

FRANCIS DOUGLAS MEMORIAL COLLEGE

A Catholic College in the tradition of the De La Salle Brothers

GYM AUDITORIUM PROJECT UPDATE

7TH - 21ST MAY 2025

On Level 1 the plywood diaphragm ceiling is now complete, with internal gutters and parapets currently underway. Exterior framing is also progressing well.

There has been significant progress on the ground floor with the main slab pour finished, and the two additional pours were poured on Wednesday, 21st. These pours are the fitness centre/changing rooms and the storage areas. LVL portal column installation is now in progress.

A reminder that our brick donations are coming to a close - don't miss your chance to be part of this legacy project! To purchase a brick, please get in touch with Jorgia Roebuck - jore@fdmc.school.nz

Thank you once again for your continued support!

Tim Stuck - Principal
