

# FRANCIS DOUGLAS MEMORIAL COLLEGE

*A Catholic College in the tradition of the De La Salle Brothers*

## GYM AUDITORIUM PROJECT UPDATE

**4TH - 15TH NOV 2024**

Exciting progress has been made on the gym/auditorium project in recent weeks. Anchortech services will be back onsite next week to complete the final phase of securing the bank, and the steel waler beams donated by Geoff Bourke from Energy Works will be attached appropriately, allowing further excavation to continue safely. Foundation work on Level 1 is well underway, with the included photos providing a clear view of the building's footprint taking shape.

Looking ahead, all underboring and other disruptive works are scheduled to commence during the upcoming school holidays to minimise the impact on daily activities.

Thank you once again for the generous donations that continue to support this project and bring us closer to completion!

If you would like to donate, please contact Jorgia Roebuck at [jorefdmc.school.nz](mailto:jorefdmc.school.nz) for more details.

Tim Stuck - Principal
