of the student body for all that he has done for the school. I also wish the best of luck to Mr Walsh when he runs the school next year.

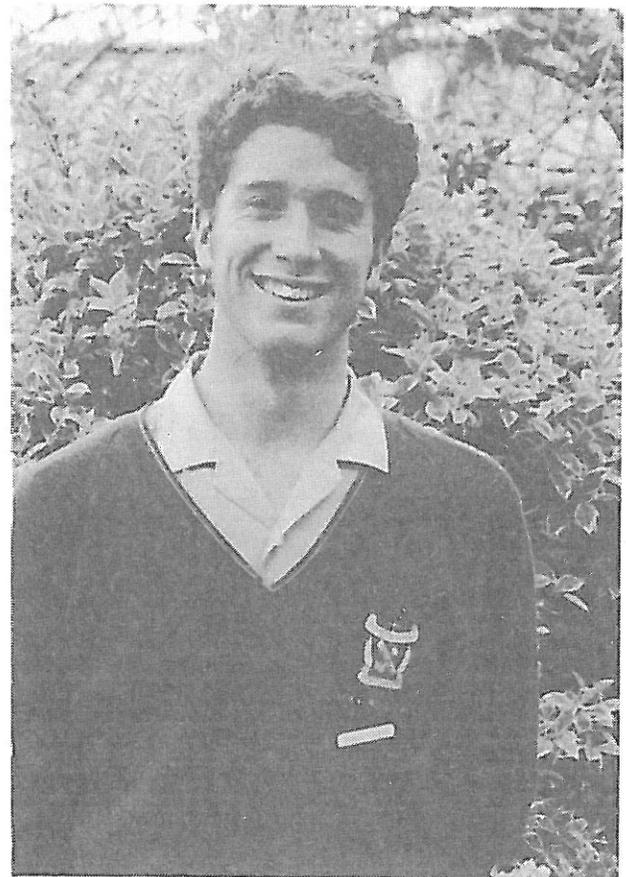

I should also like to welcome the new Principal of Sacred Heart - Mr Nut to N.Z. and New Plymouth. I offer him my best wishes in his new role and hope that he ensures the exchange between our schools continues to flourish.

My final point is another of thanks, this time to Brother Geoff our Dean. Although things were not always easy I thank him for his guidance and help. I would have been lost in my job without him.

With that I bid farewell to Francis Douglas and to all who I have met during my 7 year stay. I feel honoured to have gone through school with the present 7th year class. Although at times I have felt that their maturity was substandard (the infamous common room bears the scars to prove it). I feel one would be hard pressed to find a closer knit and caring group of guys. I have really admired and been proud of the fact that the status groups within our class haven't been so tight as to exclude people from them. This welcoming and easy going attitude personifies to me the spirit of Francis Douglas.

The memories that seven years of schooling have given me I will cherish forever and I thank you all for them. I wish you all well and especially those of you who now, like me will leave Francis Douglas for the last time.

Clinton Sullivan

Clinton Sullivan: Head Boy 1990

HEAD BOARDERS REPORT

The start of the new decade has been a period with a lot of adjustment for the administrators, students and facilities in 1990.

The modernisation of the 3rd and 4th for hostel is a great success. The boys have treated their second home with a lot of respect which shows the pride they have within their form groups in hostel. The 3rd and 4th formers got on really well this year. The friendships and tolerance of both groups has been very good. They adjusted very quickly to the changes in their environment.

The 5th and 6th formers have had a very busy year schooling wise. The 5th formers have their first real exam that counts and the 6th formers are ending a year which has great importance these days.

The senior hostel is another very comfortable building within the hostel and is appreciated by all seniors. They are a great bunch and I'm sure that next year the guys returning will give Brother Lawrence and the hostel the co@peration and support which makes it 'a good place to be'. I wish both groups the best of luck for their exams and for those who are leaving I wish them good luck for the future.

This year's 7th form has grown to be a close group. We've had a very enjoyable year and we will remember all the good times we had together. I would like to thank the guys for their support and I wish them luck for their exams and for their future goals.

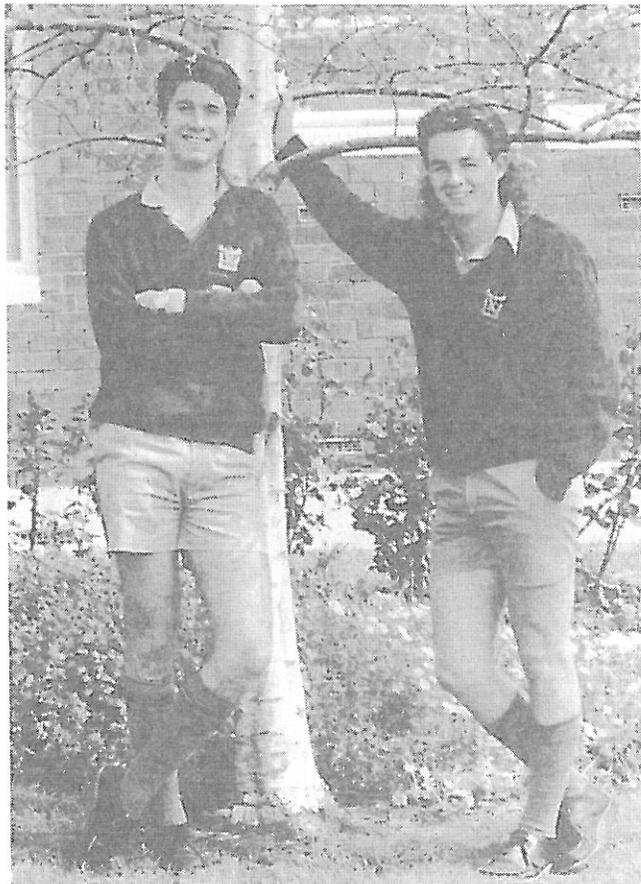

Brother Lawrence has adjusted very well to his new job as boarding master. We would like to pay special thanks to Brother Lawrence for all the time and effort he has put in to make our lives easier. Also thanks to Mrs Fleming our Matron, she's the boys mother away from home. To the Supervisors, Mr Locket, Mr Goddard, Mr Morris and Mr Simon for keeping the boys in line. Also to Mrs Connell and the kitchen ladies and to Mrs Fox and the laundry ladies making our lives easier. We would also like to thank Brother Peter, Brother Geoff, Brother Ollie, Brother Robert, Brother William, Brother Lawrence and our College Chaplain Father Monaghan and the Hostel Board for all their inputs into the Hostel.

Finally Anthony said last year 'may this year be as good as 89'. Well I am pleased to report it was.

Shane Bennett

*College Captain
and Head Boarder*

BROTHER PETER BRAY PRINCIPAL 1979-1990

It is with genuine regret that we record that Brother Peter leaves the College at the completion of this school year. Brother Peter, the longest serving and fifth principal of Francis Douglas College, moves on to specialist work in Australia. While we congratulate him on his appointment we fully realise the resignation will mean much adjustment for this school and, of course, also to him. His connection with the College commenced in 1959 on opening day as third former to his leaving date of 1963. He returned to teach here for 5 years from 1971. In 1976 Brother Peter was transferred to Auckland and was appointed Principal there in 1976. In 1979 at a comparatively young age, he was appointed to this College as leader.

After such a lengthy close attachment to this College, Br Peter will certainly have many misgivings about leaving. He has a deep love for the College and all who have passed through. His commitment has been total and his encouragement, example and leadership has benefited the total school community and in addition the wider community have also been touched by his service to Boards, Educational Committees, Principals Associations, PPTA, parents, parish and the general public.

The success of being accepted as a F1-F7 College at the time of integration proved a victory after countless hours of top level negotiation led by Brother Peter and associates. We will cherish memories of Br Peter's influence on our lives and join in offering gratitude to him for the complete and dedicated service to Francis Douglas Memorial College. We wish him every possible blessing for his future committed work and look forward to his visitation to the College in coming years.

Leo Walsh

STUDENTS' FAREWELL TO BR PETER

I have known Br Peter for 7 years, in this time I have learnt a lot about his views and aspirations. His work for the students has been mostly in the background. He has been instilling into students the desire to look *to do things in a better way*. He is a very good listener and is able to empathise with other peoples ideas.

He is well renown for his speeches. As a young student, we used to sit there and time his talks. But as I got older I've seen this charismatic and inspired person talk, and and have been able to admire his ability to inspire others with his vision.

Throughout my schooling I can remember the introduction of subjects which would help the students, as can be seen in development of the woodwork room, the introduction of computer studies and in more recent times, plans for a technology workshop.

In our parents era, the headmaster was the most feared of all the teachers. They were the people who stood over the children brandishing the cane. Many is the time we have heard Br Peter talk about reality therapy, trying to persuade people to *take responsibility for themselves*. Because of his fundamental disapproval of corporal punishment he has been open to the students point of view; any problem is dealt caring and in a positive way. Often though he has had to stand firm to his vision and take the blows personally, but I hope in leaving this school he is able to remember the challenging and enjoyable times. I would like to thank Br.Peter on behalf of the student body for the 12 years of service he has given.

David Shepherd

HOSTEL

JUNIOR COUNCIL REPORT

This year the Junior Council took massive leaps forward with the appointment of two open minded representatives, Michael Wills and Campbell Norgate. The Council was formed 9 years ago and endeavours to give the young people of the town a student body to turn to for help. This year a two year project was completed with the enthusiastic help of all members. This was the long awaited skateboard facility. \$36,000 was raised and construction is nearly finished. Thanks to the Councillors. Halfway through the term as councillors other provinces were starting to see the ways of the Junior Council, with similar setups being formed in Waitara, Wanganui and Inglewood. Many thanks must go to Br.Geoff who helped immensely with organization and support.

Campbell Norgate

BELL MONITOR

I have done the Bell Monitoring for two years now. Mr Whyte who is in charge of the Bell says that I am the best monitor the school has ever had (other than himself).

To be the Bell Monitor I must work and keep an ear open constantly for the sound of the speaker at lunch-time notices, for any bell-time changes. I hope to be doing it next year as well.

Hope you all have a Merry Christmas and Happy New Year.

Daniel Vandenberg

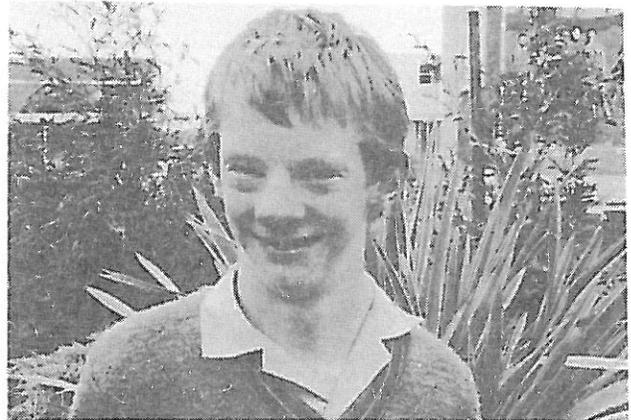

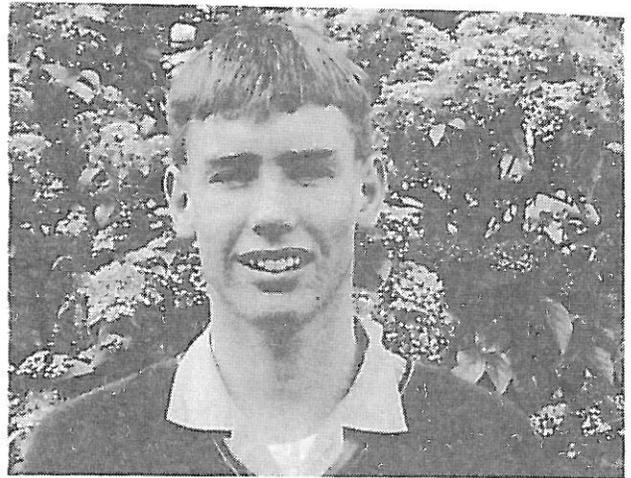

PTA FUND RAISING CHOCOLATE SALES

During term two the school ventured into selling chocolate bars as a fundraising exercise in conjunction with the PTA. The money raised was to be available for a metal workshop if it goes ahead.

Once again it was very encouraging to see that the boys and staff were willing to contribute time and energy to make this a success. There were some outstanding individual efforts in particular Matthew Healey in form one, sold the most chocolate bars and won himself a radio/cassette player. Thanks Matthew. Mr Armstrong Benildus three and Brother Robert Solomon Four were two top selling vertical form groups. (Special thanks to Brother Robert who was noted to boost the Staffroom Sales considerably with his effort at eating chocolate and Ms Ingrid Frengley who survived on a chocolate bar lunch for several weeks). The winning vertical form groups were offered vouchers to McDonalds, makes a change from chocolate!

Thanks also to all the Mums and Dads who found that having a box of chocolate bars sitting around was too much of a temptation and ended up supporting the school with a \$45.00 donation.

MATHEMATICS

A feature of Mathematics in the College is the number of quizzes; competitions and other inter school activities that are available for the students to take part in. These activities are most stimulating and challenge the student to sort out ways to solve problems which often seem unusual.

At Francis Douglas College we encourage the students' participation and are pleased when many are rewarded with success for their efforts. We also think it important to acknowledge these successes.

NATIONAL BANK JUNIOR MX COMPETITION FOR FORM 3-5 STUDENTS

(organised by Otago University)

60 students were entered

Tim Sullivan Form 3 Certificate of Merit

FORM 5 CALCULATOR COMPETITION

The College was represented by two teams. In an exhausting hour of key pushing to solve some 60 problems in competition with some 18 teams, Francis Douglas finished about the middle of the pack.

TARANAKI MATHS FAIR

The College was unfortunately not well represented this year with exhibits but it was pleasing that Mathew McDowell of Form One received a Certificate of Merit for his poster. "A Mathematics a day is A.O.K."

TARANAKI QUIZ (Form 1-4)

The College entered 8 teams of four in competition with 60 other teams from throughout Taranaki. Our best placings were achieved in FORM ONE Placed first. FORM THREE Placed second and third equal. It's been a busy Mathematical Year which has presented the students with some interesting challenges.

SOME MATHEMATICS ACHEIVERS

BACK ROW: Adrian Gilliland (Top One Hundred BNZ) Form 7, Michael Potroz (Top One Hundred Nat. Bank) Form 4, Roderick Forsyth (Merit Nat Bank) Form 4.
FRONT ROW: Timothy Sullivan (Merit Nat Bank) Form 3, Mathew McDowell (Merit Taranaki Maths) Form 1.

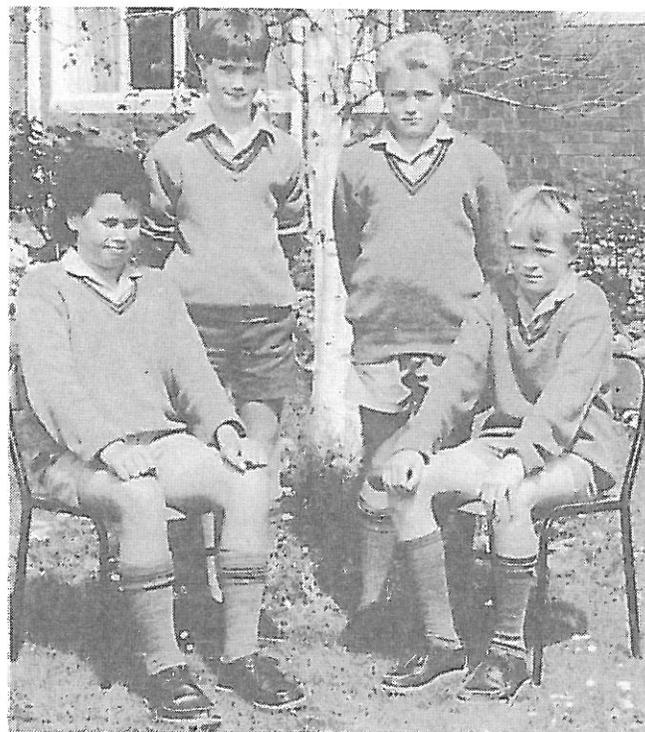

WESTPAC MATHS 'TOP TEN' STUDENTS

BACK ROW: Chris Bolton (Form 3), Leighton Butler (Form 4), Bevan Taylor (Form 5), Danny Walsh (Form 7).

FRONT ROW: Ryan O'Byrne (Form 1), Damon Dravitzki (Form 2), Mark Baker (Form 4), Matthew Dravitzki (Form 4), Clem Mustchin (Form 1).

ABSENT: Richard Prestney (Form 5).

FRONT ROW: Damon Dravitzki (F2), Mark Baker
(F4), Matthew Dravitzki (F4)

SIXTH FORM BIOLOGY FIELD TRIP

Form Six Biology had two field trips this year, one to the beach and the other to the bush. Both had elements that tested the tenacity and patience of Biologists and Saints alike.

Tide problems were the major hindrance at the beach once the transport hitches were ironed out. Lumping gear down the beach for a 90 mile hike (or so it seemed) was not fun. Once at the site, the water had to be contended with. Some dealt with this better than others (needless to say, slow Biologists are wet Biologists). Distinguishing between a lump of brown stuff and a Brown Algae were outcomes of this trip, as well as recognising that the beach is a living Bio-system with a delicate balance which is easily damaged.

The bush posed different problems although water was involved here as well. Sampling from transect lines in the rain does not improve anyone's outlook on life - thankfully, once inside the bush we were afforded some shelter. Several brachiating primates were observed during our time on this site, the species of which were very similar to the F.D.M.C. Collegous studentus. This species has other populations it seems, in the local area. Other interesting observations were made of the flora in the area and, eventually, some good reports were produced.

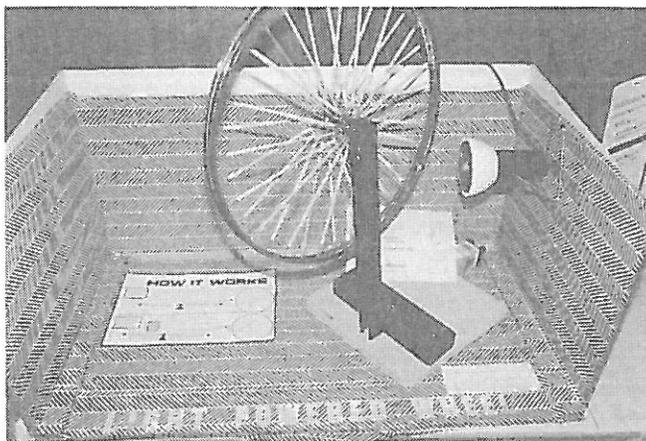

TARANAKI SCIENCE FAIR

The Taranaki Science Fair was hosted by F.D.M.C. this year at the War Memorial Hall over the Friday and Saturday of the 3rd & 4th August. Entries this year were slightly down on last years, but the enthusiasm was just as great.

The two days went off extremely well with large numbers of hungry entrants being catered for by our trusty P.T.A. The prizegiving was on Saturday morning with speeches and presentations by the major sponsors.

Andy Schaffer one of F.D.M.C. Form II pupils was awarded with two prizes: First place in the Intermediate Physical Science Display Section (sponsored by Electrocorp) and First equal for the Science Teachers Association prize of the most novel teaching aid.

Prize winners and interested pupils were supported by the Science Fair Committee to Palmerston North for the National Science Fair. The bus left early Friday morning collecting pupils from all over Taranaki and returned late the same evening. A fascinating time was had by all.

CULTURAL

JAPANESE EXCHANGE

During the 89'-90' summer holidays I went on a six week exchange to the land of the rising sun. Organised by the Lions International Organisation several hundred exchangees, aged between 16-20, travelled to places the world over. I, with 50 others travelled to Japan on the 10th of December. Once we arrived in Tokyo, our party split and we travelled in groups to various areas around the country. I lived with two families in the bottom island of Kyushu.

During my stay I experienced many aspects of Japanese life. These included learning various martial arts and sports, visiting numerous shrines and temples, a fishing trip on a trawler, tours through some of the most up-to-date factories in the world and attending school for a week.

Students in N.Z. have life easy compared to their Japanese counterparts and our teachers don't know what they're missing. The day starts at 7am and

finishes at 8pm for 6 days a week. The only reason that any of them survive is because they seem to get by on about 5 hours of sleep a day. This ability must be linked to their diet which is almost entirely different from ours.

While there I sampled raw fish, octopus, jellyfish and almost anything else I could think of. Suddenly I began to see why they couldn't sleep at night.

I was completely overawed by the Japanese peoples generosity, energy and intensity. Although wealthy, they don't hoard their possessions and are very unselfish. The energy they directed towards whatever they attempted was always an eye-opener, it appeared that I had found a nation filled entirely with perfectionists. It was their intensity that I eventually failed to handle, I continually felt that my "space" was being invaded while they, who were used to being crowded, couldn't tell that anything was wrong.

At the end of my stay, even though I had fallen for the people and places of Japan I was ready to go home. As once said by the Dreaded Pirate Roberts : Not a bad place to visit, but I wouldn't build a summer home there.

Clinton Sullivan

STUDENT EXCHANGE TO SWEDEN

One Sunday evening I had settled in watching television, on a cold and dreary evening, the rain drumming on the window and the heater radiating, dispelling the cold of the night.

The phone rang, (I would leave it for my sister. No doubt one of her friends phoning up for a gossip session), but no, it was for me. It was Rotary. Had I been accepted to go overseas?

A few months earlier, I had applied to New Plymouth North Rotary Club for their sponsorship on an exchange overseas for a year. After having filled out myriads of forms and having faced two dreaded interview panels, I finally knew that I had been accepted to go to Sweden for a year!

My first reaction was that of elation and joy and I immediately searched for the atlas in the depths of the cupboard and discovered that the Southern most part of Sweden (the warmest) was comparable in the Southern Hemisphere to Cape Horn!

The first doubts began to set in. What was I letting myself in for. A completely new culture and country which will no doubt shock and give me a new outlook on life.

But I do not intend to let this great opportunity pass me by. On January 9 I will leave for the best year of my life and hopefully live to tell the tale. Watch out Sweden, here I come!

Adrian Gilliland

ART CAMP 28th - 25th MARCH

We arrived up at the school about three o'clock in the afternoon. We got our art materials together, that we were going to take to Tongaparutu.

Two parents Mrs Strange and Mr Little transported two groups of boys out to the hall. The rest of us received rides in the school van, driven at a safe and speedy pace by Brother Robert.

When we arrived at the hall we immediately set up our beds that we would sleep in for two nights. After making ourselves at home, a few of us went out for a wander along the river mouth while it was low tide.

That night we had easily cooked food such as pizzas, spaghetti, baked beans, corn and noodles. Some of us managed to eat and draw at the same time so we could go outside again after tea.

Matthew Tui bashed away on the piano on and off during the stay and most of that night.

Highlights of the camp were the sculptures which we turned into a bon fire after we had taken photos of them all; Body surfing out in the river mouth, despite the rumours of sharks and rips. Jumping off the bridge into the water a considerable distance below most of us went more than twice.

But of course the whole camp was a highlight and a very worthwhile experience for everyone of us in many different ways.

Andrew Gray.

KAHURANGI PERFORMANCE

Last year a travelling Maori Culture Group called Kahurangi performed for us. They were highly entertaining and a good time was had by all. This year, Kahurangi returned and I was asked to gather a group of young intelligent boys to welcome them. This was a group of twenty students ranging from Form One through to Form Seven and it was decided to perform a welcoming waka called Toi e amai. Following this decision were a gruelling two days of solid practice where Shane Bennett and myself endeavoured to teach these brave youngsters the actions and words. The quick-learning abilities of the group was inspiring and a good indication of this school's worth in the community.

"D-Day" was here, the boys were nervous; the assembly bell rang and we were on stage. The gym filled fast and the last to enter was Kahurangi. I gathered all my energy and burst into a yell of "Toi e amai" and as if I had blinked, it was over. We had welcomed them well, the deed was done and our spring had produced flowers.

Kahurangi came on stage and gave us another rip-roaring performance - they really lifted the roof. Included in their performance were a beautiful poi, and an action-filled taiaha sequence. During this performance, three boys were asked up and did their best to keep up with some of the taiaha moves. To put it nicely, they were terrible but we all enjoyed their foolhardiness.

Kahurangi's performance was culturally uplifting and was another step in the quest to learn more about Maori culture. In closing, I hope Kahurangi come back next year and again grace the school with their wealth of knowledge.

Dwayne O'Leary

THE O'SHEA SHIELD

This year's O'Shea Shield competition was held in Hawkes Bay at St Josephs Maori Girls College Taradale, Napier. The theme of the year was built around 1990 and we were given a full Maori welcome onto the school marae at the beginning of the weekend. Our team performance was very creditable, scoring 21 out of a possible 40 points. Our best result came from Sam Richardson winning the Junior Prepared Speech for the second year running. His speech most appropriately was on the N.Z. National Anthem. The debating team of Tim Russell, Campbell Norgate and Mark Baker was successful in winning their debate and scoring distinction as they debated "That N.Z. is one people" Our drama team was awarded distinction for their drama based on the Second Coming of Christ which was directed by Br. Geoff. Billets were provided by St Johns in Hastings and these helped to make for an enjoyable weekend. Next year we head for Wellington again. Good luck to the team in 1991 carrying on the tradition.

AGRICULTURE REPORT

Growing potatoes is an important element of the Agriculture course at FDMC.

One acre of potatoes is grown each year which supplies the hostel needs and provides fodder for pigs as well.

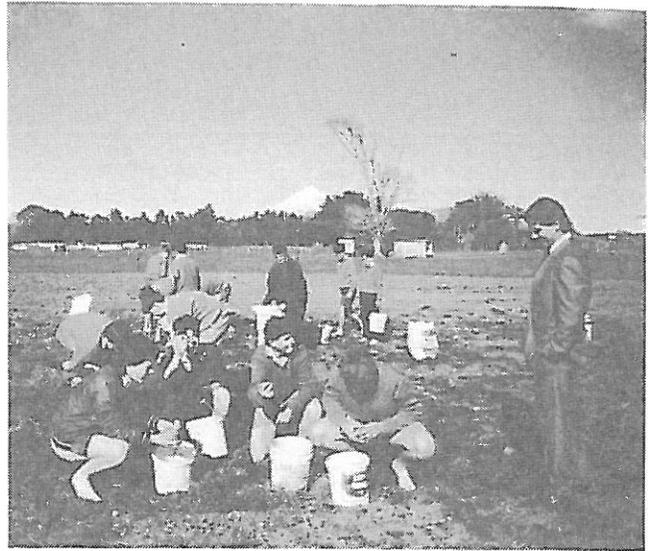

Planting and picking is done by the students while cultivation and digging is done by machine.

One tonne of seed is sown each year and this provides a crop of ten tonnes of good table potatoes.

The boys enjoy the feeling of the soil around their toes, as barefooted they pick up the crop in the fresh morning sunshine.

While the temptation may be great most pickers refrain from the cardinal sin of throwing potatoes as the field master does not take kindly to it.

Brother William

HORSE TRIALS

On 2nd April 1989 there was an Inter Secondary Schools equestrian event. Each school provided teams of 4 riders to compete in 3 disciplines - showjumping, dressage and a cross country course.

Francis Douglas combined with Sacred Heart. Our team consisted of Blair Richardson, Kate Cotter and Rosemary Haszard.

The event was held at the AFCO farm at Waitara and competition commenced at 9am with the Dressage.

27 teams took place in the event. Our team did well in the Dressage and we were looking forward to the next places. In the showjumping we all took a rail or had a stop. Not quite so good but still good enough to keep us right up there.

The final phase, cross country is the most exciting part of this event, riding fast across country and jumping about 23 different fences to jump. All three riders went clear. A good cross country round from us all. At the end of the day a very satisfying 7th place for our team.

Blair Richardson

PAPER BOYS

Paper boys deliver papers. Paper boys are usually boys. When I was little I wanted to be a paper boy or a milk boy. I used to wait for the paper boy at 6 O'clock. My Dad used to be a paper boy. Dogs are the biggest problem for paper boys. One day in the paper I read "Paper boy lost his hand to dog". You get paid for doing a paper run. Newspapers sell for 45c. The papers make their money from ads. There are four papers in New Plymouth. The Daily News, Weekender, Midweek and Ragtime. I would like to deliver Midweek, Weekender and Ragtime. I wouldn't like to deliver the Daily News because you have to get up early and its every day except Sunday.

James Faull

SOCCER

Spirits are high for the new coming year.
We were once in youth by now premier.
Practise is hard and so are we.
If you watched our last game then you'd see.
Although we've won one and also lost two
We try our hardest what else can we do.
We look quite smart in shirt and tie
Unlike the others we'd make you cry.
As well as our shirts we have a great strip.
We also look good when we are pitted in it.
We play like we look, elegant but firm.
Maybe because our coach is so stern
But still we have a season to finish
Hope we go on without a blemish.

John Clark

TRIP TO PRODUCTION OF MERCHANT OF VENICE

On a Thursday in March, the Seventh Form English classes travelled down to Massey University, Palmerston North, to see the Massey University Drama Society (M.U.D.S.) production of Shakespeare's "Merchant of Venice".

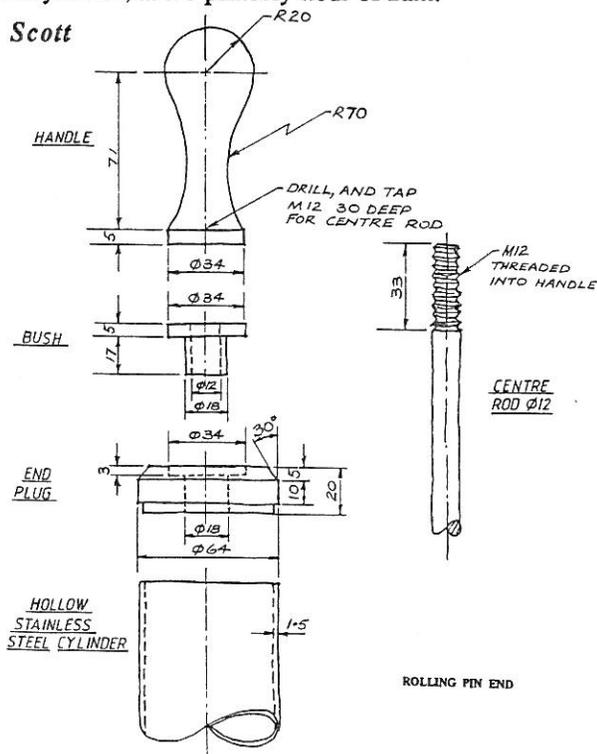

Accompanied by Mr Marris, Mrs Edwards and Mrs Ryan, we left school at 3 pm, driven down South by Okato Coachlines and to some of us, the familiar face of Dave Oxten. This now frequent pilgrimage to Palmerston North, was broken by the traditional stop at McDonald's Wanganui, before arriving on a typically atrocious Massey night. The production went from 8pm to 10.40pm, in a lecture hall converted into a theatre.

This subtle combination of comedy and tragedy, was viewed spellbound, and was intended to help us in the future study of the same play. Those not accustomed to the Shakespearian tongue, were grateful for the plot synopsis they had received earlier, but all enjoyed the ornate costumes and revolving scenery.

Interrupted only by a short interval, the scenes seemed to fly by, as the music of the flutes, and the scenery, got more and more familiar. Even the non-Shakespearian buffs scattered sparsely in the packed audience, could not find fault with the play when it gracefully came to a close, and all were impressed by the display of the various actors, and their supreme exhibition of faultless mass-memorization.

Reluctantly, we farewelled the world of Shakespeare, reboarding the Coach, and returning to the harsh realities of New Plymouth, at the princely hour of 2am.

Paul Scott

WORK EXPLORATION REPORT

During the year 82 boys in the senior school have taken advantage of the opportunity to explore a whole range of career options with the support and co-operation of employers throughout Taranaki. Placements have ranged from half hour appointments to discuss a particular career goal, to opportunities to observe and work alongside people involved in a specific type of work, for several days.

A pleasing feature has been the wide range of jobs explored 53 different types of career to date. Feedback from students and employers has been very positive. Boys have gained a realistic understanding of what is involved in the actual work and they have been helped to set personal goals in order to achieve their objective. Many have reported increased confidence from finding that they can cope in new situations and relate to the staff employed there.

The success of the programme has been largely due to the generous response and co-operation of the employers involved. They have gone out of their way to plan worthwhile experiences and have supplied helpful written comments with the boys' best interests in mind.

Mary Cubie.

LINK PROGRAMMES

LINK has continued as an alternative option in 5th, 6th and 7th Form. It has provided help with career ideas and decisions about future education and training. More than 60 boys have been provided with a "hands on" situation in many polytech courses.

LINK courses have been held during school hours, after school and during holidays. The programmes can be two or three hours a week or one or two days a week or a block course of a week.

Types of LINK courses available during the year have included motor car maintenance and welding introduction to journalism, try a trade, photography, nursing, computers, maori awareness, art and design, safety and laboratory techniques and horticulture.

In 1991 LINK is going to receive more government funding and with the larger number of students staying on at school in 5th, 6th and 7th Form there needs to be vocational training for people who cannot handle the academic curriculum.

LINK can give a goal for students who are not being served by the school.

J.P. Dowd

FRENCH CLUB

This year, our French Club met fortnightly with Mrs Anderson and occasionally Brother Robert porler francais un peu and to generally better accents while consuming a little French Cuisine.

The speed with which slices of gateau were demolished has to be seen to be believed. Of course the attraction was always beyond any shadow of doubt, more to improve ones accent rather than to indulge in the French gastronomic delights.

The aim of the Club is primarily to keep 3rd form students who study French early in the year both interested and 'fluent' in oral French, especially if they intend to continue French as a fourth form option.

Thanks to the students who came regularly and to Brother Robert for the ingenious French Vocal programme he devised for use on the computers.

We look forward to a good year in 1991, building up French in the school by taking it into the School Certificate programme.

Front Row: Matthew Kurth, Bevan Taylor, Rowan Johnston, Gavin Loader, Johnny Louie, Karl Gilberd, Simon Gorringer.

MUSIC TRIP TO BRISBANE

AUGUST

At 9.30 a.m., on August 17th, 30 people gathered at New

Plymouth Airport to begin the journey to Queensland; estimated arrival time in Oz - 5 p.m. We finally left New Plymouth at 12.30 p.m. and would you believe, flew to Auckland, Northshore, Auckland, Hamilton, Auckland, SYDNEY and then on to Brisbane arriving at our destination at nearly midnight their time. Five airports in one day was not our original intention.

At 8.30 on Monday morning we made our debut by playing at Frawley College. Frawley is a co-ed school of only 6th and 7th formers. From there, it was a forty-minute bus trip back into Brisbane to the performing Arts Centre.

Early Tuesday we began the two hour bus trip to Villa La Salle Retirement Village at Surfers Paradise where we gave another performance and were treated to a special lunch. A couple of hours R & R in the Queensland sun soon revived one and all. Wednesday we played at De La Salle Scarborough and then another trip, this time to Boystown. This is a school for boys from 8 to 15, with special needs - particularly the need for a secure home environment and acceptance. The boys live in villas on a very, very large farm. They learn trades skills and farming as well as usual subjects.

On Thursday everyone enjoyed the excitement of the rides and shows at Surfers Sea World and a chance to sight-see in Paradise. Friday took us back again to Brisbane via Lone Pine Koala Sanctuary. New shoes seemed to be at the top of everyone's shopping lists. On Saturday, we literally went to Scarborough Fair. This is a combined Gala between Frawley, De La Salle and Soubaru Girls' College. Here we gave another performance and then combined with the 70-strong wind-band from the colleges. - Some people even rode the camels.

A tired group boarded the plane at Brisbane Airport at 1 a.m. for the trip home via Wellington.

It was hard work, it was a lot of fun and we feel Francis Douglas was well represented by its orchestra, drum corps and singers. No trip like this one could take place without support from many people. We say a special Thank you to the Parent Committee for hours of dedication and to our parents for everything they did to make the trip possible. Thanks also to our sister college for the loan of a musician.

TARANAKI SYMPHONIC YOUTH BAND

Taranaki seems to be well endowed with talented musicians, many of whom are members of its Youth Band. Francis Douglas is well represented by Greg Raine, Rowan Johnston, Robert Hignett and Dominic Winter.

The Band, under the direction of Mr Don Boyd and Mrs Margaret Purdy travelled to Sydney in July to perform in the Sydney Opera House at the South Pacific Festival. Three members of the band were selected to play in the Festivals Elite Band and this included one member from our college, Rowan Johnston.

Recently the band competed creditably at the N.Z. Symphonic Band Champs held for the first time in New Plymouth.

This group of dedicated young people practice every Wednesday night from 7.30 till 9.30 p.m. at the Boys High Music Suite. During the year they perform at various functions throughout the province. Prior to their departure for Australia, Mayor David Lean paid tribute to the band by making them Cultural Ambassadors.

Congratulations to the Band and to our representatives on their achievements.

NZ SECONDARY SCHOOLS TRACK- FIELD CHAMPIONSHIPS AUCKLAND 1989

A team of nine athletes left New Plymouth by mini van after the school was shaken by a good earth tremor. Staying in a motel close to Mount Smart Stadium the team had a busy and enjoyable weekend. The boys relished the opportunity to compete in the 1990 Commonwealth Stadium. Good performances came from Mathew Dravitzki (14th Final JB 3000), Robert Bolton (14th SB Javelin) and David Bolger in the JB road race. The rest of the team particularly in the sprints found competition extremely tough but ran close to the best times.

A tired group of athletes returned home Sunday evening to a well earned rest. Our thanks to Mr Coldicott and parents for their coaching and fundraising efforts.

1990 HERTZ INTER-SECONDARY ATHLETICS LEAGUE

Well its been a long time coming but 1990 saw F.D.M.C. win the twilight league for the first time in 11 years. Finishing 2nd on the first night to Stratford meant the team had to win the second night which was achieved. However Stratford were beaten into 3rd by N.P.B.H.S. giving the school outright victory. And sweet it was.

Congratulations to all those boys who participated so well in this teams event and to Robert Bolton who established a new school Senior Boys Javelin record.

Final Points:	
F.D.M.C.	14
Stratford	13
N.P.B.H.S.	11

Placings:	
1st placings	13
2nd placings	16
3rd placings	10

Overall, a total of 39 placings from 50 events!

TARANAKI SECONDARY SCHOOLS ATHLETICS RESULTS

N. Smith	1st	4.03.8	Steeple 1000m (JB)
N. Dagger	2nd	4.06.3	Steeple 1000m (JB)
S. Kelly	1st	4.56.5	Steeple 1500m (IB)
D. Bolger	3rd	5.03.6	Steeple 1500m (IB)
S. Healey	3rd	33.16m	Discus (IB)
M. Wills	2nd	7.17.5	Steeple 2000m (SB)
B. Heal	3rd	12.22.0	Walk 2000m (SB)
W. Christiansen	1st	1.71m	High Jump (IB)

J. Herlihy	2nd	2.22.4	800m (JB)
D. Murray	3rd	2.16.2	800m (IB)
S. Healey	3rd	10.96m	Shot Put (IB)
M. Dravitzki	2nd	10.18.0	3000m (IB)
M. Newman	2nd	4.86m	Long Jump (JB)
M. Myers	2nd	26.5	200m (IB)
S. Kelly	1st	10.33m	Triple Jump (JB)
P. Barrett	3rd	38.94m	Javelin (IB)
Teams	3rd	53.9	4 x 100m Relay (JB)
	2nd	48.9	4 x 100m Relay (SB)

On a slow damp track, and long grass for the throwers to contend with, athletes performed well and in some cases above expectations. Sean Kelly was probably the big surprise winning the Intermediate Steeplechase and being runner-up in the 1500 metres. Young M. Neuman jumped to victory in the Junior Triple Jump as did Wayne Christiansen in the Intermediate High Jump. Based on their good performances Christiansen and Neuman and Michael Wills were selected and competed in the North Island Secondary School Championships.

MIDDLE BACK: Jacob Novak, Russell Price, Shelton Healey, Stephen Iremonger.

MIDDLE FRONT: Brother Geoffrey Kennelwell, Brendan Heal, Brian Lawn, Tony Burton, Stephen Anderson, Damon Newman, Mr John George.

1ST XV REPORT

This year's season was an up and down one, with the boys playing extremely well one Saturday then the next Saturday, not so well - but that's Rugby.

The team consisted of a young and new back-line and a couple of new forwards that were inexperienced at the level of 1st XV Rugby. A large percentage of the forward pack was experienced and this helped the team alot at the start of the year and during it. I must admit that the younger members adjusted very quickly to the commitment, determination, pride, toughness and speed of the rugby that was ahead of them. The older and more experienced guys taught the others alot about the game which is what I think a team is all about. We wanted everybody in the team playing at their best as well as enjoying themselves because, as the saying goes, "the team is only as strong as its weakest player."

As the season progressed, the team spirit and skills increased and improved. We began to learn the game of rugby and to play to our potential. However, inconsistency in finishing off try-scoring opportunities was a problem the team faced. Apart from this, we scored some brilliant tries which proved our potential. As a whole, the team learnt alot both at home and away from the province.

I would like to sincerely thank the team for their commitment and effort throughout the year. I hope they remember all the good times we had together and I wish the guys returning the best of luck in their rugby for next season. Also, on behalf of the team, special thanks to Mr John George our Coach, who always put 100% into our training, motivation and learning of the game. He is a great asset to rugby at the college and we wish him luck for his future encounters. Brother Geoff, our Manager and first-aid man also did a great job this season for the team. He looked after all the guys' problems and needs and was always keen to help. On behalf of us all, Thank you for your support.

Last, but by no means least, are this year's very loyal supporters. Your support was amazing and encouraged the team alot in every area of the game. We hope you enjoyed coming to watch and travelling round with us. Also, thank you for your great after-match functions and we hope your support carries on next season.

Thanks to the hostel for the use of their facilities also. All the guys who are leaving wish next year's team, management and support the best of luck next season and to play, coach and support with the pride of F.D.M.C. in their hearts.

Shane Bennett, Captain

2ND XV

This years 2nd XV was a mixture of players of varying ages form F4 to F7. Despite this spread of ages the team operated well together both on and off the field. It was also pleasing to see players making the effort to get to practices throughout the season.

In terms of results things were a little mixed, with several big losses, one to the eventual Secondary School Champion Opunake High School, and some very close games. We seemed to specialise in being "pipped at the post" but did manage several good results, the best being our first up defeat (4-0) of Boys High 3rd XV which eventually cost them first place in the grade.

Thank you to all the players who gave of their best during the season and to the many parents who supported us and transported us during the season. A special thank you must also go to Mr Dowd who managed the team so well and provided so much support to the team.

Martin Dravitzki

2nd XV Rugby:

Back Row: Greg Raine, Kane Paltridge, Bobbie Gillington, Shay Lake, Robert Wenzlick,

Middle Row: Mr Joe Dowd (Manager), Andrew Bailey, Heath Little, Justin Marinovich, Matthew O'Sullivan, Shaun Muir, Mark Richardson, Mr Martin Dravitzki(Coach)

Front Row: Michael Dowd, Nathan Iremonger, Damian Morressey, Willy O'Donnell, Jarrod Campbell, Warwick Glen, Brian Lawn.

3RD XV REPORT

This year saw the revival of the Third Fifteen. The team consisted of many up and coming 4th and 5th formers and a few late-blossoming 6th and 7th formers.

The highlight of this year was when we triumphed over Boys' High on our home ground. The crowd support was brilliant and we played in great form. However, we had a bad season on the Points Table, going down by one or two points to opponents at least four times. Nevertheless, our team spirit remained and we were, although at times a little disappointing, not a team to be taken lightly.

I would like to acknowledge the great help and availability of our coach, ex-Taranaki backliner Trevor Smith, and also our Manager, a man with a great wealth of rugby knowledge, Mr Gary Prestney. Thank you.

I would like to thank the boys for a great playing season. It meant alot to me personally and what I put in I most certainly got out of it. In closing, I wish the younger guys this year, well in their rugby futures, and also make a toast to more 3rd XV teams in the future.

Dwayne O'Leary

RUGBY 3RD XV

BACK ROW: Adam Coogan, Matthew Comber, Richard Prestney, Liam O'Sullivan.

MIDDLE ROW: Bradley Edhouse, Shane Moore, Dion Ratahi, Brian Dettling, Nicholas McGuinn, Frank Hagenson.

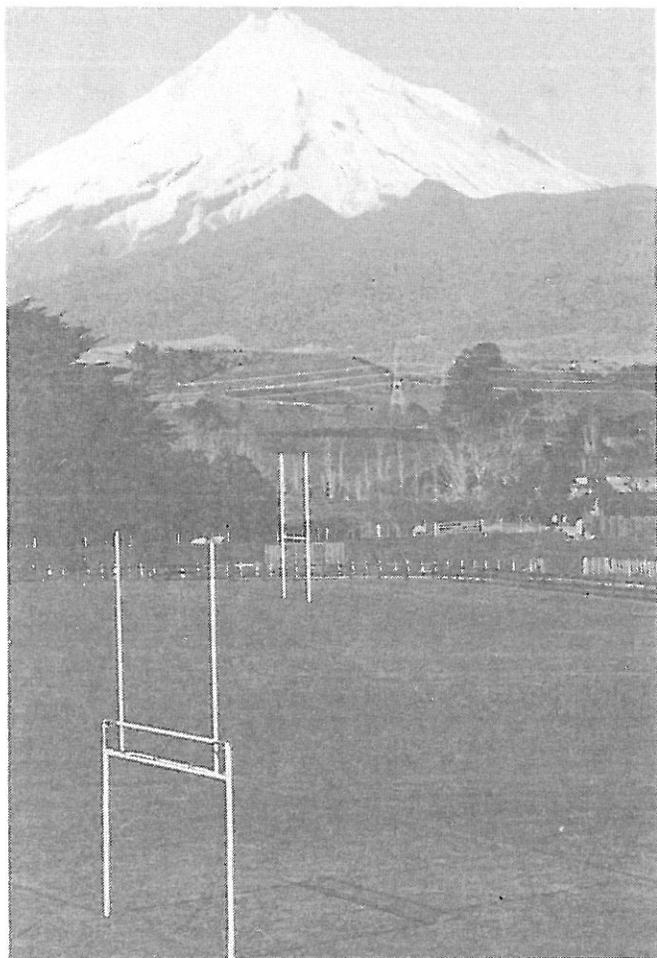

FRONT ROW: Minh Nguyen, Zane Barnard, Dwayne O'Leary, Sean Netherway, Wayne Williams.

C GRADE BLUE

This year's C grade competition had 14 teams which necessitated a split into 2 dimensions. FDC Blue was placed in the A division which compromised the top 8 teams. Later in the season this dimension was split into top 4 and bottom 4 which provided for some really tough, and in most cases even competition.

The team eventually made the top 4 and was placed 3rd overall. On 2 occasions we were soundly beaten by BHS but all other losses were 50/50 games. The lack of finishing skills and real match fitness cost the team second place.

On the positive side there was considerable development and improvement from some players. L. Butler had a tremendous season as did M. O'Dea. There was good consistency from J. Coulthard and D. Murray and generally a solid effort from the team as a whole.

RUGBY C GRADE RED

Started season off with a bit of a loss when we lost our coach and several players who couldn't commit themselves. This didn't set us back too much. We still managed to stick together as a team and see the season out.

We had a few losses to start with but we then began to pull ourselves together and we had a couple of very close games. Finally with the help of Mr brooking we pulled our socks up and played our best game all season beating Patea 24@0.

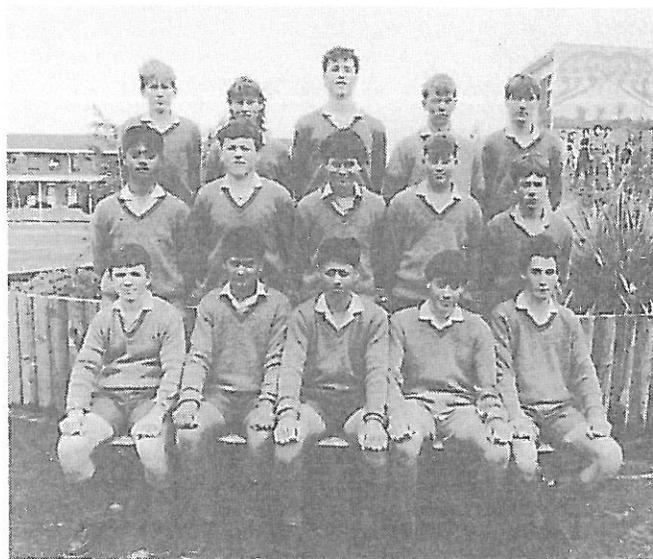

RUGBY C GRADE BLUE

BACK ROW: T. Manton, M. Phelan, D. Pickering, J. Taylor, A. Manton.

MIDDLE ROW: G. Aspin, M. O'Dea, J. Coulthard, D. Murray, Mr W.G. Armstrong.

FRONT ROW: P. Goodin, L. Butler, J. Cookson (Capt), C. Fleming, C. Walsh.

ABSENT: R. Smith, G. Walton, J. Appleyard.

RUGBY C RED

BACK ROW: Steven Uhlenberg, Shawn Butland, Joshua Lawrence, Leslie Rivers, Kieran O'Sullivan.

MIDDLE ROW: Boyd Healey, Alain Potts, Darren Hocken, Jonathan Glass, Neville Hurley.

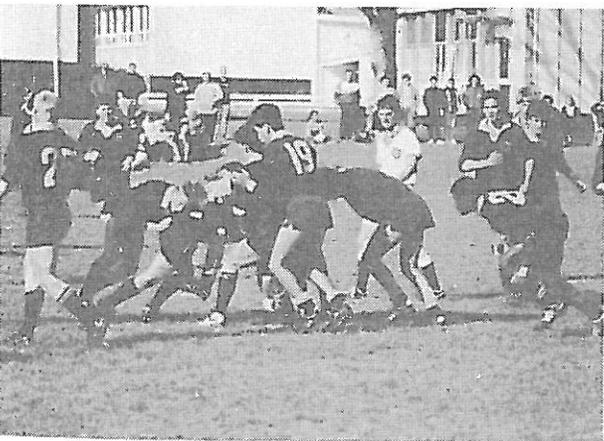

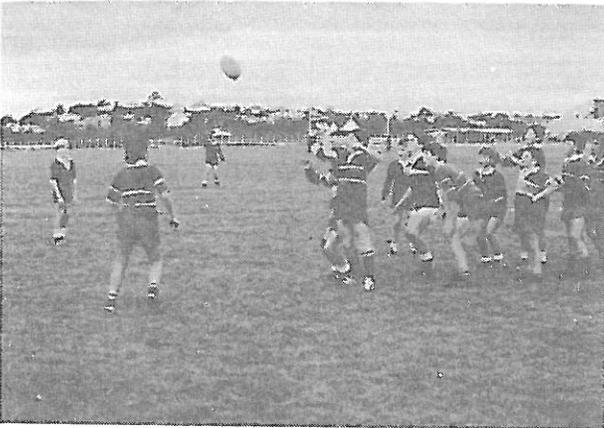

FRONT ROW: Jeremy Richards, Peri Manu, Daniel Broughton, Jason Bartlett, Steven Williams.

E GRADE RUGBY

The team was defending the E grade championship won by FDC in 1989 and looked as if they would be successful for most of the season. They won their early games by some very large scores and improved from week to week. However a demoralising draw against a large Stratford team saw them lose confidence in the middle of the season and they suffered two defeats. Their last game was a superb exhibition of team rugby, forwards and backs combining very well and winning 54-0.

There were some very talented players very ably led by Anton Winstanley. Half back Aaron Gopperth and goalkicker Toby Mann were others to have excellent seasons.

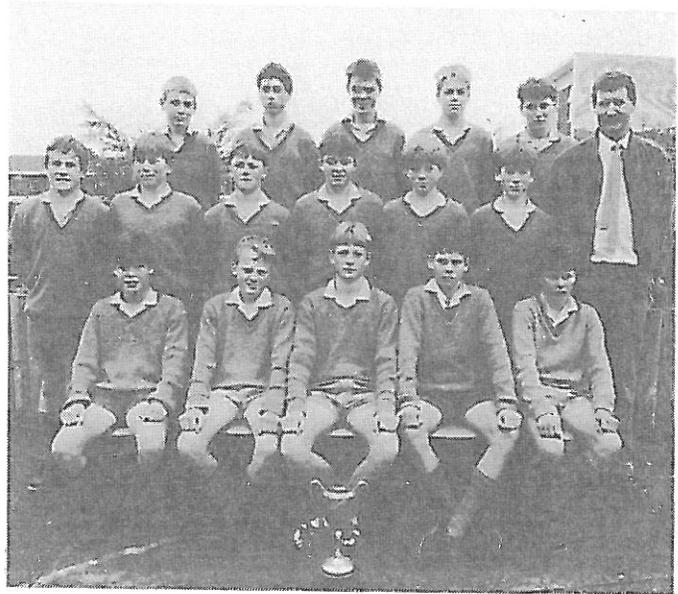

Played 13, won 10, drew 1, lost 2, runners-up in Taranaki E Grade competition.

RUGBY D GRADE

An excellent team with loads of talent, all players having lots of ability.

Played some superb rugby notably against Hawera High School (1st round) and Spotswood College (2nd round) in atrocious conditions. Inconsistency was worst enemy, losing to other teams rather than them winning Taranaki Championships.

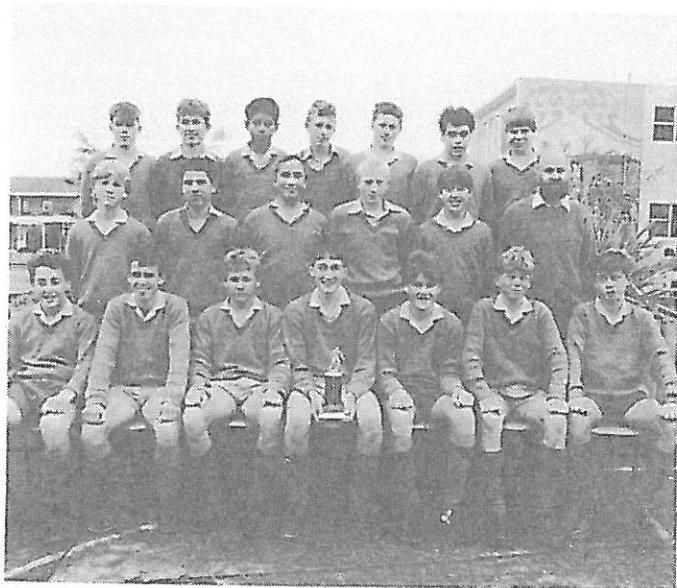

RUGBY E GRADE

BACK ROW: P. Dettling, M. Larmer, A. Lockley, T. Temple, G. Fleming

MIDDLE ROW: S. Richardson, L. Hart, C. Goodin, S. Rutherford, S. Aspin, T. Mann, Mr G. Blanks

FRONT ROW: N. Smith, L. Franklin, A. Winstanley, S. McDonald, A. Gopperth

RUGBY D GRADE

BACK ROW: Aaron Openshaw, David Suker, Orson Beg, Ajarn Patten, Ben Gilmore, Melios Newman, Matthew Wenn.

MIDDLE ROW: Gareth Franklin, Dion Tihema, Simon Kurth, Royce Osborne, Chris Barneo, Mr Peter Costello

FRONT ROW: Jonaihan O'Sullivan, Malcolm Keegan, Tony Williams, Gareth Collings, Dean Hickey, Paul Winstanley, Emmet Herlihy

ABSENT: Craig Dockar, Jason Galvin.

RUGBY

BACK ROW: Michael Sullivan, Graham Keinzley, Ryan O'Byrne, Br William.

MIDDLE ROW: Simon Brown, Thomas Dyett, Jason Larmer, Matthew Healey.

FRONT ROW: Matthew Gray, Matthew McDowall, Brendan Goodin, Brent Taylor, Nathan Mouat.

10TH GRADE RUGBY

"Run the ball" was the coaches call from the sideline and this was the key to our success. Jason Larmer, Brendan Goodin, Nathan Mouat, Brent Gray and Brendan Thompson all showed exceptional speed with the ability to beat a man and score tries.

A hard driving forward pack lead by Graham Keinzley, Che Taiaroa, Brent Taylor, Simon Brown and Matthew Healey matched most packs and set the ball up well for the backs. Skillful and much improved players were Michael Sullivan, Thomas Dyett, Ryan O'Byrne and "Ace Goalkicker" Mathew McDowall. Good parental support, a satisfied coach and our share of excellent wins made for a top season of rugby.

Br. William

9TH GRADE RUGBY

Played 12 games. 8 wins.

Although rather a very average season the ninth grade enjoyed some open and enjoyable rugby. Players to stand out were Tim Stuck at half back. Ian Utiger and Tim Fleming played some very positive rugby topping the season off making the Taranaki Primary School reps. Nathan Dagger and Brendan Clegg played with spirit and enthusiasm ably helped by Kelly Ryan and Deacon Manu. Our thanks must go to our very able coach Mr Mike O'Reilly who gave up his time to coach us on Saturdays.

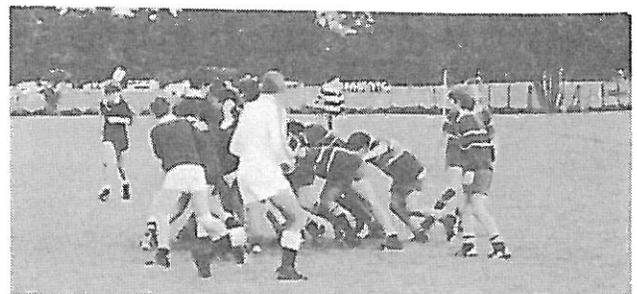

RUGBY 9TH GRADE

BACK ROW: Brendan Stenner, Ian Utiger, Deacon Manu, Craig Dettling, Shaun Iremonger.

MIDDLE ROW: Rodney Probyn, Simon Mulligan, Nathan Dagger, Kelly Ryan.

FRONT ROW: Jonathan Tringham, Brendan Clegg, Timothy Fleming, Simon Dombroski, Tim Stuck.

ABSENT: Mr O'Neill Coach.

T.S.S.R.F.U. RUGBY TRIPS

Pukekohe & Aussie

The first Sunday of the August holidays we left New Plymouth and were off to conquer the Northern Regional teams at Pukekohe. We were in a squad of 22 which was selected during the year and was finalised at the end-of-season trial. Our management was Coach Dave Moore (N.P.B.H.S.), John George and Martin Dravitzki (F.D.M.C.). There were nine teams in the tournament and we were drawn against, in our first round, Auckland and Thames Valley. Our first game on the Tuesday was against Auckland. It was a wet day and the team played extremely well only to lose 7-3 in a tight game. Next up were Thames Valley which we beat 12-9. We then went on to beat Waikato by a large margin and to cap it off, we beat the host team Counties, 12-8. We ended up 4th over-all which was by far the best position Taranaki has attained in many years. We enjoyed the tournament and the team was eager to crush the Aussies.

After a surprisingly smooth flight on United Airlines, we arrived safely at Sydney International Airport. We then had a two-hour bus trip to Gosford (which turned into a three-hour trip because of a blow-out) - "What a welcome." we thought. We finally got to Gosford and were billeted out. It was a beautiful place with heaps of hospitable people. We played Central Coast Rugby Club and comfortably disposed of them 47TM0. We spent four days in Gosford and enjoyed the sight-seeing, shopping, the win and of course, the nights on the town.

We then travelled back to the big smoke of Sydney and also were billeted out. This was the big clash we had been waiting for, N.S.W. They had a big reputation in beating WSS and were very confident of victory over us. We had a couple of days' rest with a practice in between. In this time, we went to see every sight possible - Sydney-city, tower, harbour, Kings-X, Manly and Bondi. It was a real eye-opener and a great learning experience. Sydney is a massive place - around 5 million people. It has many tourist attractions and sights but most of us agreed, we preferred Gosford - probably because it wasn't so large or fast.

The test match arrived and the boys were determined to win - this we did, 10-0. It was a great victory. The Aussies were moaning and we were laughing. It was the position we preferred. We celebrated the win that night.

Our last destination was Paramata - a suburb of Sydney. The team we played there were Metropolitan West. The team was getting tired by this stage but were determined to go home unbeaten. We maintained our goal by beating them 53-4.

The team was pleased overall with both tournament and Aussie - it had been a hectic few weeks. It would have been nice to stay a few more days but time and money took control. We got back to Auckland Airport and were quite pleased to be back on our own turf. We had a bus trip back to New Plymouth which was a bit of a drag but most of us slept on the way. New Plymouth was a beaut site smaller than we have been used to but great to be back in.

Overall, the few weeks were a great success and we would like to thank the management and the guys for a great time.

CRICKET

1st XI:

*Back Row: James Backhouse, Justin Marinovich, Graham Bolton, Robert Bolton, Patrick Longman, Adrian Burn
Front Row: Blair Brookes, Andre Manton, David Clark, Trent Manton, Michael Parrant*

CRICKET

The state of Francis Douglas Memorial College Cricket continues on a very sound basis thanks mainly to the support of some dedicated parents, some willing teachers and a generally enthusiastic group of cricket players. The performance of our players has continued to flourish with many boys selected for representative honours and of particular note, Trent Manton who was selected to attend a National Coaching School.

This year the College 1st XI fielded a team in the third grade competition to foster the development of the large number of younger players in this team. The decision was a successful one and the team with Mr Alan Manton as coach and ably supported by Brother Lawrence finished second equal in the competition.

The second XI was coached by Mr Paul Fitzgibbon who was able to offer his services to this 4th grade Division 1 team. The team consisted of a number of players verging on 1st XI selection and represented themselves well in the morning grade managing to have a few successes over their Boys High rivals.

The 4th grade Gold team was rescued by Mr Mike McDonald who travelled from Stratford each weekend to support this team, which consisted mainly of boarders, and without his efforts would surely have folded.

In the 5th grade competition we had the services of Mr Richard Crowe who was able to take this team of very good cricketers to some excellent victories over their opponents.

The 5th grade blue team featured some excellent participators and although victories eluded them often their enjoyment of the game did not diminish. Unfortunately the lack of a coach who would be with them each week meant opportunities to practice were few and far between. I would like to thank Mr Pickering who was able to transport these boys whenever there was an away game.

The form 1/2 team was coached by Mr Kevin Murphy and Mr SteveKale and contained a large number of promising players who should feature in College Cricket in the years to come.

The Form 1 team coached by Mr Graeme Mustchin were able to record more wins than losses in this grade. A notable feature of this team being the high level of participation by all members of the team, in both batting and bowling.

All of these teams join with me in thanking the contribution made by these coaches and supporters throughout the 1989@90 season. Their hours of unseen work and unpaid travel have made an important contribution to the game of cricket at Francis Douglas Memorial College. I trust their endeavours will be rewarded with the knowledge that others are willing to support the teams in the future and share in the enjoyment of the game.

*Mr Peter Hill
Cricket Convenor*

1ST XI CRICKET REPORT

The 1st XI cricket team went through a rebuilding stage this past season as several seniors who had left school were unable to play for us. This left the team relatively young and inexperienced with only 3 members remaining from the previous season.

Playing in the senior 3rd division and after a less than successful first round of competition, we went on to record 8 straight victories beating every team. This was due to a superb batting effort and brilliant fielding.

Unfortunately, we couldn't maintain this and finished in 2nd place.

Our final game of the year was a trip to Palmerston North to take on St Peter's College. In a low scoring game we ended up losing the game by 20 runs, but the team thoroughly enjoyed their stay.

Thanks to Mr & Mrs Manton who helped out each week and our loyal supporters.

David Clarke
Captain

CRICKET COACHING

It started off with a surprising phone call from C.D. Manager, Blair Furlong, asking if I'd like to go to a N.Z. Coaching Development Clinic. I happily accepted and before long I was on my way to Auckland and then on to Napier. I went with Karl O'Dowda and a South Taranaki cricketer so I felt alright that I wasn't the only Taranaki cricketer going. We landed and went to Angley Park where the clinic was, and I met my coach, Ashley Mallet an Australian cricketer, spin bowler. He taught me new techniques and styles and I was very pleased.

The first day seemed to go quite fast but that didn't really worry me as I wasn't really settled in. During the course of the weekend I met a few well known cricketers, like Danny Morrison, Willie Watson, Ian Smith, John Bracewell, Denis Lillie and of course Ashley Mallet. The weekend went so fast and the next thing I knew I was on my way to the airport. We flew home and was welcomed at New Plymouth.

Trent Manton

STAFF vs COLLEGE CRICKET

Admittedly the college team bore little resemblance to the first eleven. Staff opened the batting and reached 162/5 in 27 overs leaving school with a sizeable target. Mr Costello with 34 n.o. and Mr Mustchin's controversial dismissal on 23 were significant contributions. Trent Manton 2/15 and Glen Kalin 2/18 were the main wicket takers.

The school batting machine reached 132 in 24 overs giving staff a comfortable victory. Top score was Adrian Ogier and wicket takers Mr Coldicott 2/7 and Mr Costello 2/27.

2nd XI:

Back Row: Michael Fitzgibbon, David O'Brien, Michael Kiss, Matthew Ogier, Daniel Broughton
Front Row: Emmett Herlihy, Leon Dravitzki, Patrick Goodin, Terence Joyce, James O'Sullivan

4TH GRADE BLUE

BACK ROW: Anthony O'Byrne, Peri Manu, James Cookson, Jonathan Glass.
FRONT ROW: Chris Cull, Sam Richardson, Craig Fleming, Cory Smith.

5TH GRADE CRICKET REPORT

This enthusiastic team practised hard and finished a close third in the competition, the best result for a number of years. We beat the eventual competition winners before Christmas and were just pipped by them in the New Year.

Bowling honours were shared evenly throughout the team, while the season's batting highlight was an unbeaten partnership of 124 runs between Stephen Crowe (63 n.o.) and Michael Ewing (60 retired).

Four team members, Nathan Smith, Leighton Hart, Neil Drinkwater and Stephen Crowe were selected in the North Taranaki U14 Representative Team.

Thanks to our coaches throughout the season, Richard Crowe and Peter Costello.

F1 Cricket:

Back Row: Hamish Forsythe, Deacon Manu, John Schrider

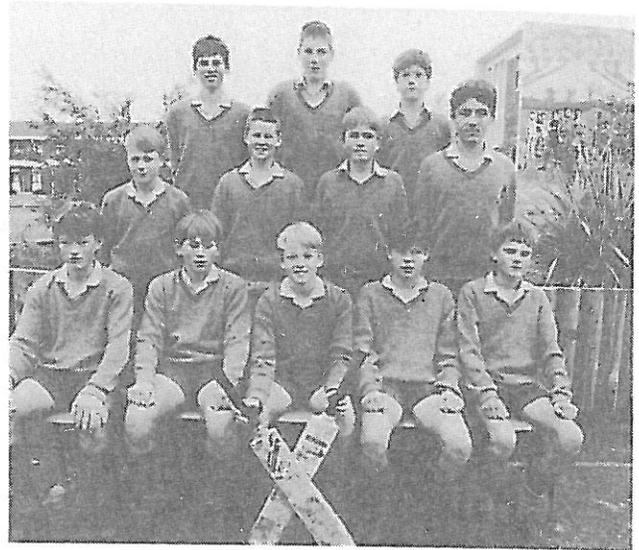

Middle Row: Steven Taylor, Kierin Lee, Jeffrey Ireland, Rowan Hooper

Front Row: Nathan Mouat, Tim Rush, Matthew McDowall

The Form One Team performed very well during the first part of 1990. They lost only one game against a very strong Woodleigh team and produced some memorable performances.

Beat Inglewood	57	to	31
Merrilands	2 for 93	to	9 for 91
Bell Block	2 for 73	to	57
Lost to Woodleigh	7 for 60	to	3 for 96

The game against Merrilands was a particularly memorable one when they were set 92 runs to win and achieved it with one ball to spare due to some very fine batting from Kieran Lee; Steven Taylor; Mathew Watkins and Clem Mustchin.

5TH GRADE

BACK ROW: Daniel Ireland, Matthew Armstrong, Tim Sullivan.

MIDDLE ROW: Joshua Herlihy, Simon Ball, Damian Leuthard, Johnny Bennett.

FRONT ROW: Michael Ewing, Leighton Hart, Steve Crowe, Nathan Smith, Neil Drinkwater.

BACK ROW: Brad McIntyre, Tim Fleming, Jonathan Kale.

MIDDLE ROW: Heath Smith, David Gibson, Jeremy Clarke, Mark Leuthard, Dwayne Cloke, Clem Mustchin.

FRONT ROW: Michael Sullivan, Mathew Watkins, Timothy Stuck, Jamie Faull, Brendan Goodin.

The success of the team has been in the TEAM effort. Every player bowled and fielded well. Its always difficult to give everybody a fair turn at batting but those who didn't spend as much time at the green as some of the others never once complained.

BASKETBALL

BASKETBALL

Francis Douglas Basketball continues its usual intense level of commitment for 1990. This year the school had eleven teams in the Friday night Junior League competition and the Senior A team in the Mens Premier Grade.

SENIOR A

This year was a rebuilding year as only two players returned from last years team. Under the expert coaching of Mr Denis Toon the skills of these boys improved dramatically. David Clarke and Dion Ratahi were selected in the NZ Central Region Secondary Schools Tournament team. Blair Brookes and Wayne Christiansen made the NZ Central Region Under 16 Tournament team and Blair Brookes and David Clarke were included in the Wanganui Invitation Tournament team. Blair Brookes, David Clarke and Dion Ratahi were also selected for the NPBA "All Star" team making up the best players in their league. Congratulations to these boys and also to the rest of the team for their continued improvement and dedication to their game.

UNDER 16 TEAMS

Four teams were entered into this grade with all teams playing and showing a high over all standard of basketball and sportsmanship. FDC Lakers, coached by Maurice Paurini came 3rd equal with FDC Celtics, Bullets & 76ers following closely behind. The school under 16 team entered the NZ Central Under Sixteen Tournament and came a very creditable 3rd to Hawkes Bay and Wellington. Thanks to the coaches in this grade - Maurice Paurini, Dion Ratahi, Stefan Winstanley, Campbell Norgate and Mrs Plumb.

Senior A Basketball Team:

Back Row: Elyne Plumb(Manageress), Daniell Cowley, Campbell Norgate, Dominic Waghorn, Dion Ratahi Vice-Captain).

Front Row: Stefan Winstanley, Wayne Christiansen, David Clarke (Captain), Michael Kiss, Blair Brookes.

UNDER 14 TEAMS

Three teams were entered in this grade and were the most successful of all the school teams with FDC Saints winning the NPBA Junior League competition and FDC Rebels coming runners up. FDC Colts improved dramatically over the season and finished high on the ladder. Congratulations to these teams and their coaches (David Clarke, Blair Brookes and Mr Peter Brennan) for their high standard of play, their enthusiasm and their most competitive spirit.

FORM TWO TEAMS

The two teams FDC Jazz and FDC Blues under the guidance of Kirk Kawana and Jason Glennon played good consistent ball with FDC Jazz winning the NPBA Junior League title. Well done.

FORM ONE TEAMS

This competition was very exciting with FDC Soul coming 2nd and FDC Rock 3rd in the NPBA Junior League. Wayne Christiansen and Mrs Maureen Forsyth are to be congratulated for their part in providing opportunities for these boys to learn good basic skills in the beginning stages of these boys basketball careers.

U16 BULLETS

*BACK ROW: Sean Kelly, John Tonkin, Eddie Munro.
MIDDLE ROW: Stefan Winstanley (Coach), Vaughan Keighley, Matthew McDonald.
FRONT ROW: Matthew Dravitzki, Simon Myers, Jason Bartlett.*

U16 CELTICS

*BACK ROW: Jonathan Glass, Jonathan Fitzgibbon, Glen McCormack.
MIDDLE ROW: Daniel Cowley, Matthew Myers, Daniel Kukek, Shane Death.
FRONT ROW: David Bolger, Andre Manton, Brad Roebuck.*

U16 76ERS

*BACK ROW: Campbell Norgate (Coach), Blair Richardson, Mark Larmer, Graham Bolton.
FRONT ROW: Aaron Cole, Adrian Ogier, Glenn Kalin.*

U16 LAKERS

*BACK ROW: Kirk Kawana, Jason Glennon, Scott Kellner, Daniel Cowley.
MIDDLE ROW: Dominic Lewis, Toby Galvin, Dion Ratahi (Ass. Coach).
FRONT ROW: David O'Brien, Kyle Elvy, Trent Manton.*

F2 BLUES

BACK ROW: Tim Fleming, Kyle Haskell, Brad McIntyre.

MIDDLE ROW: Andre Manton (Ass. Coach), Patrick Wells, Jason Glennon (Coach).

FRONT ROW: Jamie Faull, Ross Thacker, Dwayne Cloke.

F2 JAZZ

BACK ROW: Stephen Prestney, Paul King, Jonathan Kale, Kirk Kawana (Coach).

FRONT ROW: Greg Brennan, Dwayne Reese, Jeremy Burn.

Winners NPBA Junior League F2 Grade.

F1 FDC Soul

Back Row: Daniell Cowley (Ass. Coach), Paul Clarke, John Schrider, Thomas Dyett, Wayne Christiansen (Coach)

Middle Row: Bevan Watson, Trent Coster, Nigel Smith

Front Row: Brendan Goodin, Jarred Omelvena, Steven Taylor

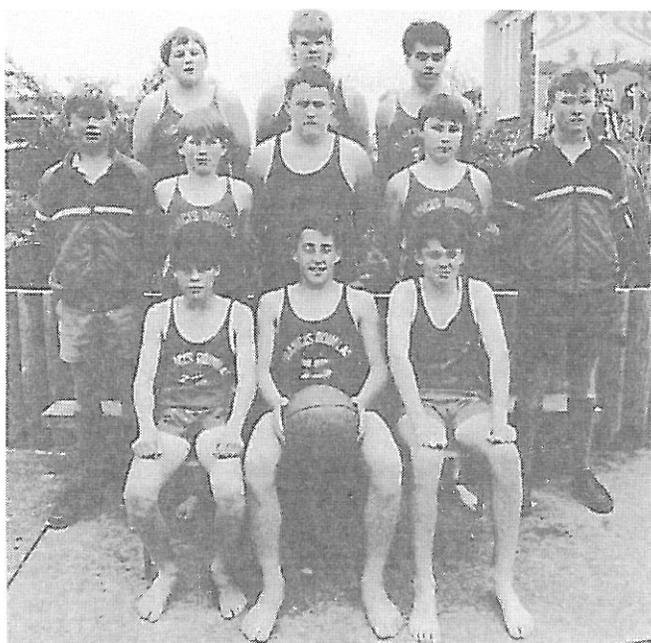

F1 ROCK

BACK ROW: Daniel Cowley, Matthew Watkins, Michael Sullivan, Hamish Forsyth, Jason Glennon.

MIDDLE ROW: Simon Brown, Aaron Ratahi, Tim Rush.

FRONT ROW: Kieran Lee, Wayne Christiansen, Joel Meriweather.

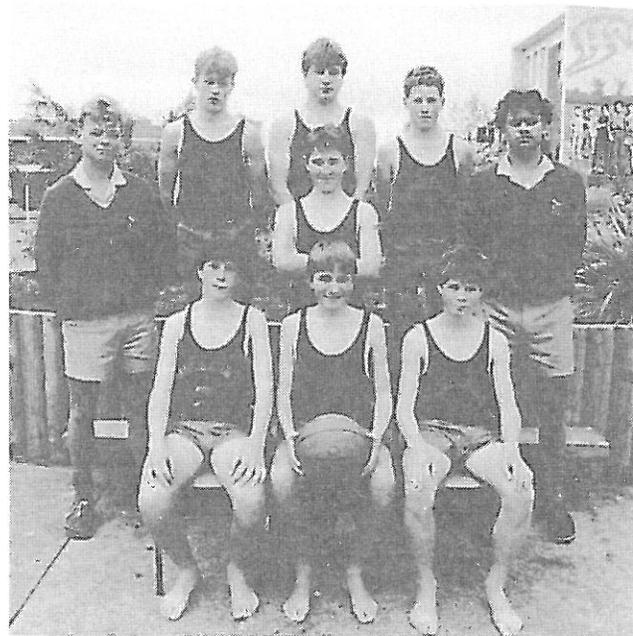

COLTS U14 GRADE

BACK ROW: Chris Clarke, David Pickering, Melios Newman

MIDDLE ROW: Kyle Elvy (Ass. Coach), Leighton Hart, Stephen Griffiths, Russell Scott, Blair Brookes (Coach)

FRONT ROW: Nathan Smith, Jonothan Sullivan, Stuart Rutherford.

FDMC REBELS U14 GRADE

BACK ROW: Daniel Mildenhall, Aaron Dalziel, Quentin McLean.

MIDDLE ROW: Stefan Winstanley, Saun Brennan, Dion Ratahi.

FRONT ROW: Timothy Sullivan, Damian Leuthard, Simon Finnigan.

ABSENT: Mr Peter Brennan © Coach.

RUNNERS UP: NPBA U14 Junior League.

SAINTS U14 GRADE

BACK ROW: Matthew Armstrong, James White, Damian Brouwers.

MIDDLE ROW: Cory Smith, Daniel Ireland, David Clarke (Coach)

FRONT ROW: Brent Dravitzki, Matthew Myers, Simon Ball.

Winners of NPBA U14 Junior League.

Finally, many thanks to those boys who diligently worked the score benches every Friday night especially Jonathan Sullivan, and, all boys who gave time to umpiring and maintaining the efficient organisation of the FDC Gym. My personal thanks to Kirk Kawana, Dion Ratahi and Wayne Christiansen for their ready assistance and competence when I was absent.

TROPHIES FOR 1990

Best Player - Blair Brookes

Most Improved Senior A Player - Wayne Christiansen

Best Defence Senior A - Dion Ratahi

Best Players - Matthew Myers & James White

F2 - Most Improved Player - Jeremy Burn

Best Player - Dwayne Reese

F1 - Most improved Player - Kieran Lee

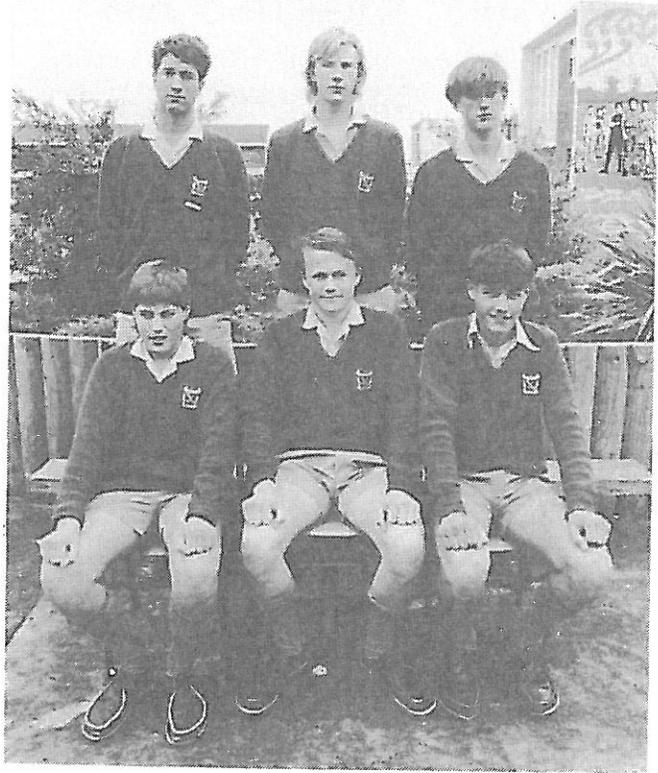

Best Player - Brendan Goodin

Mrs Elyne Plumb

Teacher in Charge of Basketball

SKIING

On the first day of races, the sky blue, the snow is hard and fast. These conditions were the makers of champions. We stood high above the field with our Varnet glasses, wearing the professional ski sweaters and the good looks. We were there to prove we are the best. The team members included Clinton Sullivan, David Shepherd, Trent Keegan, Jonathan Fitzgibbons, Michael and Shaun Van Beers. The training had taken months they are at perfection, all this training to be measured in seconds. These five men leaped over the meanest jumps, completing 180 and backscratches, skied faster than a locomotive and dazzled all they meet with their wit and charm. Off piste the ice was shear and sharp, no worries to big bruised Clinton, and the jumps, aerials and pictures were mastered by Crash. Trent was perfecting the theory of "if you fall, make it look good". Jonathan hit the lower slopes with vengeance, breaking hearts with a bright flowery shirt and a smile. The two Van Beers tried their skills at every jump, and demonstrated all the grace and style they had on the slopes. Then there was Mr.Hill who was as good on the slopes as he was off. Skiing can make you very dehydrated. This week was the most 'looked forward to' of the year, it was just like an overseas holiday. The airline was "Keegan the builder" who performed many death defying stunts to and from the Mt. Ruapehu. We came back sporting very brown faces. The days skiing were heaven and those we met from "south of the Bombay hills" will be remembered. Due to small differences in the times we were placed 60th out of 120 schools. Next year we'll be in the top ten, if we get a major sponsorship. When the next team carves the slopes they must remember the philosophy that took DJS and CJS to the top - *If you're in the air you can't get injured!*

Ski Team North Island Secondary School Championships

OLYMPIC WRESTLING 1990

Winning the 1990 Taranaki Inter-schools Wrestling Championship would have to be regarded as the high point of wrestling this year for our College. The competition took place at the Hawera Wrestling Club, which used to be the Alton Dairy Factory. The main wrestling mat is in an enormous freezing chamber. Consequently it was an incredibly cold place but this forced all participants to wrestle hard and fast - simply to keep warm.

Eight of our Club took part and all performed very well. They were: Zane Burnard, Eddie McElroy, Shane West, Danny Finnigan, Nathan Dagger, Mathew Wenn, Darron Keinzley and Daniel McNamara.

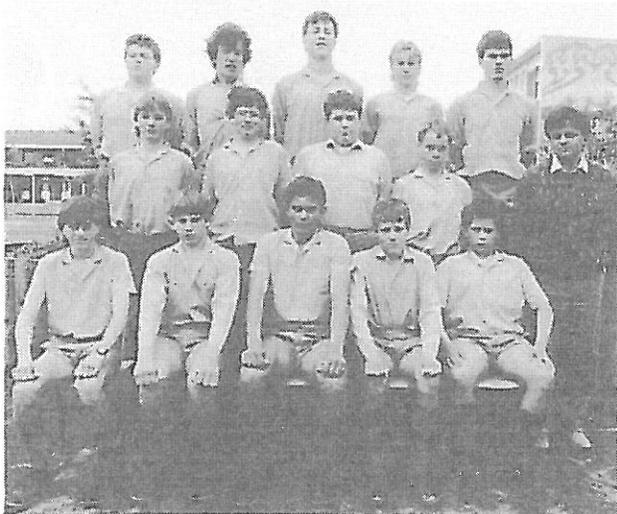

During option periods on Thursdays most boys succeeded in lifting their wrestling ability. Visiting wrestlers such as Mr Keinzley (father of Darron) and the Cultural Exchange Wrestler, Bobby Zea, from the U.S.A., were both appreciated for their own different wrestling styles.

Special thanks must go to Jo Schumacher who proved to be a capable and loyal lieutenant for Mr Kibby.

Conditions for wrestling at Francis Douglas College are far from ideal and every Thursday twelve rather aged mats have to be lifted from the bowels of the gym to the lawn outside and then arranged in a fashion suitable for wrestling on. Jo proved to be capable and dependable in ensuring that this took place.

Next year Francis Douglas College Wrestling Squad will be inviting regular challenges from other Taranaki Secondary Schools.

Wayne Kibby

WRESTLING

BACK ROW: James Satherley, Eddie McElroy, Joshua Lawrence, Cory Smith, Jo Schumacher.

MIDDLE ROW: Ricky McNeal, Chris Bolton, Darryn Keinzley, Jeremy Clarke, Mr Wayne Kibby.

FRONT ROW: Dwayne Reese, Mathew Wenn, Zane Burnard, Craig Dettling, Matthew Healey.

SURF TEAM

Once again our School surf team entered the Taranaki Secondary Schools surfing competition. The boys who took part were Sean Neatherway, Greg Larkin, Campbell Norgate, Dion Ratahi, Damian Pinder and Phillip Scholes.

The competition started off at Oakura Beach in tiny surf of about 1-2 feet. No-one was pleased with the decision to hold the competition since the surf was so small. However, it went ahead. The first round heats were held at Oakura and so were the girls' first heats. At lunchtime, it was decided by popular demand that the competition be moved back to town and continue at Back Beach where the surf was a good 4-6 feet. Our team performed well in their heats with a second and several thirds. However, only the first two went through to the eight semi-finals. Sean Neatherway made it through to the semi's but that was as far as he got due to the hot and consistent surfing by boys from Waitara, Opunake and Boys' High. Phillip Scholes came third in his heat but should have been second however, the judges didn't seem to agree with this common thought.

Nevertheless, I can safely say that the boys enjoyed the competition very much and look forward to next year's comp. The comp is not just about winning, but about coming together to enjoy something we all take part in. Surfing is a healthy, enjoyable and social sport which I think everyone should try.

Sean Neatherway

SURF TEAM

BACK ROW: Campbell Norgate, Phillip Scholes.

FRONT ROW: Greg Larkin, Sean Netherway

SCHOOL GOLF

The school Golf Team this year did very well considering that we only have one member of last year's team. Our first competition was the Taranaki Schools' final at Waitara Golf Course where our team performed very well to take the tournament by four shots from Boys' High. The scores were G. Bolton 70, A. Cole 73, A. Ogier 76 and K. O'Byrne 79. That earned us a trip to the Regional Finals at Rangitikei Golf Course at Bulls.

The trip down in the Boltons' van was fairly entertaining after their front window was smashed by a stone when we still had a very cold wet 15 kms to travel to Bulls. The next day dawned fine though, and the Course was in fairly good order apart from the greens. The scoring was not good and we lost by four shots to the Paraparaumu School. The scores were: A. Cole 83, G. Bolton 85, A. Ogier 90 and K. O'Byrne 103.

Thanks to the Bolton family for the transport down to Bulls and Mr George for finding out when the competitions started. Hopefully, next year, the school will put a bit more time into the team as it is full of talent and should have gone further. Hopefully, reimbursement from the Taranaki Golf Association for costs will be sent before we leave school next year.

G. Bolton

THE THURSDAY OPEN

On Thursday 23 August 1990 the weather was wet. The three of us, my brother Gareth, Michael Gower and I were getting ready to play in the Thursday Open. We walked down to the Club House and found that it was going to be played over 12 holes, not 18. I grabbed my card and was off. I played the 10th hole and achieved 5. After six holes I had 12 stableford. I had 6 more holes to play. I said to myself "try and get about 27 stableford". After three more holes, I had 20 stableford. I had three more holes to play. On the last hole, I needed two more stableford to get 27 but I achieved three to give me 28 points, one more than I needed. I won that tournament.

Layne Frankin 3G

(Layne and his brother Gareth were, in August 1990 the youngest ever in NZ history to win the Top Dog Golf Shield.)

VOLLEYBALL

The junior volleyball team competed with distinction at the T.S.S. Championships at B.H.S. on October 18. Best players were Toby Wright and Simon Ball.

VOLLEYBALL

*BACK ROW: Mr G. Blanks, T. Wright, S. Kellner, J. Coulthard, S. Death.
FRONT ROW: M. Armstrong, T. Manton, J. Marinovich, M. Roycroft, S. Ball.*

OUTDOOR PURSUITS

FLOODING STRANDS PUPILS ON EGMONT

Sat. March 10, 1990

Flooding trapped 70 school students on Mt Egmont last night.

Senior Sergeant Paul Brennan of the New Plymouth Police said a party of teenagers from Francis Douglas Memorial College and another from Waitara High School were forced to spend the night in Holly Hut after heavy rain led to flooding and blocked the route out.

"But there is no danger, they are quite safe," he said.

Two people, believed to be a seventh-form pupil and an adult, walked out to warn people of the group's predicament earlier in the day but could not make their way back.

Mr Brennan said the police decided not to send a search and rescue team to Holly Hut with radio equipment last night. "We looked at the situation and decided it would be too dangerous," he said.

The police will consult with their advisers at 8am today and decide whether to send a team in.

There were adults with the pupils at the hut and he believed they had a radio. Messages had been released by Radio Taranaki to say the two who walked out were safe.

The 26-bunk hut is on North Egmont

3RD FORM MOUNTAIN TRIP

It was a cloudy sort of day at school we all wondered what the next few days had in store. Most our packs were as heavy as a sack of potatoes. At 11:30 we all piled into the bus for our ride to Okato. In no time we had organised which class was going to the hut and which was going to go bivouacking.

My class, 3W was going bivouacking. We all had to carry food in our packs which no one liked. It was only a thirty minute walk to the bivouacking area. We all pitched or made our own bivouacs and had lots of fun bivouacking.

In the day time we went tubing down the Stony river and the water was like ice. Then in no time we were getting ready to head up the mountain to the hut.

The walk wasn't very eventful and it took us about three and a half hours. When we arrived at the hut I was glad to see the other people in the class and all I wanted to do was lie down. At about 8:30 that evening we saw a lot of people walking towards the hut. It turned out these people were from Waitara and they were going to stay the night too.

Then the rain started. It just kept on coming. There was a dried up creek beside Holly hut with lots of big stones in it and when we woke up in the morning it was flooded. We were all packed up and most of us were looking forward to getting home by about 9 am.

We all walked down becoming totally drenched. When we came to the first river we had to cross, it was up to our armpits when usually it was about ankle deep. So we had to stay another night.

The real problem was that we didn't have enough food. That night we got about a quarter of a sausage, a tablespoon of rice and a little bit of mince but we could all get second helpings.

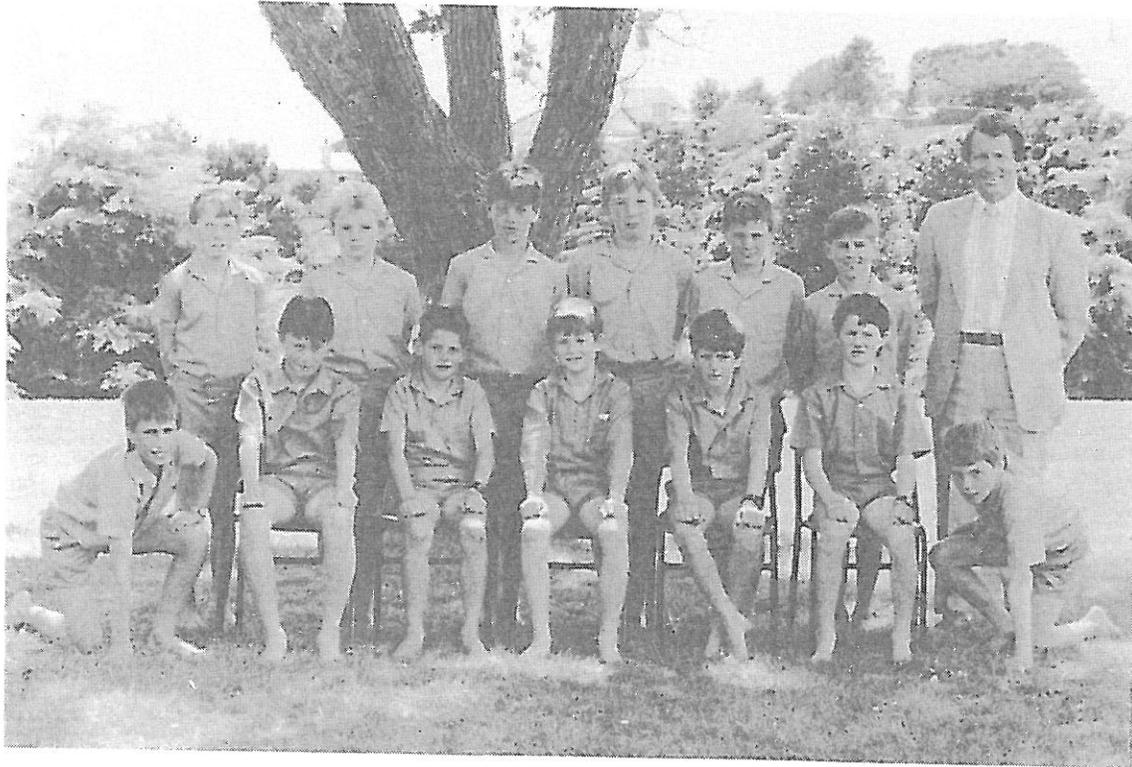

Saturday morning Mr Poehler, Mr Brown and Mr Jordan went to see if they could get through to the bivouac area and bring up the leftover food from there. But they couldn't, so they went to look if we could the track to north Egmont where the Waitara people had come from. This we could do and everyone was in a good mood from then on.

The track was long and half way through I saw a helicopter flying above us, then it disappeared over a ridge. Finally we reached the centre and found out that the helicopter had picked up Jamie Satherley and flown him back. This was because he was a mile back from anyone, a diabetic and had run out of the shots he needed to control it. The bus going to take us home arrived. We all got in with a new lease of energy it was exciting just to be getting back.

**Winners Catholic Inter School 7 aside
Tournament**

**Runners Up Taranaki Competition
Runners Up Taranaki 7 aside**

SOCCER U12 TEAM

The team this year was made up of five standard four boys from St Josephs and eight Form 1 students from Francis Douglas. The team was coached by Mr. G. Mustchin and managed by Mr. Wigg.

The team had a most successful year. They were runners up to Merrilands in the league winning 8 of their 10 games and were also runners up in the end of season seven a side tournament when they lost to BellBlock 1-0 in the final. It was the only goal scored against them during the day.

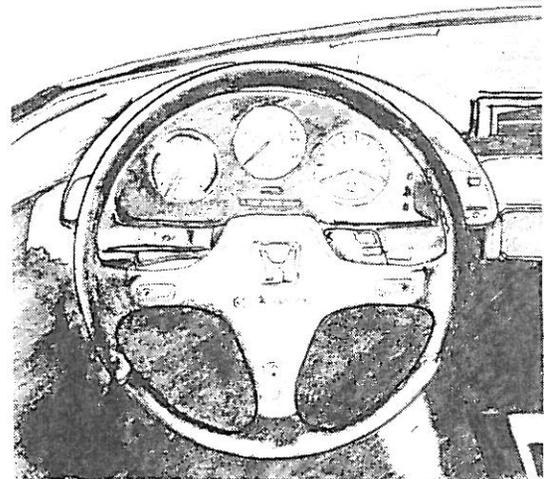

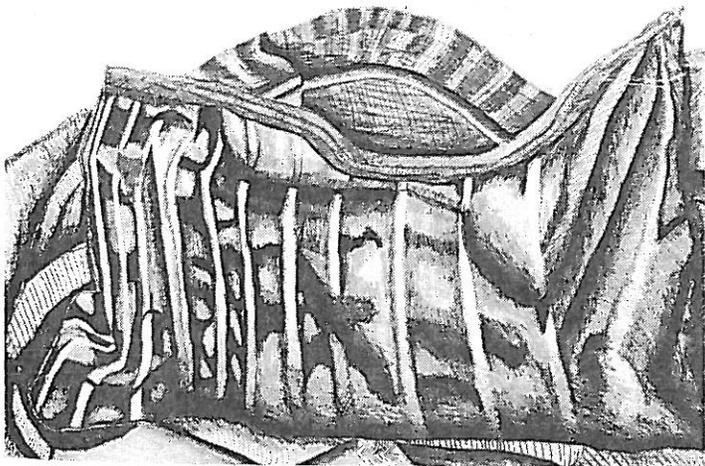

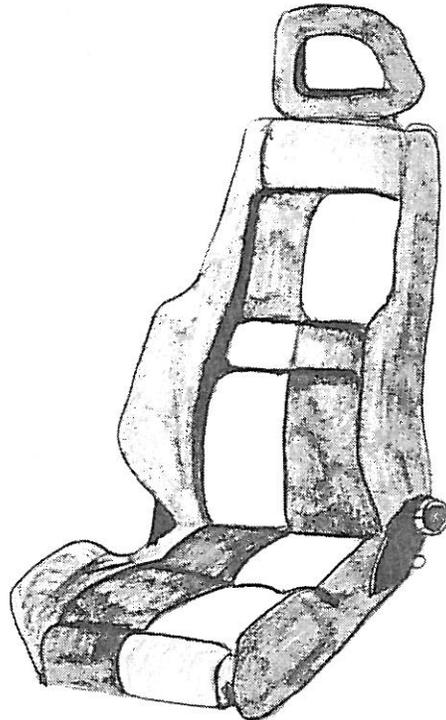

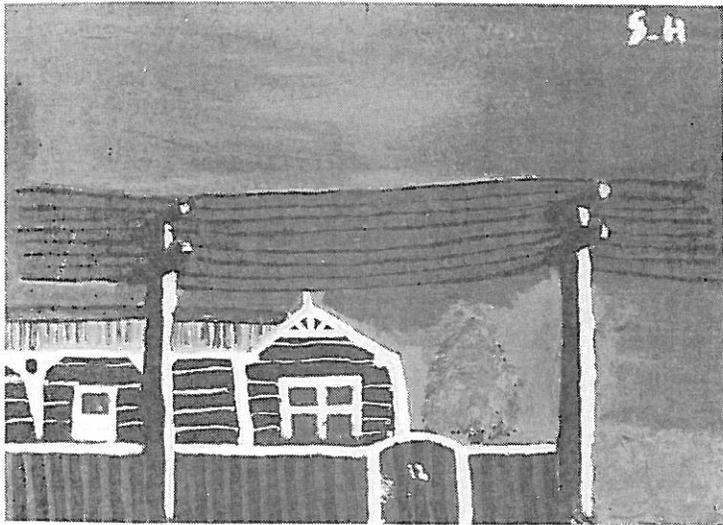

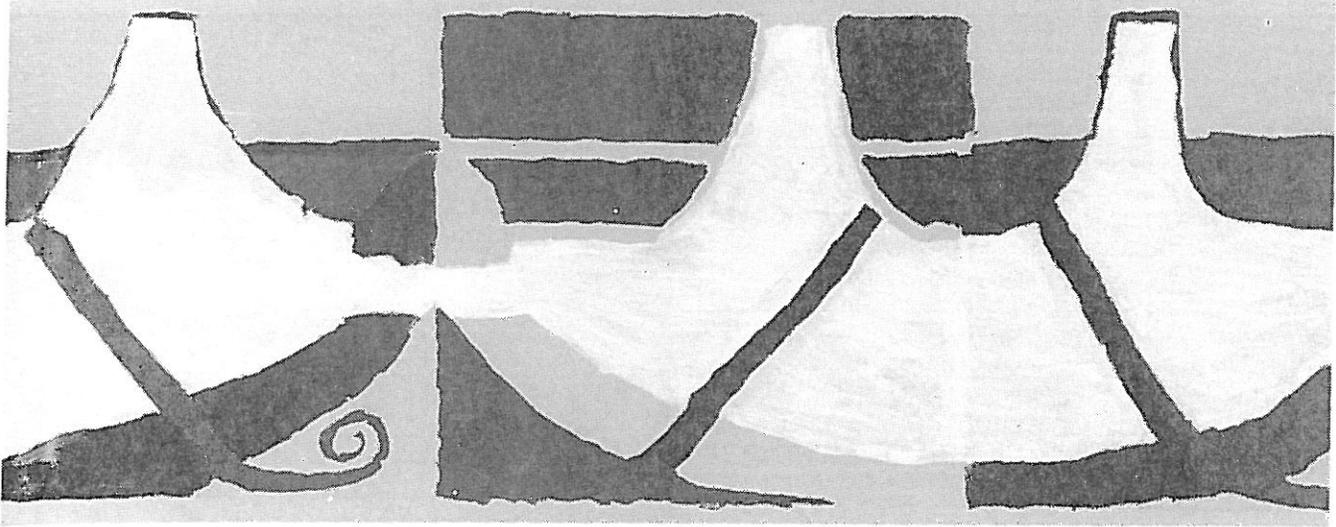

Three members of the team played for the U12 representative team. They were Clem Mustchin, Carl VanLent, and Matthew Reese. The team was a very happy one and while one or two strong individuals played some outstanding football they never lost sight of the fact that it was the TEAM that was most important. All members were faithful to practice and made sure that their coaches and managers instructions were faithfully carried out. They thoroughly deserved their double achievement.

SOCCER

Spirits are high for the new coming year.
We were once in youth by now premier.
Practise is hard and so are we.
If you watched our last game then you'd see.
Although we've won one and also lost two
We try our hardest what else can we do.
We look quite smart in shirt and tie
Unlike the others we'd make you cry.
As well as our shirts we have a great strip.
We also look good when we are pitted in it.
We play like we look, elegant but firm.
Maybe because our coach is so stern
But still we have a season to finish
Hope we go on without a blemish.

John Clark

ORIGINAL WORK

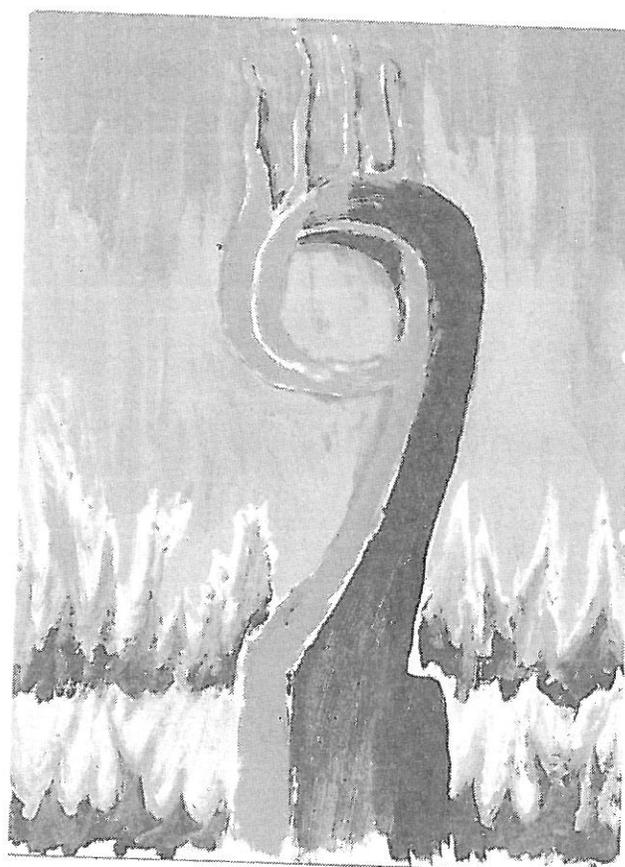

BUGSY McDOG

Chicago 1926. Land of the gangsters. Hi! I'm buggy McDog, leader of the Hound and Labrador Club. It was just another night at the Club playing poker with the boys. "I'll have a gin 'n' tonic, Ginger", I asked. Ginger is the club playgirl. "Here you go big boy," she replied with a smile. "The clubs pretty quiet tonight eh buggy". "Suppose so." I said and walked away. But I had my suspicions. The club was too quiet. It had been a long time since that dirty dude sastian, the leader of the Rock-Wheeler gang had been up to no good. I decided to post guards at the front door, just in case. I settled back in my nice arm-chair, and played a little poker. "I'll raise ya a grand boss." said my hit man Bruno Bulldog. "Think you're smart eh? I'll see your grand and raise you a grand," I replied with a grin on my face. I knew he was bluffing. "Well boss, I like this game, so I'm a going to raise you another grand." I thought to myself. I'll see him and I'll win the lot. "See ya Bruno," I said smiling "Royal flush. Sorry about that boss." That low down conniving piece of fido. I orda well, maybe I'm not so hot at poker afterall. I decided to go to the safe to count the winnings from tonight. "24 to the right, 6 to the left, 1 whirl to the right. Thats it," I had the safe open. SMASH!!! The door came down with a thud. Quickly, 15 men surrounded the room, armed with splurge guns and ready to fire. Then, through the door, came Al sastian. "I could smell it in the air that something was wrong, or was it just you Al sastian." I said snarling. "Yes Buggy McDog, that was me you could smell alright. Rexona, anti-perspirant. Keeps you dry like Alex Wylie! "I'll have to get some sometime." Quickly I jumped behind the bar. As I did so, they creamed the place. I loaded my splurge gun. My excellent shooting took them by storm. I fired rapidly hitting each of the 15 in turn. "Ahhhhhh," I shrieked. I had been creamed on the left arm. It was Al sastian that had hit me, the dirty rat! Quickly again I finished off the rest of the 15. It was the safe he was after. All the Club members were hiding by now. I jumped the bar again and ran my little legs off to the safe. I tipped over a table for cover, while I filled by pockets with money. The safe was empty now.

Quickly I sprinted over to Ginger. "C'mon honey, lets blow this joint," I said as I grabbed her arm. We raced to the car while Al sastian was hot on ourtail. I turned the key. The engine turned over. I gave it a few herbs and took off and left Al Sastian in a cloud of exhaust fumes. "We out foxed that dog, eh Ginger," I said smartly. "We sure did Buggy, we sure did." Suddenly I stopped. Ginger had a splurge gun pointed at my head. "Sorry Buggy," she said almost crying as Al sastians men swarmed the car. They took the cash from me. Ginger left the car crying as she blew kisses to me. "Wise choice n.y dear," said Al Sastian to Ginger. "He's always been a loser." His men moved away from the car taking aim at me. "Let him have it," Al Sastian screamed, filling the air with torment.

Malcolm Keegan

THE KAUERANGA

The valley is silent,
in the cold early morning.
Everything's peaceful
No danger or warning.

The valley starts to change,
the skies shifting hue.
You can see the mountains
On a background of blue.

First comes the cries,
Then come the whistles,
A breath of chill air
brushes trees, shrubs and thistles.

The horizon erupts
in a blaze of deep red,
scattering light from the high tree-tops
to the damp valley bed.

A plume of grey smoke
comes snaking up,
by a stream in the valley
from a national park hut.

A kea circles low,
alights on the roof
his manner suggests
he's holding aloof.

But his beady little eyes,
dart from guns, boots to packs.
eyeing up all,
for the odd tasty snacks

A trumper stumbles out,
squinting in the light.
Throws a stone at the kea,
who takes off in fright.

Down in the valley
where the water flows clear,
the trout and the eels
spawn year after year.

Once in a while though,
a trout takes the hook,
then into a sack,
and home to the cook.

As the sun rises higher,
the trampers depart.
the birds stil sing their song,
straight from the heart.

So by the middle of the day
most people have gone,
But life in the valley
still carries on.

The tranquility is broken
by sound of a chopper,
and inside the machine
is an alert plain-clothes copper.

He searches the valley over,
looking for marijuana.
planted illicitly
by the "access-scheme farmer".

This whacky baccy weed,
greown by the mile,
is sold nation-wide;
"Kaueranga-style"

The chopper has gone,
the valley is still.
A thrush chirps in a tee-tree
by an abandoned timber mill.

Life meanders on,
Nothuing seems wrong.
The wind blows softly...
The birds sing their song.

Late afternoon arrives,
things start to slow down.
And at the end of the valley
Is the pinnacles crown.

The pinnacles are three rocks
that point to the skies,
and at the top of the pinnacle,
the sinking sun lies.

Evening comes,
the birds step up their song,
that echoes through the valley,
sweet, loud and long.

Night falls slowly,
like soft, silent shrouds.
Up in the sky
gather stark milk-white clouds.

By night time it is raining
cooling the bush.
The water falls start up
with a watery whoosh.

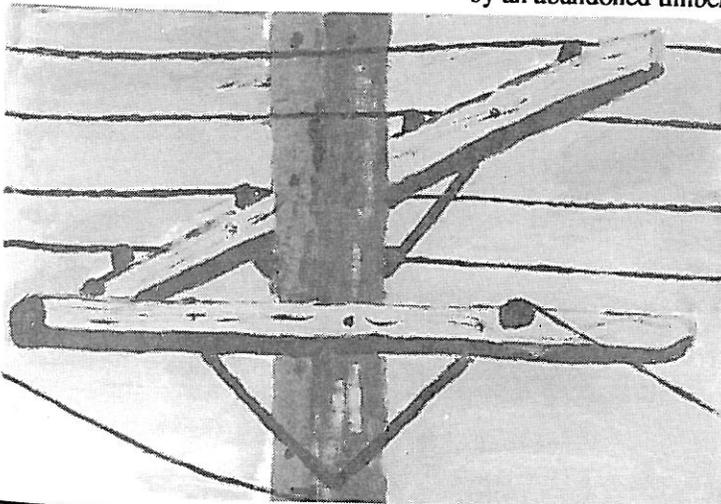

The rain falls down
long into the night.
The thunder belches sound,
The lightning flashes light.

At midnight it ceases.
The rains' at a stop.
The only sound heard is the waters' drip-drop.

This place of natural beauty
is finally at sleep.
The silence total,
with tranquility complete.

When you and I have gone,
This place will remain...
In silent beauty...
No anger... No pain...

Joe Schumacher

TODAY'S ISSUES

ANZAC'S RETURNING

Galipoli the first World War, a time of pain and remorse,
where we remember our fallen comrades and mates,
with loving anguish.
Why did it happen, who's to blame,
why did we fight, for love or redemption?

NUCLEAR WAR

Feel the hea, the blood spewn smash.
Feel the idle bo'dies, reluctantly give way,
to an even greater power.
God said, "next time I use fire!"
Is our time overstayed?

LOVE

Though an amateur, I can tell,
of the power that vibrates through.
True love not just sex, this is unfulfilled love.
True love is awakened and fed by friendship,
that binds man and women to join in bonds of trust.

MURDER

Is there a talent in taking lives?
Unwillingly the victim dies a deadly plot.
Can society handle the feel of death,
a person with a rotted out mind,
could do not such a gruesome deed!

SEX

What is sex but a useless word,
when used without feeling, the tenderness,
of your partners thriving sense of dignity,
can we assume responsibility,
of such great emotion gone to waste.

VIOLENCE ON T.V.

To what cause do producers produce violent movies?
To feed a hungry being?
Or to distort society?
Tranquilised by the scenes they watch,
As a normal life.

ABORTION

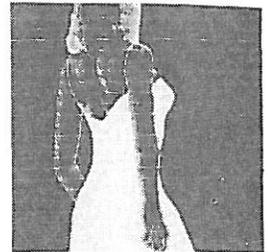

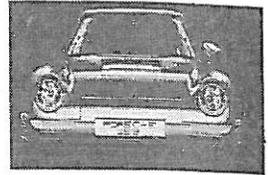

Is abortion a cold murder?
Or is it saving a life from today's torture,
Of being born from an un-wed mother,
Or is the silent scream of leaving the womb
More un-bearable?

John Creighton

THE TIGER POEM

A striped cat,
Black, orange and white,
A striped cat,
Stalk at night,
A striped cat,
Lolling tongue,
A striped cat,
Chase and run,
A striped cat,
Mouth dripping red,
A striped cat,
Brilliantly bred.

Kelly Ryan

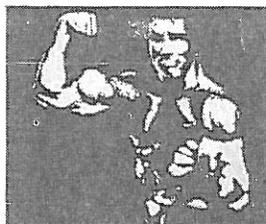

A CLOSE ENCOUNTER OF THE DANGEROUS KIND

I am writing this story to let you know about a close encounter of the dangerous kind. Australia is well known for its extensive and exotic wild life. It is this exotic wild life that has, and will continue to do, take the lives of many, old and young.

At one time my father was working on an oil drilling site in Roma, Queensland and a large, dangerous and distinctly unfriendly King Brown Snake was discovered under his hut. After much discussion it was decided to acquire a fork lift to elevate the hut, and hopefully remove the snake. It showed no inclination to move of its own accord.

Well, the fork lift was acquired and the hut lifted to approximately 4 feet from the ground and the large King Brown slithered out. A particularly game oil man went into the attack with a shovel but only succeeded in severing the snake's tail and making it particularly unhappy about the proceeding in question. The snake went for its aggressor who by this time had managed to trip himself up on some pipe while retreating and was now in a state of sheer panic. Someone with a cool head picked up another shovel and managed to decapitate the snake, just in the nick of time. Instead of being grateful the original attacker was seen running, like a man possessed, at a fast rate of knots, through the Queensland bush.

Scott Lowe

A great big cat,
Stalks at night.
A great big cat,
Black as night.
A great big cat,
Causing fright.
The Panther -
An awesome sight!

Ross Thacker

ODE TO THE CLASS OF 1990

Our eyelids fly at half mast
to veil the solitude of our stupor.
A stupor that Society shuns
when it is found in one so young.
The pavement pitches
like a stormy sea,
Yet you float above, alone,
from all except reality.
Music throbs,
and people fly,
out of the void
beyond your eyes.
Certain sounds penetrate the haze,
like the crisp, clear crack
of another six-pack.

PROUD

They came from far and wide
in search of an eluding culture.
Finding what they wanted and more
they learnt with determination and pride
of the ways of their people
how to succeed
how to withstand
and how to defend against the ever
preasuring hordes who know nothing of
the aroha which was present.
And as the gathering drew to an end
they made their goodbyes and
promises and came home,
bringing with them their new found
courage and culture,
And they were proud.

Andrew Bailey

HOW I FEEL

AIDS

A short death
Miserable
No life left

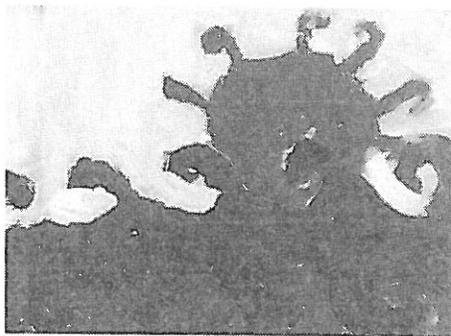

ME

A pattern of life
Tangled with destiny
Intertwined with others

PAIN

An ignoble state
Causing injury
Major factor of stress

John Creighton

SUNSET

The sunset in it;s beauty rare,
The sun rises for it's canvas the air,
The paint is supplied by it's many fueled light
To create a masterpiece
The bringer of night.

The tint of the rainbow seems very dull,
And works of men are void and null
Because nothing on earth can compare,
To when the heavens show that night is here.

The sun melts to meet the sky,
And now seems God to slip close by,
No need to fear the forthcoming night
for when the sunrise comes,
The Jewel of light.

Jason Fleming

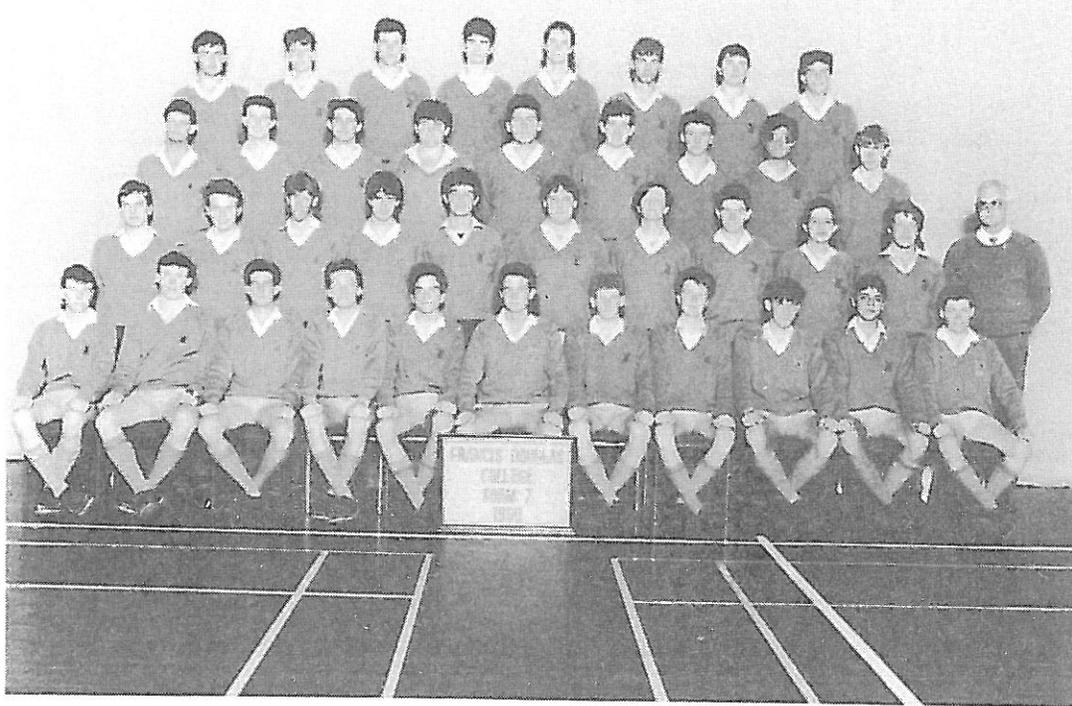

TARANAKI

I'll never say goodbye to Taranaki,
A call may take me miles away,
But in my heart there will always be that longing.
To return there,my heart will have its way,
Taranaki with its shapely mountain.
Majestically it opens the Northern sky.
A sentinel to lush and sheltered pastures.
That patterned round its bloom, gently lie.

There's a star that points right back to Taranaki,
If from its green pastures you have strayed.
A glistening little finger points to Egmont
In its winter mantle now arrayed.
Theres a whispering in the wind in Taranaki.
That ruffles placid streamlets in its wake.
That croons to haughty pine trees in plantations.
And shivers in the waters of the lake.

Be it in a shack or in a mansion.
In a lordly house or underneath the skies
You're in the magic spell of Taranaki
The liveliness that it cannot disguise
The sparsely dotted little farmhouse.
To the busy little populated town,
The level little paddock on one hand,
And its neighbour with its crazy ups and downs.
Yes the stir of the heart is the lure of Taranaki.

Tony Burton

FORM 7 REPORT

As yet another year comes to a close and as we prepare to go our separate ways, it is reasonable to indulge ourselves in a little remembering. Certainly, 1990 would not have been the same without its many characters and events, most of which were conceived within the dubious walls of the seventh form sanctuary.

The focal point of seventh form was without a doubt a blue/green Epiglass room, that somehow we had managed to resurrect finally after a 1989 seventh form "demolition derby." Tasteful furniture was acquired to mirror the many personalities within our group. Towards the end of the year, like some of the group, the furniture took on signs of stress and strain. The fridge, a status symbol only, (for it had never really been used) brought much pleasure and amusement to those who knew it. It has at last found a final resting place in the Hooker bin. So be it. The common room!

Cultural contributions were made by a number of our group to the life of the College. Gavin Loader fiddled his way through the year and even led the school orchestra on international tour to Australia, a ably supported by fellow fiddler, Johnny Louie, drummers Dowd and Drysdale, and Tim Russell who blew the clarinet and almost the trip.

O'Shea Shield gave some of our articulates a chance to compete against the cream of North Island Catholic Schools. Niki, Dom and Paul left no doubt in people's minds that religious questions were not their forte, while Dom, Clinton, David and Mike acted their way to a creditable fourth in the drama section. Tim led the debate and then preceded to horrify the impromptu speech audience.

Seventh formers as always, consider weekends important for their social development. Weekends never passed without some social gathering somewhere. Our crack netball squad completely overwhelmed and destroyed their Sacred Heart counterparts in two epic battles. All New Plymouth secondary schools combined for a fancy dress dance, which regrettably tended to go down like a lead balloon. The Social Committee once again contributed, by helping to organise a number of dances, the highlight of which for us was the Dinner-Dance.

Sporting congratulations must go to Shane and Jacob, members of the Taranaki Secondary Schools Team that toured Australia, and Sean Cunningham who made it into the Taranaki Senior Men's Soccer team. Then of course there was the flood of commoners who represented in such sports as skiing, basketball, soccer, rugby, cricket and swimming, not to mention House Captains who helped keep their teams in the hunt for gold.

Early in the year, clothes campaigners, Dominic and David, fought the bureaucratic jungle for a new dress code for seventh form. Little did they realise that their greatest adversaries would prove to be their fellow students. Undaunted, David Shepherd battled on bravely as a member of the Board of Trustees, doing a sterling job. Academic expectations were flying high at the beginning of the year. As the year wore on, the door flew off, the wings sagged, the crew panicked and the passengers all wondered what the fuss was about! Nevertheless, not wishing to appear ungrateful, we would like to thank the crew for all their efforts to keep us airborne and on course. Hopefully we will eventually reach our destinations.

HOUSE CAPTAINS

Robert Bolton La Salle

LA SALLE HOUSE REPORT

1990 has been a year of great ambitions for me, taking on the responsibility of being La Salle House Captain. Going back to when I first arrived at Francis Douglas in 1984, nobody thought about becoming a school leader.

The year started off with the swimming sports and as usual La Salle tried their best but it was not good enough, coming first at the wrong end.

The next major event was the Athletics. In this La Salle has always competed with great vigour. Even though we won most of the events the slack participation levels of the lower grades let us down so at the end of the day we earned a well gained second placing. La Salle as a whole has some of the most talented swimmers and athletes within itself, and as a House Captain I always enjoy a yellow shirt winning a competition.

In the year to come I would like the attitudes of some people to change from "I can't be stuffed to I can and I will". In doing this the possibility of La Salle winning every competition would be greatly enhanced.

Finally I would like to thank Mr Hill for his great organisational abilities and to the vertical form leaders for getting the men to competitions on time. Also a big thanks for all those who participated. Good luck for next year.

Robert Bolton

LORETO HOUSE REPORT

I accepted the responsibility of Loreto House Captain this year with great pleasure. The combined efforts of the team can not be seen as profitable in the area of prizes but these results do not justify the enjoyment we gained from this year's Sporting, Academic and Cultural competitions.

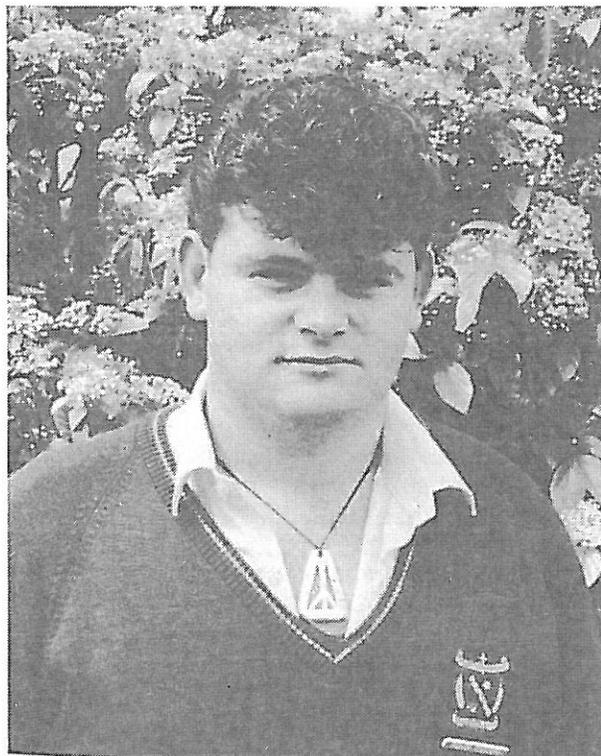

We did not have a great start this year with the swimming sports, but morale was high and we were going to take the Athletics Sports from the first starting gun.

Maybe we did not go quite as well as we had expected, but I would like to congratulate the individual achievers of Loreto House this year and all the others who participated in the House competitions. The team spirit and participation of all the boys made the house activities more enjoyable for everyone.

I would especially like to thank Mrs Plumb for all the time and effort that she has devoted to our House. I would also like to acknowledge the assistance of all the teachers who were involved with Loreto House this year.

Thanks to Dominic and all the other sixth and seventh formers, and to every member of the Loreto House for their support and participation. It has been an unforgettable year and I wish Loreto all the best for the future.

Stephen Iremonger

Stephen Iremonger Loreto

BENILDUS HOUSE REPORT

1990 has been another successful year for Benildus. The year started off with a very impressive win in the swimming sports. The swimming went right down to the final "all age relay" which we won due to a great start by the junior swimmers and a great finish by Jacob Novak.

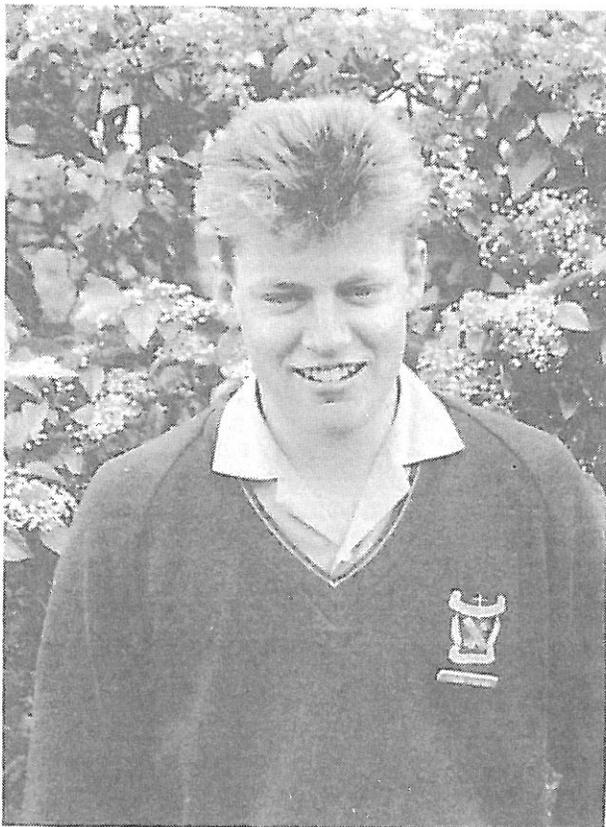

The Athletic sports was another impressive effort with everyone giving their best in trying to take out the double. A very commendable effort saw Benildus come 3rd.

The cross country was also a top effort with Benildus coming second. Many champions are in the Benildus house but everyone who participates are winners.

The organisational side of Benildus was of a high standard mainly due to our house convenors Mr Coldicott and later Mr Blanks and the other seniors. Benildus also competed well in the vertical form competitions. B1 held the shield for a large part of the year and Benildus Three was first equal in selling their allotted chocolates, but due to real Benildus generosity they donated their winning prize back to the PTA.

I am proud to have been the Benildus house captain for 1990 and wish Benildus the best of luck for the future.

Michael Dowd

Michael Dowd Benildus

Gavin Loader Solomon

SOLOMON HOUSE REPORT

1990 was certainly Solomon's year. The "Reds" really got behind one another and it certainly paid dividends as far as results go. Solomon were certainly the most consistent House this year, all giving themselves in the true tradition of Br Solomon, martyr during the French Revolution.

The year started with what by no means could be termed a phut - in fact it was magnificently successful. We surprised everyone by being beaten to a very close second by Benildus at the swimming sports and we backed up that tremendous result with a clear, decisive and all-conquering victory in the athletics.

After that tremendous start to the year, there was no way we would let up, and the "Red Machine" just kept on producing the goods with another exceptional win of the cross-country in the third term.

As well as sporting prowess, Solomon men have been prominent in all aspects of college life - cultural and academic. Such involvement is good to see and future college life is obviously in capable hands. As leader of the mighty Solomon I would like to express the pleasure it has been to lead a band of such worthy champions.

Having praised Solomon's efforts this year, one must make it clear that it is not easy to organise events so that they run smoothly and successfully. The time, energy and intellect of many people for many long hours has to be contributed for success to be obtained. For this reason I would like to thank particularly Mr Dravitzki, House Convenor, and Br Geoff, Mr Poehler, Mrs Ryan and Br Robert as well as the senior students who have aided me during this year's activities. Their efforts are much appreciated.

Finally, it is with my sincerest best wishes that I wish all in the Solomon House every success in 1991. Good Luck.

Gavin B. Loader
